Ministers And Workers Meeting Underway Here

She Likes Lubbock

The young lady pictured above is lovely Miss Harriette Taylor of Goliad, Texas, daughter of Reverend and Mrs. E.R. Taylor. Harriette, a freshman at Texas Tech, is majoring in business education. She is a member of St.

Luke Baptist Church, works in the Sunday School Department, and sings in the gospel choir of this institution. While in Lubbock, she resides with her brother, Marshall R. Taylor at 2714 Teak Avenue.

CITY WIDE MISSION
The City Wide Mission met last Tuesday night. Sister Hester English was hostess of the meeting. After a lovely devotion led by Mrs. L. Skief each member told what Easter meant to them. A lovely menu was served by the hostess. The next meeting will be in the home of Mrs. Leadonia Brown. The president is asking all members to meet. Mrs. D.C. Fair is president.

ROYAL LADIES CLUB
Mrs. Fannie Price, social treasurer of the Royal Ladies Club, entertained the members on Wednesday night. The president, Mrs. H.

Lee, discussed plans for a social they will have very soon. After all business was attended to, Mrs. Price served a lovely menu. Several members were absent. The next meeting will be April 21st in the home of Mrs. Mattie Linzey.

VISITS DALLAS
Mrs. Maunita Terrell of 208 East 22nd Street spent the Easter Holidays in the city of Dallas visiting with her relatives and friends. She reported a very enjoyable trip.

Were we as eloquent as angels, yet should we please some men and some women much more by listening than by talking. Colton

The 1965 Ministers and workers meeting, an annual feature of the religious life in the Church of God in Christ, is "bigger and better than ever" according to the host pastor of the event, Supt. W.D. Haynes. He added that this claim has been made every year, because it is true every year. "and so far, we have, in pretty large measure, succeeded." The 1965 observance is underway this week, but will close on Sunday, April 25th.

General format of the program calls for a sermon daily, Monday through Sunday, at 9:00 pm. A service of special meaning is on tap for Sunday. Tomorrow evening, April 23rd, is women's day with mother Mable Houston, presiding. This phase of the meeting is under the complete control of the women's department. The association is very grateful for the services of mother Houston. It is the hope of all that we

will come out in large numbers and make her day the greatest she has ever known.

The state officials of the association include;

Bishop J.E. Alexander, state bishop; Bishop O. T. Jones, senior bishop; Mrs. Mable Houston, supervisor of women; Continued on page 5

Gilead Baptist Church with the Rev. M.T. Reed officiating.

Lydia is the daughter of Mr. and Mrs. Perry Jackson of 1326 East 15 Street, and Lawrence

Church Marks Anniversary

The pastor and members of the Great Saint Luke Baptist Church will celebrate the forty-third anniversary of this religious institution from April 26 through May 2.

The desire of every Christian is to worship God and out of this desire in 1921 Caldonia Baptist Church was organized by Rev. Wiley. The Masonic Lodge hall located at 16th Street and Avenue A was used as a meeting place. The following families were

Welcome! City Visitors

We would like to extend a cordial welcome to the many delegates of the Ministers and Workers Convocation now being held in our city. You are now in the "Hub City," which is known as the "City of Churches." We feel you will find our citizens receptive to your members and demonstrative of our warm hospitality.

It is our hope that during your visit to our city you capture in your mind the picture of a city on its way up. May you find time to visit some of Lubbock's points of interest and there are many. Among these are the West Texas museum, located on the Texas Tech campus, and Mackenzie State Park, home of our famed symbol, "Prairie Dog Pete." We are also in the process of constructing a great amusement park in the canyon east of town by the name of "Rimrock City" which will be visited each year by thousands of people from all over the state and throughout the nation.

Lubbock takes pride in the fact that many conventions return year after year in response to the welcome they receive in the city on the caprock. We hope your delegates will want to do the same. Again, our best wishes for a most successful convocation...and come again to visit with us. It matters not if you come as a delegate or on just a family visit...remember you are always most welcome.

James Ray Does It Again

Yes, James Ray Jackson, a graduate of Dunbar High School of Lubbock and a by-product of the "Hub City" has done it again. This time he brought the "bacon home" for Oklahoma University in winning the 100-yard dash in 9.7, and anchored the Sooner 880 relay team to victory in 1:23.5, only one tenth second off the meet record.

All of this happened last Saturday, April 17, at the 40th Kansas Relays, Lawrence, Kansas with such Universities and Colleges as Southern Illinois, Nebraska, Missouri, New Mexico, Wichita, Lamar Tech, and many others.

At Dunbar he was primarily a star in football with track as a secondary, but thus far in college track has been his stardom. It won't be long before he will go to the Drake Relays where he will be able to prove his greatness as a track star, for in this meet some of the world's fastest track stars will participate.

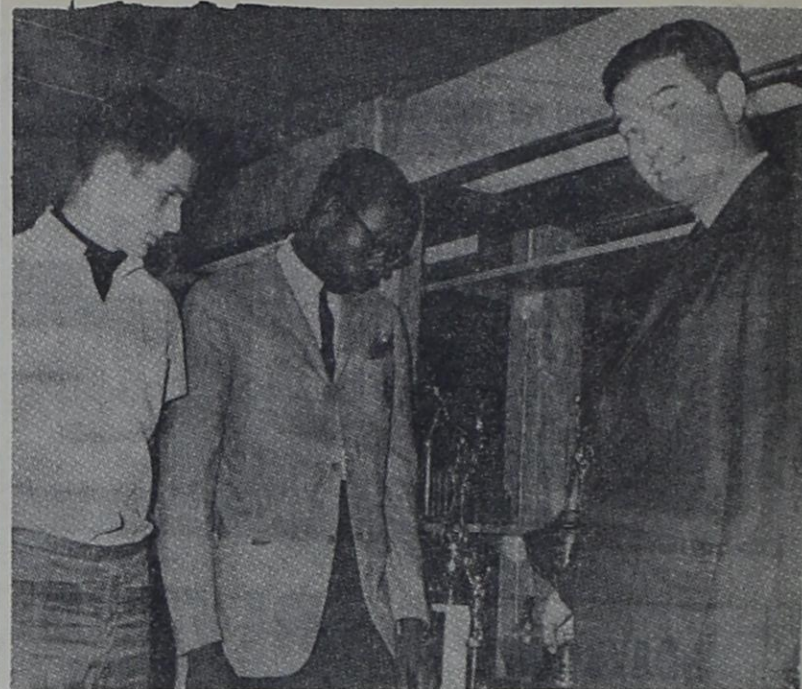

COURT OF CALANTHES

The Courts of Calanthes #414 are honoring all of their new members with a social. Mrs. L. Skeif is chairman of a special party which will be given for all of the juveniles.

A card of thanks was received from the Grand Worthy Counsellor, Mrs. R. D. Harper. She will be visiting Lubbock again in the very near future.

The Worthy Counselor of Evening Joy Court was a special guest of Running Rose Court on Wednesday night. She reported a very nice visit. Members of Running Rose and Evening Joy Courts received an invitation to attend the Amarillo Courts tea, but due to Easter services they air mailed a donation of seven dollars to the Worthy Counsellor. This group will visit Amarillo very soon.

Mrs. Nellie Ross of Running Rose and Mrs. C. E. Fari of Evening Joy are Worthy Counsellors of the two courts.

Coach Gene Gibson, basketball coach of the Texas Tech Red Raiders, gives a pair of basketball prospects, James Cash of Fort Worth's L. M. Terrell (center) and Jack Hosley of Leadville, Colorado, a tour around

the athletic department on campus last Saturday. Both are considered top-notch prospects, and neither is committed to a school as yet. Cash is the first Negro to receive such an invitation to Texas Tech's athletics.

ENGINE STOLEN

Last week, Phillip Gant, owner of the Gant's Garage, reported to the police that a 1956 Mercury engine was taken from the south side of his garage. The engine was lying on the ground with a car-hood over it for protection, but some how it was discovered. There were tracks of a car or truck that backed up to the engine. The unit used to transport the engine had snow tires on the rear wheels, while regular tires were on the front.

FIGHTS WITH STORE MANAGER

Police received a call to go behind the Woolworth Department Store to investigate a fight between the manager of the store and a shoplifter. Upon arrival the police discovered that a shoplifter had taken two 5/8 ounces of Old Spice deodorant valued at 69¢ each, two brown belts valued at \$2, and four pairs of Westchester stretch socks valued at \$1.50. The subject broke loose from the manager and ran east down the alley, but was soon captured.

CITY MAN CUT

Jim Sillman led police to a kitchen and revealed a man, Kenneth B. Burd, laying on a couch.

He had a half inch cut in his left side about a half inch above the belt line. He stated that he knew who cut Burd and that the incident occurred at 1408 Avenue C. Sillman could not or would not relate any details relating to the incident. Burd was taken to the Methodist Hospital by Sedberry's.

FIGHTING STOPPED

Police stopped a fight in the 1300 block of Avenue C last week. Two men were in the act of fighting. One of the men was skinned up very badly. Both men were in a drunken condition.

FAMILY FIGHT GETS MAN IN TROUBLE

A man who lives in the 1600 block of Ave. B was in the process of beating his wife when a police car patrolling the area happened to pass by. While investigating the matter, authorities discovered that the man had bad checks floating around the city, and upon further investigation it was learned that he was being sought for a traffic violation.

"YOU CAN'T ARREST ME ON MY OWN PROPERTY"

A man had been arguing with his wife on East 30th Street. The police were called to the disturbance. The man told police that this was his property and they had no right to tell him what to do. At this time he began to use profane language. He also stated that the police could not come on his property and tell him what to do, and that he was not going to jail. He also said that the police would have to face him again in the streets af-

terwards. At this time he followed the police to the patrol car and kept on talking loud and using profane language. The police attempted to handcuff him, and he fought vigorously. The police saw that help was needed and called for other units. With the assistance from other units he was easily subdued. He was handcuffed and placed in a patrol car. He was booked for drunk, disturbance by fighting, and disturbance by profane language.

HUBCAPS STOLEN

Charles Hill of 2316 Fir Avenue reported that stolen from his '58 Plymouth were four 14" chrome simulated magnum type hub caps valued at fifty-six dollars. Hill stated that one of the caps was cracked in one of the bars.

BURGLARY REPORTED

Rudy's Body Shop of 1419 Avenue C was broken into by someone who pried a piece of plywood off of a restroom window on the east side of the building and crawled through the window inside the building. Inside, the thief took radiators from a 1963 Ford pickup and a 1958 Ford station wagon. These vehicles had been left in the shop for repairs. The radiators were carried out a side door on the south side of the building which was left standing open.

MAN WANTED FOR DISTURBANCE

Crosbyton authorities called Lubbock authorities in regard to a warrant for the arrest of Robert Turner and stated that he was driving a 1956 Buick. The car was located in the 1100 block of East Broadway as it pulled into the Wagon Wheel Cafe. Turner was driving and in the back seat asleep was the owner of the car, Alonzo Clyde Brown of Lubbock. Turner was placed under arrest and while the handcuffs were being put on him he resisted arrest and force was necessary to subdue him.

EASTERN STAR NEWS

The Eastern Star is getting ready for a grand lodge. A number of members of Marshall Chapter Number 796 are now making plans to attend the Grand Lodge in Austin, Texas. Mrs. Mattie Linzey, Mrs. Ledonia Brown, and Mrs. Cage have their projects ready. Mrs. Rose Wilson and her co-workers are working hard with their projects. Mrs. Brown will tell us all about the post-Easter tea next week.

All members are asked to attend their meeting on next Thursday. Mrs. Lang and others will be present to present a skit after the instruction. Mrs. C.E. Fair is Matron of Marshall Chapter 796 and Mrs. N. Scody is secretary.

and Silas Love; Mrs. Irbie Whitfield, and Mrs. Gladys Conner.

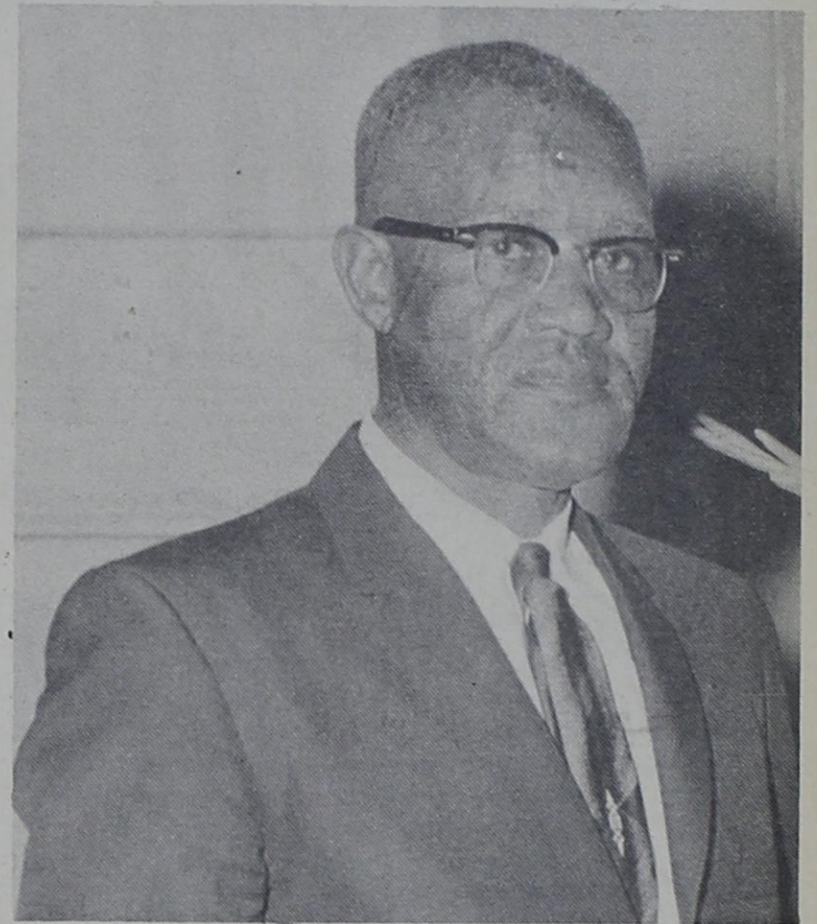

In 1922 Rev. J. J. Davis was pastor. During his pastorate the church grew as new members were added. Among these were; Tom Johnson and wife, Rev. and Mrs. L.B. Moore, and Wilmar Wilson.

Rev. L. B. Moore served as pastor from 1924 to 1928. In 1924 a site at 1820 Avenue A was purchased. The first shelter was an arbor but instead of being made of brush it was made of gunny sacks. In 1925 the first permanent building of wood was built. The first piano was bought for the church during Rev. Moore's tenure. Some of those added to the church at this time were; Mrs. Maggie Tatur, Charlie Lawson, and Mrs. Ora Craven.

The name of the church was changed from Caldonia Baptist Church to St. Luke Baptist Church, but the exact date we were unable to ascertain.

The Rev. A.L. Davis was called to the pastorage of St. Luke Baptist Church in June 1952. The dynamic lea-

Rev. Wilson Suffers Stroke

Rev. A. W. Wilson

The Reverend A. W. Wilson, pastor of the Bethel A.M.E. Church, suffered a stroke while

attending a district conference meeting in Odessa, Texas last Wednesday, April 14th. He is a patient at the St. Mary's Hospital at the present time.

Because of his absence in his pulpit last Sunday, which was Easter Sunday, the Reverend A.L. Davis, pastor of the Greater St. Luke Baptist Church took his place. Ministers throughout the city will exchange pulpits until he is recovered.

dership of Rev. Davis is obvious. The growth and development of the church has been greater than in any previous period of the history of it. The old church was moved from Avenue A to the site occupied by our educational building. Then things really began to happen. The old building was torn down and all usable materials were used in the erection of the educational building.

Thus we have the Greater St. Luke Baptist Church.
