## Ministerial Alliance Disagrees With I-R Group

### Attends Youth Congress

Miss Peggy Jean Mooney, daughter of Mrs. L. M. Mooney Parks, took leave Wednesday for Denver, Colorado to attend the National Youth Congress as a delegate from the North W3st Texas State.

She has served as State Chair Lady since 1959. Miss Mooney is a

member of the Church of God in Christ No. 2, of which Rev. W. D. Haynes is pastor.

She is a graduate of Dunbar Jr.-Sr. High School, here in Lubbock, and has lived here all of her life except for four years she spent in the Business College in the State of California.

### Appointed To Youth Program

Harold M. Chatman, son of Dr. J. A. Chatman, has been appointed to the Board of Directors & Coordination Committee of the Youth Work Program in Lubbock.

The purpose of this program is to provide work opportunities for teenage youth (who cannot otherwise find work) through the creation of a

corporation that would contract to do work for various businesses or agencies. The corporation would be known as Lubbock Workrecreation, Inc.

It is proposed that both boys and girls be used in the Workrecreation Program with the age groups being 14, 15, and 16 years. It is felt that

### Recently Returned From Clinic

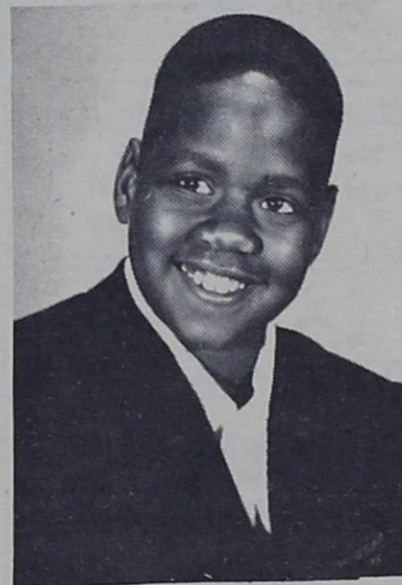

Julius Caesar Graves, III, son of Mr. & Mrs. Julius Caesar Graves, II, of 1836 Manhattan Drive, attended a Musical Clinic at Texas Tech, June 24 thru July 3.

He is a ninth grade student at the Mary & Mac School here in our city. Julius advanced to

### Honored At Surprise Party

Mr. Frank B. Blewitt celebrated his seventy-first birthday on June 26. He was surprised by a party in his honor on June 29 at the home of one of his sisters, Mrs. H. M. "Sug" Johnson, 2512 Globe Avenue. The surprise party was given by his four daughters and one son. They are as fol-

lows: Mrs. Thomas Fortson, Mrs. B. B. Adams, Mrs. Weeford Hooper, Mrs. Hazier Wortham, & David Dan Blewitt.

His most honored guest was his oldest sister Mrs. Lela Shankle of Jasper, Texas.

Mr. Blewitt received many beautiful gifts.

The members of the Lubbock Negro Interdenominational Ministerial Alliance disagreed this week with the means by which the Negro members of the city were recommended. A letter of request was read before the Mayor and City Commissioners on Thursday, June 27th, at the City Hall.

Here is a copy of the letter of request read at the hearing:

Lubbock, Texas  
June 24, 1963

To  
The Honorable Mayor Jack Strong and City Commissioners,  
Lubbock, Texas

Gentlemen;

We, the members of the Lubbock Negro Interdenominational Ministerial Alliance, wish to challenge the confirmation of the Inter-racial committee recommended by the Reverend M. T. Reed.

We are not opposed to the members that were recommended as individuals but we do challenge the rights of any one person making such recommendations. However, we feel that in a matter of this nature that we are as ministers the best representatives of the Negro welfare.

Where-as, Lubbock has always taken care of our problems on a local level, we feel that this should be continued as a measure to help prevent outside agitation.

Be it resolved that the needs among Negroes are common, namely; Equal Employment to qualified persons, Fair Housing, Equal Opportunity to public facilities.

This letter was signed by eight members of this organization.

The interdenominational Ministerial Alliance is to present to the Mayor and Commissioners a list of names to be voted upon as members of the Inter-racial committee.

As of the present time the Police Department is seven men short. A Civil Service Test was given on the 26th of June to aid

Mrs. Claudine Houston, visiting here from Los Angeles, is a patient at the Methodist Hospi-

tal with a broken leg. The accident occurred while Mrs. Davenport, her mother, and Mrs. Houston were out walking. Mrs. Houston stumbled over a crushed can and fell. She is recuperating nicely and is looking forward to coming home in a few days.

Al/C and Mrs. Manuel Colbert became par-

ents of their first child Sunday, June 23, at Reese Air Force Base Hospital, where the infant was kept in an incubator until he passed away last Wednesday. Brief Chapel Services were held at Jamison's Funeral Chapel and burial was in Lubbock Cemetery.

Now Satan is out to get your soul. you can not out run him or out talk him or out lie him for he is a God in this world and 5,000 years and some older than you. He does not sleep day or night if you are serving him it is time now to stop for the wages of sin is death.

Who is Satan? Yes who is he that has made the world to tremble and kingdoms to fall, man and woman to suffer all kinds of disasters he is the God of this world 2, Cor. 4:4 the prince of this world, John 14:30, the prince of the powers of the air. Eph. 2:2.

Now we children of God war not against flesh and blood but against principalities and powers and rulers of the darkness of this world. Eph. 6. 12:17.

Now we that know we are of God, know we can not stand of ourselves. for the whole world lye in wickedness and only with God we can overcome the world, 1 John 5:19, St 16:33.

# Governor Addresses U. P. O.

Austin—The Honorable John Connally, Governor, addressed the United Political Organization of Texas convention at a banquet. The banquet was held on Tuesday, July 2, at the Student Union Building, Hus-

ton-Tillotson College. Honored at the banquet was Dr. J. A. Chatman, Lubbock; Rev. Marvin C. Griffin, Waco; Joe Scott, San Antonio, appointed to Texas Southern University Board; Rev. C. S. Holliday, Ft.

Worth, appointed to the Texas Board of Corrections; Dr. Vernon McDaniel, Austin, appointed to 25-member Committee on Education beyond the High School; Thomas J. Stones, Abilene, Liaison Officer, State Democratic Executive committee; George L. Allen, Dallas, Texas Southern University Board Member, and recently appointed to Dallas Planning Commission.

Various meetings and symposiums were conducted during the convention.

### YOUTH SERVICES...

to handle alone. This department will also counsel and aid parents seeking help for their children. We are not an agency for apprehension of youth. Our purpose is to aid the youth of the community in meeting needs and solving problems in an acceptable manner.

Each individual youth will be dealt with according to his problem. Some will be referred to other agencies within the city, and others may be counseled, then returned to their homes. It is our intention to utilize group therapy sessions with youth and, in certain cases, with their parents.

The following are some of the problems we will be dealing with: Traffic offenders below age 14 and chronic traffic offenders below age 16, liquor law violators below age 17, runaway children, neglected and dependent children, youth and parents having family conflicts.

It will be our goal to work with any organization interested in the youth of the city of Lubbock. Through such a joint effort, it is hoped that an effective program can be initiated to study and meet the needs of our city's youth.

### 'The Teen Scene'

By Mildred Williams

There are many activities to keep teen-agers in good physical shape during the school term. There are sports, dances and most of them are required to take physical education. During their summer vacation period teen-agers do not have many active activities to participate in.

If you want to stay in shape during the summer months—why not try swimming. Swimming is a sport that develops all the body muscles as well as the respiratory system.

In our local pool, the population consist mostly of small children. As teen-agers, we are not

### Many Indians, No Chiefs

One writer has said that there are too few leaders among the Negro race. This statement has been proven true especially in the demonstrations of the Negroes.

The writer also feels that more so now, the Negroes need good leaders who can guide and persuade them to charge or retreat at the right place and time.

There are still others who feel the few leaders that there are seem to be challenging each other for more power, prestige or money.

These are the opinions of many people in the U. S., but we as Negroes should want to change these opinions by proving them wrong.

Mildred Williams

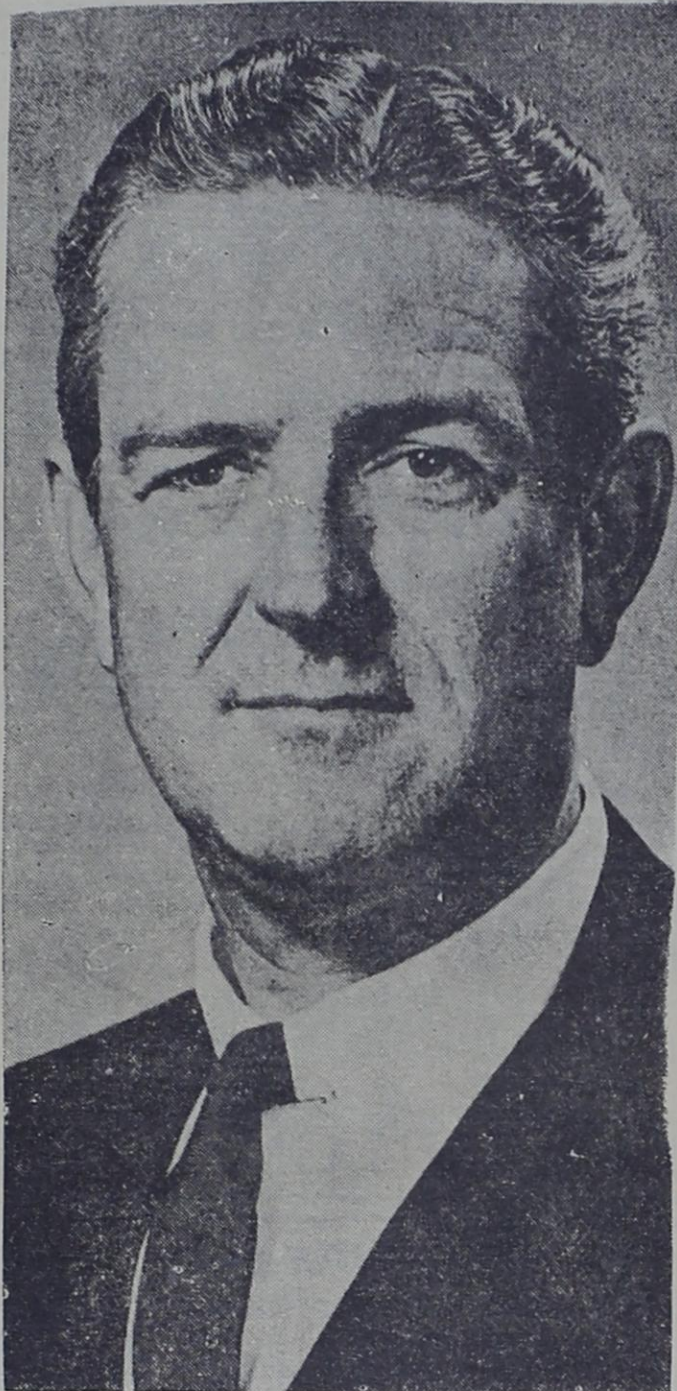

taking advantage of the pool. Our excuses are rather naive and they can be corrected very easily. For example our main excuses; (1) we say we cannot swim, and (2) we are afraid we will drown.

These two problems can easily be solved.

Swimming lessons are offered at all city pools, and are taught by skilled instructors. There is no reason to be afraid of drowning because the pool area is closed off and it has markers to show the depth of the water.

Don't let the summer pass without enjoying it. Stay in good physical shape and have fun. Why not take a "Dip in the Pool" real soon.

Negroes of today should not be content with producing just good leaders but the best possible.
