

Wolverine Band To Perform New Half-Time Routines

Local fans can expect to be thrilled by the new Wolverine Band as they march into a new season playing "Born Free". Led on the field by Drum Major Marsha Dawson, the band will perform a step-two precision drill to the tune of "Love Potion Number Nine".

After marching into a concert formation the band will play "Love Is Blue", featuring the twirlers Marion Dawson, La Donna Sigman, Susie Temple and head twirler Gloria Stephens.

The band will perform a precision marching drill to the Balero, "The Breeze and I", and will then exit to a swing version of "Mercy, Mercy, Mercy", arranged by Mr. Starke.

This year's special music arranger is M. L. Daniels of Abilene. Mr. Starke has purchased approximately eleven arrangements. The band will perform to many of the popular tunes, as well as, old favorites.

The band will be displaying \$10,000 worth of new uniforms as they take the field Friday night in New Deal. The fans may also notice small changes in the techniques of the marchers, brought on by band director Jerry Starke.

The 85 member band will load buses at the Band Hall at 6:00 p.m. Friday, and will travel to New Deal via Littlefield and Shallowater.

Clayton Named To Committee To Study State Liquor Laws

Austin State Representative Bill Clayton of Springlake has been named to a special committee to study Texas Liquor Laws pertaining to the financial involvement between establishments that serve alcoholic beverages and their suppliers.

Clayton was a member of the State Affairs Committee panel that recommended reforms to the State Liquor Control Act to the special session of the legislature in June. The measures were approved in the House of Representatives, but failed to pass in the Senate.

Clayton's appointment was

announced in Austin by House Speaker Ben Barnes and Representative Dick Cory of Victoria, Chairman of the House State Affairs Committee.

After his appointment to the committee, Clayton said it was his hope that the study would result in recommendations to the 61st Legislature, which meets in January, of liquor control laws that would provide much stronger controls on the consumption of alcoholic beverages, particularly pertaining to sales to minors, and that would prohibit organized crime from entering the liquor and beer industry in Texas.

Rites Today In Lubbock For Bobby Temple

Funeral services for Robert Earl (Bobby) Temple, Jr., 20, are set for Thursday (today) at 2:30 p.m. in the Oakwood Methodist Church, at 2215-58th Street in Lubbock. Rev. David B. Eldens, pastor will officiate.

Temple died at 6:05 a.m. Tuesday morning in the Highland Hospital in Lubbock following eight days of hospitalization. He was the victim of lupus arathemotosis, a rare blood and nerve disease, which his doctor had diagnosed as incurable in 1962.

The effects of the illness, not visible to his friends, required regular trips to the Wadley Research Center in Dallas, where he was hospitalized three or four times each year. Always

upon his return he would resume activities with courage and enthusiasm. He served as co-captain of the Hale Center Owls football team during his senior year, 65-66, playing center for the squad. For the past several months he has been employed at the Citizens State Bank in Earth.

Survivors include his parents, Mr. and Mrs. R. E. Temple of Hartley; a sister, Miss Tyla Temple, of the home; his paternal grandmother, Mrs. J. F. Temple, of Lubbock; his maternal grandmother, Mrs. Clara Hearne of Levelland; an uncle, Joe Temple of Earth; and cousins, Jo Ann, Suzy, and Denise Temple of Springlake.

Taylor's Win Flamenco Fling To Mexico

Mr. and Mrs. C. O. Taylor of Taylor Furniture of Earth were notified this week that they were among the winners of General Electric Dealers Trip Contest again this year. The Taylors have won awarded trips four successive years, since becoming General Electric dealers.

Trips are awarded those dealers selling the highest per cent of quota in excess of one hundred per cent set by General Electric Company.

The Taylors will leave via Braniff International Charter with dealers from Lubbock, Dallas and Oklahoma City Districts for Mexico City, Acapulco and Taxico on September 25th and return home October 3rd.

This "Flamenco Fling to Mexico" will include sightseeing, tours and entertainment in Mexico City. A bonus prize during one period of the contest won the Taylors a day of sightseeing, shopping and yachting in Acapulco, and the group will also make an overnight visit to Taxico.

Other trips awarded these local GE dealers have been to Europe, Hawaii, Las Vegas and Louisville, Kentucky. Also a trip to Mexico City in 1965 was awarded by Southwestern Public Service Company.

Mr. and Mrs. Taylor were also awarded the Distinguished Merchant Award by General Electric Company last year.

Mrs. Taylor states, "After winning our first trip, our quota has been constantly increased and we have been moved into tougher groups of competition.

When we tell other dealers the population of Earth, they just can't believe there's a chance for us to win. Guess they just don't know what fine, devoted people we have. Besides, I think Doodle stands on the street and waves in a few tourists, too."

FUN, FEAST and SALES—Judging from the watermelon in the foreground and the happy expression on the faces of local Lions, they must have had a good day during the 11th Annual Broom Sale, in Earth, Tuesday. School Board Discusses Enrollment

The drastic drop in enrollment was a main topic of discussion at the regular meeting of the Springlake-Earth school board, Monday night. Meeting in the high school at 8 p.m., the board took a look at the enrollment figures, which are down considerably from last year.

The figures for grades through six show a decrease of 71 students over last year's record. Listed by grades, are the enrollment figures for 1967-68 and 1968-69 school years: first grade dropped from 99 to 88; second grade, 74 to 70; third grade, 87 to 63; fourth grade 82 to 71; fifth grade, 83 to 70; and the sixth grade dropped from 78 to 70, totaling 503 students last year as compared to 432 enrolled this year.

The record for junior high, grades seven through eight are less drastic, but still show a decrease of sixteen students for the two grades. In the seventh grade last year 88 were enrolled, whereas only 79 have been registered this year. The eighth grade enrollment fell from 92 in 1967-68 to 75 for this school year. The figures total 170 in junior high last year over 154 now enrolled.

The high school record shows an increase in students, which is highly irregular. In the 1967-68 school year 69 freshmen attended here; this year there are 78 in the class. The sophomore class dropped several students showing 53 students last year to 58 in this year's class. The junior and senior classes have both jumped: 51 to 59 in the junior class and 34 to 47 in the senior class.

The total high school enrollment for the last year was 217 students, while 242 enrolled this year, showing an increase of 25 students over the 1967-68 school year.

The special education classes have decreased six students, from 36 to 30. The total school enrollment, then is 558 this year, showing a decrease of 68 students from last year's total.

The school board noted that the drop in enrollment might

cause the school to lose teachers. A continuation of this decrease in enrollment would require fewer teachers in the elementary grades. Teachers in the grades one through six will have a smaller work load this year in terms of pupil hours.

Another topic of discussion at the meeting was the change to a seven-period day, which was begun this year. Principals from the Junior High and High Schools brought reports to the members of the board concerning the 7-period day in their respective schools. Some of the advantages listed by the principals were:

1. Improved use of library facilities. Those having a study hall are given time to use the library. In the past, a student having six straight classes had no time available for library use, and those going to college sometimes were without proper knowledge of library facilities.

2. The enrollment in several classes has increased due to the additional time of the seventh period. This is shown by the increase in enrollments in physics, related math, vocational agriculture, mechanical drawing, algebra II, and Spanish II. It was noted that enrollment in related math was up 50%, and that the enrollment in Spanish II had tripled.

3. The addition of another period to the school day enabled the addition of two new class subjects. It was noted that speech is included in the high school curriculum, and an applied music course was added in Junior High.

The principals and faculty in Junior High and High School seem pleased with the new seven-period day. The Board realized that adjustments were still needed in the elementary school because of the day being rather long for the younger students.

The Board members also discussed the remodeling program of the old gym. The dressing rooms have been completed and the floor started. It was noted that the building will be ready for use by the end of the month.

Before adjourning, the members discussed delinquent taxes and voted to participate again this year in the Regional Educational Service Center.

Present at the meeting were: Bill Mann, superintendent of schools; O. M. Cleavinger, president; and members of the Board, Weldon Barton, John Bridges, P. A. Washington, Gene Templeton, and Norman Hinchliffe.

NOTICE

The Golf Course Planning Committee has scheduled a meeting for Thursday, September 19, at the Earth Community Building, to discuss the plans and possibilities of building a golf course here. The meeting is slated for 8:00 p.m. All interested persons are urged to attend.

Lions Plan Teachers Reception

Final plans for the Springlake-Earth Lions annual teacher reception were laid at the meeting Tuesday at noon. The reception will be at the school cafeteria Tuesday, September 17, and is scheduled to begin at 8:00 p.m.

The Springlake Lions are responsible for the program, while the Earth Lions are in charge of the decorations and serving of the meal.

Each Lions Club member will escort a teacher-guest to the reception.

Local Residents Reports Theft

The theft of a billfold and matching picture case was reported to Littlefield police Thursday, September 5, by Mrs. Glenn Bulls of Earth. According to Mrs. Bulls, the theft took place Wednesday morning at the Littlefield Clinic.

Stolen was a billfold containing driver's license, social security card, and credit cards, as well as, cash, a matching picture case and a "Mom's Bag Book", containing her baby's pictures. Mrs. Bulls reports that the credit cards will do the thief no good, as they have been canceled, but that a reward will be offered for the return of her baby's pictures.

Police are continuing the investigation.

The Old Timer

"There has never been a person with an inflated ego who wasn't full of hot air."

First Load Of Grain Arrives

Excitement was in the air Tuesday as the first load of grain arrived at the Farm Chemical and Grain Company in Earth.

The time was 4:10 p.m. when the big truck, carrying Harold Miller's grain, rolled into town. Excitement was intense as the

20,400 pound load was tested for its moisture content. The results—a very good 15.19%.

The De Kalb C44B seed, purchased locally from Earth's Farm Chemical and Grain Company, was planted May 15 on the Orteg farm, located 3 miles north and half a mile west of Earth.

The crop was fertilized with ammonia, also purchased locally, at 200 pounds per acre, and was irrigated four times.

The grain was cut by Sap Kendrick at 4:00 p.m. Tuesday, off approximately three acres of ground, and was hauled into town by Joe Miller.

Classes Select Officers For '68-'69

Class officers for the 1968-69 school year were chosen during class meetings last Wednesday, September 4.

Freshman class officers are: Mike Cleavinger, president; Bruce Bridges, vice-president; Becky Littleton, secretary; and Marian Dawson, treasurer.

Sponsors for the Freshman class are Smythie Lawrence and E. G. Gaston. Mr. Lawrence is a math teacher and joined the faculty this year. Mr. Gaston, vocational agriculture teacher, has been a sponsor several times.

Leading the Sophomore class this year are: Jerry Lynn Barden,

president; Tony Barton, vice-president; Jan Cleavinger, secretary; and Jennifer Myers, treasurer.

Serving as sponsors for the Sophomore class are Jerry Starke and John Varnell. Mr. Starke joined the faculty this year as band director, and Varnell is head football coach.

Chosen as Junior class officers were: Steve Sanderson, president; Kathy Lee, vice-president; and Cindy Barton, secretary.

Class sponsors for the Juniors are Miss Betty Jo Byers and Dwayne Fryar. Miss Byers joined

the faculty this year as a history and social science teacher. Mr. Fryar is a math teacher.

Senior class officers this year are: Ricky Byers, president; David Templeton, vice-president; Jamie Washington, secretary; and Naomi Carr, treasurer.

Senior class sponsors are Mrs. Marie Slover and Bill Anderson. Mrs. Slover is the homemaking teacher and has been senior sponsor the past two years, as has Mr. Anderson, a senior English teacher.

Win Free Prizes Weekly In Football Guessing Game

This week marks the beginning of the Football Season Contest which will give gridiron prognosticators over the area a chance to demonstrate their skill by picking the winners each week in a contest loaded with weekly cash prizes.

In addition to weekly prizes, the goal everyone works for, is the grand prize of two tickets to the New Year's Day football classic at the Cotton Bowl in Dallas.

Entering is easy. It does not require any money and very little of your time. All you do is clip out the contest page each Thursday and mark out the team you think will lose and fill in the score in the tie breaker game, then mail or bring in your entry to the News-Sun office.

Weekly winners, plus standings will be reported each week. Contestants are urged to enter each and every week, because the grand prize is awarded to the entrant with the most wins accumulated over the season. Missing a week can be quite a handicap, though not an omission from winning chances.

Weekly winners will receive \$5.00 for first place, \$3.00 for second place, and \$2.00 for third place. In case of ties, the tie breaker scores will be used to determine the winner.

Entries must be in the News-Sun office not later than 4:00 p.m. Friday. Those mailed in must be postmarked Friday. Late entries will be automatically disqualified.

For cash prizes and for a chance at the two tickets to the Cotton Bowl game on New Year's day, be sure to enter the News-Sun contest today, and every week for the entire season.

In order to give our rural readers a week to enter the contest and get their entry blanks turned in, we have omitted the games played this week. The games in this first week's contest will be played on Friday, Saturday, and Sunday, September 20, 21, and 22. And will give those entering the contest until 4:00 p.m. on Friday, September 20, to get their entries in on time. So get in the gridiron guessing game today.

NOTICE

Interested men in the community have offered to donate machines and labor to harvest maize and cotton. Proceeds from the work will go to furnish the junior livestock show barns with tables and chairs, benches, an arena, fence, concrete, a snack bar, and kitchen facilities for the Earth-Springlake junior livestock project show.

Persons interested in taking advantage of this offer should contact Gene Templeton at 965-2465 or Kenneth Hinson at 986-2685.

THEY JUST GROW!

THIS PROBLEM MUST BE SOLVED

Federal bureaucracy gives words a new meaning. For example, "temporary" is synonymous with "forever"; "emergency" becomes "a way of life"; "failure" becomes "an incentive for expansion."

While business will drop an ineffective project after a short trial run, government is more likely to expand it on the theory that a little more money will assure its success.

So, old federal programs continue to pile up. New ones are added. In 1955, the Hoover Commission deplored the fact that 25 federal agencies had water resource development programs; in 1967 40 agencies were involved.

In 1964, there were 239 programs of grants-in-aid to state and local governments; now there are more than 500.

Ten cabinet departments and more than 15 other agencies are involved in education; 8 departments and 4 agencies operate major credit programs. There are between 15 and 30 separate manpower programs administered by public and private agencies, supported by public funds, in each major metropolitan area.

USDA Consultant To Meet With Farmers

Dr. J. E. Simpson, a representative of the Research Foundation Service with the USDA, will meet with area farmers in Littlefield, September 16. The US Department of Agriculture is sending the potato specialist here to begin a two-phase study, one involving potato production in this area and another involving actual planning for a processing plant.

His trip to this area was arranged by Southwestern Public Service Company's industrial development section through the cooperation of Rep. George Mahon and Rep. Bob Price.

The object of getting Dr. Simpson to Littlefield is to establish feasibility of both potato production and the plant in this area.

The meeting is scheduled Monday, September 16, at 2:30 p.m. in the Lamb County Electric auditorium. Farmers from throughout the area are being encouraged to attend.

The idea of the project is to provide a solid market for potatoes and perhaps other vegetables by getting away from the liabilities of fresh vegetable production into actual processing.

The program, still in its infancy after weeks of planning and investigation involves:

1. Providing a solid market for farmers who want to diversify from cotton and grain to also grow potatoes and possibly other vegetables.
2. Establishment of a large processing plant which would produce packaged, frozen potatoes ready for the housewife's use.

In addition to providing a new, large-scale crop for farmers of

the area, the plan envisions a large plant which would employ many persons and result in a boost for the community's economy.

Preliminary work on the project has been done by a collection of Littlefield and Lubbock

people. The group includes businessmen and farmers from both areas, who met in Littlefield two weeks ago to pledge funds for the initial work. The group agreed that any factory or plant resulting from the project would be located in or near Littlefield.

Carol Cole Returns Home

Carol R. Cole arrived home in Earth Saturday, September 7, from a tour of duty in Germany. A graduate of Springlake-Earth, Cole has been in the U. S. Army for two years. The past 13 months Cole has spent in Berlin.

Upon enlisting, Cole received basic training at Ft. Bliss in El Paso. He was sent to Ft. Sill in Lawton, Okla., for AIT training and then to Ft. Benning, Georgia before being sent to Germany.

Cole was honored at a hamburger fry at the home of his brother and family, Mr. and Mrs. Wayne Cole of Otton.

Upon receiving his discharge

Cole was rated Spec-V. He is the son of Mr. and Mrs. R. S. Cole of Earth.

Eva Lou Johnson Returns from Dallas

Eva Lou Johnson returned from Dallas Thursday, September 5, where she was to have had a heart surgery.

Doctors at the Children's Medical Center were able to postpone Eva's surgery due to an unexpected improvement in her heart condition.

Eva Lou will continue to report to the doctor in Lubbock for regular checkups and treatment.

Caseroles - Goulash - Or Hash

Friday night football games begin this week, ladies, and with these games come those hurried evening meals, a perfect time to try those new caseroles, goulash and hash recipes you've been hiding in the back of your recipe file. You know your family needs a warm, hearty meal before going out to cheer the team, but there seems to be little time for preparation or for consumption.

So, experiment a little, and if it's a success (which it surely will be) send it in as your contribution to the "Favorite Recipe Cook Book". Along with your recipe send us your name, address, and any information about yourself. We would certainly appreciate your cooperation, and we are sure you could gain some good ideas from someone else's recipes.

LCC Associates Sew For Fair

The LCC Associates met Thursday, September 5, at 10 a.m. at the Earth Community Building to sew various items for the annual 3-Day Gift Fair to be held in Lubbock this December. The local group spent Thursday making Christmas trees, along with other items. All items sold at the fair will be along the line of Christmas gifts. The site of this year's fair will be announced at a

later date; proceeds are turned over to Lubbock Christian College. The members enjoyed a salad lunch then continued working until 4:00 that afternoon. Those attending were: Mrs. Perry Martin, Mrs. Fred Clayton, Mrs. Norman Clayton, Mrs. Bill Freeman, Mrs. Ronald Cleavinger, Mrs. Claud Ellis, and Mrs. Cullen Hay.

Springlake WMU Begins Week Of Prayer

Members of the Springlake Women's Mission Union met Monday morning, September 9, in the home of Mrs. Billie Walden, to begin the Week of Prayer for state missions. The theme for the week is "Rivers of Living Water". This week's programs are centered around the River Ministry of the Rio Grand River and the work being done there.

Call to prayer was read by Mrs. Edna McClure, and Mrs. Billie Walden took charge of the day's program.

Following the program Mrs. Walden served brownies and coffee to Mrs. Edna McClure, Dorothy Washington, Beth Holmes, and Ilo Sanders.

The Springlake WMU continued its program for the "Week of Prayer" Tuesday morning, September 10, in the home of Mrs. Ilo Sanders of Springlake. Mrs. Sanders opened the meeting with a scripture reading, and Mrs. Myrtle Clayton led the group in prayer. Mrs. Sanders continued the program on the Rio Grand River Ministry, discussing the towns of Pumpville, Langtry, Dryden, and Sanderson.

Following the program, Mrs. Ernest Baker reported on her

trip to Emerald, North Dakota, where she and her husband conducted a Sunday School Clinic for workers of the Calvary Baptist Church there.

The Springlake Baptist Church built the church parsonage in Emerald, and then to fill it, the WMU sponsored a stamp collection. By gathering stamps from local church members, the WMU was able to provide 6 sets of sheets and pillow cases, 8 towels, a bedspread, throw rugs, bathroom sets, and a lamp, which Mr. and Mrs. Baker took with them on the trip.

Card of Thanks

We would like to express our heartfelt thanks to all those who were so generous with their time and with their prayers and to those who were so thoughtful as to send cards while our husband and father was hospitalized. God bless you all.

Sincerely,
Mrs. A. L. Kelley and
Mrs. Bessie Parker

FHA OFFICERS - Installation services were held Friday night in the Springlake-Earth school cafeteria. They are left to right, Kathy Lee, Anita Kelley, DeAnne Brock, Myrna Dear, Jenny Angeley, Melody Brock, Naomi Carr, Donita Kelley, JoAnne Temple, Jan Cleavinger and Marsha Dawson.

FHA Holds Installation Of Officers

The officers of the Springlake-Earth Chapter Future Home-makers of America were installed in a very impressive ceremony Friday night in the school cafeteria.

The outgoing president, Miss Melodie Brock, called the installation ceremony to order, with each of the eight candle-lighters giving the purposes of FHA as they lit their candles.

After the oath was given to the officers, Melodie Brock relinquished the gavel of president to Miss Jennifer Angeley.

Miss Angeley, incoming president, installed the officers and inducted the new members.

The officers installed for the ensuing year are: Jennifer Angeley, president; Myrna Dear, 1st vice president; DeAnne Brock, 2nd vice president;

Kathy Lee, 3rd vice president; Marsha Dawson, 4th vice president; Anita Kelley, 5th vice president; Naomi Carr, secretary-treasurer; Jo Ann Temple, parliamentarian; Donita Kelley, historian; and Jan Cleavinger, pianist.

The new members then repeated the FHA Creed in unison and the meeting adjourned. Refreshments were served to those attending.

MYF's Prepare For Rally Day

SENIOR HIGH MYF

The senior high MYF of the First Methodist Church in Earth met Sunday night, September 8, at 6:00 p.m., in preparation for next week's Rally Day. The Rally Day will be a Family Group Meeting with all three classes of the MYF taking part in the program. The senior high group is to provide entertainment honoring the Sunday School teachers and workers in the church.

Elroy Wisian, Jr., assisted by Limmy Littleton, presented this week's program entitled "What Shall I Join", an interesting presentation on various club activities for youth.

Following the program the group decided to attend the District Youth Meeting, Saturday, September 14, at Tulla. The meeting is slated to begin at 4:30 p.m. in the local Methodist Church. Everyone planning to attend is asked to bring a picnic lunch.

MID-HIGH MYF

The Mid-High MYF group met Sunday to discuss plans for their participation in the coming Rally Day program. The group decided to prepare a skit to perform at the program.

The program for this week was presented by Jan Cleavinger and dealt with the "Loneliness of Life." Jan discussed six ways to combat loneliness, prayer, meditation, business, facing one's self, doing wrong to make life exciting, and being with a trusted friend. The members were asked to choose which they would take.

Serving the Mid-High MYF as officers for the coming year will be: Kent Coker, president; Carl Sulser, vice-president; Jan Cleavinger, secretary-treasurer; and Becky Littleton, recreation chairman.

JUNIOR HIGH MYF

The Junior High MYF met at 6:00 p.m. Sunday night for

recreation and refreshments. While together, the group worked on their parts of the program for Rally Day, to be held next Sunday evening. The Jr. High group is preparing skits for presentation.

Jo Ann Coker was in charge of this Sunday's recreation. Kim Brock and Pat Cleavinger served refreshments of orange slush and cookies to the following: Kevin Alexander, Bobby Angeley, Kim Brock, Pat Cleavinger, Jimmy Coker, Jo Ann Coker, Paige Gaston, Brad Haley, Shelly Gaston, Scott Lee, Tracy Lee, Darlene Sulser, Vicki Wisian, and Hal Wood.

Sponsors for the group are Mr. and Mrs. Orville Cleavinger.

Mr. and Mrs. M. R. Burton had visiting in their home Sunday their son-in-law, J. D. Barlow from Littlefield, their son, Bill Burton from Lubbock, and a close friend, Mrs. Faye Golden.

Notice

A come and go baby shower, honoring Mrs. Jerle Taylor, will be held in the home of Mrs. George C. Washington, Wednesday, September 18, from 4:30 to 6:00 p.m. Friends and relatives are cordially invited to attend.

Pictures of pre-school children will be made Tuesday, September 17, on the stage of the school auditorium, beginning at 8:00 a.m. The cost of the pictures will be the same as the regular school pictures, \$3.00 per package.

The planning session for all Girl Scout and Brownie leaders, to be held in the Bob Belew home Monday, September 23, has been changed to 1:00 p.m. the same day, rather than 9:30 a.m., as announced in last week's paper.

The Cub Scouts will hold a pack meeting, Monday, September 16, at 7:30 p.m. in the Scout Hut. Refreshments will be served.

Hello World

Mr. and Mrs. DeWayne Parish of Oklahoma City, formerly of Earth, announce the arrival of a son at 8 p.m., Sunday, September 8 in Oklahoma City. The little lad weighed 6 pounds and has been named Danny Lee. The couple have another son who is 2 years of age.

Maternal grandparents are Mr. and Mrs. Lester Thompson of Olton, Paternal grandmother is Mrs. Vivian Parish of Earth.

Kenneth Wayne Horton tipped the scales at 3 pounds 10 3/4 ounces, as he said "hello" to his proud parents, Mr. and Mrs. Wayne Horton, August 26, in Dallas.

Maternal grandparents are Mr. and Mrs. Howard Cummings of Springlake; paternal grandmother is Mrs. Mae Horton of Plainview.

Mr. and Mrs. R. J. Brock of Earth made a trip to Waco Monday, September 9, to take their daughter, Melodie, to Baylor. Also going to Baylor and riding with the Brocks was Becky Parish.

IT MAKES DOLLARS AND SENSE To Own A ROLL-A-CONE

The Combine Attachment That Really Saves GRAIN SORGHUM—CORN—SOYBEANS

Standing or down, set it for normal or severe conditions. Either way the cones save you money by saving more of your crop. Easily installed on all combines.

Superior to a reel in normal thrashing. No shatter . . . puts irregular high grain in the bin.

Good insurance. If your maize falls into tangles, the cones get it all. Will roll up the "Hot spots" with the standing maize.

Masons and Wives Honored

The Masons and their wives were honored Monday night, September 9, with an ice cream supper and program, given by the Eastern Star. The program, held at the Lodge Hall, began at 8:00 p.m. and followed the regular meeting of the Eastern Star.

Mrs. Fern Bock, worthy matron, and Melvin Bock, worthy patron, presided over the business portion of the meeting which began at 7:30 p.m. Mrs. Bock gave a welcoming address to the Masons and their wives to begin the program. The guests were further welcomed by a song, "Hello Masons", sung to the tune of "Hello Dolly", and presented by Jean Craft. Piano accompaniment was played by Becki Littleton.

The program was then turned over to the Rainbow Girls, who began by presenting Karen Hinchliffe, who gave a reading, Sharla Haber followed with a piano solo, then accompanied the girls on the ukulele as they sang a lovely Hawaiian song, "Pearly Shells". Singing in the ensemble were: Darlene Sulser, Marianne Messer, Karen Hinchliffe, Camille Haber, Mary Nell and Earlene Walker, Becki Littleton, Connie Kelley, Suzie Ruby and Sharla Haber. The Eastern Star concluded the program with a clever skit of a mock Mason meeting. Portraying the worshipful master was Mrs. Fern Bock, other officers were: Mary Clayton, Mary Marrell, Eva Hopping, Oletta Sanders, Lucille Campbell, Joy Runyon, Mayde 11 Simmons, and Ann Kelley.

A variety of home made ice cream and cake was served to the approximately 50 people present.

Homemakers Report On Goodwill Centre

After holding installation of officers only last week, the Young Homemakers began their year by taking charge of the Goodwill Centre, Saturday. Bringing in the best report in several weeks, the group closed shop Saturday evening with \$34.21 in the box.

The workers report that there is still a great need for children's clothing. The supply has not yet met the demand, and any contributions would be appreciated.

Those reporting for work this week were: Linda James, Carol Pounds, Carmelita Murrell and Beverly Taylor.

TOPS Lose 16 1/4 Pounds

TOPS Happy Losers report 16 1/4 pounds lost as they weighed in Thursday, September 5, at the Citizens State Bank annex. Leader Inez Inglis called the meeting to order at 6:30 p.m. with the TOPS pledge and song. Seventeen members were present as Jo Houchin was named queen of the week and Louise Bridge, runner-up for this honor. Odell Bills presented a helpful program on "Helps to Lose Weight". Louise Bridge reached her weight goal and will be a KIW, KOPS - in waiting, for three months before becoming a KOPS.

Jo Houchin was KOPS furthest below her goal. The meeting was dismissed with the Serenity Prayer.

THE 1968 WOLVERINE FOOTBALL SQUAD-is ready for action, with spirits high they will go against the New Deal Lions Friday night. Front row left to right are, Tony Barton, Steve Sanderson, Ricky Enloe, Neil Armstrong, Danny Wheat, Danny Parish, Terry Ott, Jerry Barden, Thomas San Miguel, and Steve Bushy. Top left to right, Hoyt Glasscock, Wayne Henderson, Johnny Eagle, Elroy Wisian, Ricky Byers, Terry Bridge, Gary Haberer, Kelley O'Hair, and Kent Parish.

Wolverines Seek Victory Over New Deal Lions

A suspicious person might be somewhat apprehensive about opening the 1968 football season on Friday, the 13th, the day scheduled for the meeting of the Springlake-Earth Wolverines and the New Deal Lions, but to Coach John Varnell it will just be a day of testing.

New Deal and Springlake-Earth haven't met on the gridiron for at least five years, so it should prove to be an interesting game, as the book of "wins and losses" is opened for another season, and each team is anxious for the first entry to be recorded as a "win."

No matter what the desires of both teams, Friday, the 13th will prove to hold bad luck, falling on one of the team's score-board. Nothing short of a victory will be considered good luck for either team.

The battle will be played at the New Deal stadium, with the opening kick-off at 8:00 p. m.

and the quarterback, number 11. These are two of the boys the Wolverines will be watching closely. The Lions throw well and receive well, and basically run the power play.

In comparison to his own team the coach said the teams were pretty evenly matched, with the Lions having a slight edge in the weight and experience departments.

The Wolverines will board buses for New Deal about 5:00 p. m., after receiving a send-off from the students at the 3:45 pep rally.

There are 45 boys out for varsity football this year. They are: J. Barden, HB, 175 lbs, sophomore; T. Barton, HB, 175 lbs, sophomore; S. Bushy, HB, 150 lbs, junior; N. Armstrong, HB, senior; R. Enloe, HB, 150 lbs, sophomore; E. Barnes, HB, 150 lbs, freshman;

Jr High Band Elects Officers

Members of the Jr. High Band elected their leaders for the year in an election held this week, during the regular band period. Serving as officers for the sixty member group are: Toni Sanders, president; Rene James, secretary; David Wheat, historian; Denise Temple, librarian; and Larry Thomas, uniform manager.

The band began marching the first day of school, for the first time. The group will have a deadline to meet as they learn to march and play simultaneously. The fans will see the results of all the hard work when the band performs a joint show with the High School Band at the last football game.

The group will receive the old high school uniforms next month as they prepare for their first performance.

THE WOLVERINE "B" SQUAD-Looks mighty strong this year and will be able to give the varsity good backup power. Bottom row left to right Edress Barnes, Thomas San Miguel, Efrim Zambrano, Frank McNamara, Danny Templeton, Danny O'Hair, Mike Hedges, John Kelley, Kent Coker, Sam Matlock, and Weldon Eagle. Top row, Kent Sanderson, Mike West, Junior DeLaGarza, David Wisian, Danny Haberer, Monty Winders, Billy Ray Thomas, Eddy Alair, Johnny Dale McNamara, Mike Cleavinger, Chris Brock.

BANK NOTES by Malcolm

DID YOU KNOW...

THE FIRST U.S. COIN TO BEAR A PORTRAIT WAS THE LINCOLN PENNY THAT APPEARED IN 1909. ON THE 100TH ANNIVERSARY OF THE GREAT EMANCIPATOR'S BIRTH, ON THE 150TH ANNIVERSARY OF THE IMPRESSION OF THE LINCOLN MEMORIAL WAS ADDED TO THE REVERSE, GIVING OUR "COPPER" THE DESIGN IT STILL HAS.

ONE OF THE TITLES OF JUNO, THE ROMAN GODDESS WAS JUNO MONETA, JUNO "THE WARNER". ROMAN COINS WERE PRODUCED IN THE TEMPLE OF JUNO MONETA, WHICH BECAME THE ANCIENT CITY'S BANK, AND THAT'S WHERE WE GOT OUR WORDS "MINT" AND "MONEY"—FROM A ROMAN GODDESS!

Public Notice

Persons going into the other Colonies may be supplied with any number of counterfeit copies for the price of the paper per Bank. They are so ready and nearly untraceable that there is no chance in getting them off, to being almost impossible to discover that they are not genuine. This has been proved by Bills to a large amount which have already been successfully obtained. Express for Q.E.D. at the Culture House, from 11 P.M. to 4 A.M. during the present month.

CONTEST RULES

MUST BE TURNED IN TO EARTH NEWS SUN BEFORE 4 PM FRIDAY SEPTEMBER 20

The teams that are playing in this week's contest games are listed side by side in the official entry blank on this page.

Use the handy entry and mark out the teams you predict to lose. Print the scores you predict in the tie-breaker game in the spaces provided.

Each week's entry must be turned in or mailed to the Earth News-Sun office. Contestants are given a week to prepare and turn in their entries.

Entries must be in by 4:00 p. m. Friday or postmarked on that date. All late entries will be discarded.

In case of ties, a coin will be flipped to determine the winners.

Each week the number of games correctly predicted will count toward each contestant's season total. The person picking the most games correctly for the entire season will receive the grand prize. In the event of a tie on the season total, a coin will be flipped to determine the winner.

The weekly prizes will be given to the persons picking the most number of games for that week. The tie-breaker will count as one of the games picked, and the predicted scores will be used to determine the top three places in that week's contest, if necessary.

Only one entry per person is allowed.

Junior Hi Begins Season September 24

The Springlake-Earth seventh and eighth grade teams will open their season Tuesday, September 24, against Dimmitt. The opening kickoff will be at the Wolverine Stadium at 5 p. m.

The seventh grade team of 1967-68 recorded a 6-2 record for the season, losing to Sudan and Friona. The team will be out to beat that record when they take the field a week from Tuesday.

The Wolverine eighth grade team brought the honors of district champions home to Springlake-Earth last year, and the team this year is out to do the

same. Both teams will be playing essentially the same schedule this year as last with the addition of Vega.

Coach Bell named as outstanding on the eighth grade team: Nicho Triana, a fullback who was named outstanding 7th grade athlete last year; Larry Thomas, quarterback; Bobby Angeley, left halfback; Brian Sanderson, right halfback who was moved from the end position; Kevin Anderson, center; Barry Pittman, center and guard; Guy Davis, moved to end; Kent Lewis, at guard; Lindell McNamara, tackle and

guard; Aaron Scheller, right tackle; Monty Price, tackle; and a new boy Billy DeBusk at end and halfback.

On the seventh grade team Coach Bell named ten boys as the ones to watch this season. They are: David Wheat, quarterback; Pat Hedges and Hal Wood, halfbacks; Margarito Herrera, Jr., fullback; Brian Britton and Lennie Henderson, linebackers; Jimmy Coker, center; Brad Haley, Allen McClure and Dickie Bradley, linebackers.

The teams will run a pro-type T formation against their opponents.

WOLVERINE COACHES-Are hoping for a victory over a strong New Deal Lions squad Friday night. A game such as this one will usually be won by the squad making the least mistakes. Pictured left to right are Mike Purcell, line coach and head coach John Varnell.

Soybean Growers Vote 1/2¢ Bushel Payment For Market Development Program

HUDSON, Ia.—Soybean growers landed a solid counter-punch to the nose of a threatened soybean surplus by voting to voluntarily contribute 1/2¢ per bushel on their 1968 crop to launch the first step of an aggressive, coordinated market development program.

Contributions by agribusinesses concerned with keeping the soybean industry off the ropes plus an increased membership base are the two other "Phase I" segments of an offensive approved by vote of the American Soybean Association members at the 48th annual convention in New Orleans.

The same resolution encourages implementation of immediate financing on a state-wide basis by affiliated state soybean associations.

After considering needs for immediate financing voters at the meeting, present in record numbers directed ASA's board of directors to promptly formulate a "national united plan" for financing a long-range program.

The long-range plan urges all U. S. soybean producers to "invest not less than 1¢ per bushel of their product on a self-help program to be administered by the American Soybean Association."

A lively debate in the open business meeting centered on the present \$2.50 per bushel soybean price support. Divergent views were fully aired and an amendment to lower the support level was defeated. ASA's position favoring continuation at the \$2.50 level was adopted.

Art Festival Slated In Littlefield September 13

On Friday, September 13, the 2nd annual Littlefield Sidewalk Art Festival will be held from 5 p. m. to 8 p. m. on the West side of Phelps Avenue. This festival is sponsored by the Women in cooperation with the Chamber of Commerce and the local art associations of Littlefield.

There will be two divisions, one for paintings and one for arts and crafts. Prizes will be awarded as follows: Arts and Crafts, 1st prize \$15.00; paintings, 1st prize \$25.00; 2nd prize \$15.00; 3rd prize \$5.00. Selection of winners will be by popular vote of those viewing the exhibits. Votes will be

tabulated until 7 p. m. and the announcement of winners made at that time.

Registration for exhibits will begin at 4 p. m. in the 500 block of Phelps Avenue. There is no limit to the number of exhibits that may be entered, but each exhibitor must furnish his own display stand. Anyone under 18 years old may exhibit on a noncompetitive basis and is encouraged to do so.

Sandwiches, cakes, drinks, etc. will be available at a food booth.

In case of inclement weather, a building will be available for the exhibits.

STEPPING OUT TO SERVE—The Freshman class are officers, front row, Marion Dawson, treasurer; and Becky Littleton, secretary. Back row, Bruce Bridges, vice-president and Mike Cleavenger, president.

Our Working Trip To North Dakota

By Ernest and Velma Baker

We left for Emerado, North Dakota, on Thursday, August 22, and arrived in Grand Forks on Saturday afternoon, the 24th. Sunday morning we drove to Emerado for the morning services.

The Calvary Baptist Church of Emerado is located about a mile from the Grand Forks Air Force Base. Therefore, it has a membership made up largely of Air Force personnel. The people were most gracious and most eager to learn. They showed their enthusiasm through their attentiveness and responsiveness.

Bro. Bob Bundick is pastor there and was our host. He gives good leadership to this growing church, as he ministers to a people who move to different points all over the world, where they in turn minister to others.

The church membership is a revolving membership, as the military personnel move out to Vietnam or other military areas, or to retirement. As new military personnel moves in, Bro. Bundick is kept busy visiting

and enlisting new members. Ernest taught the book "A Church Organized and Functioning" to the adults. I led the nursery, beginners, and primary workers in a course on methods. There was an average of one hundred in attendance each night.

Upon concluding the study course, we drove north to Winnipeg, Canada, and then turned east to Kenora and drove through the Lake of the Woods. The country was beautiful and made us feel we were in the mountains, but the elevation was only about 2000 feet.

We re-entered the United States at International Falls,

Minnesota. We traveled to Iowa and visited friends. We arrived back in Spring Lake on Wednesday night, September 4, after being gone two weeks and driving over four thousand miles.

We truly enjoyed working in the church that ministers to an Air Base of eighteen thousand people. The Lord willing, we hope to go back there sometime and work in the church again.

Mrs. J. R. Fowler, sister of Mrs. Wayne Rutherford, underwent surgery Monday morning at the University Hospital in Lubbock, Tuesday, her condition was satisfactory.

Mrs. Minnie Parish Presented Award At Meeting

Mrs. Minnie Parish of Earth was awarded a Membership Roll of Honor Certificate at the meeting of the Lubbock affiliate #26 of Texas Hairdressers and Cosmetologists Association, which met at the Security State Bank of Littlefield, Monday night, September 9.

Mrs. Parish's award was presented at the local meeting on behalf of the National HCA, during National Beauty Salon Week. She was so honored because of her service and interest in the professional association, in Houston last week.

Mrs. Slover Attends Sorority Meeting In Muleshoe

Mrs. Marie Slover of Earth attended the Epsilon Delta Chapter meeting of the Delta Kappa Gamma Sorority in Muleshoe, Saturday, September 7. The Chapter is an Honor Sorority for women teachers from Oton, Littlefield, Muleshoe, Sudan, Springlake-Earth and Amherst.

The business meeting began at 7:00 p. m. following a salad supper. Mrs. Daphne Smith of Littlefield, president, presided, as committee chairman were assigned. Mrs. Slover was named hospitality chairman from Springlake-Earth and was also assigned to the publicity committee. This committee is responsible for a program entitled "Work Toward Better Publicity" to be given at the regional meeting in Amarillo, October 12. The regional meeting is slated for 9:00 a. m. at the Bonham Jr. High School.

The program for the evening was on "How Much Do You Know About Your Organization?" and was presented in the form of a quiz program. The members were asked to choose sides, then compete to answer questions about their organization. Prizes were mints and nuts; "mints to the smart and nuts to the nutty."

The meeting was held in the home of Mrs. Ed Johnson of Muleshoe, who also acted as hostess for the evening.

Beta Sigma Phi Enjoys Program On Oratory

Listening and studying speeches was the highlight of the Beta Sigma Phi meeting Tuesday night, September 10. After presiding at a short business meeting, president Mary Williams presented the program. The members were asked to listen closely as the "Gettysburg Address" and "Liberty or Death" was played from a record by Orsen Wells. The group then held a discussion of the speech presentation and contents.

Susy Randolph was hostess for the evening and served pineapple and pecan pie, with Coke and Dr. Pepper to the seven members present.

SERVING AS OFFICERS FOR THE SOPHOMORE CLASS—Are left to right, Tony Barton, vice-president; Jan Cleavinger, secretary; Jerry Lynn Barden, president and Jennifer Myers, treasurer.

Lara Snow GA's Observe Week Of Prayer

The Lora Snow GA's met at the church to observe a week of prayer for state missions.

The meeting was called to order by Mary B. Marshall, in the absence of the president. The group repeated the Star Ideals, the Watchword, and the GA Allegiance, in unison. Barbara Lanier read the prayer calendar, and Mary B. Marshall led the prayer for the missionaries.

Each girl was assigned a part on the program. After several minutes of study and meditation they told the story of missions along the Rio Grande River.

The girls then played their version of the TV game Jeopardy, calling it G-A-pardy. The questions and answers were based on the program. The GA's discovered that people living without Christ in their hearts are truly living in "Jeopardy." By giving of their money and prayers, the girls found they, too, could have a

part in this great river ministry. Refreshments were served by Eliza Barnes and Margaret Rivers to the nine members and three visitors present.

We who have faith in God, know that His power is at work. We believe that no circumstance or condition is beyond God's power to heal and help. Let's not be impatient with the progress of others, for like ourselves, they too are growing and filled with the Spirit of God.

Earth WMS Observes Prayer Week

The Week of Prayer began this week for the WMS of the First Baptist Church in Earth, Monday.

Theme for the week was "Rivers of Living Water," study included the State Missions along the Rio Grande River. Programs each night Monday through Wednesday were presented by members of the church. The week of Prayer closes this evening with a special program at the church. Lilly Wuerflein was prayer chairman for the week.

Monday night's program was presented by Mrs. R. S. Cole and was entitled "A City's Mission?" Mrs. Cole discussed the First Baptist Church in Ysleta, of the El Paso Association.

The church with over 500 average attendance in Sunday School has seen the vision of the work that needs to be done in that area, and has begun that work by sponsoring three missions in Mexico.

Mrs. Cole reported that the church budget provided for an emergency medical fund, a mission bus, and all equipment needed by the missions.

The program Tuesday night was opened with Bro. Baldwin leading the group in song, while Jean Craft provided the piano accompaniment.

Mrs. Baldwin gave the meditation entitled "Stagnant Waters." The program was then turned over to Bro. Mendoza, who showed slides as he spoke of his experiences working in Mexico.

Janita Blackburn gave the closing prayer.

The Brotherhood of the church was in charge of the program for Wednesday night.

"Men of the River Ministry" was presented by Rex Clayton, Hershall Hulcy and R. S. Cole and Dwayne Maserang. "What Mean the Stones" was presented by Bill Anderson.

The Week of Prayer program will conclude tonight as Mrs. Terry Crisp, a student at Springlake-Earth school, tells of the experiences she had this summer while spending a week along the Rio Grande.

Girl Scouts & Brownies Treated To A Party

The Girl Scouts and Brownies were treated to a party by Mrs. Wayne Davis, Mrs. Sam Barden and Mrs. Fred Kemper, Tuesday, September 10, in the Boy Scout Hut.

Thirty-seven second and third grade girls enjoyed songs and games and refreshments of ice cream cups.

Mrs. Kemper conducted a short business meeting with 22 mothers present. The ladies discussed the new Brownie leaders and days they were to meet.

Mrs. Don Taylor and Mrs. J. B. Thomas will have a troop on Tuesday. Mrs. Doug Lewis and Mrs. Neil Pounds will have a troop on Wednesday afternoon.

Mrs. Sam Barden and Mrs. Wayne Davis will meet with the Springlake troop at the community building on Monday afternoon.

Other girls interested in joining the Brownies are asked to contact Mrs. Kemper through the Brownie leaders.

Sorghum Midge Causing Damage In Lamb County

Population of sorghum midge have now reached damaging levels in Lamb County, reports County Agricultural Agent Buddy C. Logsdon.

Fields of grain sorghum which have not yet completed blooming will need insecticide treatment in order to prevent yield losses from midge damage, emphasizes the agent.

First application should be made when 90 percent of the heads have emerged from the boot stage. A second application will be needed about three or four days after the first application. If pollination is still occurring, a third application or even possibly a fourth will be required. Extension Entomologist have noted an average of five adult midge per head in blooming sorghum in Lamb County.

Producers can determine whether or not to spray for midge by inspecting their fields, which are blooming, at least once each day for adult midge activity, explains Logsdon. Or they can follow an insurance method. To insure against losses due to the tiny insect, producers can begin an automatic spraying program and follow the schedule of application above.

Take Inside Look at Patio View

A patio is doing only half its job if you can't enjoy it from inside the house.

While a patio's prime purpose is to lure folks out-of-doors—whether for a breath of air, a lazy day's relaxing, or a fresco entertaining—there's no reason why it can't be fun even when it's not in use.

To do a full-time job, the patio should be a house extension. It should open a room—or a whole side of the house—to the outdoors. In terms of interior design, an attractive patio view can be the focal point of a room. If you're busy with indoor chores, or the weather is inclement, an outdoor view can be the pause that refreshes.

Whether a patio offers all these assets depends on the proper selection of windows and doors. As entries, stock patio doors of ponderosa pine are a popular choice. Their expansive glass area gives a wide, uninterrupted view, they slide open for convenient access, and they're attractive. The wood sash is a decorating bonus, since it can be painted different colors inside and out to blend with interior and exterior decors.

Visibility should be a deciding factor in choosing patio windows. A series of casements or sliders, or awnings or hoppers stacked from floor to ceiling, give the widest possible view. These windows also offer maximum ventilation and easy operation.

Insulating glass is recommended for patio windows and doors. It's obtainable with all stock units of ponderosa pine, and offers the best safeguard against heat loss and condensation. Tempered insulating glass is also available as an added safety factor in patio doors.

Patio beauty should never be hidden. Here, stock ponderosa pine patio doors which slide open for easy access and have a wide glass area, were used to open the house interior to a rustic outdoor view. The doors are readily available at local lumber dealers.

Immunization Against Communicable Diseases To Be Surveyed Here

Families in this area will be asked about immunizations against smallpox, polio, diphtheria, whooping cough, tetanus, measles and mumps by Census Bureau interviewers during the week of September 16, Director Francis H. Wilmer of the Bureau's Regional Office in Denver announced.

The interviewers will inquire about immunization of adults against smallpox and polio and the immunization of children against all these diseases. This is an annual survey sponsored by the U. S. Public Health Service.

Questions about immunization will be in addition to the Bureau's monthly survey of employment and unemployment for the U. S. Department of Labor.

The survey will cover a scientifically selected sample of households throughout the U. S., and the identity of the households is confidential. Information obtained in the survey

will be used only for statistical purposes. The census interviewer who will visit households in this area during September 16-21 is Mrs. Rosemary McNeese of Amherst.

32.8 Miles Of Road Construction In Lamb Is Slated For 1969

The Texas Highway Commission approved the expenditure of \$87,800 for highway safety and betterment and for Farm to Market Road improvement in Lamb County during 1969.

District Engineer Oscar L. Crain of Lubbock said that a total of 32.8 miles in Lamb County will be involved in the annual program. Work will be under the supervision of James W. King, District Maintenance Engineer, of Lubbock.

The work is part of the Highway Commission's combined Farm to Market Road Improvement and State Highway Safety and Betterment Program for 1969.

The safety and betterment portion of the program will cover 32.8 highway miles in the county at an estimated cost of \$87,800.

Mr. Crain stated that the proposed improvements play an important role in the Department's continuing highway safety program.

He said that the types of work included in the program includes seal coating, surface widening, base strengthening, and resurfacing and rebuilding of shoulders.

In Him all things were created, in heaven and on earth, visible and invisible. —(Col. 1:16).

To identify ourselves with God, to know that within us is the fullness of His love and wisdom, is to begin to feel a release from all the burdens of life. Our needs are fulfilled as we live in the realization of our oneness with God. The answer to our desires for life begin to reveal themselves.

Mrs. D. M. Allen was visited this weekend by her sister-in-law, Mrs. Velma Jones, from Lubbock.
