

Dunbar's Panthers Slash Richardson 6-2

'Around the Hub City'

It appeared to be comical to watch the scores of motorist who were given traffic citations for not observing the newly constructed 4-way STOP at the corner of Ivory and East 28th Streets.

This busy intersection, due to the increase of traffic because of the school and the apartments including the million dollar one, has become a fair way of moving motorist to and from work.

It was necessary to place a 4-way STOP at this intersection for more reasons than one—perhaps the priority of this reason is for the protection of our many little ones who commute to and from school and at sometimes during the span of day travel to the market for mom.

LETS WATCH THOSE TOTS---ONE OF THEM MAYBE WEARING YOUR NAME.....

Mr. Limuel Herford, Jr., who has been in the service station business for over 20 years, has opened a service station at the corner of Broadway and Avenue "A". He invites each of you to come by and visit with him.

Don't forget the Alumni Association of Dunbar High School will be held on next week at the Community Center.

Lets stay behind those fighting Panthers so they can become the State Champions again.

The Panther band, which is the best in the West, is doing another fine job. They should be sent to the Cotton Bowl at Dallas to perform at half-time.

Sis. Parks will teach the lesson on next Tues-

With the aid of their powerful fullback, Eddie Love, those fighting Dunbar Panthers scored early Friday night after a yard drive and then setback and weathered a barrage of passes to slash Hamilton Park of Richardson, 6-2 before several thousand fans.

In the fourth frame of this exciting fete the crew from Hamilton Park received their only tally of the evening when Faddie Tillman downed Willie Rogers in the end zone as Rogers attempted what appeared to be a juggling act with the pigskin.

The Panthers took possession of the ball at midfield early in the first quarter. Quarterback Melvin Cooper lunged for two-yards and then handed the ball to Love on the next series. Love looked promising as he scampered for 16 big yards and a first down.

Love next carried the ball for one yard and Sidney Hall added the plus yardage to keep the drive breathing.

Love was stopped cold on his next attempt, so he tried another hole on the very next play and piled up a 16 yard gain.

With pay dirt three yards away, Love allowed the suspense to build by taking all four downs to score from one yard out to climax the tremendous effort on the part of the Panthers.

Its a fact that the Hamilton Park squad was inside the 35 yard line four times without scoring.

The Panthers gained a total of 176 yards for the fete with 170 yards charged to their rushing account and acquired seven first downs. On the other hand the Hamilton gained a total of 189 yards with only 64 in rushing and 125 in passing and had only six first downs.

BUREAU WARNS OF HOME RE-SIDING JOB RACKET

The Lubbock Better Business Bureau warned last week that the "model home" racket continues to be used to defraud the public in the sale of aluminum and steel siding.

Tom V. Watson, Manager of the Bureau, said fast-talking salesman dangle the lure of "something for nothing" to induce homeowners to sign installment sales contracts covering exorbitantly priced aluminum or steel jobs.

According to the National Better Business Bureau, with which the local Bureau is affiliated through membership, the California Attorney General has reported that homeowners in that state alone are bilked of more than \$7 million annually by fraudulent aluminum and steel siding sales schemes.

Even a conservative projection of these findings, NBBB said, would mean a huge annual toll nation-wide.

The California official said more than 4,700 contracts, ranging from \$2,500 to \$6,000 were sold during an eighteen-month period. Salesmen's commissions on a single contract often were as high as \$1,000.

The BBB said that while most siding applicators are responsible businessmen, a minority in the industry perpetrates the re-siding racket despite repeated public warnings by Better Business Bureaus over the years. It works this way:

The scheme relies on the typical "model home" of nationally-known aluminum or steel company, tells the homeowner his company has selected her home for "before-and-after" advertising of siding.

He says the company will not only reimburse her for use of the home but will give a cash commission for each homeowner in the area who subsequently buys aluminum or steel siding from his company. He may offer a cash advance on these prospective commissions as an inducement.

In reality the salesman, usually an itinerant, does not represent a well-known company and has no intention of using the home as a model. The homeowner, who had been induced to sign various papers, actually is charged many hundred dollars more than the competitive price for aluminum or steel siding.

The Lubbock Bureau offered this advice to homeowners:

- *Don't rush into any important home improvement project.
- *Don't enter into any home improvement deal with the expectation of having promised commissions pay for its costs.
- *Deal only with firms whose dependability is known to you or has been established through inquiry.
- *Read and understand any contract before you sign and keep a copy of it.
- *Call the Bureau for a report on the firm and for a free copy of "27 Questions for Home Owners regarding Home Improvements."

Dunbar's Panthers Slash Richardson 6-2

'Around the Hub City'

It appeared to be comical to watch the scores of motorist who were given traffic citations for not observing the newly constructed 4-way STOP at the corner of Ivory and East 28th Streets.

This busy intersection, due to the increase of traffic because of the school and the apartments including the million dollar one, has become a fair way of moving motorist to and from work.

It was necessary to place a 4-way STOP at this intersection for more reasons than one—perhaps the priority of this reason is for the protection of our many little ones who commute to and from school and at sometimes during the span of day travel to the market for mom.

LETS WATCH THOSE TOTS---ONE OF THEM MAYBE WEARING YOUR NAME.....

Mr. Limuel Herford, Jr., who has been in the service station business for over 20 years, has opened a service station at the corner of Broadway and Avenue "A". He invites each of you to come by and visit with him.

Don't forget the Alumni Association of Dunbar High School will be held on next week at the Community Center.

Let's stay behind those fighting Panthers so they can become the State Champions again.

The Panther band, which is the best in the West, is doing another fine job. They should be sent to the Cotton Bowl at Dallas to perform at half-time.

With the aid of their powerful fullback, Eddie Love, those fighting Dunbar Panthers scored early Friday night after a yard drive and then setback and weathered a barrage of passes to slash Hamilton Park of Richardson, 6-2 before several thousand fans.

In the fourth frame of this exciting fete the crew from Hamilton Park received their only tally of the evening when Faddie Tillman downed Willie Rogers in the end zone as Rogers attempted what appeared to be a juggling act with the pigskin.

The Panthers took possession of the ball at midfield early in the first quarter. Quarterback Melvin Cooper lunged for two-yards and then handed the ball to Love on the next series. Love looked promising as he scampered for 16 big yards and a first down.

Love next carried the ball for one yard and Sidney Hall added the plus yardage to keep the drive breathing.

Love was stopped cold on his next attempt, so he tried another hole on the very next play and piled up a 16 yard gain.

With pay dirt three yards away, Love allowed the suspense to build by taking all four downs to score from one yard out to climax the tremendous effort on the part of the Panthers.

Its a fact that the Hamilton Park squad was inside the 35 yard line four times without scoring.

The Panthers gained a total of 176 yards for the fete with 170 yards charged to their rushing account and acquired seven first downs. On the other hand the Hamilton gained a total of 189 yards with only 64 in rushing and 125 in passing and had only six first downs.
