

## PORTRAIT OF AN ATHLETE -CLIFF WOOD

BY: COACH ART KARGER

Cliff has been one of the young men that has played on the varsity since his sophomore year.

He is the kind of athlete that every team needs. He was our 6th man and could play either guard or wing. Cliff was one of the better shooters as his percentage was around 53% from the field. His free shot percentage was even better at 57%. Cliff averaged 6.0 points a game through 27 games and played the role of a 6th man.

Cliff is a very good all around athlete as he played football and is the defending district champ in doubles with Randy Latham in tennis. As a member of the basketball team, Cliff was a good hustler and could rebound fairly well for his size at 5'10".

As an example, he is presently pole vaulting for Springlake-Earth and has cleared 12'3" this year.

Cliff's durability as a two way player, guard and wing, will be missed next year as well as his experience to play with pressure.

Cliff was another valuable member to our basketball team this year.

## PORTRAIT OF AN ATHLETE -LEE BROWN

BY: COACH ART KARGER

Lee was another member of the group that was a varsity member as a sophomore. Lee was also very interchangeable, as a post and a wingman for 2 years. He played outside most of the time as a wing. Lee was later moved to post as a back-up and even started many

## Major League All-Star Team Selected

The Major League All-Star team was selected following the game Tuesday night. The All-Stars will play a practice game at 5:30 p.m. Friday night at Sudan.

The ten All-Star players chosen were Lance Phelps, Hector Flores, Sam Ott, Troy Warren, Roy James, Mark Parish, Lorenzo Monreal, Dusty Stovall, Dave Cleavinger and Arlie Ellis.

games there. Lee is one of the most sound, fundamental wise, basketball players on the team this year. He averaged 5.0 points a game and 4 rebounds, as he played in 20 games this year. He did a good job blocking off and playing defense as well as on offense. He would have to face taller players from the position he played and did a good job at it.

Lee was a very good 6th man also, as he could play either post or wing. His ability to interchange will also be missed.

The coaches from the teams made the selections. The selections were hard to make as the boys have all played good games and put forth much effort in team play and practiced good sportsmanship throughout the season.

## Officers Named, Girls Little Dribblers Organized Tuesday

Bill Scott was named president of the Girls Little League Dribbler Association, when approximately 100 people met Tuesday night in the school auditorium for an organizational meeting.

Other officers named were Otis Ray King, vice president, and Mrs. Don Randolph, secretary and Mike Caudill, as player representative.

57 girls have signed up to play during the forthcoming league play. Other girls interested in playing must sign up before the deadline, which is March 29.

There will be 8 teams. Four Major league teams and four Minor league teams. The teams will begin practicing on March 29. The first games are slated for April 6.

The charter fee is \$80 and insurance for the girls will cost \$100. The concession stand will be operated in order to provide funds to help buy supplies.

This year, both the Little Boy Dribbler teams and the Little Girl Dribblers are privileged to have smaller goals, instead of the regular large goals. Walter Lackey spent long hours to build the little goals for the Dribbler teams.

Major league coaches will be Harold Britton, Pat Eagle, Debra Freeman and Helenda Seay. The Minor league coaches are Billy Jean Fields, Mrs. Gayland Stephens, Mrs. Jerry Carpenter and Mrs. Janna Parish.

Donnie Clayton was president for the Girls Little Dribbler Association last year. Clayton did a splendid job and was always present to assist in any way he could to help the league.

The girls are expected to have a splendid season, with much interest devoted to the Little Dribblers.

Others placing in the boys division from Springlake-Earth were, discus, Randy Bills, 4th, 126'11" and Brad Bridges, 6th, 123'1".

Shot put, Randy Bills, 6th, 41'1".

440 relay, B. Houston, T. Hood, L. Dear and M. Barton, 4th, 45.8.

1 Mile relay, J. Fulfer, T. May, L. Dear and T. Thomas, 4th, 3:41.6.

440 dash, J. Fulfer, 4th, 53.9. Mile run, F. Samarron, 6th, 5:17.0.

The girls will participate in the Olton Meet Saturday.

The boys will travel to Floydada for a Track Meet Saturday.

## Red, Blue And Orange Teams Win Tuesday

March 11, the Red and Yellow teams hit the court with determination to give the game their all. Both teams were equally determined to be winner and to play the game all the way with zeal.

The teams were equally matched in talent. So they clashed from the beginning.

first the Red, then the Yellow team scored points.

The game was great all the way, but with the final signal, the Reds had a 4 point lead to make them victorious 19-15 over the Yellow team.

MAROON LOSES BY 1 POINT TO THE BLUE TEAM

## Little Dribblers Thrill Spectators, Green, Orange And Maroon Teams Win

The Little Dribblers met Thursday night for three games. They thrilled their spectators as they clashed, each player met his opponent with all the talent he could muster in an attempt to aid his team in winning a victory.

The Green and Red teams played first. The game was neck to neck all the way, until the buzzer sounded no one could predict the winner as the score was so close all through the game. However, as the whistle sounded the Green team was one up on the Red team and the game ended 18-17 in favor of the Greens.

The Orange and Blue teams took the court next. They pranced out and were hard to hold, for they were ready to go. Each player was making good team plays throughout the game.

The winner was again hard to predict as the score board was up and down on both sides, but continued to stay within a few points all the way. The boys

and Maroon teams clashed Tuesday night, both displaying good sportsmanship and the love for basketball. The game was anyone's game all the way. But as the final buzzer sounded the Blue team had scored 23 points to the Maroon teams 22.

ORANGE TEAM WINS BY 11 POINTS

The Orange team and Purple team met Tuesday night with both teams playing hard to win. Somehow the Orange team grabbed the lead and kept racking up points. The Purple team tried hard to gain the lead but found it impossible to break up the winning streak that the Orange team seemed to have. The game ended with the Orange team scoring 28 points and the Purple team 17.

all played a fine game, but the Orange team took a two point victory over the Blues. The game ended 28-26.

The Maroon and Purple teams brought in the last game. The Maroon team had one of "those nights" where they couldn't miss. Seemingly without effort the ball found the basket and scored points each time the Maroon team got their hands on the ball.

The Purple team were also having one of "those nights," but their night was an "off" night. They tried, but their efforts to win were fruitless against the Maroons who could do nothing wrong. The Purple team never gave up, they gave the game their best, but with an off night the Maroons were too much for them. The Maroon team won 40 to 19 over the hard working Purple team.

## Party Line

Dinner guests in the home of Mr. and Mrs. Donnie Henderson and Justin Sunday, March 14, were Mrs. Grace Stovall and children, Garland Jr., Dusty and Carla Marie and grandson Ricky Crofford. Also Richard Ballesteros, Mike Corral and Danny Garza. Dropping by in the afternoon was Mrs. Jeanne Clayton and daughter Karen.

After dinner, the group gathered to watch the movie "The Wizard of Oz" which has been traditional for the Stovall family since the children were all small.

IN 1974, life expectancy at age 40 reached a new high of 30.9 in the United States, 27.8 years for men and 34.0 years for women.

## "Aztec Medicine- Empirical Drug Use"

Aztec medicine is more rational than previous studies have indicated, according to Dr. Bernard Ortiz de Montellano of the University of Wyoming at the recent First Chemical Congress of the North American Continent.

Aztec medical beliefs were a mixture of science, magic, and religion, but in recent years investigators have emphasized the magical component. Approximately 70% of the drugs studied would produce the desired effects, when allowances are made for Aztecs' beliefs about the causes of illness. They were astute and accurate observers of plants and their effects on man and had an extensive system of botanical nomenclature, Dr. Montellano explained.

Mexican and Mexican-American folk medicine has endured. Some of the possible reasons are: (1) these remedies are considered valuable because they alleviate the symptoms of diseases; (2) some of the medi-

cines are actually effective by modern standards; (3) these remedies may be the only ones available because a person is poor, or he lives in isolation, or there is maldistribution of medical resources; (4) the population is conservative and resists cultural changes.

Since modern folk medicine is a blend of Aztec beliefs and those prevalent in Europe at the time of the conquest, he said, it would be useful to separate the two strands to see which elements have survived in a pure form.

The procedure followed involves selecting plant species described by several of the best sources about Aztec medicine. The chemical components of these species were identified by searching the chemical literature, and the physiological and pharmacological effects of these pure substances were noted. These effects were compared to the effects that the sources of information predicted or that would have made them effective according to native beliefs about the cause of illness. Some examples of the medicines found to be effective follows.

ANNONA CHERIMOLIA (quahzapoti, chirimoya) was prescribed for diarrhea and against poisons. The plant contains tannins which are effective against diarrhea because of their astringent properties. They are also antidotes for poisons, particularly heavy metals, glycosides, and some alkaloids. GUAJACUM SANCTUM (matlat quauhuitl, palo santo) was prescribed for fever, illness of the kidneys, sores, and syphilis. The Aztecs believed that fever was caused by an excess of interior heat. This excess heat had to be brought out of the body in order to cure the fever.

8th GRADE CLASS FAVORITES... were selected this week. The twosome are Carrie Been and Frank Flores.

A variety of methods could be used. One of these was to produce profuse perspiration. Guaiac resin, a diaphoretic, does in effect do this and would be considered effective. Guaiacol has been used as an intestinal antiseptic. Another component, guajaretic acid, is also an antiseptic. The use of this plant as a remedy for syphilis may be a Spanish innovation since the European belief, in the sixteenth and seventeenth centuries, was that syphilis was caused by an excess of phlegm and one of the indicated remedies was diaphoretic. Palo santo was enthusiastically adopted as a cure in Europe in the sixteenth century.

The Aztecs believe that a group of diseases among them epilepsy and the "ill effects of lightning strikes and ill winds" resulted from an excess of phlegm pressing on the heart. Mental processes were believed to reside in the heart rather than the brain. TAGETES LUCIDA (yauhtli) is one of the plants often prescribed for these illnesses. In the past, the use of this plant was explained as part of a magic ceremony. However, the logical cure, assuming the cause given by the Aztecs, would be removal of excess phlegm. This could be done by an emetic, diuretic or diaphoretic. T. LUCIDA is an effective diuretic and thus would

be a logical remedy for the illnesses described.

The method has significance apart from the specific application to Aztec medicine. This technique, particularly the use of native beliefs about the cause of illness, can be used to evaluate the empirical content of medicine in other cultures. The accuracy of the description by the Aztecs of the effects of the plants in this study also raises the possibility of using their descriptions as clues for the chemical investigations of new plant species.

DODD COMMUNITY

AWARD WINNERS... Mrs. Lillian Hamilton and Mrs. Gladys Parish

Our yearbook rated 108 points out of a possible 110 points. Our local scholarship of \$250 to a Springlake-Earth graduate each year is above many of those given by much larger clubs.

Town and Country Club contributes to ten charities plus the local scholarship, two state federation scholarships. Girlstown U. S. A. which is a district project, area convalescent homes and Texas State Mental Center at Vernon. Without the help of our com-

munity friends who have supported us by buying pecans, we could have done none of the above projects. We are grateful for your loyalty.

The State Texas Federation of Women's Clubs will convene in South Park Convention Center in Lubbock April 27-30. Everyone is welcome to attend.

Those attending the district convention from Earth were Mrs. Marie Ross, Mrs. Zella Mae Rutherford and Mrs. Gladys Parish.

## 92 ATTEND THE EVENT

### Albert Scheller Honored On 78th Birthday

Albert Scheller of the Dodd Community was happily surprised Sunday with a birthday party in honor of his 78th birthday. The event was held in the home of Mrs. Dorothy Chance, with the help of Patsy and Kimberly Chance.

There were 92 people present for the event which was hosted by his children, grandchildren, nieces, nephews, and great grandchildren. There were some who came from Kaneo, Hawaii, Arizona, Arkansas, Kansas, New Mexico and Texas.

A delicious dinner was served with meats, desserts, vegetables and salads of all kinds.

Following dinner the afternoon was spent visiting, taking pictures and playing games.

Six of the honoree's seven daughters were present for the event. They are Mr. and Mrs. Marvin (Mary) Bogard and Billy of Magazine, Arkansas, Mr. and Mrs. J. D. (Grace) Anderson, David, Stephen and Danny of Summerfield, Texas, Mr. and Mrs. Carl (Martha Lou) Ozment and Kenny of Phoenix, Arizona, Mr. and Mrs. Bozie (Kathie) Anderson, Cindy, Becky and Malcom of Panhandle, Texas, Mrs. Patricia Cool, Randy, Kelly and Laura of Chanler, Arizona, and Mrs. Linda Barnett Emmett, Donna and Roger of Borger, Texas.

Also four of the five sons and families of the honoree were present. They are Mr. and Mrs. Barney Scheller, Scott and Jason of Muleshoe, Mr. and Mrs. Wayland Scheller, Kerry, Kevin and Stacy of Panhandle, Mr. and Mrs. Bobby Scheller, Larry, Cris and Jerry of Liberal, Kansas, Mr. and Mrs. Jackie Scheller, Sharon, Doug and Ronda of Borger, Texas.

Others attending included Mr. and Mrs. Forrest Collins, Mrs.

Oma Mick, all of Earth, Wayne and Becky Beggs of Magazine, Arkansas, Mr. and Mrs. Claud Miller, Jr., Vicci, David, Joan and Kathy of Portales, New Mexico, Mr. and Mrs. Aaron Scheller of Muleshoe, Mr. and Mrs. Gary Hunt, Katrina and Shawn of Odessa.

Also Mr. and Mrs. Leonard Holt, Duggan and Jonathan of Amarillo, Mr. and Mrs. Jean Fuston, Jeff, Kyle and Kacey of Turkey, Texas, Mr. and Mrs. Oscar McNabb, Randy and Stephanie of Spanette, Texas, Mr. and Mrs. Allen Womack of Amarillo, Mr. and Mrs. James Sanders, John and Ron of Portales, New Mexico, Mrs. Theresa Reining and Keith of Panhandle, Susan Anderson of Dimmitt, Sgt. Jerry Anderson of Kaneo, Hawaii, Mr. and Mrs. G. Keller of Earth, Geraldine Chandler of Portales, New Mexico, Debbie Jones, Needmore, Ronny McGowan, Springlake.

Also many other grandchildren and great-grandchildren attended the birthday celebration.

### United Methodist Women Meet For Program - Luncheon

The two circles of United Methodist Women met Monday night in the fellowship hall of the United Methodist Church for a joint meeting and salad supper.

The program "United Methodist Women in the Middle of Tomorrow" was brought by Mrs. Bettie Sulser and Mrs. Mattie Axtell. They told of the history of United Methodist Women's organization from the early 1800's to the present day. Mrs. Beulah Newton, presented the local United Methodist Women's work since their organization in 1933 to the present time.

Statistics from the program determined that 54% of the women in the church are workers, and 1-3 of the monies that go into all the church organizations are raised by women.

The meeting opened by all the ladies joining hands and forming a circle around the serving table and singing the blessing for the evening.

The benediction was given by Mrs. Bettie Sulser.

Those present were Mrs. Ed Dawson, Mrs. Norman Sulser, Mrs. Gladys Goodwin, Mrs. Lena Grace Griffin, Mrs. Bill Watson, Mrs. J.J. Coker, Mrs. Junior Holland, Ruby Jones, Mrs. Ida Allen, Mrs. Beula Coker, Mrs. Mattie Axtell and Mrs. Beulah Newton.

### NOTICE

All parents and boys interested in Cub Scouts are invited to meet at 6:30 p.m. Tuesday, March 23 in the Earth Community Building for an organizational meeting.

STORING DISHWASHER detergent in an upper kitchen cabinet rather than under the sink helps keep the detergent dry and prevents lumping. It's also important because this location keeps the cleaning product safely out of reach of curious children.

# Local Rainbow Chapter Has 30th Birthday Celebration Monday Night

Under the leadership of Pam Eagle, Worthy Advisor and Mrs. Pat Jordan, Mother Advisor, the Earth Rainbow Girls held a regular meeting Monday, March 15 at 7 p.m. Following the brief opening and closing ceremonies, the Worthy Advisor invited the large group of guests and parents to enter for the special 30th birthday program honoring Past Mother Advisors, Past Worthy Advisors and Board members.

Following the welcome address the Worthy Advisor instructed Sister of Faith to prepare the fictional 30th birthday cake. Sister of Faith read the ingredients for the bottom layer of the cake which consisted of the date 1946. She added in Rainbow Girls, Masons and Eastern Stars to the layer. She gave the instructions to blend together hard work, courage and faith. Add generous amounts of love and service, cream in some laughs and fun, as you carefully fold in memories. Bake the cake slowly with a touch of kindness and decorate with beautiful friendships along the way.

Sister of Charity then placed the large white covered box representing a cake in the east on a large white covered board trimmed in net ruffles representing a cake plate.

The first officers were then recognized. They were Mrs. Jean (Wilson) Haberer, First Worthy Advisor, and Mrs. Lajuana (Kelley) O'Hair, First Grand Officer and Mrs. Myrtle Clayton, First Mother Advisor. Mrs. Anita Taylor, Amarillo; Mrs. Donita Clark and Mrs. Bonnie Jaques of Lubbock sang "May You Always." The trio was accompanied on the piano by Mrs. Sharon Tunnell.

As the Color Stations placed flowers at the base of the cake the following groups were recognized: Past Mother Advisors and Board Members, Past Worthy Advisors, Past Grand Officers and Rainbow Girls in the 1940's; also Rainbow Girls in the 1950's; Rainbow Girls in the 1960's; and Rainbow Girls in the 1970's as

MRS. DONALD (ANN) KELLEY... is shown looking a bit surprised as the local Rainbow, Eastern Star and Masons honored her for her outstanding leadership with the Rainbow Girls throughout the years.

well as the present Rainbow members and their parents. The ingredients for the second layer of the birthday cake consisted of the 228 Rainbow Girls, blended with 90 Past Worthy Advisors, and 25 Mother Advisors. Decorated with 8 Rainbow Girls who later became Mother Advisors adding 16 former Rainbow Girls and their 24 Rainbow daughters and 15 Past Grand Officers.

Sister of Hope then added the second layer to the cake in the East as Karen Huley sang "Sunshine Over My Shoulder" in honor of all who have worked in Rainbow. She was accompanied by Mrs. Jean Craft. The Worthy Associate Advisor added the third layer decorated

with green and the letters 30th. Next the drill leader added the large birthday candle thus completing the birthday cake.

Sister of Faith continued the cake making story, she said, by carefully preserving all previous ingredients and adding new ingredients along the way. This cake should last another 30 years. Be sure to serve it with song and laughter.

Stephanie Parish and Stephanie Tunnell presented a flute and clarinet duet entitled "Somewhere Over the Rainbow." They were accompanied in the piano by Mrs. Sharon Tunnell.

Mrs. Lajuana O'Hair was in charge of the program that followed. The Eastern Star membership honored Mrs. Ann Kelley, Past Mother Advisor with a skit entitled "This is your Life," and presented her with a gift.

Those participating in the skit were: Mrs. Cecelia Goodwin, Mrs. Joy Runyon, Mrs. Beth Kelley, Mrs. Jean Haberer, Mrs. Barbara Lewis, Mrs. Mary McIntoe, Mrs. Myrtle Clayton and Mrs. Helen Huley. Narrator was Mrs. Lajuana O'Hair. Karen Huley sang a song and Fonda Goodwin read a poem

for the Past Mother Advisor. Her three daughters, Annita, Donita and Connie closed with a song.

Refreshments of cookies and punch were served to 14 Rainbow Girls and approximately 60 guests and parents.

Out of town guests were: Mrs. Myrta Lee Weems, Clovis, New Mexico, Mrs. Margaret Riddle, Plainview, Mrs. Laura (Northcott) Bartlette, Bovina, Mrs. Norma Clayton, Littlefield, Mrs. Lois McEachern, Grand Visitor and Freda McEachern, Plainview, Mr. and Mrs. Doug Taylor, Amarillo, Mr. and Mrs. David Jaques and Mrs. Roger Clark of Lubbock.

19 Past Worthy Advisor and 9 Past Mother Advisors were present.

Following is a list of ladies who have filled the stations of Mother Advisor and Worthy Advisor during the 30 years of Rainbow here at Earth.

# HD Club Has Program, "One World, Many Places"

Members of the Home Demonstration Club met Thursday in the home of Mrs. Keith Boone for a regular meeting.

Mrs. Ed Biles gave the devotional entitled "Down Memory Lane." The hostess gift went to Mrs. Keith Boone.

The roll call was answered by members naming the largest city they had seen and toured.

Mrs. Keith Boone led the club in a general business session. Mrs. Myrtle Steinbock presented the program entitled "One World, Many Places." Mrs. Steinbock who has been abroad, showed slides of Austria, Switzerland, Germany and Italy. She also narrated the slides and told many interesting things about each country she visited.

Cocoanut pound cake, lime Jello, tuna salad, pickles, crackers, coffee and soft drinks were served.

Those attending were Mrs. Marvel Caruthers, Mrs. R. W. Fanning, Mrs. A. Hollingsworth, Mrs. Myrtle Steinbock, Mrs. T. V. Murrell, Mrs. Ed Biles, Mrs. Keith Boone, Mrs. Leon Foster and Mrs. Hilbert

Wisian. The next meeting will be Tuesday, March 23 in the home of Mrs. Leon Foster at 2 p.m. The program will be on "Making Various Table Decorations."

# Bridge Tourney To Benefit Olton Scouts

Bridge players may join in an evening of competition and fellowship by participating Saturday, March 20 in the bridge tournament sponsored by Cub Scout leaders. Benefits of the tournament will be used to finance a new roof for the Scout house.

Play will get underway at 7:30 p.m. in the community room of Olton State Bank. Cost is \$3 per person and the advice is "bring your own partner."

Refreshments will be served and Cub sponsors promise "something nice" for the champion bridge player.

## Large Texas Cotton Crop Looms Ahead

Attractive cotton prices could mean a big cotton crop in Texas this year.

That assessment comes from Dr. Bob Metzger, cotton specialist for the Texas Agricultural Extension Service.

"According to a U. S. Department of Agricultural survey, Texas farmers are planning to increase their cotton acreage this year by about 10 per cent," notes Metzger. "That would mean an increase of a half million acres from the 1975 crop of 4.3 million acres. However, should sorghum and soybean prices soften before planting starts, Texas cotton acreage could move as high as five million acres."

According to the Texas A&M University System specialist, the biggest jump in cotton acreage will come in the Rio Grande Valley where producers are expected to double last year's acreage. Cotton acreage should also increase in the Coastal Bend and in the Central Texas Blacklands. All of these areas had a drop in cotton acreage in 1975 due to low cotton prices and high sorghum prices. In the state's prime cotton country of the High and Rolling Plains, Metzger expects only a slight increase in cotton acreage over 1975 plantings because there is less opportunity for ex-

panding the crop. The cotton acreage in the Plains has remained generally stable in recent years.

"Across the Cotton Belt, cotton acreage may reach 11.2 mil-

lion," points out Metzger. "This would be a 17 per cent increase over the 1975 acreage."

Despite the increased acreage, cotton prices should remain strong throughout the season

## Nephew Of Local Woman Injured

McL Smock, nephew of Mrs. Ross Middleton was crushed beneath a 1000 pound load of machinery Saturday afternoon as he loaded it on a truck to transport from the warehouse to a dealer.

The load somehow failed to be fully on the truck and as Smock pulled his tractor aside and walked back to the truck the load fell crushing him beneath.

Within seconds his father-in-law and partner in business had driven by the warehouse and noted the load was not in place. He got on the tractor and lifted the load from the young man.

Smock is in the Intensive Care Unit at St. Elizabeths Hospital in Lincoln, Nebraska. Latest reports are that he will be in Intensive Care for about a week and in traction for 2 or 3 months, but doctors were optimistic about his condition.

due to increased demands by both foreign and domestic textile mills, believes the specialist. The "natural look" in fashion today is spurring this increased demand.

Although the position of King Cotton has been challenged in Texas in recent years, 1976 may once again see cotton at the top of the heap as the state's leading money crop.

## Tips For Medicine Cabinet Safety

A medicine cabinet can be a source of health, or a collection of poisons. Claudia Mitzel, a consumer information specialist, says.

"It's every consumer's responsibility to maintain a safe place for storage and to discard old medicine regularly," she said.

Miss Mitzel is with the Texas Agricultural Extension Service, The Texas A&M University System.

"Medicine should be stored according to directions. Always read the labels and packaging of both prescription and over-the-counter drugs to determine what storage conditions are best for that medicine.

"Some medicines should not be kept in the bathroom medicine cabinet. For example, if the label says, 'Keep in a cool, dry place,' the bathroom will be too warm and steamy. Some drugs must be stored in the refrigerator."

If children live in the house, extra precaution is necessary. Drugs need to be locked and placed high out of a child's reach. Children often climb on a chair or box to get at a wall cabinet. Always buy safety packaging and be sure to close the bottles properly after each use. Don't leave pills in a drawer or purse where children can easily get to them, she advised.

"Medicines often stay in the medicine cabinet long after their usefulness has expired. Some medicines don't change over time, but others may lose quality within a matter of months.

"A pharmacist can say how long a particular medicine stays

good. It's a good idea to go through the medicine cabinet once or twice a year to clean out and destroy old medicine. Be sure to flush it down the toilet, don't just throw it in a trash basket," the specialist said.

The largest hailstone on record in the U.S. measured 17 inches around and it weighed 1 1/2 pounds according to World Book Encyclopedia.

Many actors believe that if somebody wishes them good luck, they will have bad luck!

## Former Resident Tells Of Conditions In 1929-'33

Earth News-Sun  
Earth, Texas

Dear Editor:

A subscriber of yours, Mrs. Minnie Parish, sent me several copies of your paper.

Thanks to both of you. In "Ancient Times," 1929-'33 I was one of "Earth Citizens," not necessarily one of the "First Class" type citizens, but a citizen, never-the-less.

I ran, for awhile, (well, me and my creditors), the store at Springlake School.

I couldn't compete with the adult people, in making a living off of them, so I "zeroed in" on the kids of the community. Did pretty good. Kids seldom give you much "static" as you try to separate them from their money. God Bless 'em.

Also, to attract "finance" I kept a warm fire going and each A. M. here they came. That's when I began starting to separate them from their money, as said above.

My scheme worked good, until everyone got the "7 year-itch" then most everyone began spending for a cure. Times got rough.

No one wanted anyone else to know he was afflicted, so, rather than give away the fact, they, all of us, would, in that warm room, start squirming, twisting, wiggling, to get some

relief.

"Old Tack," the "Tackless Texan," an Amarillo columnist, told us how to cure it.

In those days, there were such persons, known as "Fellow Men." He was one. I'll never forget "Texas" and the good folks there in.

Too, Dear Editor, I see in your paper you people are starting to pay "Bounty" on Coyotes ears.

Will you accept "Out-of-State" cars? If so, I can get rich here. Other day here, I saw 3 of them, poor scrawny, chasing one half starved Jack Rabbit, and all four of them were walking. Slow out here on the Mojave Desert. Your influence appreciated.

## Party Line

Mr. and Mrs. Gene Brown spent the week-end in Dumas at the bedside of his sister, Mrs. Frank Cheevers, who was in the Dumas Hospital following a heart attack. Another sister, Mrs. Billy Houston of Abernathy was also there.

Mrs. Gene Brown spent Tuesday in Clovis with her daughter and family. Mr. and Mrs. Jimmy Shirey and Tyson.

## FIGHT IN LOCAL POOL HALL SATURDAY NIGHT

A fight took place Saturday night in the local pool hall sometime around midnight. Deputy Sheriff Elmer Hall was called to the scene. When the fellows realized Deputy Hall was on his way down, they ran from the pool hall and were not found that night.

HEATING WATER is a major homeowner expense and a large national energy-user. Don't waste it. Avoid letting hot water run all the time when you're hand-washing or rinsing dishes, shaving, or doing other chores that require hot water intermittently. Get in the habit of turning the hot water faucet on when you need it, and off when you don't.

## You can BANK on it!

By: MACKY McCARTY

CITIZENS STATE BANK

A vital function of the Federal Reserve System is supplying the coins and paper money that moves in and out of circulation.

Take a look in your billfold or purse and you will find the paper money will bear a green seal. These are Federal Reserve Notes, and they constitute nearly 100 per cent of the paper money in circulation in the United States. Up until a few years ago, much of the paper money was in the form of silver certificates; they were supposed to be redeemable in silver equivalents at the U. S. Treasury.

Unlike the silver certificates, the present Federal Reserve Notes are backed 100 per cent by a variety of collateral consisting of government securities, gold certificates or other special types of assets.

While the actual production of coins and paper money is the responsibility of the Treasury Department, the actual flow of the money into the nation's pocketbooks is controlled by the Federal Reserve System.

"The more you know about our business, the more we can help you!"

## Junior High School Honor Roll

Junior High principal, Cecil Slover released the list of students on the A and B Honor Roll in Junior High School.

# SUNNYSIDE NEWS

By TEENY BOWDEN

Susan Ryan was the guest speaker at the Lion's Club supper and Ladies night Monday night. She showed slides and talked about her home in New Zealand. Other guests were Mr. and Mrs. Lonnie Bell of Dimmitt, her family while she is here in America, and Mr. and Mrs. Jerry Weiland.

.50 inch of moisture was recorded from one and one-half inch of snow preceded by a little rain on Monday. Only a trace of snow was received in January and .15 inch of moisture from mist and ice in February.

Mr. and Mrs. Martin Lefevere of Lubbock moved into the community this week, but she will continue to work in Lubbock a few weeks to train a new director of personnel at West Texas Hospital to take her place.

Mr. and Mrs. Robert Duke have bought a new home on Lee Street in Dimmitt and will be moving from the community in April.

The Week of Prayer for Home Missions was observed this week at the church Monday, Thursday, and Friday mornings and Wednesday night. Mrs. Raymond Jones had charge of the morning programs, the Baptist Men had charge of the Wednesday night program. Average attendance for the week was light. Daneen Wilson, Susan Sadler and Lynn Brown helped the men with the Wednesday night program.

Eules Waggoner, Robert Duke and Mr. and Mrs. L. R. Bowden attended the Castro County Historical Museum Association meeting in Dimmitt Thursday night. Mr. Duke also attended

the meeting with the commissioners court Monday afternoon.

Several from the community attended the James Robertson Crusade in Muleshoe Thursday night.

Mrs. Embree Roy Sadler attended the Plains Memorial Hospital Auxiliary meetings in Dimmitt Wednesday morning.

Rhonda Ross won 5th place in the Castro County Junior Spelling Bee in Dimmitt this week.

Lee and Lynn Brown, Gale Jones, Daneen Wilson, Sharon and Karen Jones attended the Youth Rally in Muleshoe Monday night at the First Baptist Church.

The WMU council met at the church Wednesday morning with the director, Mrs. Thomas Par-

son in charge.

Mr. and Mrs. Gale Sadler and Mr. and Mrs. Carl Bradley returned home from their trip to Fort Worth Tuesday. Kyle stayed with his grandmother, Mrs. Jess Matlock in Springlake, Kent and Kelby stayed with their grandparents Mr. and Mrs. Weldon Bradley in Dimmitt.

Larry Sadler went to the doctor in Plainview Saturday for a check-up. He will have to stay in traction another ten days.

Gale Jones, Isabel Sausada, Clint Dawson, Baldomero Sausada were on the Springlake-Earth High School "A" Honor Roll for the last period. Kelly Haydon, Grace Sausada, Tommy Graham, Belinda Hampton and Daneen Wilson were on the "A" & "B" Roll.

Mr. and Mrs. W. T. Autry attended the wedding of their granddaughter, Lynette Autry last week-end in Rocky Ford, Colorado.

Tammy Ross placed 4th in the 80 yard hurdles for Dimmitt in the Farwell Jr. High Track Meet last Friday. The team won 3rd place in the meet.

Sandra Duke was home from Canyon for the week-end with her parents, Mr. and Mrs. Robert Duke and grandparents Mr. and Mrs. R. E. Duke.

Robert Duke took his parents, Mr. and Mrs. R. E. Duke to Olton last Sunday to a special note burning ceremony for the parsonage of the First Nazarene Church. They visited on the way home in Earth with Mrs. L. D. Winders.

Mrs. J. Paul Waggoner and Mrs. Garner Ball of Hart visited in Clovis Wednesday with a cousin.

Mr. and Mrs. J. Paul Waggoner had dinner with Mr. and Mrs. Garner Ball in Hart last Sunday.

Mrs. Robert Duke attended an Educational Diagnosticians meeting in Amarillo Thursday night.

John Gilbreath met with the Dimmitt school board Tuesday night. He is the president of the board.

Daniel Montiel won 8th place in pole vault for Dimmitt varsity team in the Littlefield Track and Field Meet last Saturday.

Mr. and Mrs. R. J. Lefevere were honored with a going away fellowship and were presented a money tree in fellowship hall after the services Sunday night.

Chris Elkins broke his right foot in a fall Thursday morning. He is up and around with crutches.

Dixie Byford of Amarillo visited Friday with Mr. and Mrs. Thomas Parson.

Mr. and Mrs. Hershel Wilson and Daneen and Mr. and Mrs. Roy Phelan participated in a Lay Witness Pre-Mission in McLean Sunday. They and other team members were dinner guests of Mr. and Mrs. Bill Morgan.

Rev. and Mrs. Raymond Jones were in Plainview Wednesday afternoon for the funeral services of Levi Dorman of Hale Center. Rev. Jones conducted the services.

Mrs. Hershel Wilson met with the G. A. 's Thursday afternoon after school.

Mr. and Mrs. Hal Baker were

honored with a get acquainted coffee in the McInroe home Monday night. The Bakers moved to the El Paso Natural Gas Plant from Coynosa.

Mrs. Clint Kniffen and children attended the Miss Mary Hardin Baylor Pageant last week-end in Belton.

Hershel Wilson and Daneen and the Singing Disciples participated in a Gospel Singing in Levelland Saturday night. Mrs. Wilson and Susan Sadler accompanied them.

The Baptist Heritage Treasure Hunt Committee met Sunday afternoon at the church to make plans for launching the hunt, Sunday March 28th was set as the launch date. We will have on display all the things we can find in regard to the original building. Pictures, mementos, keepsakes, and song books as well as furniture. If you have any of these things would you share them with us for awhile? We would also like to have everyone who attended Sunnyside Baptist Church anytime between 1925 and 1943 to be our guests Sunday morning, March 28th, whether or not you were ever a member of the church. We have one of the original pews which is the reason for our first emphasis on the dates 1925-43.

**"Better Parent" Training Course Taught At LCC**

"Training to be a Better Parent" will be taught by Dr. T. Gayle Napier starting March 15 as a part of the Lubbock Christian College Continuing Education Division.

"The course will be of benefit to any parents or young married couples who plan to be parents," according to Dr. Napier.

"We will try to teach parents how to resolve conflicts that arise between themselves and their children," he said. "These problems stem from conflicts of emotions, time, values and needs."

Dr. Napier explained that classes will help mothers and fathers to better understand their roles. In fact, he said, they will learn to use these conflicts to create learning situations in the home.

entertainment and visitation along with the food. Everyone is invited to come whether you need brooms or not.

Dr. Napier received his doctorate in administration and psychology from the University of Nebraska in 1966. He has since done one year of post-doctorate study in psychology. At LCC he is assistant to the president for student services in addition to his duties as a professor of psychology. He teaches both "Child Psychology" and "Psychology of Adolescence." Dr. Napier and his wife, Grace, are the parents of four daughters between the ages of 15 and 21. Their two oldest daughters are students at Lubbock Christian College.

"Training to be a Better Parent" will meet from 7 to 9 p.m. every Monday from March 15 to April 12. Persons interested in further information can contact Frankie Faver in the Continuing Education Division at 792-3221, ext. 222.
