Slaton High Seniors Plan Trip To Ruidoso As Final Activity

Slaton High School Seniors began their "final fling" with an all-day picnic at MacKenzie Park, Lubbock, last Tuesday. Wednesday the annual senior assembly program was presented. The class prophesy and will be revealed, and the history of the class was read. On Thursday and Friday final examinations were taken by the class.

The final activity before commencement for the 1951 seniors will be their trip by chartered bus to Ruidoso, N. M. They will leave Slaton early Monday morning, May 14 and plan to return late May 16.

While in Ruidoso the class and their sponsors will participate in a moonlight horseback ride one night, which will be followed by a chuck wagon supper, with cowboy singing and Indian dancing for entertainment. Also, they plan to visit the Mesalero Indian Reservation and the White Sands.

There will be plenty of time for fishing, hiking, picnicing, boating and others sports for which the Ruidoso playground is noted.

Sponsors who will attend the group include E. G. Jenkins and Mrs. Yates Key. Four room mothers are planning to make the trip, also as chaperones.

Seniors who plan to go are Betty Clack, Ruth Punkoney, Peggy McLaughan, Rita Neu, Arlene Tefer-tiller, Doris Bartlett, Bess Ann Parker, Mary Jo Meeks, Carolyn Steffens, JoAnn Kahlich, Joyce Voigt, Lue Lee Bain, Bonnie Taylor, Josephine Shepard, Pansy Sloan, Barbara Jochetz, Maybelle Pember, Paula Maxey, JoAnn Smith, Geneva Kiker, JeAnn Kahlich.

Eugene German, Harley Patterson, Don Kendrick, Alvis Collins, Teddy Fondy, Everett Hodge, Lyle Berry, Junior Gartman, A. E. Burris, Henry Fleming, Bill King, Bobby Norris, Bobby Taylor, Leon Moore, Jerry Holt, Horace Cook, Tommy Swanner, Charles Norwood, and James Kiker.

Johnson Named Lions President

New officers of the Slaton Lions Club were installed recently at a regular meeting. Dr. Petty, of Lubbock, a past president of the Lubbock Lions, was the principal speaker at the meeting. Other Lubbock Lions visiting here with him were Grove Denman and "Cotton" Thompson.

Officers of the local club for '51 are President, Jess Johnson; 1st vice-president, Jack Cole; 2nd vice-president, J. D. Perkins; 3rd vice-president, Cliff Cox; secretary-treasurer, Tommy Davis; tail twister, Charles E. Marriott; and Lion tamer, Pat Patterson. Directors are D. D. Boyles, Jerry Mudgett, Max Arrants, and J. S. Edwards, Jr.

Retiring officers are President, Bland Tomlinson; 1st vice-president, Jess Johnson; 2nd vice-president, Pat Patterson; 3rd vice-president, Cliff Cox; secretary-treasurer, Tommy Davis; Tail twister, Arnold Alcorn, and Lion Tamer, Jerry Mudgett. Directors: J. S. Edwards, Jr., Lee Vardy, Hack Lasater, and Rev. P. J. Burns, who is also song leader.

Slatonite Editor Named Director Of Press Group

A. M. Jackson, editor and publisher of the Slatonite, was named a director of the South Plains Press Association in the closing session of the organization's annual two-day convention Saturday afternoon at the Hilton Hotel in Lubbock. In the morning session Saturday, Jackson was one of the featured speakers with his talk on "Manpower Shortage."

Ernest Joiner, editor of the Ralls Banner, was elected to succeed Charles A. Guy, editor of the Avalanche-Journal, as president of the regional press group.

Other directors elected besides Mr. Jackson at the meeting were Neil C. Vanzant, editor and publisher of the Gaines County News, Seagraves; Karl Broadley, The Portales Tribune, Portales, N. M.; Frank Hill, publisher of the Lynn County News, Tahoka; Curtis Sterling, publisher of the Brownfield News, and Charles W. Roberts, publisher of the Andrews County News. Hold-over directors are Guy, Charles Fischer, general manager of the Clovis News-Journal; Allen Hodges, editor and publisher of The County-Wide News, Littlefield; and Roberts.

A total of 84 persons attended convention sessions, which opened Friday at noon.

Paula Maxey, Valedictorian Class Of '51

Paula Maxey, daughter of Mr. and Mrs. J. J. Maxey, will give the Valedictory speech at the commencement exercises for the 1951 Slaton High School Seniors Friday night, May 12 at 8:15 in the high school auditorium. Barbara Jochetz, daughter of Mr. and Mrs. Walter A. Jochetz, is Salutatorian of the class.

Drive-In Theatre To Replace Sign On Post Highway

The sign out on the Post highway, south of Slaton, will become a reality before too long when the Childress Theatres begin construction on their \$55,000 Drive-In Theatre. Authorities of the Slaton theatres were waiting for the final word from their application Monday and were expecting the okay on it right away.

The site of the new theatre was purchased about a year ago, and a sign was erected there saying the theatre would soon be built. Bill McDavid, manager of the local theatres, says he is happy to announce that the sign will be taken down shortly and in its place the Drive-In will go up. "There will be none better than our Drive-In in this part of the country," Bill declares. "It's really going to be a lulu."

Individual car heaters will be installed for use in the winter, and individual speakers will be available the year round. One of the nicest concessions stands anyone could hope for is included in the plans.

Slatonites will watch the site of the proposed Drive-In with interest during the summer as the new entertainment center goes up.

Record Attendance Expected At Slaton Frontier Celebration

Storm Warning To Be Tried Monday

In case a storm ever should strike Slaton, a warning will be given in plenty of time for all Slatonites to reach safety before it actually hits. Working in co-operation with the State Police, who will radio a storm warning to the city if a storm should be headed this way, the local police and fire departments will sound a warning by means of the fire alarm at the fire station. The alarm will be a series of short blasts for about three minutes, followed about three minutes later with another series of short blasts. This will distinguish the storm warning from the regular fire alarm.

Monday night, May 14, a trial warning will be sounded about 8 o'clock, and Slatonites are urged to listen for the sound so that there will be no danger of mistaking a storm warning for a fire alarm in the event that a storm was coming toward the town.

Say, there, pahndr, yawl better git yore western togs out right away so you won't be mistaken for a city dude around these parts. Members of the Chamber of Commerce and directors of the BCD will be keeping a sharp lookout the next few weeks to see that all the men, women, and children of the town are dressing appropriately to get into the proper spirit for the Frontier Celebration, June 16. Every man, woman, and child will be expected to wear at least two items of apparel which are in keeping with the western theme. Anyone found guilty of the crime of being seen on the streets of Slaton minus any indication of western garb will be compelled to "suffer the consequences".

Prizes of \$10 each will be awarded to the most typical cowboy, most typical cowgirl, most authentic pioneer costume for man and woman, and oldest settler (both man and woman) in the trade territory, at the close of the celebration Saturday, June 16. Everyone, yes, even you, are eligible to win one of those ten dollar bills, so begin now to get into shape for the big day.

Highlight for the younger Slaton generation will be the awarding of a real Shetland Pony to some lucky youngster. A booth will be set up on the city hall lawn and each child of the town may go there and register to be eligible to win the pony. There will be nothing to buy and no questions to answer. The pony will be absolutely free.

Also included in the day's program will be the big parade in the morning, with merchants, civic organizations, womens' clubs, etc., entering floats.

The afternoon's program will include a genuine western show with Wylie Walker and Gene Sullivan, better known as "Wylie and Gene". They will entertain with jokes and western music. This western team is well known in this territory, having worked out of Lubbock for several years. Now their headquarters is in Oklahoma City where they have a TV show.

A record attendance is expected to attend the Westerner Square Dance Association meeting which has been set to meet here on the night of June 16. Earl Reasner and Vilas Tudor, local members of the association are authorized to accept applications for membership in the club from Slatonites.

Committees completing arrangements for the celebration are confident that this will be a big day for all Slatonites, and everyone is urged to take an active part in the event, by beginning now to wear your western apparel.

Big dance at the American Legion Hall, Saturday night, May 12, 8:30. Music by Circle B Ranch Boys. Everyone come.

Reunion Of Brown County Residents Scheduled May 20

Former residents of Brown County will gather May 20 at 10:30 for their annual reunion in the MacKenzie State Park at Lubbock. The reunion site is the Northeast part of the park, at the same place where it was held last year. The Brown County Banner will be put up as an indication of the gathering place.

Everyone attending is asked to bring a "well filled" lunch basket. Mr. Henslee, president, expects that there will be a large attendance at the reunion.

Mr. and Mrs. James Buchanan and son of Pueblo, Colo. visited his parents, Mr. and Mrs. T. C. Buchanan and friends here last week.

Your old watch is worth something at Champions' Trade-In Sale.

Chain Letters Are Cropping Up Again, Says Postmaster

Another series of chain letters, similar to the Pyramid Letters that deluged the nation several years ago, has come up in Slaton.

These letters are sent to people with instructions to add money to the letter and send it to another person requesting him to do so too. At the end of the letters or when the recipient's name has reached the top of the list he is supposed to receive a certain amount of money.

Kirby Scudder, postmaster, has found several of these chain letters addressed to Slaton people. Scudder said that it is against the law to send these letters and urged the public to cooperate with the post office in stopping the idea.

Retail Merchants State Convention Set In Galveston

Every merchant in the Slaton area, regardless of what type of business he is in, will benefit by attending the 51st annual convention of the Retail Merchants Association of Texas and allied groups, Charles T. Lux, State Executive Secretary, said today.

"The 5-star convention, lasting May 19-22, will have a program replete with attractions for all types of merchants, businessmen, credit managers, and personnel," Mr. Lux said.

The convention will be held at the Buccaneer Hotel in Galveston. Groups participating will be the Retail Merchants Association, Retail Credit Executives of Texas, Collective Service Division, Associated Credit Bureaus of Texas and Lone Star Council of Credit Women.

The convention will include annual business meetings of the participating groups, two joint sessions of all groups at which operations in a mobilization economy will be discussed, and ten group meetings for the various classifications.

If any member of the Retail Merchants Association plans to attend the convention, you are asked to contact the Association secretary here, Mrs. Lee Green.

Mrs. Ed Reynolds and Mrs. Marvin Winiford of Midway community were shopping in Slaton on Monday.

Governor Shivers Proclaims May 19 Armed Forces Day

AUSTIN, Texas, May 4th—Governor Allan Shivers, Wednesday issued a proclamation designating Saturday, May 19, "Armed Forces Day."

The proclamation, signed in the presence of high ranking Army officers and civilians cited the fact that the President had proclaimed that date and directed that it be observed with appropriate ceremonies.

Following is the text of the Governor's proclamation:

"The President of the United States has proclaimed May 19, 1951, as Armed Forces Day and has directed that it be observed with appropriate ceremonies.

"Official slogan for Armed Forces Day this year is 'Defenders of Freedom' in proper tribute to those who are now fighting on foreign soil in defense of those principles which this nation has cherished since its birth.

"This tribute is in further recognition of the Armed Forces' part in the material and spiritual mobilization that is now taking place in this country. Its theme is a renewal of faith in our country's sacred heritage and in the ideals of peace and freedom, to the preservation of which we are dedicated.

"Therefore, I, as Governor of Texas, hereby designate May 19, 1951, as Armed Forces Day" in this State, and urge Texas citizens to display the flag of the United States on this day and otherwise to demonstrate their recognition of our appreciation for the services of the men and women in our Armed Forces.—Allan Shivers"

Mothers Will Get Orchids At Theatre

One hundred baby orchids, "flown from Hawaii," will be given to mothers of Slaton of a "first-come-first-serve" basis when they attend the Slaton Theatre on Mother's Day, according to Bill McDavid, manager.

Three large orchid corsages will also be awarded, said McDavid. These will go to the oldest mother present, the youngest mother and the mother with the most children in armed services.

The film attraction will be "Kansas Raiders."

FUNDAMENTAL BAPTISTS ORGANIZE CHURCH HERE

A Fundamental Baptist Church was organized Sunday, May 6, with Rev. J. C. McCoy of Lubbock, moderating services, and Rev. C. T. Warren of Ft. Worth giving the message. Morning and evening services are to be held at the City Auditorium May 13, 20, and 27. Sunday School will be at 10 a. m., Morning worship at 11:00, and the evening service at 8 p.m.

Mr. and Mrs. Carl J. Young of El Paso spent Saturday and Sunday with Mrs. Young's parents, Mr. and Mrs. P. G. Meading.

Charles E. Travis of St. Petersburg, Fla. is in Slaton for an indefinite stay with Mr. and Mrs. Clifford Simmons. He is Mrs. Simmons' brother-in-law.

Week's Question

1951 Graduates Of Slaton High School Make Plans For Future

The Slatonite office was really humming last Friday afternoon when members of the graduating class of Slaton High came in to pick up their invitations. Slaton can well be proud of the fine crop of young people who are coming to the end of this phase of their lives and setting out to find success as the adults of our nation and world. Some of the seniors have not definitely decided what course they will pursue in an effort to contribute to the continued success of their country, but most of them have already set their goals and are now eager to begin the journey to the fulfillment of their dreams.

As the seniors came into the office we asked them "What profession do you plan to enter after graduation?" Some of their answers are printed here:

Josephine Shepard has chosen nursing as her profession. She plans to study in Lubbock Memorial School of Nursing. Jo has always been interested in nursing and feels that since there is such a great demand for trained nurses now, her decision is very timely.

Barbara Jochetz has not definitely decided on a vocation but she

hopes to go to McMurry College in Abilene next fall to further her education.

Everett Hodge has been interested in "bridge work" for some time and plans to make Dentistry his profession. He will enter Texas Tech to obtain his pre-dentistry training.

Eugene German will postpone his civilian career for a few years to serve Uncle Sam in the Navy. He will leave May 22 for Albuquerque, N. M. to take his physical examination, and from there he will go to San Diego for his boot training.

Lyle Berry plans to study administration at Howard Payne College in Brownwood.

Bobby Norris will enter Hardin-Simmons University, Abilene, where he will prepare for the ministry.

Teddy Fondy intends to go to college but hasn't decided where as yet. He wants to study petroleum engineering.

Carolyn Steffens plans to get a job either in the journalism field or as a secretary. She studied shorthand and journalism in school and says those are her main interests.

BIRTHS

Born May 4 to Mr. and Mrs. Jim Kubacak, in Mercy Hospital, a boy weighing 8 lbs., 5 ozs.

Born May 7 to Mr. and Mrs. Max Vargas, Slaton, in Mercy Hospital, a boy weighing 7 lbs., 11 ozs.

Born May 7 to Mr. and Mrs. Thomas Torres, Slaton, in Mercy Hospital, a girl weighing 9 lbs.

Born May 8 to Mr. and Mrs. H. P. Davidson, 220 E. Panhandle, Slaton, in Mercy Hospital, a boy weighing 9 lbs., 6 ozs.

Born May 9 to Mr. and Mrs. Charles Watts, Rt. 2, Slaton, in Mercy Hospital, a boy weighing 7 lbs., 7 1/2 ozs.

Born May 1 to Mr. and Mrs. R. D. Parise of Seattle, Wash., a girl weighing 8 lbs. Mrs. Parise will be remembered here as Pauline Kenney.

JACKSONS IN DALLAS

Editor and Mrs. A. M. Jackson are in Dallas for several days, where he is having a physical check-up at St. Paul's Hospital there.

Mr. W. R. Caldwell of Honey Grove, Mr. John R. Caldwell, and Mr. and Mrs. Francis Linder, all of Windom, Minnesota, have returned to their homes after a visit here with Mrs. Lula Caldwell and family.

Mr. and Mrs. Clifford Young were business visitors in Colorado City and Midland Tuesday.

Remember mother with a gift from Champions' Jewelry.

THIS WEEK'S SMILES

On the wall of a small gasoline station in New Hampshire is a cartoon showing an automobile completely torn apart, the engine hoisted out, wrenches, springs, and pistons scattered over the garage floor, all indicative of the grim determination to discover the cause of the trouble. A mechanic is shown stretching under the car, pulling the crankcase apart.

Leaning down to speak to the latter is a fellow mechanic, obviously delighted at the discovery he has made. "I think I've found the trouble, Scotty," he is shouting. "No gas!"

SLATON FRONTIER CELEBRATION JUNE 16th

SHOWING AT SLATON THEATRE WEDNESDAY & THURSDAY

Tom Ewell, seated, and David Wayne portray the popular "Willie and Joe" roles, respectively, in Bill Mauldin's "Up Front," new Universal-International comedy release which features Marina Berti, popular Italian actress brought to Hollywood for the comedy's feminine lead. The picture, as was the best-selling book, captures the dry humor of the rank-and-file dogface. "Up Front" was produced by Leonard Goldstein and directed by Alexander Hall. Jeffrey is featured.

Church by the newly organized Methodist Men's Club. As a courtesy to Mrs. Bobby Jack Trimble, the former Miss Shirley Hambright of Southland, a miscellaneous shower was given Wednesday evening in the home of Mrs. G. W. Basinger.

Shopping for Chicken

What Happened in Slaton Last Year

Taken from the May 12, 1950 issue of the Slatonite:
Announcement was made this week of the twelve Slaton High School graduating seniors who have completed their secondary education with the highest scholastic averages during the past four years. Valedictory award will go to Phillip Morgan who surpassed his class with a grade average of 94.42, and salutatorian will be Melba Potthast who follows closely behind Phillip with a 93.42 average.
Miss Bobby Ann DeMent and Carl Lewis, jr., both senior students at Slaton High School, have recently received the sportsmanship awards presented to outstanding students in high schools throughout the country by the Babe Ruth Foundation.
Funeral services were held Monday morning at ten o'clock at the First Baptist Church for W. A. Robertson, 74, who died Saturday afternoon, May 6 in Mercy Hospital here. A retired farmer, he had lived in Slaton 32 years.

Tony Poulos, assistant coach at Abilene High School for the past four years, has accepted a contract as head coach at Slaton High School, P. L. Vardy, superintendent of schools, said Tuesday.
Mr. and Mrs. Bobby Ayers and son, Ray Madison, left Wednesday for Corpus Christi.
Dr. J. D. Chatman, M.D. of Lubbock, will deliver the main address at the Evans High School Commencement exercises scheduled to be held Wednesday evening, May 17, at eight o'clock in the Evans school auditorium with twelve students graduating.
Approximately one inch of moisture was reported as having fallen in Slaton during the past week.
Mr. and Mrs. Oran McWilliams attended the funeral Tuesday of Mrs. John White at Tipton, Okla. Mrs. White was the mother of Mrs. McWilliams' sister-in-law.
A banquet is scheduled to be held next Monday night at the

THE STATE OF TEXAS COUNTY OF LUBBOCK SHERIFF'S SALE

WHEREAS, on the 3rd day of January, 1951, in Cause No. 4988, in the District Court of Lubbock County, Texas, wherein The Slaton Independent School District; The City of Slaton, Texas; The County of Lubbock, Texas; and The State of Texas were Plaintiffs, Impleaded Party Defendants, recovered judgment against J. B. Aichlmayr, Paul Aichlmayr, Margaret Aichlmayr; Cecilia Aichlmayr; Clementine Aichlmayr; Johnny Aichlmayr; Theresa Leven and husband, John Leven; Hilda Nausch and husband, Francis Nausch; Rose Koenig and husband, Clarence Koenig; Helen Homer and husband, Carl Homer; Joe Aichlmayr; Isabel Reing and husband Al Reing; Jane Kuper and husband, Walter Kuper and M. Coltharp, Defendants, for taxes, penalty, interest, and cost against the hereinafter described property:

WHEREAS, on the 13th day of April, 1951, by virtue of said judgment and the mandates thereof the Clerk of the above mentioned District Court of said county did cause to be issued an Order of Sale commanding me as Sheriff of said county to seize, levy upon, and sell in the manner and form as required by law the hereinafter described property:

WHEREAS, by virtue of said judgment and said Order of Sale and the mandates thereof I did on the 13th day of April, 1951, seize and levy upon as the property of the above defendants the following described property, situated in Lubbock County, Texas, to-wit:
(Said description showing the number of acres, original survey, locality in county, and name by which said property is most generally known.)
Lot Number Six (6) in Block Number Seventy-Four (74) Original Town of Slaton, Lubbock County, Texas.
And I will on the first Tuesday in the month of June, 1951, the same being the 5th day of said month, proceed to sell all the right, title, and interest of the Defendants in and to said property at the Court House door of said county in the city or town of Lubbock, between the hours of 10:00 a.m. and 4:00 p.m. to the highest bidder for cash, provided, however, that none of said property shall be sold to the owner of said property directly or indirectly or to anyone having an interest therein or to any party other than a taxing unit which is a party to this suit for less than the amount of the adjudged value of said property or the aggregate amount of judgments against said property in said suit, whichever is lower, subject also to the right of the Defendants to redeem same in the time and manner provided by law and subject also to the right of the Defendants to have said property divided and sold in less divisions than the whole.
DATED at Lubbock, Texas, this the 13th day of April, 1951.
Grady Harrist, Sheriff
Lubbock County, Texas
By Verlie Shearer, Deputy.

Things Are Changing A Lot!

Over the years one of the loudest complaints of the business men of Slaton has been that the town is too near Lubbock, and that Lubbock merchants have been drawing too much of the business from Slaton to Lubbock to allow the merchants to get the revenue that should come.

In spite of the stiff competition Slaton has continued to grow both in population and in business activity and it seems that the tables are turning.

The two towns are closer together in that more and more business buildings are being constructed on the highways out of Lubbock and more and more firms are building on the highway leading from Slaton to Lubbock, thus decreasing the actual distance between the two towns regardless of the city limits of Slaton and Lubbock.

Since the business districts of Lubbock have become so congested that doing business is more and more difficult, the tendency has increased for the firms in Lubbock to move out of the congested areas. As time goes on it is most surely a fact that the people in Slaton will look more and more to the merchants here for what they need rather than go to Lubbock and battle for places to park or ride for miles and miles to get from one shopping center to another.

There is an opportunity and a challenge to the merchants of Slaton in this situation. The opportunity is in the fact that a lot of the business that is going from Slaton to Lubbock could be brought to Slaton where it belongs and the merchants could reverse the process to some extent and draw business from Lubbock to Slaton in a great volume. There are occasions, now and then, when Lubbock people do shop in Slaton, but if conditions should continue as they are now and several aggressive merchants in Slaton should expand and be able to secure the merchandise, it is likely that the folks from Lubbock would be coming to Slaton to get the things they want or need.

The fact that considerable trade that could be held in Slaton goes to Lubbock may be a fault of the Slaton public, but there is little the local merchant can do but endeavor to make it more and more to the interest of the local people and people everywhere to come to Slaton.

Not only it is possible to draw business from Lubbock to Slaton, but it could be made so that people who now live in Lubbock would consider making their homes in Slaton. An aggressive real estate promotion with real values in homes in an exclusive and well planned real estate annex to Slaton could do the job.

Let's Have Plant Exchanges Often!

The fact that so many people were interested in the plant exchange, that was held on the City Hall lawn a couple of weeks ago, is outstanding evidence that the people of this area are conscious of the fact that the Plains country will grow beautiful flowers and shrubs, and it is evidence that, with some encouragement, the citizens of Slaton could be induced to make Slaton the Garden Spot of West Texas.

All of the vacant places over town could be made to be beautiful instead of looking like the land God forgot and it is possible that the town could be made much more attractive.

The folks who exchanged plants, or came and got plants, are primarily interested, as they should be, in beautifying their gardens or in landscaping their homes and not particularly interested in making out of the way spots any more attractive than they are, but if the proper community spirit were built up it is possible that all of our residents could be made conscious of the fact that pretty flowers and shrubs could make Slaton a very outstanding town.

Ten years ago Slaton had a population of a few over 3600, but today there is probably 6000 people living in Slaton, and nearly 7000 in the immediate shopping area. That many have come to Slaton to make their homes is because of the crowded conditions in Lubbock and because Slaton is such a nice place to live, because there are so many paved streets, because the average merchant still wants business and is not trying to get high profits, because we have plenty of water and because the people who live here take pride in their homes, in plain words, because Slaton is a real home town.

The folks here should bend every effort to keep Slaton a good home town and the community will grow gradually to make a substantial city where every one can prosper, where the laws will be observed, where people will always take pride in their homes and where plant exchanges will be held once or twice every year.

Inflation!

It is written of the late Abdul Hamid, Sultan of Turkey, that becoming annoyed at the demean or any of the ladies of the seraglio, he had her sewn in a sack and tossed into the Bosphorus. Now let it be granted that this may appear to some as an over-persuasive way of treating a lady, possibly basically good at heart, who always put a plaster in the poor-box in church of a Friday, but was perhaps a whisper on the extravagant side.

But still and all when I consider the ignorance, stupidity, and incompetence of the President and Congress in causing and continuing the inflation which destroys savings and defrauds the buyers of government bonds, I wonder whether the Grand Turk didn't have a point. For it must not be forgotten that inflation could be stopped cold if the budget were balanced and debt retirement begun. Inflation is the misbegotten child of an unbalanced budget and printing-press money. Unfortunately this is a fact which is not generally realized.—The Dallas News.

Kill The Goose?

Texas has been industrializing rapidly in the past decade. The process is still going on at full blast. Just the other day it was announced in Washington that certificates for Texas defense industries approved during the past five months come to \$569,873,000. Only one state, Pennsylvania, is ahead of us. Texas is to get twice as much new defense industry as New York; nearly twice as much as Ohio; five times as much as New Jersey—all of them leading industrial states.

It is interesting to note that Louisiana, which like Texas has unlimited natural gas supply available for industrial use, was awarded only \$80,306,000 in defense plant certificates, or one seventh Texas' total.

Louisiana has approximately the same inducements for industry that Texas has, except for one thing. That is, tax policy. The neighboring state put a 1-cent tax on natural gas in 1948. That makes fuel more expensive for both domestic and industrial use. It also displays an attitude of indifference to the location in the state of new industries.

This is exactly what the Sewell bill, now before the legislature, would do. The 1-cent increase in tax on natural gas would be a 200 per cent jump. It could well cause many industrial concerns now interested in a Texas location to build elsewhere.

That 7-to-1 margin in Texas' favor in regard to defense plant authorization is significant. It cannot be explained on the basis of population, water supply, labor availability, or location in reference to raw materials and markets. It must be due in

large part to the difference in fuel taxes and to the attitude toward industry which that difference points out. It's easy to kill the goose that lays the golden eggs. Let's not do it.—The Houston Chronicle.

QUOTES!

It's a great life if you don't weaken.—Walter Winchell, Post, Washington, D. C.

Statistical tables show July to be the most dangerous month. By then the June bride has progressed to the new cook-book's pie section.—H. V. Wade, "Senator Soaper Says", Times, Cincinnati, Ohio.

Life sometimes seems to be composed of little but slow periods of five minutes each, quite often following one another almost indefinitely, like a string of elephants.—"Topics of the Times," The Times, New York, New York.

Notice Of Hearing To Appropriate Public Waters Of The State Of Texas

No. 1701
Notice is hereby given to whom concerned, that W. H. RODGERS AND GEORGE ETZ, the postoffice address of whom is Lubbock, Texas, on the 25th day of April, A.D., 1951, filed their application in the office of the Board of Water Engineers for the State of Texas, in which they apply for a permit to appropriate of the unappropriated waters of the State of Texas, from Double Mountain Fork, a tributary of the Brazos River, in Lubbock County, Texas, not to exceed 364 acre-feet of water per annum, by impounding in a reservoir created by the construction of a dam under Permit No. 1246 and issued to W. H. Rodgers on February 28, 1938, containing 640 acre-feet of water, for the irrigation of not to exceed 364 acres of land in any one year, out of larger tracts of land containing 372.27 acres, situated in Block I, Lubbock County, Texas, fully described in said application: water to be diverted by means of pumping plants. The proposed two pumping plants are located at points which bear North side—North 87 deg. West 825 feet from northwest corner of Section 6, Block I; South side 1200 feet south of northwest corner, Section 6, from the northwest corner of Section 6, Block I, on the north and south banks of the lake already created under Permit No.

1246, in Lubbock County, Texas, and is distant in a southeasterly direction from Lubbock, Texas, 11 miles. The dam constructed under Permit No. 1246 and issued to W. H. Rodgers on February 28, 1938, is located at a point which bears East 310 feet from the southwest corner of Block I, Survey No. 7, on the north bank of Double Mountain Fork, in Lubbock County, Texas, and is distant in a southeasterly direction from Lubbock, Texas, about 11 miles.

CHICK CHATS

Presented By Dr. Salsbury's Laboratories

SOME TIPS ON FEED AND WATER

Chicks can be fed anytime after they are 24 hours of age with safety, and since most baby birds are at least this old when they go into the brooder house, feeding may commence at once on their arrival.

Before the chicks arrive, the poultryman should see that he has an ample supply of a reliable chick starter on hand. This feed should be placed on egg flats or paper plates during the first day or two to encourage early feeding. Thereafter the birds should be able to feed at the hoppers.

Provide Green Feeds

If it is available, provide the chicks with fresh green feed such as alfalfa, clover, blue grass or kale, cutting it into short lengths of 1/2 inch or thereabouts. These feeds are rich in the nutrients which often are found lacking in some poultrymen's feeding programs. As the chicks grow older, they can be turned onto grassy range.

When chicks are about five weeks old, scratch grains can be fed, gradually changing at six to seven weeks to a good growing mash. Never make a sudden change in feeding methods.

Fine grit and oyster shell can be made available to chicks after the first several days. At six weeks larger sizes of grit and shell may be used.

Constant Supply Of Water

Perhaps the most important thing to be said about watering the chicks is this: make sure they have an adequate supply of clean, fresh water before them at all times. If the chill is taken off the water before it is placed in the founts during the first several days, consumption will be increased.

Water should be supplied in quart-size founts during the early period of brooding. At the start there should be four quarts of water for each 100 birds per day. This should be doubled when chicks are three weeks of age. Larger size waterers may be used at this time.

Frequently baby chicks die of thirst before learning to drink or where to find water. Thus, it is a good idea to tip the beak of each bird in the water as the chicks are placed in the brooder house.

HUSER HATCHERY

"THE STORE WITH THE CHECKERBOARD SIGN"

A hearing on the application of the said W. H. Rodgers and George Etz will be held by the Board of Water Engineers for the State of Texas, in the office of the Board at Austin, Texas, on Monday, June 11, A.D., 1951, beginning at ten o'clock, A.M., at which time and place all parties interested may appear and be heard. Such hearing will be continued from time to time, and from place to place, if necessary, until such determination has been made relative to said application as the said Board of Water Engineers may deem right, equitable and proper. Given under and by virtue of an

order of the Board of Water Engineers for the State of Texas, at the office of the said Board at Austin, Texas, this 25th day of April, A. D., 1951.

Mrs. Sims Presents Piano Students In Spring Recital

Mrs. John T. Sims presented her piano pupils in their spring recital at 8 p. m., May 8, in the Wilson High School Auditorium. Those participating in the program were Judy Bishop, Travis Brown, Bonnie Spears, Rodney Maeker, Randall Weaver, Audrey Fern Klaus, Linda Batsell, Patsy Smith, Yvonne Peterson, Mary Lou Lichey, Doloras Rhoads, Nita Hewlet, Norma Terry, Yvonne Schneider, Javan Schneider, Carolyn Edwards, Elizabeth Parker, Dortha Meyers, Dixie Hewlet, Ida Pearl Mason, Willie Pat Baxley, Joyce Church, Nancy Cook, Myrna Jean Kaatz, Imojean Edwards, Barbara Montgomery, Evelyn Gindorf, Eileen Maeker, Nelda Roper, Mary Frances Campbell, Shirley Bartley, Ruby Teinert, Mrs. H. G. Cook, Mrs. L. G. Fuller, and Mrs. G. L. Nelson.

Mrs. Johnson To Present Recital

Mrs. Raymond Johnson will present her music class in a piano and vocal recital Saturday, May 12, at the Presbyterian Church at 8 p. m.

Those taking part in the program will be Sue Ann Reed, Thelma Lee Kidd, Bentley Page, Jr., Ann Haddock, Stephanie Johnson, John DeMoss, Linda Brown, Nancy Robinson, Russell Cummings, Lavoy Reed, Laberta Lemmon, Mary Jane Lovelady, Jerry Hitt, Mike Haddock, Donita Brown, and Johanna Clevenger.

FIRE DEPARTMENT AUXILIARY MEETS

The Fire Department Auxiliary had a regular meeting Monday evening at the Fire Station. Plans were discussed for Frontier Day.

The meeting adjourned and refreshments were served to the firemen and auxiliary by Mrs. Jess Burton and Mrs. Forrest Davis.

Society Clubs

Slaton Women Give Their Favorite Tested Recipes

This Prune Cake recipe has been used by Mrs. Clifford Simmons for 36 years and she and Mr. Simmons still "just love it." That should be a good recommendation to anyone wanting to try it. Mrs. Simmons stressed the fact that the filling is "what really makes the cake" so for best results don't use a substitute. Following is Mrs. Simmons' recipe:

- 1 cup brown sugar
- 2/3 cup butter
- 1 lb. prunes (cooked, and finely chopped)
- 2 cups flour
- 3 eggs
- 3 tsp. sour milk
- 3 tsp. hot water
- 1 tsp. soda
- 1/2 tsp. baking powder
- 1 tsp. vanilla
- pinch of salt

Mix brown sugar and butter thoroughly and add the chopped prunes. Add eggs, one at a time, then add milk and hot water. Sift soda, baking powder, and salt with flour, and add to the mixture. Add vanilla and bake.

Filling:
1 cup prunes
1 cup sugar
1/2 cup sweet milk
2 eggs
pinch of salt
3 tbs. butter
1 tsp. vanilla
Mix ingredients together and cook for about 10 minutes or until thick. Cool and spread on cake. Mrs. Simmons says that she has

never had a failure with this recipe in the 36 years that she has used it. "It is very delicious," she declares.

The Simmons' moved to Slaton in 1917. He is an engineer with the Santa Fe.

Mrs. Simmons' hobby is caring for her home. She is past matron of the Eastern Star and has been treasurer in the Presbyterian Church for over 11 years.

Farewell Party Is Given In Honor Of Mrs. R. C. Stevens

Mrs. R. C. Stevens was honored with a farewell party Thursday night, May 3, in the home of Mrs. Norman Spears. The honoree was presented many nice gifts.

Guests were served fruit punch and cookies while playing bridge and canasta.

Mr. Stevens is in Pecos and Mrs. Stevens will join him there soon.

Hostesses for the party were Mrs. Spears, Mrs. Otis Gunter, and Mrs. Weldon Martin.

Mr. and Mrs. Van L. Stokes and Mr. and Mrs. Leo Stubbs of Dallas came to help Mr. Stokes' mother, Mrs. P. G. Stokes, celebrate her 76th birthday, and also, to visit Mrs. Stokes' parents, Mr. and Mrs. W. B. Hestand.

Baptist Bulletin
Sunday: Sunday school, 9:45 a. m.; Morning Worship, 11; B. T. U. 7 p. m.; Evening Worship 7:30.
Members of the First Baptist Church have been observing Christian Home Week this week. The week will end with special services Sunday morning honoring Mothers. Recognition will be given to the largest family present, to the youngest mother present and to the oldest mother present for the service. Members have been asked to bring "Somebody's Mother" to the service.
In keeping with our custom there will be Training Union services Sunday night beginning at 6:45 and ending at 7:45. There will be no preaching service since most of the church will want to attend the High School Baccalaureate service at the high school auditorium.
A very capable faculty has been selected for the Vacation Bible School which will start May 28 and close June 8. There will be plenty of room this year for every child in town and they are all invited to attend.

Church Of The Nazarene
Sunday School is at 10:00 a. m.; Morning worship, 11:00; Evangelistic Service, 8:00 p. m.; Youth Service at 7:30.
You are cordially invited to attend all services at the Church of the Nazarene. Come and worship with us at 635 W. Scurry.

Immanuel Lutheran Church (Posey)
Sunday School begins at 9:45 a. m., and Divine Worship is at 11 o'clock.
Evangelical Lutheran Church Southland
Divine Worship: 9 a. m.; Sunday School at 10:05.
The Womens' Missionary Society will meet in the August Becker home, May 16, at 2:30 p. m.

BIRTHDAY PARTY GIVEN IN HONOR OF MAXINE MOORE
Maxine Moore was honored on her birthday Friday afternoon in the home of Mrs. Ed Moore. Games were played and refreshments were served to the following: Linda Moore, Sandy Johnson, Sherron and Buddie Jones, Sandra, Marvin, and Edith Moore, Nelda and Laurel Brooks, Gene, Judy, Katy, and Gale Edwards, Susannah Robertson, and Louise Moore.

Local Students To Be Presented In Recital At Tech

An ensemble program, directed by Herbert Colvin, will be presented May 11 at Texas Tech College gym. The recital will be presented by pupils of the members of the South Plains Music Teachers Association. There will be 26 pianos in the gym.

Pupils of Mrs. J. A. Wright who will participate in the recital are Don Edwards, Jan Smith, Celia Forrest, James Harlan Wright, Cherie Arrants, Jerry Harlan, Carol Sue Hodge, Irene Tomlinson, Beverly Kercheval, Janelle McGuire, Lanny Swanner, Nancy Moseley, Gregory Tomlinson, Rose Marie Custer, Taylor Sims, Helen Ann Norris, Linda Sue Smith, Pam Maxey, Carol Ann Mann, Barbara McCoy, Ova Sue Williams Jeannette Burrell, Donna Pearson, Nancy Clifton, Janice Greer, and Annette Wilson.
The public is invited to attend.

A STUDY IN BLONDE — Actress Alice Faye, wife of singer-bandleader Phil Harris, gets a pre-mother's day peck on each cheek from her pretty blonde daughters, Alice, left and Phyllis. The nearness of mother's day helped put the girls in an affectionate mood, but the new bicycles they received may have had something to do with it too.

MRS. BOOKER HOSTESS TO QUILTING CLUB TUESDAY

The Quilting Club met Tuesday for an all day meeting in the home of Mrs. H. H. Booker. Members present were Mrs. Arno Albright, Mrs. Clyde CcGinley, Mrs. Booker, Mrs. Jess Burton, Mrs. J. F. Richey, and Mrs. J. E. Waldrop. Visitors were Mrs. J. W. Ward, Mrs. W. A. Cool, Mrs. Fred Stottlemire, and Mrs. C. E. Jarman.
The next meeting will be June 5 with Mrs. Jess Burton.

Mr. and Mrs. Robert L. Lowry of El Paso are the house guests of Mr. and Mrs. Bruce Pember on this week end. Mr. Lowry, who was Vice President of the American Society of Civil Engineers, will be the principal speaker at the banquet of the Texas Tech Student Chapter of Civil Engineers at the Lubbock Hotel Friday night. Mr. Pember and Mr. Lowry were classmates at Texas University.

Guests in the R. H. Todd home Friday night were Mr. and Mrs. Gordon K. Grooves and Mrs. J. G. Grooves of Portales, N. M. Mr. Grooves is editor of the Portales Daily News, and is a nephew of Mrs. Todd. Mrs. J. G. Grooves is Mrs. Todd's sister.

Mr. and Mrs. L. T. (Chick) Garland left Monday morning for Mineral Wells. They plan to be gone about three weeks.

DAM OLD—Members of the American Society for the Study of Man view a section of what might be the oldest dam in the world. Located only two miles from the ancient city of Marib, capital of the biblical country of Sheba, the Egyptian ruins are covered with Himyarite inscriptions which may prompt the expedition to excavate the area in a search for relics of a once glorious civilization.

A Trio Of Juniors By Vicky Vaughn & Toni Todd

\$7.95 each

Top:

POSEY POCKET . . . No summer is complete without a chambray . . . and here's the brightest one to bloom on the summer scene. It's a Vicky Vaughn Junior, gay as a garden with the ingenious little "T-shirt" top and huge outside pocket. Chartreuse, rose or brown. Sizes 9-15.

Center:

SUN FLOWER . . . You're beautifully set for summer enchantment in this delectable twosome by Vicky Vaughn Junior. The slip-of-a-sundress is bountifully bedecked with icy eyelet embroidery . . . with brief, buttoned jacket. Violet, chartreuse, rose or brown. Sizes 9-15.

Bottom:

ICED SUNFARE . . . Lovely to look at and wonderful to wear everywhere. Toni Todd's jacketed sundress supreme! Beautifully molded from fine, high count Sanforized cotton broadcloth. Mint green, creme de cocoa, bittersweet, goldenrod or navy. Sizes 12 to 20.

NELLY DON

"LIVE-IN-THE-SUN"

FASHIONS

Sunspot beauties or perfect in town all summer — these fresh young dresses by Nelly Don. Wonderfully simple lines you'll dress up or down — tuck a flower in the pocket, add a hat for town! Done with Nelly Don's dressmaker touch: fine fit, excellent detail at a very sensible price.

Shadow plaid (above). Tissue gingham with new scoop neckline, patent-leather belt. Brown, green, navy. 10 to 16. **12.95**

The stole dress (right). In crisp waffle pique. Fashion's pet accessory — the stole — with well-cut sundress. Snowball-fringe trim. White, yellow, pink, blue, violet and city darks. 10 to 16. **12.95**

West Texas Roundup

"Work on the new gymnasium will be completed by October," stated Coach Gus Miller Saturday. That is, the contractor has promised that the building will be completed by that time and turned over to the Buffalo basketball team for use, states Miller.

Work on the building has been delayed for about 10 months, because of material and labor shortage.

Throughout the winter when there should have been 20 to 25 bricklayers at work on construction, the number has varied from none to half a dozen. Frequently the brick crew has averaged only three or four. —The Canyon News

The Littlefield School Board has awarded a contract to Elmo Jones of this city for the construction of a new cafeteria for the schools, it has been announced by officials.

The new building will be of concrete tile construction with a concrete floor, will be painted inside and out, and will be located just north of the Gym in the angle of the "L" of the new building. Cost of construction and equipment has been estimated at from \$12,000 to \$14,000 and it is anticipated that it will be ready for use when school opens in September. —The County Wide News.

Berkie Slaughter showed a 1043 pound Hereford calf at the Terry County Club Boys Stock Show on Saturday to win the grand championship calf division. He is the son of Mr. and Mrs. A. A. Slaughter of route 1, Seagraves, in Terry county, and is a 4-H club member.

Showing the grand champion hog was James Willis of Wellman and Max Miller of Meadow showed the reserve champion hog. —The Terry County Herald

Hundreds of Texas fishermen are expected to swarm Lake Colorado City Tuesday to get first crack at the virgin fishing waters.

One hour before sunrise, sportsmen will be able to start casting or setting out trotlines.

Anxiety got the best of four men last week and they tried their fishing luck at the lake. They were fined \$36 each, Justice of the Peace Lark Costin revealed.

Membership in the Mitchell County Sportsman's Club indicates that fishing enthusiasts will travel several hundred miles to take advantage of the mecca of West Texas. —The Colorado City Record.

Charges of cattle theft were filed in County Court Saturday against three Terry county men and bond set at \$2,000 each.

Billy Ray Olive, 18, and Buford Burnett, 20, each made bond while Sterile Holleman, 20, is still in the County Jail.

Holleman was arrested in Midland Friday on a pickup notice put out about two months ago when he was charged with stealing a billfold containing \$247, County Peace officers apprehended Burnett and Oliver Saturday. All three made complete statements according to County Attorney Vernon Townes.

According to Townes the three confessed to stealing a pistol and radio from a Brownfield home and selling the pistol for \$10, early in February. Late in February they stole three head of cattle from the J. F. Dupuy farm in Southeast Terry County. They let the stolen cows loose without attempting to sell them before returning to Brownfield. —The Brownfield News.

Jake L. Hamon of Dallas will drill a 10,000-foot Pennsylvania wildcat in Central-North Hockley County, one-quarter mile north-west of Whitharral and four miles east of the Yellowstone San Andres pool.

The prospector will be drilled as the No. 1 S. M. Horton, 660 feet from south and east lines of labor 9, league 716, State capitol land survey.

Operations are to start at once. Honolulu Oil Corporation No. 13-B Dean, a one location east offset to the Blackwood & Nichols No. 1 Dean recently completed discovery in southeast Cochran County, is coring below 4,995 feet. The core was started at 4,970 feet. —The Sun News.

The longest and best parade in the history of the Post Stampede is being planned for this year's show, May 23-26, O. D. Cardwell, parade chairman, announces.

It is expected to be so long that it will form at the west end of Main street. "It will be at least a mile to a mile and a half long," Cardwell believes.

The first day's parade will feature some 250 out-of-town horses, ridden by the 12 riding groups invited. A complete section will be set aside for Shetland ponies. Another section will be made up of special groups or farm groups. Animals and machinery will com-

prise the special group.

Four or five bands from surrounding towns will be invited. Local merchants will enter floats and individuals are asked to decorate cars. "A car can be decorated for \$10 or \$15," Cardwell points out, "and the decorations saved from year to year." — The Post Dispatch.

Voters in the Seagraves school district approved the issuance of \$125,000 in bonds for new classrooms by a vote of 117 to 27 in an election last Saturday.

The measure was proposed in order to relieve overcrowded conditions in the elementary school and was backed unanimously by members of the school board.

The board met Monday night and canvassed the vote. Butler and Brashears, Lubbock architects, were employed to draw up plans for the new classroom building. It will probably be several weeks before construction on the new building is started, according to a member of the board. A wait of 30 days is necessary before the attorney general will approve the bond issue. — The Gaines County News.

Best In Auto Care Is Offered By Crow-Harral

Your vehicle, whether automobile, truck or pick-up, deserves the best of care, and with the national emergency now on you will be wise to see that your car is kept in good condition. Crow-Harral Chevrolet Co. is ready and anxious to serve you. The company carries a complete line of automobile and truck parts, and also, sells and services irrigation motors.

The Chevrolet motors for irrigation sold by Crow-Harral is only the first step in such service. Should your motor develop trouble, an auxiliary motor can be installed for temporary use while the regular motor is being repaired.

If you are interested in buying a new model Chevrolet, Mr. Crow and Mr. Harral will be happy to have you come in and discuss it with them. They also have a number of good, used cars ready to sell.

In business in Slaton since 1937, the Crow-Harral partnership is well known here and in the surrounding territory for their friendly, courteous service. Factory trained mechanics, specializing in General Motor and Chevrolet engines, can give you the best possible repair work on all types of automobiles.

For all your automobile needs, see Crow-Harral Chevrolet Co. first.

THE STATE OF TEXAS
 TO: Sue Jean Hubbard Defendant,
 Greeting:
 You are hereby commanded to appear before the Honorable 99th District Court of Lubbock County at the Court House thereof, in Lubbock, Texas, at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 4th day of June A. D. 1951, then and there to answer Plaintiff's Petition filed in said Court, on the 19th day of April A.D. 1951, in this cause, numbered 19102 on the docket of said court and styled Weldon B. Hubbard Plaintiff, vs. Sue Jean Hubbard Defendant.

A brief statement of the nature of this suit is as follows, to-wit:
 This is a suit for divorce, as is more fully shown by Plaintiff's Petition on file in this suit.

If this Citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Lubbock, Texas this 19th day of April A.D. 1951.

Attest:
 ROYAL FURGESON, Clerk,
 99th Court, Lubbock County, Texas
 By Sarah Phillips, Deputy.

INSPIRATION FOR HANDICAPPED—Aileen Lattin, of Empire, Ore., who was paralyzed from the neck down after a polio attack in 1937, has made a new life for herself, using her teeth to do ceramics and oil painting. She said she was inspired by the life of Helen Keller, and hopes to give hope to other handicapped people.

Southland News

MRS. FLOY KING

Odin (Pop) Echols of Lubbock began a singing school Monday night (May 7) at the Southland Baptist Church. It is scheduled to run two weeks and maybe three. Don't forget the Senior play, "Peek-a-boo Penny" Friday night. Everyone is invited to see the play. Mrs. J. R. King's parents, Mr. and Mrs. E. Masotti and her brother, Marek Masotti, of Paris, France, arrived at New York by ship and flew from there to Lubbock, arriving Saturday about 11 a.m. Mr. and Mrs. King met them in Lubbock with Mr. and Mrs. Hub Haire. This is the first time the Masottis' have seen Mrs. King since she and her husband left France after World War II. They plan to make their home in the U.S. now.

Mr. and Mrs. L. B. Hambright went to Midland Saturday to take their granddaughter, Janet, home. She had visited them here for several days.

There are several cases of chicken pox in Southland. Johnny Haire, Marek King, and Kenneth Calaway all have them now. Mrs. Kenneth Davies has the mumps.

Rev. Vick Allen, now of Acuff, and a former pastor of the Southland Baptist Church, was one of the five South Plains men who left Lubbock Monday, May 7, on the first step of their seven week study of the near Eastern Bible lands. Taking the trip will be Dr. J. Ralph Grant, Dr. F. B. Malone, and G. H. Nelson of Lubbock, and Rev. Joe Motesbocker of Idalou. Among the countries included in the tour are Egypt, Lebanon, Iraq, and the Holy Land.

Mr. J. H. Poindexter was able to be brought home again last week, but is still not able to work.

Pvt. Weldon Becker of Fort Sill, Okla., spent the week-end here with his parents, Mr. and Mrs. Ben Becker.

Mr. and Mrs. Jack Myers made a business trip to Lubbock Saturday morning.

Mr. and Mrs. August Becker spent the week-end in Seagraves with their daughter and son-in-law, Mr. and Mrs. R. E. Horn.

B. R. Arthur spent the week-end with his wife at Merkel, who has been visiting her relatives there for several days.

Several of the OES ladies accompanied their worthy matron, Mrs. Cordie Johnston to OES School in Lubbock Monday. Mrs. Johnston was to be Station Treasurer in the school.

Mrs. L. B. Hambright met her sister, Mrs. James Wheelless of Maryland at their parents, Rev. and Mrs. E. E. Mason's home in Abilene, Thursday. Mrs. Wheelless' husband, Capt. James Wheelless is

with the Air Corps in Maryland. Supt. F. W. Calaway, who was on the sick list last week, is all right now.

Visiting the Jack Myers Sunday afternoon was Mr. and Mrs. Sam Ellis, Mr. and Mrs. J. Martin Basinger, Mr. and Mrs. Tom Sims of Southland, and Mr. and Mrs. Billy Leake of Lubbock.

Mr. and Mrs. Clay Johnston, Doll Haire and Lucile Myers attended an Eastern Star Banquet at Littlefield Friday night.

Mr. and Mrs. Howton Haire spent the day Sunday with Mr. and Mrs. Hub Haire and Johnie.

Mr. and Mrs. John Leake and Ned Myers all went to Lubbock Sunday evening.

Mrs. Wade Thompson and Mrs. Inez Ferrell of Plainview, former Slatonites, visited with Mrs. R. E. McReynolds on Monday.

Mrs. L. B. Wootton and Miss Cora Sealy visited their sister and family in Meadow last Sunday.

Baking With Honey

High temperatures change the flavor of honey by caramelizing its sugars, so use low temperatures when baking dishes containing this sweetening.

Lead Pencils

Because it is traditional for lead pencil wood to be red and smell like cedar, other woods which perform equally as well such as alder or the sapwood of cedar are often stained red and scented with cedar oil.

DASH FOR LIFE—An American infantryman races for cover in Korea as Communist bullets fly by. His fellow-members of a unit of the 3rd Infantry are pinned down in foreground by the fire of enemy small arms.

Need Lamb and Wool

This country can use more lamb chops and wool. Sheep numbers are lowest since the Civil War.

Have Fewer Horses

In 1947 Americans owned eight million horses, the smallest number in 75 years.

Blood Cells

Blood cells are so small that 60,000 could be placed on the head of a pin.

Come In and See This Marvelous Refrigerator - Food Display Now!

There are others that are New, but none so truly Modern!

Before buying a refrigerator, make sure it passes these 4 tests

1 The housekeeping test: Will your new refrigerator burden you with the nuisance of weekly defrosting? Not if it's an Admiral Dual-Temp. Admiral's exclusive moistrol automatically evaporates excess moisture. Foods don't dry out. Flavors don't mingle.

2 The frozen food test: Are you able to quick-freeze fruit, meat, leftovers at 20° below zero? Yes, if it's an Admiral Dual-Temp. Its separate freezing locker quick-freezes and stores up to 84 pounds of food.

3 The fresh food test: Will fresh foods dry out and lose flavor? Not if you choose the Admiral Dual-Temp where fruits, meats and vegetables thrive in the cool, dewy atmosphere. The Sterilamp helps kill "ice box" odors and retard mold growth.

4 The storage space test: Want lots of storage space without crowding kitchen? Then you want our new 1950 Dual-Temp. Your choice of 13½ or 10½ cubic feet of storage space, in streamlined, compact cabinets.

Admiral
DUAL-TEMP

Admiral Refrigerators priced as low as \$189.95

Admiral Dual-Temp passes with a PERFECT SCORE!

No defrosting—no dish covers needed—no mingling of flavors. Much more room than last year's models, at no increase in price! The new Dual-Temp has features others haven't. It does things others can't. Come in—and see for yourself.

SLATON FURNITURE CO.
On West Side Of Square

THE STATE OF TEXAS COUNTY OF LUBBOCK SHERIFF'S SALE

WHEREAS, on the 3rd day of January, 1951, in Cause No. 4992, in the District Court of Lubbock County, Texas, wherein The Slaton Independent School District, The City of Slaton, The State of Texas, and the County of Lubbock, Texas; were Plaintiffs, Impleaded Party Defendants, recovered judgment against J. W. Hood, Mrs. Mamie Greer, Carl Greer, L. H. Roberts, and all unknown persons owning or claiming any interest in the property herein described, and the heirs and legal representatives of the Defendants; for taxes, penalty, interest, and cost against the hereinafter described property;

WHEREAS, on the 2nd day of May, 1951, by virtue of said judgment and the mandates thereof the Clerk of the above mentioned District Court of said county did cause to be issued an Order of Sale commanding me as Sheriff of said county to seize, levy upon, and sell in the manner and form as required by law the hereinafter described property;

WHEREAS, by virtue of said judgment and said Order of Sale and the mandates thereof I did on the 8th day of May, 1951, seize and levy upon as the property of the above defendants the following described property, situated in Lubbock County, Texas, to-wit:

(Said description showing the number of acres, original survey, locality in county, and name by which said property is most generally known.)

Lots Seven (7), Eight (8), and Nine (9), Block Sixty-one (61), South Slaton Addition to the Town of Slaton, Lubbock County, Texas.

And I will on the first Tuesday in the month of June, 1951, the same being the 5th day of said month, proceed to sell all the right, title, and interest of the Defendants in and to said property at the Court House door of said county in the city or town of Lubbock, between the hours of 10:00 a.m. and 4:00 p.m. to the highest bidder for cash, provided, however, that none of said property shall be sold to the owner of said property directly or indirectly or to anyone having an interest therein or to any party other than a taxing unit which is a party to this suit for less than the amount of the adjudged value of said property or the aggregate amount of judgments against said property in said suit, whichever is lower, subject also to the right of the Defendants to redeem same in the time and manner provided by law and subject also to the right of the Defendants to have said property divided and sold in less divisions than the whole.

DATED at Lubbock, Texas, this 8th day of May, 1951.

Grady Harrist, Sheriff, Lubbock County, Texas
By Verlie Shearer, Deputy.

Everything's O.K.! It's a BOY!

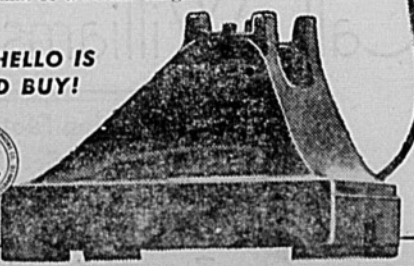

What price good news? So often it's the price of a telephone call . . . and that means just a few pennies to spread the glad tidings.

Worth more? Of course. Many telephone calls are practically priceless in their value to you.

And yet the average cost, including tax, of each local telephone call—the big, important calls and the usual everyday variety—is about 2½¢.

Can you think of a better bargain?

EVERY HELLO IS A GOOD BUY!

A GROWING BARGAIN

Telephone service has gone up far less than most things you buy—far less than the average family income.

JUST TALK

by
A.M.J.

Last week I saw Mrs. P. A. Minor drive up across the street to the Slaton Upholstering Co. with a coffee table that reminds me very much of the one we have. When she took it out to show Mr. Jackson, who operates the upholstery shop, it fell into ten or fifteen pieces.

We have one that has done the same thing about once each year and I get most of the blame for it, although I never sit down near the thing if possible and always push it away from the divan when I do feel the need of a snooze.

It is as awkward to have in a room as a bale of cotton, someone is always stumbling over it, the glass top has been broken three or four times in the last few years, the dog chewed one corner off the thing and if it has ever been used for the purpose of serving coffee or tea it was when I was not at home.

In my opinion there is not a piece of furniture in our house that reaches out and taps me on the shine, gets in my way or irritates me more than the coffee table, and to think I paid good money for it too. I'd like to have Mr. Minor's opinion and the opinions of other men, here and there, on the value of coffee tables.

And while I am thinking of inconveniences I'd like someone to tell me what to do with hoes, rakes, lawn mowers, water hose, sprinkling contrivances, nails, screws, remains of buckets of paint, sacks of fertilizer, broken hammers, old hinges, empty gallon bottles, a galvanized tub, a pair of old fishing boots, a wicker rocking chair and a dog house.

Up until now we have solved the problem by keeping it all scrambled together in a little building that was at one time a servants house. We do not have a servant so it has served in a very unsatisfactory way, until now, as a place to dump all of this stuff, but last week when I forced myself into the shed I stepped on the pronged end of a rake. For a few seconds I thought an atom bomb had exploded, but after I discovered that the rake had made an attack on me I worked for an hour or two trying to arrange the place so that I would not get into a battle with some garden tool every time I tried to enter the place. It was no use for I never did find out how to stand two hoes, a rake and a long handled shovel so they are not likely to fall on your head, make a flying tackle at you or trip you up.

Some person with a well ordered mind must have found a solution to such a problem and I'd like to know how he did it.

Some good reader of the Slatonite sent me a clipping from an old Amarillo paper of some stuff of Henry Ainsley's. Henry built up quite a reputation as a local humorist on his book, "Why I Like The Depression," at a time when folks were even more frightened about the future than most of us are today. Read it over, it

might cheer you up. Henry met a tragic death in an automobile accident. Incidentally I knew Henry fairly well.

"I like the DEPRESSION. I have discovered that I have a father and uncles, cousins, nephews and nieces, and even second cousins.

Three years ago, I forgot all about my family. Mother and Dad live right here in town, but I rarely ever saw them. I saw Dad on the street every so often and always managed to ask how the folks were getting along but that was about all. We didn't have much in common. He was too slow for my gang.

Once in a while I would see my brothers at a football game or a big dance or chamber of commerce banquet, but not often. My baby brother graduated from high school in 1930 but I didn't know it till that fall when I noticed he wasn't playing on the football team.

I didn't care much about seeing the tribe. They might want something I had and I was too busy to be bothered. I had an idea that they weren't getting along quite as well as I was and I figured they couldn't be of much help to me. Take it from me, I couldn't be bothered with folks who couldn't help me one way or another. Blood didn't mean anything to this home-bred.

I forgot all about the aunts and uncles. The wife's folks were an unknown quantity as far as we were concerned. We were conquering the world by ourselves and couldn't be bothered with a lot of hangers-on. I wasn't going to take any chances and have my family hold me back.

But now the Ansleys are recognizing one another. I see Dad every day. I wouldn't think of doing anything without asking his advice. He hasn't accumulated much of this world's goods, but he certainly has a big stock of Character and I am beginning to respect it and realize its worth.

And I have learned that my wife still can't cook as good as my mother. Being the first-born,

I always had the inside track at home. My favorite piece of chicken was always laid aside and the rest of the bunch told to keep their hands off. And, hallelujah, I haven't lost my stand-in, even if I have been acting like I was too good to eat my own mother's cooking.

And the uncles and aunts—most of them live on farm, and it sure is fun to drive out and see them. It gives us a nice outing. Of course, if they want to fill up the car with fresh vegetables and chickens and meat and preserves we can't refuse. They're our kin-folks and it wouldn't do to make them mad. Besides they've got plenty of that kind of stuff and the price is so low they can't sell it.

We've discovered that it is best to pick the proper time to visit them. Take Uncle Wince. He raised lots of hogs and his farm always looks best in the fall, after the first hard freeze, about hog-killing time. And Uncle Tom's place is certainly beautiful about June fifteenth when the frying chickens begin to get ripe. He is mighty proud of his chickens, and I don't know as I ever saw better tasting ones.

And the wife has some folks way down in Texas where they grow lots of fruit, and she generally manages to get down there in September or October. Those aunts of hers take most of the prizes at the State Fair for preserves and jellies and jams. Of course she's always got room in the car for a jar or two and they make her bring it to me.

The Missus also has some folks who own oil property. They are sure fine folks. I like them better than any of her folks. Of course, oil ain't worth much now, but you never can tell. We're learning to think a lot of Margaret and Charley. They're only my wife's second cousins, but it seems to me we're a lot closer than that.

Yessirree, the Ansleys are back together. Last fall, we had a surprise birthday party for Dad. The first party he ever had. We were all in the house, twenty-three of

Tahoka Jaycee Rodeo Underway

Plans are nearly complete for the second annual Tahoka Jaycee Rodeo which will be held in Tahoka Friday and Saturday, May 11 and 12.

There will be three performances of the show, Friday night, Saturday afternoon and night. A giant parade will be held downtown Friday afternoon.

"Goat" Mayo of Petrolio will furnish the stock, known all over the rodeo world, and there will be calf roping, bareback and saddle bronc riding. There will be clown and other specialty acts, and also a sponsors contest.

Thursday night preceding the rodeo, a big free street dance will be held on the east side of the square, and on Friday and Saturday nights, after the rodeo performance there will be a dance at the skating rink featuring T. D. "Fiddling Slim" Short's western band.

The Jaycees are sponsoring the event this year, with the Tahoka Roping Club handling the arena preparations, erection of bleachers, etc.

Sutter's Mill Race

A gold nugget found in the saw-mill race owned by John Augustus Sutter in California started in 1848 the maddest gold rush of all time.

us, when he came home from church. When he saw that mob, he just choked up, dashed upstairs and didn't come down for 15 minutes. I wouldn't have missed it for anything. It was great. And if there had been no DEPRESSION, I would have been too busy to be there.

The DEPRESSION has sure done a lot for us. We're getting organized. We've got our kinfolks lined up now to where I believe we know where to get something to eat every season in the year."

ALWAYS BE CAREFUL DRIVING

The difference goes more than Skin-Deep

Nobody wonders what you're driving when you roll by in this one.

In the 1951 line-up, its brand-new front-end styling stands out with a beauty all its own.

You're the proud owner of a Buick—and the whole world knows it.

But you—at the wheel—enjoy a long list of differences that go far deeper than looks.

The ride is different—level and true. You sit the road with special assurance—because Buick's torque-tube drive keeps rear wheels firmly aligned—soft coil springs on all four wheels soak up the bumps and bobbles—honest weight keeps you on a steady keel.

The power is different—eager and sure. Buick's high-compression Fireball engine does wonders with fuel—and no matter what you demand in emergency, there's horsepower to spare.

Handling is different—this car seems to steer itself on straightaway or curve—and swings lightly into parking spots inches shorter than you'd think you need.

Capping it all, there's the silken versatility of Dynaflo Drive,* that takes

all the tenseness out of driving—responds to your slightest wish with a surging swoop of power.

No doubt about it, what you get in a Buick is far more than just a new car—it's a whole new experience in getting pleasantly from here to there.

So why not explore this difference? Come, take a Buick over and find out how very much satisfaction smart money can buy.

Equipment, accessories, trim and models are subject to change without notice.

No other car provides all this:

- DYNAFLOW DRIVE* • FIREBALL POWER
- 4-WHEEL COIL SPRINGING • DUAL VENTILATION
- PUSH-BAR FOREFRONT • TORQUE-TUBE DRIVE
- WHITE-GLOW INSTRUMENTS • DREAMLINE STYLING
- BODY BY FISHER

*Standard on ROADMASTER, optional at extra cost on other Series.

Brownfield Lady Author Of Novel

Juanita M. Whisenant, in private life Mrs. Homer Winston of Brownfield, Texas, wife of the County Judge of Terry County, has drawn upon the memories of her childhood on a Texas cotton farm to write a novel called "Time Flew By," just published by the Exposition Press of New York. (\$3.00).

"Time Flew By" is a vivid portrait of life in the years before the First World War, as seen through the eyes of the youngest of three sisters. Writing with warmth and simplicity, the author revives the colorful details of a way of life that has disappeared, but is still fresh in the memory of those who were reared on farms in "the good old days."

Recapturing the fresh sensations of girlhood, Miss Whisenant records the excitement around the rare visit of the itinerant peddler, with her fascinating stock of piece goods, perfumers soaps, and other marvelous things. She recalls the corn shuck mattress and the nightly battle for a fair share of it, big sister's first date, and love, marriage, birth and death as time flew by.

The whole adds up to a new and thoroughly entertaining addition to Texas literature.

Prepare Metal Surface

Before painting a metal surface that has any grease or oil on it, clean it thoroughly with benzine or mineral spirits. All new galvanized metal surfaces should be treated. A solution can be used which is made by adding eight ounces of either copper acetate or copper sulphate to a gallon of warm water in an earthenware or glass container. A liquid manufactured for the purpose may also be employed. The solution should be applied with a brush and allowed to dry on the surface before proceeding with the priming coat.

Indian Muskrat

The musk rat of India has a powerful scent so penetrating in nature as to render unfit for consumption bottles of wine, the corks which have come in contact with it.

Mrs. Clifford Simmons left on Wednesday to visit her mother in St. Petersburg, Fla.

Union News

MRS. M. D. GAMBLE

Brother and Mrs. Hankins went to Ft. Worth Sunday to be with his mother who is very ill.

Word has been received that Mr. and Mrs. Donald Johnson are the parents of a son. The grandparents are Mr. and Mrs. Jesse M. Johnson.

Mr. and Mrs. Leslie Greene started their new house last week. Mr. and Mrs. Jack Cade of Lubbock visited Mr. and Mrs. Felix Buck Sunday afternoon.

Glen and Keeth White spent the week-end with their grandparents, Mr. and Mrs. Alvin White at Slaton.

Congratulations to Mr. and Mrs. Felix Buck on the birth of a son last week at Mercy Hospital in Slaton.

Guests of Mr. and Mrs. Harold Morrison one night last week were Brother and Mrs. J. M. Morrison of Spur.

Glenda and Louise Evans returned Sunday from Ft. Worth where they had been attending the FIA State meeting.

Mr. and Mrs. Melvin Cade and Mr. and Mrs. Bill Johnson of Slaton spent the week-end at the Brownwood Lake fishing.

The Mothers Club met on last Thursday at the school house with eleven mothers present. Mrs. Ross Adamson of Wolforth reviewed the book, "Never Dies The Dream." The club voted to buy \$25 worth of records for the school.

Mrs. W. D. Meyers and Mr. and Mrs. Howard White were called to Henderson last week to the bedside of their daughter and sister, Mrs. Hugh Sallis.

The Junior class play will be presented Friday night at 8 o'clock at the school house. The title of the play is "Meet My Wife." The public is invited to attend.

Guests of Mrs. Annie Peterson Sunday were Mr. and Mrs. Buford Peterson and children of Morton, and Mr. and Mrs. Gene Peterson and children of Ralls.

Mr. and Mrs. Jack Cade of Lubbock visited Sunday night in the home of Mr. and Mrs. H. M. Cade.

Mrs. Florence Buck of Slaton is spending the week with her son and daughter-in-law, Mr. and Mrs. Felix Buck and new grandson.

Mr. and Mrs. E. R. Legg have returned from a week's trip to Dallas on business. They also visited relatives in Athens.

WAR AND PEACE—Unmindful of the ruins of the Reichstag Building in the background, these Berlin children take advantage of balmy weather to cavort on a newly-planted lawn in the famous Tiergarten. The park was totally destroyed during the Battle of Berlin and only now is the job of rebuilding and replanting nearing completion.

PLEASANT SHORTAGE—Male motorists in San Francisco aren't likely to complain about one result of the manpower shortage. The Standard Oil Company in that state has found it necessary to hire female gas station attendants. Pretty blonde Aris Drydep, above, one of the new attendants, reports that the most difficult part of her job, appropriately enough for a female, is parking autos.

Mr. and Mrs. G. A. Brown of Wellington, Kan., were week-end guests of their daughter and her husband, Mr. and Mrs. Thurman Reynolds. The Browns formerly lived in Slaton.

Mr. and Mrs. Weldon Manor Bay Springs, Miss. were guests of Mr. and Mrs. E. M. Lott the past week. The Lotts' and their guest drove to Carlsbad, N. M. and made a trip through the Caverns. This was the first time Mr. and Mrs. Manor had been in West Texas and they were favorably impressed with the country and the town of Slaton.

Mr. and Mrs. John Fondy, Sr., of Amarillo spent the week-end in the home of their son, Mr. and Mrs. John Fondy, Jr.

You Mean I Can Send My Laundry Out For Less Than I Can Do It Myself?

Yes ma'm, and in the coming hot months why bother to sweat and slave over your washing when it costs so little to have us launder them for you. Just reach for your phone and call 112. We'll pick-up your bundle and return it to you clean and sparkling. Expert dry-cleaning service, too.

THIS and THAT FROM HERE and THERE

Getting out on a limb—All the push people who know Tallulah Bankhead and handle part of Bing Crosby's money, are always drinking or eating yogurt. It never has been quite clear to me just what that is, but I know that it tastes bad. Naturally, it is highly nutritious, though I doubt it is on a par with onions.

I think it is made from goat milk or yeast or maybe both, but it sounds horrible and probably contains the average yearly quota of thiamin, niacin and iron in one glass. So far, I have made out on breakfast food. —The Post Dispatch.

It sez here . . .—We see where Gen. MacArthur says he still hasn't been informed of the reasons for his dismissal. We have read the complete exchange of letters from President Truman, the Joint Chief of Staff to the general covering the period from December, 1950, to the time of his dismissal. We can say without hesitation that if the general isn't aware of the causes of his removal, he is not the bright boy we pegged him to be. He's like the printer we had once who had a bad habit of showing up for work two days late, in spite of repeated cautions to stop it. When he finally got the inevitable pink slip he went all over town complaining that he got fired for no apparent reason! The general has had his day of drama, has accomplished much good through his speech to Congress and the people. Any added attempt at headlines is anti-climatic, and not in keeping with his flair for the dramatic. —The Ralls Banner.

Party Line—As Mrs. J. D. Hag-

ler and Mrs. Mancil Hall were leaving for the flower show last Thursday, Mrs. Hall picked a single tulip to enter in the competition.

"Aren't you going to take that other tulip," Mrs. Hagler asked. "No, it's too shaggy to win a prize," replied Mrs. Hall.

Mrs. Hagler picked the shaggy tulip and entered it in the flower show. Judges awarded it a blue ribbon. Mrs. Hall's tulip rated only a red ribbon.

A little girl stepped up to the desk, where visitors at the grand opening Friday of Cosden Super Service were registering their names and addresses.

"And where do you get your mail," Mrs. Susan Wilemon asked the little girl. "Why, out of the mailbox, of course," the tot replied in an anybody-would-know-that tone. —The County Wide News.

Views and Comments—We repeat a thing here that we believe to be a fact: There is merchandise by the literal billions of dollars worth in warehouses over America. People put their money into contracts for these goods because they felt that merchandise would be less likely to get cheaper than their dollars. Just a wee bit of a scare would bring a whopping big offering of scores of items that would be scared out of these hiding places. We are wrong so many times about so many things we can hardly believe what we think we know is the fact. The scare could easily come along. —The Floyd County Hesperian.

FYI—We are convinced that this area is going to grow—and

Reese Air Force Base Will Hold Open House On Armed Forces Day

"Defenders of Freedom," the armed forces of the United States, will go on display for the residents of the South Plains on May 19th when Reese Air Force Base holds "open house" in conjunction with Armed Forces Day. A team of jet aircraft, a sixty-plane fly-over, and the liaison-directed firing of an artillery field piece are scheduled as part of the exciting, informative show.

A full day of activities, designed to demonstrate to the public the pursuits of the military services, has been planned by RAFF officials headed by Lt. Col. Kenneth A. Gaskin, Armed Forces Day project officer. Visitors will be admitted to the base, located 12 miles west of Lubbock on the Levelland highway, at 11:00 Saturday morning. The open house program will begin at one o'clock and

grow marvelously during the next ten years. Progress will come, whether or not there are oil discoveries in the immediate radius of Seagraves. The growth will result from more intensified farming, with and without irrigation.

Twenty years ago, when we moved to Lubbock, people were saying the land up there should never have been plowed. "Turn it back to range land, that's all it's good for," they declared. Now Lubbock County, practically every year, produces more cotton than any other county in the state. It would cost a fortune to buy enough sections of Lubbock County land to start a ranch. —The Gaines County News.

Soliloquy—We challenge any city, town, or trade center to show more development than Olton in the last year. Name them and we shall be glad to compare them. We now have Mercury Vapor lights, with more to come. City gas, City sewerage, New businesses, Modern grain elevator, Many new modern homes, New primary School building, New negro school in the making, Better law enforcement in cooperation with the state and county, Safety lights, Safety signs with more to come, a city council and mayor that is second to none, and five and two tenths miles of new pavement.

We would not leave out the health measures taken to improve the city's condition by improving the garbage disposal. More plans are in the making, why not pay us a visit? We always leave the latch string on the outside. Give us a trial, come to see us. —The Olton Enterprise.

Annagrams—Our garage is stacked with piles of papers and with bottles to be crammed with junk from the house and sacks of mulch and lime. As well as chairs and things we hope to fix when we've the time. And right in the middle, and not a bit too wide, There's room, if we look straight ahead, to drive our car inside. —The Morton Tribune.

Notice Of Hearing To Appropriate Public Waters Of The State Of Texas

No. 1698
Notice is hereby given, to whom concerned, that
GEORGE ETZ,
the postoffice address of whom is Lubbock, Texas, on the 16th day of April, A. D., 1951, filed his application in the office of the Board of Water Engineers for the State of Texas, in which he applies for a permit to appropriate of the

continue until five.
Nellis Air Force Base, Nev. has contributed a "team" of jet fighter aircraft for the occasion, the "firecan" pilots will put their planes through a series of acrobatic and fighter tactic maneuvers.

A concert by the 514th Air Force Band and a guest speaker, as yet unnamed, will also highlight the afternoon program. Field Artillery troops from Fort Sill, Okla., are slated to demonstrate the firing of an artillery weapon, radio-directed by a light Liaison plane.

Included in the many displays on exhibit will be technical and field equipment furnished by the ROTC, U.S. Naval Reserve, Army Organized Reserve Corps, and the U.S. Marine Corps in this area. All Reese-based aircraft—the twin-engine B-25 medium training bomber, the single-engine T-28 and T-6 trainers, and C-47 transports—will be close enough to afford the public a good look. The jet fighter, the F-80 "Shooting Star," and other jet aircraft, will also be open to public inspection.

Hangars along the Reese flight line will be converted for the day into display buildings and concession stands. Engineering displays, engine and parts mock-ups, and aircraft equipment will be housed in the hangars. Refreshment, cold drinks and sandwiches, will be available there during the day.

Sixty aircraft from Reese, single and twin-engine trainers, will fly in mass formation over the area. The flight has been tentatively scheduled to include other towns in the Amarillo-Plainview-Lubbock vicinity.

A free movie at the base theatre has been planned for the youngsters, and a color booklet, "Adventures in Jet Power," will be given away.

Colonel Gaskin is being assisted in the Armed Forces Day project by Lt. William A. Baldwin. L. E. Davis is serving as civilian chairman for the project in the Lubbock area.

Many from the air is the cheapest source of nitrogen available today for crop production.

unappropriated waters of the State of Texas, from the Double Mountain Fork, a tributary of the Brazos River, in Lubbock County, Texas, not to exceed 300 acre-feet of water per annum, by impounding 390 acre-feet of water, for the purpose of recreation and the irrigation of not to exceed 300 acres of land in any one year out of a larger tract containing 399.2 acres, situated in Section 7, Block 1 and Section 8, Block 1, fully described in said application. The southwestern end of the proposed dam is to be located at a point which bears North 100 feet from the southeast corner of Section 7, Block 1, on the east bank of the Double Mountain Fork, in Lubbock County, Texas, and is distant in a northerly direction from Slaton, Texas, 6 miles.

A hearing on the application of the said George Etz will be held by the Board of Water Engineers for the State of Texas, in the office of the Board at Austin, Texas, on Monday, June 11, A. D., 1951,

beginning at ten o'clock A. M., at which time and place all parties interested may appear and be heard. Such hearing will be continued from time to time, and from place to place, if necessary, until such determination has been made relative to said application as the said Board of Water Engineers may deem right, equitable and proper.

Given under and by virtue of an order of the Board of Water Engineers for the State of Texas, at the office of the said Board at Austin, Texas, this 16th day of April, A. D., 1951.

THESE WOMEN!

By d'Alessio

"I didn't have much fun on my honeymoon. I spent most of it teaching my wife to cook!"

Juniors Present Treasure Isle As Theme Of Banquet

The pirates assembled upon the decks of "Ye Old Lubbock County Club House", and set sail for the treasure islands on April 26, around 12 bells.

Treasure chests filled with rare silks and gold pieces were sighted beneath the shade of swaying palm trees upon lonely little islands, that were inhabited with small monkeys.

The kitchen knaves brought forth a meal of Roast of Parrot, Sea Raiders Booty, Captain Kidd Salad, Gems of Jade, Golden Bars, Loot of Rubies, Ivory Sticks, Chunks of Ore, Treasure Island, Ship loads of Nuggets, and Brown Poison to wash down the chow.

Mr. A. C. Strickland, who is known as "Walk the Plank" Tim, gave the Invocation. Dagger Dan, who is also known as Bob Lambert, layed before the crew the secrets of the Loot Guarder.

Patch-Eye Dick alias Ezra Corley gave a salute to the Pirates. Peg-Leg Charlie also known as Bob Norris brought forth a treasure map from which were found some Isles of Treasure.

After finishing the meal, Rare Loot was secured from the Deck Swabbers; Raymond Turner, Bob Lambert, Ezra Corley, Dorothy Gunnels, Joyce Mann, Betty Dodson, and Barbara Brooks.

The mates spirits were heightened with a message to the Able Seafarers given by Black Beard or sometimes called Mr. Vardy.

Long John Silver, more commonly known as Russell Keys, told his mates what punishments would follow if anyone decided upon treason or mutiny. He or his talking parrot knew all the answers.

The crew learned of the Ebb Tide from Captain Kidd's wife, known as Betty Dodson, for beloved Captain Kidd could not reach the ship but sent his message to his wife.

The happy voyage ended with "Seamen on a Dead Man's Chest," sung by the ship's company.

"Thousand Miller"

In railroad parlance a "thousand miler" is a starched blue shirt with attachable starched collar, worn quite universally by railroad men.

Infected Boars

Brucellosis infection commonly is brought into a clean herd of hogs by an infected boar.

Dairying

Factors favoring the development of small dairy herds are artificial breeding, better market facilities, better forage and pasture programs, and a greater need for a regular income necessary for high living standards.

MOVE OVER, GIRLS—Recent showings of men's swimwear at Miami Beach, Fla., indicate that the girls may have to share the spotlight with the males on the beaches this year. For example, the outfit, above, consists of a shirt with a fluorescent print front and mesh back, topping fluorescent trunks.

Sea Serpents

The sea serpent of ancient tradition, which gobbled ships and men like tasty hors d'oeuvres, has been properly debunked. But the Danes, and other oceanographers as well, recognize the possibility that the ocean may hold unknown creatures—giant eels, for example—that would help explain the recurrent tales of great sea serpents.

Serve Four Ways

To please the family's taste, the homemaker may serve squash boiled, baked, steamed, or panned.

"Lead Pencil"
The common "lead pencil" doesn't contain any lead at all, and hasn't for over 400 years. The "lead" is graphite mixed with clay.

Fresh Egg Clue
A fresh egg will lie on its side on the bottom of a pan of water. If old and stale, it will rise to the surface.

Relishes
Any foods from pickles to jam and from cottage cheese to raw vegetables may be used as relishes for a main meal.

Plans Underway For 1951 State Fair To Be Held October 6-21

The 1951 State Fair of Texas October 6-21, will offer \$83,074 in livestock premiums - \$10,365 more than last year and the highest in the history of the 66-year-old exposition.

Ray W. Wilson, manager of the fair's livestock department, said the 1951 premium list will be mailed this week to 7,500 livestock breeders and exhibitors throughout the nation, and to all county agents and vocational agricultural teachers in Texas.

Topping the list of show featuring 26 breeds of cattle, swine, horses, sheep and Angora goats will be the Pan-American National Hereford Show, Oct. 6-11. Premiums of \$25,000 are offered for this show alone, the highest the fair has ever posted for any one show.

Total beef cattle premiums are \$34,650, an increase of \$12,300 over last year. Arrayed with the Herefords will be top Aberdeen-Angus, Brahman and Shorthorn cattle. All beef cattle shows run Oct. 6-11.

Dairy cattle premiums total \$15,450. Guernsey, Holstein-Fries-

ian, Jersey and Milking Short-horn cattle will be shown Oct. 12-19.

The Junior Livestock Show Oct. 15-20 will offer premiums totaling \$14,945, an increase of \$3,695 over 1950. There will be classes for dairy cattle, steers, pigs and sheep.

Premiums for the nine breeds of swine to be shown will total \$9,152 and prizes for the six breeds of sheep that will be on display come to \$2,977. Angora goat premiums amount to \$850. Swine, sheep and goats will be shown Oct. 6-14.

Dates and premiums for the horse show will be announced later, Wilson said.

Of the \$3,000 in premiums being offered at the 1951 fair, the State Fair of Texas will contribute \$64,791 and national and state purebred livestock associations will contribute \$18,283. This is an increase of \$7,392 over premium money given by breed associations last year, Wilson said. This indicates a growing recognition of the fair's vast audience and its leadership in promoting better livestock, he pointed out.

Wilson School Band Performs At Canyon

The recently organized Wilson School Band performed April 28 in the Interscholastic League Band Contest held in Canyon.

The band played three selections and was given a "well done" rating. Special emphasis was placed on the good stage conduct of the group, fine intonation, and good balance.

The band was organized in February of this year and has a membership of 32 members.

Where Our Money Goes

While the lion's share of the 143 billion dollars spent by Americans last year went for food, shelter and clothing, some of the incidentals bulked pretty large. We spent 2.25 billions for personal care (hair cuts, permanent waves, etc.), just slightly less than our total expenditure on medical and dental care. We spent 1.8 billion on household help; approximately 300 million more than we spent for books and magazines. We spent 400 million for stationery and writing supplies and the same amount to ride in taxicabs.

Mr. and Mrs. W. T. Davis and children visited with relatives in Plainview on Sunday.

Zell T. Parker Wins High Honors As Valedictorian Of Evans School

Eleven students will graduate from the Evans School Wednesday evening, May 16 at 8:00 o'clock. Zell T. Parker with highest honors, will give the valedictory address. Lonnie G. Solomon is the salutatorian. Other members of the 8th grade graduating class are Geneva Barrows, Cecil Young, H. B. Rainey, Willie Drone, Freddie L. White, Hazel Wilborn, Dorothy J. Williams, and Noble Cook.

At the beginning of the year Mr. Dewey R. Williams began a project which netted close to \$200 for the athletic department. Local merchants, friends and students aided in this cause and the Citizens State Bank also contributed a sum. Supt. Lee Vardy, Jr. made it possible for the school board to assist in purchasing 8 warm-up suits for the girls and 12 warm-up suits for the boys basketball team. New suits, tennis shoes, and knee guards were also purchased. Winner of the "Miss Evans High School" contest was Piney Ray Parker. She raised around \$81. Second place went

to Nancy Lee Willis, who raised \$78.53.

Lloyd N. Greer, science instructor, took the various classes in his department on a field trip to Buffalo Lakes State Park, where they secured many species of wild life to be used during the year's studies. They also visited the biology department of Texas Tech.

The Christmas program was presented by the Choral Club under the supervision of Mrs. Ione W. Greer and Mr. Williams. Nathaniel C. Rutherford and Piney Ray Parker were winners in the Class B Interscholastic League District meet as male and female vocalists. Nancy Lee Willis and Zell T. Parker won first place in Art. Nathaniel Rutherford won first place in Senior declamation and Cecil Young won first place in 220 yard dash. Second place winners were Wilford J. Shields, Junior declamation, and Winston Rainey, story telling. All first place winners attended the State meet which was held at Prairie View, Texas. The trip was financed by the aid of the School Board and the P-T.A. The students were

accompanied by the Principal, Milton E. Granville, and Mrs. Ione W. Greer. They visited in Waco, Austin, and Houston while on the trip.

Mrs. Marjorie R. Granville, English instructor, presented her annual "Talent Program" last week. The Slaton Band with "Gene" at the Piano, played several musical numbers. The Homemaking Banquet was held last Friday night amid the blue and gold school colors. Mrs. Brown was the sponsor of the banquet. She will also direct the Elementary School closing play tonight.

The faculty of Evans High School expressed their thanks to all who have helped to make this a pleasant school year.

Cost of Colds

Colds, our No. 1 disease, costs us \$2 billion annually—the amount we spent to develop the atom bomb. They are responsible for more than half of all absenteeism. Statisticians figure we have 500 million colds a year, which hit two out of every three of us at least three times.

Vibronic Infection

Vibronic infection, caused by a germ called Vibrio fetus, is being recognized as an important cause of breeding troubles in cattle

MACARTHUR INSPIRED — Impressed by the headgear worn by Gen. Douglas MacArthur, American and French hat designers are coming up with copies for the women. The creation, above, by a Parisian designer, is of soft Havana brown velvet. The insignia is a clip of baguette and round diamonds.
