Guessing Contest Getting Hot On When First Freeze To Be

Interest in the Slatonite First Freeze Contest is growing every day and there will be some mighty close figuring to do when the time comes to award the \$5.00 prize and the six months subscription to the Slatonite.

While Bill Ball, the former Army weather expert, has not made his prediction, a lot of other experts have. Mr. Ball says he has no faith in the signals that nature puts out such as tree bark, feathers on the fowls and fur on the rabbits, he needs a lot of gadgets to do his predicting and he does not want to ruin his honorable reputation like a lot of off the cuff weather guessers are doing.

The Slatonite also has a reply from Jas. W. Savell of Route 2, Slaton, in which he sets the date on the tenth month. It is presumed that he means Nov. as the 10th month has already gone by. He gives the hour and minute that he expects the freeze but he has sent in the wrong month. To have his prediction in the pot Mr. Savell should make another entry. He not only gives his prediction on the weather but he suggests that we have a series of contests such as offering prizes to the first person who guesses when the first oil well will be brought in within ten miles of Slaton, who will win the general elections and what the womens skirt lengths will be next spring.

Perhaps he has something worth while in these suggestions and they will be considered.

If you wish to make a prediction write the date and hour of the day for the first freeze out on a post card or letter and mail to the Slatonite weather editor, or come to the Slatonite office and put your guess on a piece of paper. All entries will be kept secret until the day of the freeze when some good judges will be chosen to pass on the winner.

Only one guess allowed to each person and the field is open to any one. There is no telling what might come of this.

The reading on the chart at the West Texas Gas Company office in Slaton will be used to decide when 32 degrees has been reached. The thermometer is arranged so that it automatically records the temperature for this area, and it is felt that the records as shown by this mechanism will be a fair way to judge the contest.

Not only will the day of the freeze be considered, but the hour of the day that the freeze comes will count. There have been many entries made as to the day, but not the hour. Those who have done this should send in corrected estimates showing the hour as well as the day, so that a fair contest can be held.

Freeland Resigns As Principal

J. H. Freeland, principal of Slaton High School for the past three years, has resigned his position here. His resignation was effective Friday, October 27. Mr. Freeland will move to Lubbock where he is going into the real estate business.

Delbert L. Geer left Monday evening to report back to Navy headquarters in San Diego after being called home because of the death of his father.

Next week is Nation Wide Franciscan Week. See our ad in this paper, Slaton Gift Shop.

Week's Question

Eventually Nations Will Engage In World War III Say Slatonites

With the memory of a world conflict still fresh in our minds, we are faced with the possibility of World War III. Each day's news brings reports to cause further worry. With the problem of making world peace so pressing right now, and of such great importance to all of us, we have asked, "Do you think there will be a third world war?" for our question of the week to see what Slatonites think about this vital question. These are their answers:

P. G. Meading, 605 S. 12th—"Eventually there will be." He gives as a basis for his opinion a statement made by Stalin: "It is inconceivable to believe that capitalism and communism can live in the same world." "The general trend of affairs in the world is definitely leading toward war," says Meading.

J. T. Bolding, 515 W. Lubbock—

Local Men Attend Canadian River Project Meeting

Immediate efforts will be concentrated on plans to secure federal financing for the \$85,000,000 Canadian river water development project.

If government loans prove unobtainable, private or other financing will be sought.

This expected course of procedure was endorsed unanimously at the most largely attended meeting since the temporary organization of the Canadian river development project, in Borger, October 31. Attending the meeting from Slaton were Lewis Hollingsworth, Chamber of Commerce president; P. G. Meading, chamber manager; and J. J. Maxey, city secretary.

A visit to the site of the proposed dam and reservoir, about 14 miles northwest of Borger, followed a luncheon and business session at which Lubbock Mayor Clarence Whiteside, president of the temporary Canadian river organization, spoke.

The recommendation adopted by the steering committee, composed of officers of the temporary organization, and approved unanimously urged that attempts to get federal help be exhausted before other methods of financing be considered.

It was agreed that private financing would involve objections and hazards which would not apply if the government advanced the money for the work. Among others, private financing through a bond issue probably would require much larger annual payment on the debt than under the 50 year liquidation plan under consideration by the government.

PTA Reports Big Success At West Ward Carnival

Approximately \$500 was made as a result of the Halloween Carnival at West Ward School, Oct. 31. The PTA will use the money to make the final payment on the Public Address System installed in West Ward and East Ward Schools. The remainder of the funds will be used on a library or visual aid project. The PTA will decide definitely later.

The carnival was a big success according to Mrs. Charles Marriott. The Mexican dinner was a complete sell out, and all of the other booths were kept busy all evening. The school building was crowded from the time of opening until the end of the evening's program.

Names of winners of the prizes for the best costumes are not available at this time, but will be announced later.

WEATHER REPORT

The West Texas Gas Company reported the low this week to be 50 degrees on Monday. The high was 90 degrees on Sunday.

Visiting in the Fagan Ross home Sunday were Mrs. L. V. Daniels and son of Lubbock.

One-third off on all table lamps. Thompson Furniture Co.

U. S. POW'S ON K. P.—In one of the first pictures of American prisoners released by the enemy, two unidentified Americans peel potatoes in a prison camp near Pyongyang, the capital of North Korea. The picture was received through sources in Red China.

Government Puts Ban On Building For Recreation

T. U. Purcell, District Manager for the U. S. Department of Commerce in El Paso, today announced the issuance, by National Production Authority Administrator William H. Harrison, of a ban on the construction of new buildings for amusement, recreational or entertainment purposes, and at the same time warned that anyone starting any type of new construction of a non-defense nature will run the risk of having such construction halted. The ban is effective at midnight tonight.

In issuing today's ban, NPA Administrator Harrison said that the purpose of the order, NPA M-4, is to conserve important materials, particularly certain metals in short supply for national defense needs. He pointed out that the prohibited construction is "of a type which does not further the defense effort, either directly or indirectly, and does not increase the nation's productive capacity."

Today's order does not affect construction already under way, and permits repair and maintenance of existing buildings as well as a limited amount of alteration and modernization. Exempted from today's ban are small construction jobs not exceeding \$5,000 cost for any consecutive twelve-month period.

Mr. Purcell said that copies of NPA M-4, containing a detailed listing of the types of construction now prohibited, may be obtained from his office at 206 U. S. Court House El Paso. Copies of all other NPA regulations and orders may also be obtained from the Commerce Department District Office. To date, NPA has issued regulations limiting the size of inventories of specific commodities (NPA-1), and setting up a system of priorities (NPA-2); and orders dealing with steel (M-1), rubber (M-2), columbium bearing stainless steels (M-3), and today's (M-4) prohibiting certain types of construction.

Local lumber men say that this restriction on building will not have much effect on building in Slaton. There is very little entertainment building being done here and the restriction does not apply to FHA housing loans, since that is considered essential building. It is the opinion of some of the lumber men that the restriction will cause repair business to be better.

PVT. WILLIAM WILSON BEGINS RADAR TRAINING

Keesler Air Force Base, Biloxi, Miss., Oct. 21, Pvt. William Wilson, 20, son of Mr. and Mrs. Sam Wilson, 425 W. Lynn, Slaton, Texas, has recently reported to Keesler to begin training in the Air Forces Radar School which is a part of this large technical school of the Air Force Air Training Command.

The training Pvt. Wilson receives in the Radar School will extend over a varied period of time, dependent upon his assignment. 16 weeks of which will be an introduction to the fundamentals and principles of elementary electronics as applied to Radar. The second phase of his training will be either in Ground Radar Equipment or Airborne Radar Operation and Equipment.

Seventeen Jewel water resistant, shockproof watches, \$24.95 and up. Champions Jewelry.

Garza County Boy Most Outstanding Texas 4-H Member

COLLEGE STATION, Nov. 2—(Sp1)—The two most outstanding 4-H club members in Texas, from the standpoint of achievement, for 1950 are both from the South Plains. They are Yolanda Ellis, Garza county and E. P. Wicker, Garza County. This announcement was made today by Floyd Lynch, state 4-H club leader of the Texas A. & M. College Extension Service. He says each will receive two miniature statues that symbolize 4-H achievement, one of a club boys and one of a club girl. These awards are provided by the National Committee on Boys and Girls Club Work, Chicago. Their records will be entered in the sectional and national achievement contests.

E. P. Wicker, 19, is the son of Mrs. Fern Bournes and a veteran 4-H member. He has served for five years as president of the Southland 4-H Club and is now their very active junior leader. He has completed demonstrations involving swine, beef cattle, field crops, dairy cattle and poultry. His greatest achievements have been with dairy cattle. In 1942, he started his dairy herd with two animals. Today he owns 18 head of registered Jerseys. The profits from a registered Poland-China sow bought his first registered Jersey heifer in 1943. He had won the sow the year before in a contest sponsored by the Sears-Roebuck Foundation.

Determination has paid off for Wicker. In 1948, he won a Santa Fe Educational Award which was an all-expense trip to National 4-H Club Congress, Chicago. In 1948, he was named as one of the National 4-H Dairy Production Contest winners and received in addition to his second trip to Club Congress a \$300 college scholarship. He now has \$700 in college scholarships which have been won as a result of his 4-H activities and demonstrations. On 73 exhibits, he has won 11 grand championships, 34 first places, 12 seconds, six thirds, four fourths, three fifths and three sixth place ribbons.

Should he be a sectional winner in the achievement contest, he will receive his third all-expense trip to Club Congress and should he receive top national honors, he would receive a chest of silverware awarded by the President of the United States and a \$300 college scholarship from the National Committee on Boys and Girls Club Work, Chicago. The same awards are available for the sectional and national winners in the girls division.

Armistice Holiday Optional With Local Merchants

Mrs. Lee Green of the Retail Merchants Association has announced that it is optional with the individual merchants as to whether or not they will close in observance of Armistice Day, November 11.

Due to the coincidence of Armistice Day being on Saturday some businesses prefer to remain open, since business is unusually heavy at this time.

Among the patients in Mercy Hospital last week were C. E. Smith, Percy Ferguson, Mrs. Ted Swanner, and Mrs. Curtis Walker.

One-third off on all table lamps. Thompson Furniture Co.

BIRTHS

Born on October 25 to Mr. and Mrs. Brian Sartain in Mercy Hospital, a boy weighing 7 lbs., 8 ozs.

Born on October 26 to Mr. and Mrs. A. L. Edwards in Mercy Hospital, a boy weighing 7 lbs., 8 ozs.

Born on October 26 to Mr. and Mrs. J. V. Cassidy in Mercy Hospital, a girl weighing 7 lbs., 5 ozs.

Born on October 27 to Mr. and Mrs. R. Sartin in Mercy Hospital, a girl weighing 7 lbs., 15 ozs.

Born on October 28 to Mr. and Mrs. D. Torres in Mercy Hospital, a girl weighing 7 lbs., 3 ozs.

Born on October 28 to Mr. and Mrs. F. Garcia in Mercy Hospital, a girl weighing 6 lbs., 4 ozs.

Born on October 29 to Mr. and Mrs. Bruce Davis in Mercy Hospital, a girl weighing 4 lbs.

Born on October 30 to Mr. and Mrs. W. H. Walters in Mercy Hospital, a girl weighing 6 lbs., 14 ozs.

Born on October 31 to Mr. and Mrs. Gonzales in Mercy Hospital, a girl weighing 7 lbs., 14 ozs.

Born on October 31 to Mr. and Mrs. Jim Alba in Mercy Hospital, a girl weighing 7 lbs., 1 oz.

TODAY, SATURDAY, MONDAY ARE DOLLAR DAYS IN SLATON

Young People Commended For Mild Celebration

The young people are to be complimented for the mild manner in which they celebrated Halloween here. Several of the older people have expressed their appreciation for the youngsters celebrating quietly and with a minimum of damage to property. The police department reports that no complaints were made during the holiday.

Of course, as was to be expected, store windows in town received a good soaking, but no damage was done to them. From all accounts this was the kind of Halloween that citizens don't mind. One complaint was made to the knowledge of your reporter, and that was that black shoe polish had been poured over a light car, which may prove to be a permanent stain on the car. And possibly there were other pranks played during the night which were unclassified, but generally it was a much milder night than some people expected.

Slaton Business Firms Report Big Rise In Business

Saturday, October 28 proved to be a "red letter day" for Slaton businesses. One business man expressed his views of the boom in his business by declaring "if it had been any better I don't know how we would have stood it. I guess it was better than ever before in history."

Not only was the bank crowded Saturday, but on Friday and Monday also. The banking business is said to be in "full sway" right now.

The drug store business was a little better Saturday, and was probably equal to a lot of Saturdays last fall. With the increase in prices, as much money was made as any time last year, whether there were more people trading or not.

One grocery store reported that Saturday about "hit the peak" for this fall. At least it was definitely the best day for this year, and may prove to be the best for the entire season.

Some department stores stated that they had about all the business they could handle. But the manager of one store expects that it will continue to be better next Saturday. Another department store described last Saturday as the largest business day on record there.

Mayor Says Slaton Water Supply Good

Slaton's water supply is very good at this time according to a statement by Mayor L. B. Wootton. It has been a little short, but during the past month it has picked up to a great extent.

"There will be a need for a better water supply for next year," said Mayor Wootton.

FULL-GOSPEL SINGING TO BE HELD SUNDAY

The first Full-Gospel Singing will convene Sunday, Nov. 5, at the Church of God, 206 Texas Ave., from 2:30-4:00 p. m.

This singing is sponsored by the local Church of God, Assembly of God, and Pentecostal Holiness Churches. It is especially designated for the benefit and inspiration of the youth of this town.

There will be good fellowship, old time gospel singing by everyone, special numbers, and request numbers.

If you fail to be present you will miss an hour and a half well spent which will give you new courage for the day ahead. You will be welcome to be among the number meeting together.

Mr. and Mrs. Howard Hoffman left October 28 on a vacation trip to New York City and Washington. They were accompanied by Mrs. Richard Douglas and Mrs. R. T. Canon, both of Lubbock.

One-third off on all table lamps. Thompson Furniture Co.

Feature Values To Be Available

Friday, November 3, Saturday, November 4, and Monday, November 6 have been designated as Dollar Days for Slaton, and this issue of the Slatonite features publicity about the many extra values that are available at Slaton stores for the three days mentioned above.

A careful reading of the advertisements in this issue of the Slatonite will give you information that can save you considerable money on things that you need for yourself or your family and on items that will make excellent Christmas Gifts. Many items are available with a small amount to hold them if you wish to purchase on the lay-away plan.

If the readers of the Slatonite are responsive to the extra values that the merchants offer today, Saturday and Monday, then it will encourage them to make extra efforts to do the same each month. When you do your buying on the three feature days, tell the clerks and the business men that you appreciate the extra values and that you hope more such features will be offered from time to time. You will be helping to develop a worth while sales event and secure ways to save yourself some extra money.

Watch for the Christmas special offers next month.

Tigers Rest This Week For Antelope Game November 10

Slaton's Tigers take a needed rest this week and will play for the all-important Friday night, November 10, when they play Antelope.

Coming out of last week's game at Levelland with few bruises, the Tigers should be in top shape for that game. They are out of the championship race, however, with four conference losses.

Elsewhere in 4-A Conference play, Littlefield, defending state champion, catches a weak Tahoka eleven and ought to boost their scoring total in this one. Brownfield travels to Post for an important conference tilt.

Post's Antelopes, who haven't lost a game since they played Littlefield in the third game of the season, moved into a second place tie with Levelland in District play last week with a convincing 28-13 victory over Muleshoe. They replaced Tahoka, who was idle.

The top game tonight in 4-A will be at Muleshoe, where Levelland's Lobos aren't expected to face much competition, but they may hold off, looking ahead a week to the Littlefield game.

Social Security Representative To Be Here November 8

A representative of the Lubbock social security office will visit Slaton on Wednesday, November 8, 1950. Any persons age 65 who think they might be eligible for social security benefits under the new amended law should meet this representative in the Red Cross Room in Slaton at 11:00 a.m. on that day.

Under this new law, which became effective September 1, a worker now 65 years of age needs to have only six quarters of coverage acquired at any time since 1936 to be eligible for benefits.

THIS WEEK'S SMILES

Wishing to test her children's powers of observation, a teacher told them to write down what they would think if they went into a room and found cobwebs there. Each child in the class except one gave her the kind of answer she had hoped for; that the room had not been dusted lately; that it had not been in use; that the person responsible was dirty and lazy. Jennifer's answer was sublime in its simplicity and refusal to jump to conclusions. "A spider had been there," she wrote.—Manchester Guardian.

Next week is Nation Wide Franciscan Week. See our ad in this paper, Slaton Gift Shop.

West Texas Roundup

The people of Crosbyton are faced with one of the gravest municipal situations in recent years, Mayor Cary Lodal has announced following a meeting of the City Commission Monday. But, with the assistance of the city's principal bondholder, a solution to the problem can be worked out.

The City of Crosbyton is 59 per cent deficient in its water capacity, it was discovered by the Fire Prevention and Engineering Bureau of Texas, in a survey made of the city water supply during August. The survey was a requirement of the National Board of Fire Underwriters.

—The Crosbyton Review

A field day beginning at 2 p. m., will be held Nov. 10 at the government agricultural experiment station, 11 miles west and one-half mile north of Brownfield, Hugh G. Porterfield, superintendent, has announced.

Farmers and ranchers, business men and agricultural workers are invited to attend the field day, which is being sponsored jointly by the Brownfield Chamber of Commerce, the district Soil Conservation service board, County Agent James Foy, and the research division of the Soil Conservation service.

—The Brownfield News

If you don't think the courthouse built 25 years ago for a town of some 2500 people and a county of around 5000 people is not crowded, just go over sometime and take a peek. For instance, you will find the hallways with girls copying deeds, abstracts, leases, etc. And some of the offices are mere holes in the wall. A recent session of the Commissioners Court decided to do something about the matter, and ordered an election for \$250,000 to build an east wing, about half as large as the present building.

—The Terry Co. Herald

Humble Oil & Refining Company No. 1 Hobgood, Clear Fork discovery in Central-North Hockley County, reported a 23-hour pumping gauge of 133 barrels of fluid, 50 per cent oil and 50 per cent water.

Operator is continuing to pump the discovery and should have a potential on it by the first of next week.

On the first gauge reported, the No. 1 Hobgood recovered 132 barrels of fluid, cut with five per cent basic sediment and 50 per cent oil in 24 hours.

—The Sun News

Three young buffaloes have arrived at the Palo Duro State Park, having been brought here from a federal game preserve in Oklahoma.

The buffaloes will be fenced in an adequate plot of ground at the Park so that they can do no damage. On their first day at the Park hundreds of pictures were taken of the three by visitors who thronged the big play ground of the Park.

John McCarty has designated the college to replace Old Charlie, the three animals as mascots of and Ann, both of whom came from the Goodnight ranch here and died several years ago after serving their time as mascots on the campus. One of the young cows has been named Susie after Mrs. McCarty.

—The Canyon News

Every little detail is being whipped into shape for the Petersburg Ex-Student Homecoming to be held on Friday, Nov. 10th at the school building, where all graduate ex-students of Petersburg school will gather for renewal of those "good ol' days at Petersburg Hi" and live again those short, previous school days. From here it looks as if it will be one of the grandest days of the year. The crowds are expected to be large for people will come from far and near.

—The Petersburg Journal

Gala festivities have been planned and the welcome hand has been extended to all grads as the Morton High School prepares for Homecoming, Friday night.

Official ceremonies will start at 11:45 a. m. at the school football field when the entire school led by the pep squad and the team will touch off a pep rally. Exes are invited to sit in on the session and renew their acquaintances with school yells and then visit the new high school, its doors will be open.

—The Morton Tribune

The Colorado Pee-Wees football team, coached by "Tiny" Pyeatt, started workouts today in preparation for Thursday's annual Pee-Wee Bowl.

The Bowl, sponsored by the Colorado Quarterback Club, will

feature four good teams in the fourth annual tournament. The teams entered are: Roscoe, Sweetwater, Loraine and Colorado City.

Coach Pyeatt's Pee-Wee, or Cottontails as they are also called, won the right to represent the city with a playoff victory over the Buford grid team. The two teams scrimmaged last week and Colorado beat the Buford eleven approximately 20 points Coach Pyeatt reports.

—Colorado City Record

A new line-up of KTFY radio programs was announced today by Dave Worley, station manager, who described several new radio shows soon to be heard locally.

It was also announced that many current programs are starting at new time as KTFY continues plans to expand and improve radio services to the Brownfield area.

Sunday afternoon two new half-hour musical programs begin. At 2 o'clock will be heard "Sunday Serenade" featuring the orchestras of Wayne King, Guy Lombardo, and many other leading musicians, sponsored by Griggs and Goble Furniture company of Brownfield. At 4 o'clock p. m. the Gulf Oil Corp. and local Gulf dealers present the first in a new series, "Songs by Bing Crosby."

AT SELF'S SERVICE STATION

—000—

Howdy Folks; A man who isn't a straight shooter won't make a hit with his Mrs.

—000—

Speaking of married folks, our neighbor thinks that when a man marries for money he sometimes wishes he had a little change.

—000—

Of course he who loves but one woman has but one disappointment in store.

—000—

We heard of one man who owed the entire credit for his success to his wife. He would rather stay at the office and work than go home to her.

—000—

Well, no matter how long a man has been married, he usually loves his wife still.

—000—

Every man should have a wife; preferably his own.

—000—

Enough of that. Now we'd like to sell you our kind of automotive service. When can we talk it over?

Family Left \$100,000 by Man They Aided 30 Years Ago!

LOS ANGELES, CALIF. — Thirty years ago, a family driving to the beach picked up an Austrian emigrant. That man, Charles Babonet, died here recently and left his half-million dollar fortune to persons whom he had known but briefly. Among those benefiting is that family, shown here smiling at their good fortune. From left to right are: Melissa, a daughter, only a small child when they picked up Babonet in 1920, and her parents, Mr. and Mrs. William O. Tyson. The trio will get \$100,000.

Pretty Parsnip
Sweet potatoes, carrots or parsnips can be grown in water as a house plant. Cut off a section of the top and put in water.

Pullman Carpets
Carpets on the floor of Pullman cars have to be replaced about every two to six years, depending upon carpet type and color used

Children's Tastes
Children and babies have taste preference just as adults have, and therefore should not be forced to eat anything set before them. Giving children some leeway in the amount and kind of food they eat does much to insure the health of the child and the peace of the whole family.

N. Y. Milk Production
Average milk production per cow on New York farms in 1949 was estimated at 6,400 pounds, which is 1,200 pounds more than 25 years ago.

Treasure Island at Slaton

WALT DISNEY'S Treasure Island, a great action picture alive with excitement, comes to the Slaton screen next Sunday and Monday. Above is a scene, starring Bobby Driscoll and Robert Newton.

What Happened In Slaton Last Year

Taken from the November 4, 1949 issue of the Slatonite.

One Slaton man, Lewis Thomas (Chick) Garland, and a Reese Air Force sergeant, T/Sgt. Roy Dixon, were injured about 6 p. m. Tuesday on the west limits of Slaton when the two cars were in collision on a curve of the Slaton-Lubbock highway.

J. J. Maxey spent last week in Galveston where he was attending a municipalities convention.

Keeping their conference rating perfect, the Slaton Tigers trounced O'Donnell's Eagles 31-0 last Friday night at Tiger Stadium before a crowd of some 1,000 fans.

The condition of Dr. Glen B. Payne, local physician, who was injured early Monday in a truck crash, was described as satisfactory Thursday morning.

Johnson-Hoffman Hardware has announced this week the purchase of their Bendix Automatic Laundry by Mr. and Mrs. Calvin Klaus. Mr. and Mrs. Klaus come to Slaton from Southland where they have been farming since January of this year.

A dinner party honoring Miss Mary Evelyn Cook and Ted Swanner who are to be married Nov. 5 was given Saturday evening, October 25 in the Yaqui room of Lubbock's Hilton Hotel. Mrs. Silas Wilson and her daughter, Mrs. Bill Waldref of Hereford, were hostesses for the occasion.

Mrs. Ray Conner has just returned from Arizona where she was attending the funeral of her brother, Gilbert Champion who passed away in Phoenix, October 22.

Mr. and Mrs. W. B. Hestand spent several days this week visiting their daughters, Miss Jo Hestand at Breckenridge and Mrs. Van Stokes in Dallas.

Mrs. B. O. Wilke of Wilson returned home Saturday from Long Beach, Calif. where she visited her sister-in-law and niece. Also, while there she attended the National Women's Missionary Federation that was held in the Municipal Auditorium in Long Beach.

Mrs. Henry Eidson returned to her home in Dallas Friday, Oct. 27, after visiting her daughter, Mrs. Brian Sartin and family here. She came to Slaton to see her new grandson, Carl Henry.

Time in 1882
Before standard time was adopted in 1882 there were over 21 time zones in the United States

Vision Project
Fifty-three per cent of all eight-grade pupils in Peoria, Ill., schools have vision problems that handicap them in school achievement, according to a city-wide vision project jointly sponsored by local optometrists and ophthalmologists.

Population in 1492
When Columbus arrived in 1492, the total Indian population of the North American continent was about 1,150,000. Of this number, 846,000 lived within the present boundaries of the United States.

Pretty boxed stationery personalized or plain at the Slatonite.

Guests of Mr. and Mrs. T. A. Turner last week were Mr. and Mrs. Jack Turner, and son, Pete, and Mr. and Mrs. Harry Nelson and son, Bobby, all of Hobbs, N. M.

Mrs. F. D. Bostick has been moved from a Lubbock Hospital to Mercy Hospital here. She fell several days ago and broke her hip. She is slowly improving.

Pvt. Leo H. Wendel Receives Promotion

Nellis Air Force Base, Nevada, October 25 — Private First Class Leo H. Wendel, son of Mr. and Mrs. Leo Wendel, Box 175 Slaton has been promoted to the grade of Corporal, according to a recent announcement made by headquarters of this command.

Character, efficiency and time in grade were factors on which Corporal Wendel received his promotion.

Corporal Wendel is a native of Slaton and enlisted in the United States Air Force October 6, 1948. He is presently assigned to the 3595th Motor Vehicle Squadron with duties in the Technical Supply Parts Maintenance Shops.

Mr. and Mrs. Martin Collins were business visitors in Sudan, Friday, October 27.

Mrs. W. G. Elkins returned last week from Albuquerque where she had undergone major surgery in a hospital there.

Levelland Rolls Over Tigers 51-6 In 4-A Conference Battle Friday

Displaying a powerful running and passing attack, the Levelland Lobos rolled over Slaton's Tigers 51-6, in a 4-A Conference battle Friday night before 2500 fans at Lobo Stadium.

The win moved the Lobos into a second place tie in conference standings along with Post, still three games behind powerful Littlefield. It was the fourth district defeat for the Tigers, moving them deeper in conference play.

The Tigers scored their only touchdown in the final minutes of play on a thirty yard pass from R. A. Thompson to Jerry Huckabay, who made the catch on Levelland's 10 and raced over for the count. Prior to that time the nearest the Tigers had moved toward the Lobo goal line was late in the second quarter and early in the fourth period. The first half ended, stopping a Tiger scoring opportunity on the Lobo 30, and a backfield fumble was recovered by Levelland on their own 12, stopping another threat.

Perry Heard paced the Levelland touchdown parade with three tallies, with end Neil Atchinson counting twice.

The massacre started when Slaton kicked off to Levelland, the Lobos taking over on their own 29. In just seven plays they crossed the double stripe. Dean Waltrip started the parade with a 41-yard jaunt on the opening play, then it was Waltrip and Heard crunching at will into the Slaton line to move the ball to the four, where Heard bulled his way over. The kick by Heard was wide.

A short, five-yard punt off the side of Thompson's foot moments later gave Levelland the ball on the Slaton 40, where they moved again. This time it was a 42-yard pass from Quarterback Zack Reid to Atkinson for the score. Atkinson caught the ball on the sidelines and raced the remaining 20 for the score. This time Heard's kick was true.

A Slaton misque on the ensuing kickoff gave Levelland its third touchdown without an offensive play. Langford Sneed kicked off, the ball traveling into the Tiger end zone. No one from Slaton bothered to pick it up, so Atchinson raced downfield, and recovered for the touchdown. Heard missed the try for point, but Slaton was offside on the try, so Dean Waltrip ran over on the second attempt.

The final Levelland score of the opening quarter came after a high pass from center kept R. A. Thompson of Slaton from punt-

ing on his own 36. He raced to the 45, but it was not enough for a first, with Levelland taking over on the 45. In just five plays, the score was 26-0. Heard finally blasting over from the six. His try for the extra point failed.

Heard added his third counter in the opening minutes of the second quarter, when he raced 40 yards behind a wall of blocking from the touchdown. Waltrip's try from placement was blocked.

Following the kickoff, Thompson's pass was intercepted by Dean Waltrip who raced 51 yards down the left sidelines for another tally. Joe Hayes kick was no good and the half ended with that score.

A 47-yard jaunt by reserve back Charles Evans, playing in his second game of the year for the Lobos, gave them still another counter.

More reserves poured into the game for the Lobos, who couldn't help but score.

They took advantage of a faulty pitchout from Thompson intended for Billy Butler to set up their next tally. Charles Watson, reserve lineman recovered for the Lobos on the Slaton 13, and in five plays, reserve Quarterback Don Wise went over from the two. Harvey Campbell, moved to fullback from his guard slot, plunged over for the extra point.

NOTICE

BY CITY OF SLATON TO OWNERS OF PROPERTY ABUTTING CERTAIN STREETS OF INTENTION OF CITY TO PAVE AND IMPROVE SAID STREETS AND TO LEVY ASSESSMENT AGAINST SAID PROPERTY AND THE OWNERS THEREOF IN PART PAYMENT THEREOF AFTER HEARING: AND TIME OF HEARING.

Whereas, on the 8th day of August, 1950, the City of Slaton by Resolution requested Parkhill, Smith and Cooper, Engineers of said City, to prepare plans and specifications and estimates of costs of paving and improving certain streets in the City of Slaton; and

Whereas, by Resolution passed on the 11th day of September, 1950, said City Commission approved said plans, specifications and estimates and determined that it is necessary that the hereinafter set out and enumerated portions of streets, avenues, and alleys in the City of Slaton be improved by raising, grading and filling same, by installing standard concrete curb and gutter, and by paving with triple asphalt surface treatment on six inch compacted caliche base;

UNIT NO. 17: Fifteenth Street from the South Boundary Line of Division Street to the South Boundary Line of Knox Street, save and except the West One-Half of Fifteenth Street from the South Boundary Line of Division Street to the South Boundary Line of Knox Street said exception being already paved.

UNIT NO. 18: Fifteenth Street from the South Boundary Line of Knox Street to the South Boundary Line of Dayton Street.

UNIT NO. 19: Fifteenth Street from the South Boundary Line of Dayton Street to the South Boundary Line of Geneva Street.

UNIT NO. 20: Fifteenth Street from the South Boundary Line of Geneva Street to South Boundary Line of Jean Street.

UNIT NO. 21: Fifteenth Street from the South Boundary Line of Jean Street to 22' South of the North Boundary Line of Powers Street.

UNIT NO. 22: Fifth Street from 50 feet South of the South Property Line of Scurry Street to twenty two feet South of the North Property Line of Floyd Street.

Whereas said resolution provided that the property abutting said sections of said streets proposed to be improved and the owners thereof should be assessed and pay for not exceeding all the costs of curb and gutter abutting their respective properties plus 9/10ths of the remaining costs of the improvements in the units on which the respective properties abutt;

Whereas, the estimated costs for said standard curb and gutter is \$1.45 per front foot and the estimated costs for paving is \$2.61875 per front foot, for each of said Units or Districts, the total estimated costs of improvements designated as Unit or District No. 17 is \$1,842.50, the total estimated costs of improvements for District No. 18 is \$3,320.41, the total estimated costs of improvements of District No. 19 is \$3,320.41, the total estimated costs of improve-

GRIM WITHOUT FAIRY TALES—Small fry in the South Korean capital of Seoul examine a new plaything, a Communist tank knocked out by UN forces in the recent bitter battle for Seoul. The U. S. flag in the background signifies that peace has been restored to the city but it will be months before the tank is removed. Reminders of war are removed from Seoul's young citizens.

ments for District No. 20 is \$3,320.41, the total estimated costs of improvements for District No. 21 is \$2,681.20, and the total estimated costs of improvements for District No. 22 is \$2,274.32; and

Whereas, said resolution provided that before the levy of such assessments, hearing be held under provision of Article 1105b of the Revised Civil Statutes of Texas, after notice given as provided by law;

Now therefore, under provisions of said Article 1105b R.C.S. of Texas, notice is hereby given to all said owners of property abutting upon said streets and alleys, and to all persons interested in said improvements that hearing will be had by the City Commission of the City of Slaton on the 6th day of November, 1950, at the City Hall at Slaton, Texas, beginning at five o'clock P. M., at which time any of said owners or interested persons who shall desire to contest any such assessments on account of the amount thereof or for any reason will be heard; and such hearing shall be continued from day to day and from time to time as may be necessary to give all said property owners and interested persons a fully complete, fair and impartial hearing upon all matters with respect to such improvements and the levy of assessments in payment thereof.

After all persons have been heard and such hearing has been closed, assessments will be levied by ordinance against the abutting property and the owners thereof, which assessments will be a personal liability of the owners of such property and the first and prior lien upon said property as provided by said Article 1105b R.C.S. Texas.

Published by order of the City Commission of the City of Slaton, this 19th day of October, A.D. 1950.

What They Write

Dear Mr. Jackson,

Thank you so much for your promptness in sending the Slatonite to us at Crosbyton. We receive it on Friday just as we did there in Slaton. We look forward to receiving it as one does a "letter from home."

After having lived in and around Slaton all of our married life and raising a family there you just kinda feel like a permanent fixture, so to speak. At least that is the way Ernest and I feel. We certainly feel out of place anywhere else, and sure do get—well, homesick, but we console ourselves with the thought that we are away for only a short time, and in a few months will be back at home in

Slaton with friends and neighbors and loved ones.

Best wishes to all,
Mrs. Ernest H. Ward

Netherlands Capital
Amsterdam, the capital of Netherlands, is criss-crossed more than 300 bridges. Cana through the city and divide 190 separate islands.

Use of Margarine
Estimates are that 31 million American women use margarine and spend about four billion dollars yearly kneading or stirring color into the product.

A GENERAL MOTORS VALUE

PRINCE WALKS OUT ON WOMEN—Showing little respect for the fair sex and a royal occasion, Prince Charles heads for parts unknown immediately after the christening of his sister, Princess Anne, at London's Buckingham Palace. Like most grandmothers, Queen Elizabeth smiles indulgently as she tries to restrain him. Princess Elizabeth appears to be taking a sterner view of her son's unscheduled exit as she holds the newly christened baby.

Wilson Crushes Southland 33-0

L. Brieger and Wilson let go with an avalanche of touchdowns and buried Southland 33 to 0 at Wilson last Friday night. Brieger turned in the most sensational individual game of his career against the Eagles.

Early in the first quarter Stone, Mason and Brieger alternated to place the ball on the Southland 25 yd. line. Mason bulled his way to the 10 yd. marker and on the next play Brieger scored standing up to give Wilson a 6 to 0 lead.

Southland now kicked to Wilson and L. Brieger returned to the 15 yd. line. On a fast breaking spread play Brieger scored again for the Wilson club and the extra try was also good.

Late in the second quarter Brieger fumbled, recovered his fumble and amid a cloud of dust scored a TD for Wilson and again the extra try was good. Score: Wilson 20, Southland 0.

During the halftime activity Miss Frances Campbell was crowned Football Sweetheart of the Wilson High School. The Blue and White Pep Squad of Wilson and three football players took part in this affair. Miss Campbell was as pretty a Queen as any High School has produced in many a gridiron season. Miss Campbell received a very pretty bouquet of red flowers and a box of candy plus a shiny white football helmet. The Queen was towed onto the field in a blue and white wagon drawn by two football players of the Wilson squad.

After the half it was Brieger again but he fumbled on the 11 yd. line and Southland recovered. Southland threatened to score with a first and goal to go, but couldn't make it. Wilson took over on downs and Brieger ran out to the 32 yd. marker before he was hauled down from behind.

Wilson now passed and Tommie Leake intercepted on the 10 yd. line for Southland. Southland couldn't get the offensive side rolling and T. Basinger kicked to the 30 yd. line.

L. Brieger then uncorked an underhanded pass to an elusive Wilson end and the end scored unmolested to run the count to 32 to 0 and the extra was also good.

An excellent crowd braved much dust and wind to see the Wilson team clash out a sound licking to the team from over Southland way. Wilson and Southland have been traditional rivals for many seasons.

Color Blind Men

Men are five times as likely as women to be color blind. Maybe that's why they can't appreciate those gift ties.

Fertilizers

Drill or planter attachment application of fertilizers at time of seeding is recommended for most economical results.

mind to counting sheep or just counting and I get up in the hundreds and get so befuddled that I wander off into something else and end up all steamed up over the war or the pain in my knee and the first thing I know I hear the clock strike two or three and the back of my head goes to aching, my ear starts to itch and I start twirling and my wife wakes up and wants to know why I don't go to sleep and about thirty minutes before time to get up I go to sleep and when she pushes me out of bed I can hardly move, my eyes burn, the world looks hazy.

Last Saturday was probably one of the best days in the history of Slaton so far as business is concerned and most of the merchants were howling for more help, hunting for change and hoping that things would slow down for just a few minutes. Last Saturday proved that there is such a thing as "too much of a good thing" and some of the stores are almost as bare as mother Hubbard's cupboard.

Christmas cards for individuals or for business purposes, 25 to the box or in larger quantities, with or without names printed, as low as \$1.00 per box in stock and ready for delivery at the Slatonite.

THIS and THAT FROM HERE and THERE

Last I am forced to admit I am but a first grader when it comes to understanding women. Last week six very attractive, smiling, chattering, flossy and young married women trooping into the office and one had a little slip of paper in her hand.

I am sure that I had a big like club books or a dance on my hands I put on my sweetest smile, which is no brag about, and waited for them. They wanted some weight card board of a deep shade. They held the different kinds I had in stock, off ms length, felt of it, tasted it after quite a huddle they decided to buy three sheets of paper sheet. After taking a tion among themselves, I got out of the deal. So far have not brought the card back but I'm looking for a minute.

was a lot of fun anyway felt like it is problems like at make life worth living. are any more women all up over getting just the had a good to see to get just the it takes all day.

ago I met J. D. West, Ward Printer in the street corner and he told me when he was doing work for the state employment office and before he came to one of the cases he inated was a newspaper publisher who had gone kerplunk. I believe I have ever seen." Mr. Perkins. He had a few beans in a paper sack under and several chickens scratching around on the pecking at a loaf of bread corner. The poor old fellow not bathed in months, years, his shirt was in and the seat of his overalls and he dared not look to anyone.

very sad story and as told as a warning that comes to folks trying to publish

former mayor manager of Bur- visitor at the and he had experience to re- got up early the ed his wife that could go out to

the lake and do a little fishing. Mrs. Rodgers, for some reason unknown to her husband, hopped out of bed, grabbed an old style fishing pole and her fishing clothes and said she was going with him.

In the cool autumn morning he paddled a boat out into the cat-tails and they started fishing she with the cane pole, a rusty old hook and a line two or three years old with a lot of knots tied in it. Mr. Rodgers had just the proper fishing tackle to get the big ones, a double action back lashing tenor singing reel, a 5000 lb. test line and some plugs that even tempted him to take a nibble.

You guessed it, Mrs. Rodgers caught seven bass and all the fancy reel and luscious plugs attracted was a small mud cat.

Women are always bad luck on a fishing trip, said Mr. Rodgers, and he thinks there should be a law against women fishing.

For years I have known that I am a creature of habit but I did not know that I could build up a habit that would operate in my sleep. For weeks I have been waking up at exactly 2:30 in the morning and I always hear the same dogs barking, the same train whistle and the same limbs swishing against the window screen.

Several nights I have gotten up and taken aspirin but it does not stop my whirling mind from counting sheep, from printing papers, going fishing, and raising peaches, in fact I set my

Prosperity Makes A Lot Of Folks Unhappy

Most all business men and a great many people who work on salaries are very critical of the Democratic party and particularly of President Truman, at least in this part of the country, and from the tone of newspapers and radios the same criticism is apparent elsewhere, but there are no suggestions from any source as to how folks can have their cake and eat it too.

The conversation in most any group of men will eventually turn to the talk of high taxes. If the men are employees they gripe about the amount of money taken from their pay checks, if they are executives they are giving the Government hell about the expense of doing business, and blame the Government for the high labor costs and it seems that each and every one thinks that every one else is making money hand over fist, but that they are having a rough time.

While folks who work still have to have some aptitude for the kind of work that they are attempting to do, there are mighty few people who are out of work and any one half way physically able to make any effort at all can make some money if they have the desire to do so. Business firms and many working people are taking in more money than they have ever done in all the history of the nation, there are more individuals with money to spend than ever before, and there are more people with leisure time and money to spend than has ever been known, but are they happy?

It would not seem so but it is most probable that it is a good thing that we as a people are not pleased with a life that is too easy in some ways, and too unpleasant in other ways.

With a great deal of time on our hands and no place to spend it pleasantly becomes a bore and many folks need some more work to occupy their time, if they have the money to spend they soon tire of the amusements that they can secure, travel over the immediate territory soon becomes boring and the result is an unsettled condition such as we have at the present time.

The effect of inflation, with its spirals in costs is most unnerving and people live from day to day with a feeling of uncertainty and most things have lost real value. The tendency, even with the most frugal, is to spend money, especially with folks who see no way to accumulate any substantial amount. Let the Government, that is taking such a big whack of the money, support us when we get old, is the feeling, and let calamity come in the spirit of the day.

Farming Is Not So Bad After All

You never can tell what a man has studied at college by the kind of profession he is in at the present time. One Dean of Engineering in a large college made a survey recently to find out how many of the graduates from engineering in the college of five years ago were in that profession and found that approximately 30 per cent were following the profession for which they took training. He also asked each man who had strayed, why he had not followed engineering. All of the replies were that they did not like the work and did not feel suited to it.

There is a young doctor right here in Slaton who majored in agriculture at college for several years before he switched to the study of medicine. Like most young men who are raised on farms the drudgery and hard work made him very unhappy with farm life and he wanted to get into some white collar line.

He has no resemblance of a farmer today, but he says that he does not feel as sure now, as he did when he was living on a farm, that farming is not the best life.

People who live on farms these days do not have the hardships and the inconveniences that farmers did ten short years ago, farm products bring good revenue and the young man who goes at this kind of work scientifically can likely do better in the future than men in fancier professions, and the local physician says he may change his mind yet and become a farmer, at least if he gets any extra money from the doctoring business, he plans on putting into a farm.

It might surprise some folks in this area that this man who knows his bananas, so far as college training is concerned, to know that he does not consider the South Plains farm land as the best values on the market today. He plans on buying land in Central or North Texas, the kind that is looked upon as worn out and almost worthless today. He says that by proper treatment the land down there can be brought back to its former high productivity, which, because of the better rainfall, is above the land in this part of the country.

Of course, says the doctor, one would have to have a little patience and wait a few years to begin getting revenue from such land, but at the price it is available now it would be a far greater value than the land in West Texas.

The farmers around here are wearing their land out as fast as it can be done, especially those who have irrigation wells on their land, and it will not be very many years before this country will have less population and less money than it had fifty years ago.

Doctors are funny folks, and it is said that most of them are not very good business men. Perhaps a combination farmer and doctor may be something new, at least it would be a combination that would be different.

How About Some Christmas Spirit

Due to the fact that Christmas decorations were scarce and extremely expensive during the war the plans for making most of the town of Slaton attractive during the holidays, was abandoned and the true spirit of Christmas has not been revived here since.

That it would be a nice program and would be most attractive both from a business standpoint, and from the artistic angle, could hardly be disputed, but to date nothing has been planned for the holiday decorating of Slaton. If anything is to be done, work should be started at once. Of course there is considerable expense to any such work, and if the town is to be decorated, the business men will likely have to pay for it. Most of them are more than willing to do their part, but the work of planning the campaign, securing the money from the merchants, and most important of all, the planning and installation of the decorations has not been considered and unless some group of individuals or club should take it upon itself to sponsor such a program it is likely that little will be done.

That such a program is vital to the town is doubtful, but if it is not done, it makes the town seem like a back woods community, for most of the up and coming towns all over the nation make the Holiday season the most colorful and the most enjoyable of the year.

To accomplish such things requires the time and effort of many public spirited men and women who will reap only the benefit of having done something for their fellow citizens. There are such people in Slaton, and it only takes a little initiative and imagination to get them started. Perhaps we will have a Holiday Slaton this year.

QUOTES

If the chap who made two blades of grass grow where only one grew before, were real conscientious, he'd keep on until the two would grow only half as high.—Ken Adam, "Something About Nothing" Record, Lompoc, California.

We American people who will ride any plane, vehicle, or boat without hesitation, submit ourselves completely to a doctor's say-so, and hand our money over to anyone who can figure principal and interest, do not yet have entire confidence in a zipper.—Fred D. Keister, "Round About" News, Ionia, Michigan.

Said the professor: "I shall now illustrate what I have in mind," as he erased the board.—The Rotary Punch, Sioux City, Iowa.

There was a terrible crash as the train struck the car. A few seconds later Mr. and Mrs. crawled out of the wreckage. Mrs. opened her mouth to speak, but her husband stopped her. "Don't say a word," he snapped. "I've got my end of the car across. You were driving the back seat and if you let it get hit, it's no fault of mine."—Rotary Spokes, Pueblo, Colorado.

A motorist and his wife hadn't spoken for miles. They'd got into a quarrel and neither would budge. Suddenly the man pointed at a mule in a pasture they were passing. "Relative of yours?" he asked. "Yes," the wife replied, "by marriage."—The Tip-Off, Grand Canyon, Arizona.

"I was figuring on starting some kind of business," yawned a local figure, "but most every business is already engaged in more than's necessary; and then I ain't got no business ability. What I want is something that don't call for no kind of ability whatsoever, no kind of exertion, ain't out of town, pays good, and has a future."—Keyston Investor.

Little girl: "Daddy, why do editors call themselves 'we'?"
Daddy: "To fool the readers into thinking there are too many of them to beat up."—The Rotater, Abilene, Texas.

The number of multiple births is rising. This world has become so tough that babies in increasingly large numbers are afraid to enter it alone.—Oakland (California) Tribune.

It is rumored that the same person invented the telephone booth, the breakfast nook, and the upper berth.—Advertisers Digest.

Experience is a strenuous teacher. No graduates, no degrees, some survivors.—Rotary Reminder, Cleveland, Ohio.

Dr. Salsbury's Laboratories

SET UP EFFICIENT CHORE SCHEDULES

Ask yourself this question: "Do I make needless trip to the laying house?" If you do, perhaps an adjustment in your chore schedule will reduce those trips and make daily flock chores easier for you.

An efficient, smooth-working daily routine will go far in eliminating those little mistakes that often lead to disease, reduced egg production, and other poultry troubles. By following a good chore schedule, by performing regular tasks each time you look in on your flock, you make each trip count. You reduce wasted time, save labor, and give birds the benefit of a consistent management schedule.

Four Daily Trips

Four daily trips to the laying house are recommended as good procedure. By following this step-by-step plan you soon realize how efficiency in poultry-raising pays you dividends.

Suggested Chore Schedule

- EARLY MORNING CHORES:**
1. Adjust ventilation for daytime use.
 2. Refill feeders, shell, and grit hoppers.
 3. Clean and refill waterers, removing surrounding litter if wet.
 4. Open nests, if you cover them at night.
 5. Inspect area under nests for cleanliness.
- LATE MORNING AND MID-AFTERNOON CHORES:**
1. Adjust ventilation if necessary.
 2. Stir up feed, bringing fresh feed to surface.
 3. Gather eggs.
- EVENING CHORES:**
1. Gather eggs.
 2. Close nests for the night, if covers are used.
 3. Stir up feed.
 4. Adjust ventilation for the night.
 5. Observe flock continuously for culls.

Slaton Women Give Their Favorite Tested Recipes

Mmmmm, if this sounds as delicious to you as it does to me, you'll want to drop everything and try Mrs. C. M. Fields chocolate pie recipe, right now! Mrs. Fields, a Home Economics graduate of Texas Tech, has a fine reputation here for her cooking. For this particular pie you need:

- 1 package of chocolate chips
- 2 tbs. sugar
- 3 tbs. milk
- 4 eggs
- 1 tsp. vanilla

Melt the chocolate chips over a double boiler. Remove from fire and drop the egg yolks into the chocolate one at a time, beating after each addition. Add milk,

sugar, and vanilla. Beat the egg whites until they are very stiff, add 8 tablespoons of sugar, and fold into the chocolate mixture. Put into a cooked pie shell and chill in the refrigerator for three hours or longer.

Mrs. Fields, a native Slatonite, is a member of the Athenian Study Club and the Presbyterian Church. She is the sponsor of the AAUW child study group in Lubbock which meets once a month.

Her hobby is collecting demitasse cups, but she says she doesn't "pursue it with great vim and vigor." Mr. Fields is a hardware merchant. They have one son, "Cy", who is 2 1/2 years old.

 Work is progressing very well on the educational building with the roof to be added soon.

Home Demonstration Members Exhibit Clothes At Lubbock

Mrs. R. C. Hall and Mrs. Spencer Brewer, members of the local Home Demonstration Club exhibited a brown coat and navy blue suit, respectively, in the Agriculture Auditorium at Texas Tech Friday, October 27. Mrs. Brewer wore red accessories with her suit. Also attending the exhibit was Mrs. Cleta Young. A demonstration on using accessories was given at the exhibit by two ladies from Hemphill-Wells. They wore grey and black suits, and illustrated the different shades and methods of wearing accessories.

Contending Earnestly for the Faith

"And day by day, continuing steadfastly with one accord in the temple, and breaking bread at home, they took their food with gladness and singleness of heart, praising God, and having favor with all the people" (Acts 2:46).

In the apostolic day believers were without disagreement. They were together because they were guided in all things by God's word. Today all believers can and should of one accord by the same means. (1 Cor. 1:10). If being guided in all things by God's word brought souls to unity then, it will now. The religious disagreement, contention and shameful behavior before unbelievers of today is not caused by simply following the simple teaching of Christ.

ANDY W. BURKS, 710 S. 11th, Slaton (This is a correction of an error in last week's article.)

County Meeting Of Home Demonstration Held In Idalou

The County Federation of the Home Demonstration Club met October 28 in Idalou. Attending the meeting from Slaton were Mrs. E. W. Stokes, Mrs. R. C. Hall, Mrs. W. H. Long, and Mrs. Cleta Young.

Hostesses for the Idalou meeting were the Junior and Senior Liberty Civic and Culture Clubs. The program consisted of speeches by Mrs. J. W. Walker, Plainview, and Dr. Kirchin, history professor from Tech.

The table was decorated with the Halloween theme, with black and orange crepe paper down the center of the table, with miniature shocks of feed, pumpkins and fall foods. New officers elected for a two year period were, president, Mrs. V. L. Cade; first vice-president, Mrs. Grady Bounds; second vice-president, Mrs. C. H. Pisadale; recording secretary, Mrs. Henry Swartz; corresponding secretary Mrs. A. F. Reese; parliamentarian, Mrs. W. R. Lovett of Slaton; and auditor, Mrs. Clyné Smith.

Posey Items

R. L. BOYD

Recent visitors of Mrs. Julius Stahl were Mr. and Mrs. John Kurtz of Groom. A Sunday visitor of Mr. and Mrs. J. H. Slone was Mrs. Slone's niece of Wilson.

A petition for paving the road north about one-half mile and east on Gentry Lane for three miles is being circulated and signed. W. E. Burns is working with the petition.

White stucco has been put on the A. L. Johnson home on the Buffalo Lakes Road. O. C. Terrell captured a porcupine in his yard one night last week. No one knows from where the animal came.

An automobile crashed into the east wall of the Raymond Gentry Store Saturday night, but no one was injured. John Adams of Tulia was a Sunday visitor of his sister, Mrs. Laura Boyd and other relatives and friends here.

Rev. F. T. Sagh and Rev. Carl Schulte, former pastors of the Lutheran Church here, were at Littlefield Sunday in ceremonies dedicating a new church. Joe Bob Johnson and Jean Davis of Meador were married recently. The peak of gathering the dry land cotton has past, but the harvest of the irrigated cotton has just started.

Several of the Methodists attended the District Quarterly Conference at Lubbock Sunday, and also the fifth Sunday singing. Every eligible voter is urged to vote in the general election next Tuesday, November 7.

Mrs. W. E. McCain returned Saturday from a trip to San Angelo.

Mr. and Mrs. Silas Wilson and Paul Wilson left Thursday for Winner, South Dakota, pheasant hunting. The season opens November 4th.

Mrs. J. H. Teague, sr., is visiting in San Antonio this week end.

Union H. D. Club Elects Officers

The Union Home Demonstration Club met October 25 in the home of Mrs. Rhea Pierce. Mrs. H. M. Cade gave a demonstration on reading the labels on canned foods and she compared popular brands as to quantity, quality and price.

In a business session new officers elected for the year were: Mrs. Joe Gamble, president; Mrs. John Griffin, vice-president; Mrs. Harold Morrison, secretary-treasurer; Mrs. Otho Doyle, clothing demonstrator; Mrs. F. H. Griffin, yard demonstrator; and Mrs. John Griffin, council delegate, and Mrs. W. B. Jeter, alternate. Other officers will be elected later. Time of meeting was changed from 2:30 to 2 o'clock.

The next meeting will be a social in the home of Mrs. J. B. Patterson, November 8. It will begin at 12 o'clock with a covered dish luncheon.

Attending the meeting October 25 were Mrs. Doyle, Mrs. J. B. Patterson, Mrs. H. M. Cade, Mrs. E. C. Craddock, Mrs. Jeter, Mrs. Morrison, Mrs. John Griffin, Mrs. F. H. Griffin, Mrs. Joe Gamble, Mrs. Clester Griffin and Mrs. Rhea Pierce. Mrs. T. E. Patterson and Mrs. Bob Duke were accepted as new members. Visitors were Mrs. I. P. Shipman and Gretina Shipman.

Miss McCarver Honored With Halloween Party

Mrs. Ira McCarver entertained her daughter Linda Louise, with a Halloween party at the club house October 30, on her ninth birthday. Halloween games were played and pictures were taken during the afternoon. Horns were given to the guests as favors.

Cake, punch and candy were served to the honoree, Jeanette and Doris Faye Price, Laquetta Polk, James, Sylvia, Diana, Betty, and Bonnie Cole, David and Danny Hawk, Cheryl Faye Jernigan, Jo and Nancy Miller, Lattie Traweck, Jean Parish, Stevie Edwards, Betty Joyce Green, Travis Hendricks, Jan Scott, Pam Henry, Martha McCormick, Karen Cooper, Conroy LaRue, and Eddie Ray McCarver.

Mothers assisting Mrs. McCarver as hostesses were Mrs. J. A. Cole, Mrs. K. A. Price, Mrs. Bert Polk, Mrs. Frank Reed, Mrs. D. L. Miller and Mrs. Earl Jernigan of Lubbock.

Blue Ribbon Won By Southland Girls At Tahoka Fair

Two Southland girls, Woodena Stewart and Gwyn Gass, won a blue ribbon at the Tahoka Fair with their model home which they exhibited. Both girls are 8th grade students at Southland this year. The model home featured the modern designing as to floor space and furniture. They were assisted in building the home by Tommie Wicker and Willie Mae Nelson. All of these students live in the Gordon Community.

College approved Dictionaries only \$5.90 at the SLATONITE.

US College With UN Flavor

Students from some of the 17 countries represented at Marygrove College leave in native dress to promote Detroit's observance of United Nations Week. They are (rear row, l. to r.) Chris Wang, China; Marijeen Lardie, Detroit, daughter of a UNESCO delegate; Eladia Chiari, Panama; Alitita Mariellino, Philippines; front: Irene Arzoumanian, Iran; Celine Castellino, Pakistan.

Culture Club Years Program By Mrs. Neill

The Civic and Culture Club met October 28 in the home of Mrs. H. O. Wagner. Mrs. D. J. Neill had charge of the program which was on UNESCO. Nine members and one guest, Mrs. O. Wagner, jr., attended the meeting.

Following are some of the notes taken from Mrs. Neill's program: "UNESCO, or the United Nations Educational Scientific, and Cultural Organization, came into being in London in 1945. With membership of fifty-six nations, it operates through a general Conference, an executive board, and an International Secretariat, with headquarters at UNESCO House in Paris. The Secretariat is headed by a Director-General, who, at the present time, is Dr. Jaime Torres Bodet, Minister of Foreign Relations in Mexico. As leader of UNESCO, he is fired with enthusiasm for international peace and universal education.

"The purpose of UNESCO is to contribute to peace and security by promoting collaboration among the nations through education, science, and culture in order to further universal respect for justice, for the rule of law, and for the human rights and fundamental freedoms which are affirmed for the peoples of the world, without distinction of race, sex, language, or religion by the Charter of the United Nations." "It is operating on the premise that 'Since wars begin in the minds of men, it is in the minds of men that the defenses of peace must be constructed.' "UNESCO's work as a specialized agency of the United Nations must succeed if world peace is to be attained."

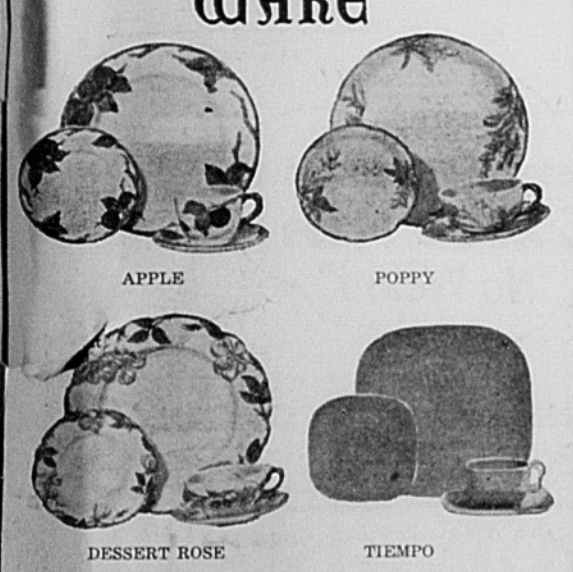

Rainbow Girls Have Bi-Monthly Meeting

The Rainbow Assembly for Girls met in its regular bi-monthly meeting, Saturday night, October 21. Ethelyn Young, Worthy Advisor, presided at the meeting. Mrs. Jack Cook, Mother advisor, assisted.

During the evening Janice Bagby was initiated into the assembly. Also, this meeting included the official visit of the grand visitor to the grand assembly, Mrs. Mattie Lee Scroggins.

Thirty-eight members were present. Guests attending were Mr. and Mrs. D. E. Powell and Mrs. C. L. Lubbock.

Meetings Held By Local H. D. Club

The Home Demonstration Club met Wednesday, October 18, at 2:30 at the Club House. Included on the program was a reading, "Tricks for a Sick Bed," by Mrs. E. E. Wilson and a demonstration on how to read labels on canned goods, by Mrs. R. C. Hall.

In a business meeting new officers elected for the coming year were Mrs. E. W. Stokes, president; Mrs. Spencer Brewer, vice-president; Mrs. Alton Meeks, secretary-treasurer; Mrs. A. R. McGuire, jr., reporter; Mrs. Verl Woodfin, council member, and Mrs. A. A. Traweck, alternate council member.

Hostesses, Mrs. R. C. Hall and Mrs. F. W. Stokes, served Halloween candy, pecan pie, and coffee to members, Mrs. Carter Shaw, Mrs. Spencer Brewer, Mrs. W. T. Driver, Mrs. Verl Woodfin, Mrs. T. G. McEver, Mrs. E. E. Wilson, Mrs. A. R. McGuire, jr., Mrs. Alton Meeks, Mrs. A. A. Traweck, and Mrs. Cleta Young.

November 1, the meeting was held in the home of Mrs. Alton Meeks. The program was a demonstration on personal grooming given by Home Demonstration Agent, Miss Clara Pratt. Mrs. Meeks gave a report on her selection of clothes and showed her closet and storage space to members.

Bluebonnet Club Plans Banquet At Recent Meeting

The Bluebonnet Club met Oct. 11 in the home of Mrs. George Culwell. Twelve members answered roll call with their favorite hobbies. In a business meeting plans were discussed for the annual banquet for members and their husbands to be held November 30 at 7:30 in the Club House.

On October 25 the club met in the home of Mrs. H. V. Jarman. Mrs. Ferguson presided. Roll call was answered with current events. A letter of thanks from Cal Farley, in regard to the towels sent to Boys' Ranch by the club, was read by the secretary.

Mrs. Arthur Dennis will be hostess to the club November 8 in the home of Mrs. H. V. Jarman.

SUNDAY SCHOOL CLASS HAS HALLOWEEN PARTY

Mrs. Elmer R. Burns was hostess Monday night, October 30, at a Halloween Party for the fifteen year old girls Sunday School class of the First Baptist Church. There were 17 present, including guests invited by the members.

In the absence of the president, the vice-president, Patsy Moseley, presided. A devotional was given by Jolene Bolding.

Games were played after the program.

News Summary
Featured Weekly

"SUCCESS—THE AMERICAN WAY"—Finn Haakon Magnus arrived in America with only two dollars. Today he is many times a millionaire.

"HEAD INJURIES"—Bumped heads are among the commonest injuries of childhood, and, if not promptly treated by a doctor, can be serious.

THIS and THAT
FROM
HERE and THERE

TRENDS—The problem of an overflow in Crosby county schools due to the new law prohibiting the employment of children under 16 in the cotton fields, has not materialized this week.

UP AND DOWN MAIN ST.—One thing we like about football is that the rules are never the same two years running.

YOURS TRULY—Rumor has it that Wink will get a new bus route in the near future.

OFF THE KEYBOARD—Who says we are getting in a rut? We can take our pick of two legal Thanksgivings this year.

AROUND TOWN—Archie Scott is setting around the house these days—dreaming of fried chicken.

EDITORIAL—One of the reasons why we can't see an early frost, meaning before October 1st, is that the tarantula and their little cousins the spider are not spinning webs to arrest the winter.

EDITORIAL COLUMN—The identical Hurt twins, Roland and Roger of Lubbock, had a field day here last week with those who didn't know that the local man has a twin.

THE PASSING PARADE—The trustees of the Brady Independent School District have recalled the \$400,000 school bond issue, which was turned down a few days ago by a narrow margin.

FYI—That the good doctors are becoming publicity-wise is shown by a release from the Texas state medical association which came to our desk last week.

Mr. and Mrs. Roland Hurt have twin sons.

Mr. and Mrs. Roland Hurt have twin sons.

Mr. and Mrs. Roland Hurt have twin sons.

How to Press Hems
Press hems from the bottom up—not around the bottom of the skirt. The latter method may stretch the fabric out of shape.

Philosopher's Stone
If you know how to spend less than you get, you have the philosopher's stone—Benjamin Franklin.

Potato Diseases
The knife used in cutting potato seed can spread potato diseases.

Annual Staff Chooses New Delivery Plan

A plan of yearbook production which will permit pictorial coverage of the entire school year including the graduation exercises was approved at a special meeting of the Tigers Lair staff recently.

The plan will permit coverage in the 1951 Tigers Lair of all track, tennis, and other spring sports; participants in the Inter-scholastic League program; the Senior play; honors in the various classes at the end of the year; the commencement and baccalaureate; Junior-Senior festivities; the Senior trip; and many other activities which fall after the date of the final deadline of the usual spring delivery.—Tiger's Cage.

Francis Bacon

In 1624, Francis Bacon wrote, "The Turks have a drink called *caffa*, made of a berry of the same name, as black as soot and of a strong scent. This drink comforteth the brain and heart and helpeth digestion."

Southland News

MRS. FLOY KING

Supt. and Mrs. F. W. Callaway and boys left Friday for Prairie Hill to spend the week end.

The Southland six-man football team was defeated by Wilson, there, Friday night.

The Slaton girls beat the Southland girls Tuesday night in a practice basketball game.

Mrs. Doll Haire, Mrs. Lucille Myers, Mrs. Cordie Johnson, Mrs. Elmer Hitt and Mrs. Wesley Scott returned home Saturday from Galveston where they attended the grand chapter of the Order of the Eastern Star.

Visitors of Mr. and Mrs. Jack Hargrove Monday were Mr. and Mrs. Herman Hargrove of Lubbock. Visiting them on Tuesday were Mr. and Mrs. Claude Cooper and children of Cooper, and their guests Sunday were Mr. and Mrs. Blanton Martin and little daughter. Congratulations to Mr. and Mrs. Buster McCoy of Lubbock (formerly of Southland) on birth of a daughter October 23 in Mercy Hospital.

Sgt. Clyde King of Fort Sill spent the week end with his parents of Lubbock and his family in Southland.

Mr. and Mrs. Odell Donohoo have moved their baby, Vickie, from a Lubbock Hospital where it has been treated for pneumonia, to the home of Mrs. Donohoo's parents, Mr. and Mrs. Jones, in Lubbock.

Joy Trimble of Slaton spent the week end with home folks, the E.

E. Trimbles.

Mr. and Mrs. L. B. Hambright received word Saturday that they have a new granddaughter, born October 28. They left Sunday for Midland, where Mrs. Hambright will remain with the new mother and baby for a while.

Mr. and Mrs. James Hamaker and children of Lubbock visited Mr. and Mrs. Peyton Crawford and family Sunday. James Crawford accompanied them home for a visit. Others visiting in the Crawford home Sunday were Mr. and Mrs. Jess Moore and Mr. and Mrs. Billie Edmunds.

Mr. and Mrs. Clarence Terry and daughter of Lubbock visited her parents, Mr. and Mrs. S. M. True-lock, Sunday.

Guests in the August Becker home Sunday were Mr. and Mrs. R. E. Horn of Sundown, Mr. and Mrs. B. H. Mueller and baby, Mr. and Mrs. A. J. Becker and baby, Margie Becker, Richard Becker, all of Lubbock, Otho Dillard and Mary Jo Meeks of Slaton and Mary Frances King.

A week end guest of Mr. and Mrs. A. A. Ferguson was their daughter, Lavonne of Lubbock. Visiting them on Sunday were Mr. and Mrs. Carl Cedarholm of Post.

Mrs. E. F. Parker returned home Sunday after spending two weeks with her daughter.

Seeding of Grass

Grass should be seeded about 1/4 inch deep in loam and clay soils; 3/4 to 1 inch deep in sandy soils. A firm seedbed is desirable.

Charity in Children

Although "cleanliness is next to Godliness," do not stifle the practices of charity in the effort to keep your children clean. It is more important to praise a child for wanting to share his food with the family pet than to scold him for being dirty. It is easy to learn about germs when one is older. It may not be so easy to unlearn selfishness.

Modern Kitchen Colorful

An attractive modern kitchen has shelves and cabinets enameled in soft salmon-rose. The walls against which these cabinets are placed are coated in the same color. End walls are a light fern-green and the same color used to coat the drawer linings. Linoleum and work counter surfaces are brown, while door frames are dull silver to match the edging on the work counters.

You Do Not Feel Like Wearing A False Face When You Wear A New Fall Suit Or Overcoat

From O. Z. Ball & Co.

You can always tell a man who wears O. Z. Ball & Co. clothes . . . for he has that confidence in himself that well dressed men always have . . . come in and see the many new items we have in mens wear at

MODERN ELECTRIC COOKING IS FAST!

Really fast!!! High speed elements heat instantly. And there's no waste of heat . . . it's concentrated on the job to be done . . . so food cooks quickly. Best of all, all the best flavor is retained when you cook electrically. Are you cooking this modern way? If not, why not see your electrical dealer right away. He can tell you more about the advantages of electric cooking.

SOUTHWESTERN PUBLIC SERVICE COMPANY

26 YEARS OF GOOD CITIZENSHIP AND PUBLIC SERVICE

Want a ride that's "out of this world"?

Better Buy Buick!

WANT to be free from that nervous tensing up for a jolt every time a rough spot looms in the road ahead?

Want to enjoy the relaxing feel of a sure-footed car beneath you, that stays level even when the road doesn't?

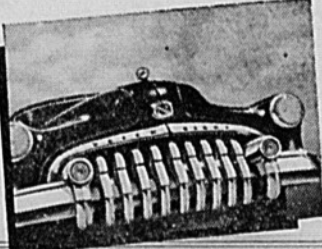

Well, sir, ease into a Buick and see how such matters are cared for.

See what a wonderful difference in level buoyancy coil springs can make when you have them on all four wheels, not just the front ones.

Note what firm and solid steadiness is yours when a full-length torque-tube drive is your keel—how smoothly you stay on course when the rear wheels can't help but run true.

See what big, low-pressure tires and Buick's wide rims can do to pillow your course without jounce or sway.

In other words, sample this two-

ton beauty for over-all stance and balance—and the cradling comfort of its roomy interior.

And while you're at it, get the very special thrill of its mighty Fireball power plant, plus the free-as-a-bird-in-flight bliss of its Dynaflo Drive.*

It's an experience that you owe yourself—and it's yours for the asking. The thing to do is get in touch with your Buick dealer—and discover the ride that only Buick owners know.

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

FOUR-WAY FOREFRONT—This rugged front end (1) sets the style note, (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.
