Services For Mrs. Schaefer

conducted, July 27

Mrs. Ida Schaefer, 74, resident Lamb County since 1945, died 11:30 p.m. July 25 in a Mule- hospital, after a short illness. Funeral services were held Wednesday, July 27 at 4:00 p.m. the Lutheran church at Lariat. Burial will be Thursday, July 28 in the Lockhart Cemetery at Lockhart, Texas.

Mrs. Kelley Much Improved May Be Home This Week

Mr. Marshall Kelley, is expect- to return to her home here sometime this week, her condition is so improved that she was al- lowed to return by plane to Lub- bock, where she was admitted to Methodist Hospital. There rest from her trip, and to ob- serve her condition, following the home.

Tomer Starkey III Confined To Bed

Tomer Starkey owner and man- ager of the Steak House, is ill and confined to his bed. Starkey has been in ill health for the past few months, suffer- ing from a back ailment, but was able to assist in the management of the Steak House until the past few weeks.

SALEM SPEAKS
METHODIST CHURCH
Mr. Joe Salem, District Lay Lead- er of Sudan, spoke Sunday at the Methodist Church in the ab- sence of Rev. Gene Matthews, who is spending a two weeks vacation in Sheridan, Wyoming.

New Addition In NW Part Of City For Spanish People

A new addition for Spanish Cit- izens has been opened in Earth. This addition is located just west of the Earth Elevator. There are 50 lots to be sold, by Mr. Gus Parish, as the Spanish had asked for an addition for their people. Any Spanish people wishing in- formation on prices and terms can see Polo Cantu, who is in charge of sales of these lots.

Patterson Gro. To Be In New Home Next Thursday

The Patterson Grocery store will begin Monday morning, moving in- to the new modern building which will be completed this weekend, according to the Patterson broth- ers.

The building is equipped with all the latest modern equipment and fixtures, and will offer many new conveniences for the firms' customers, plus the convenience of adequate parking space.

Mayor Patterson said they planned to be closed Monday through Wednesday to complete the move, but stated the store would be open for business on Thursday in its new location.

Bids For New Mail Route Must Be In By Aug. 1

A new Postal Route, beginning August 1, will speed up mail in all communities from Earth to Plain- view, and in some instances as much as 48 hours between com- munities.

The new service will be seven days a week, as was announced by postmaster Marshall Kelley. The 43.9 mile route between Earth and Plainview will all but revolutionize mail service to both Earth and Springlake, as well as speed up deliveries to Plainview and all points, as announced by the Post Office Department.

Bids on the new route will be accepted until 5:15 p.m., August 1. They must be submitted to the Assistant Postmaster General, Bureau of Transportation, Post Office Department, Washington D. C. and superscribed "Mail Proposal Route from Plainview to Earth, State of Texas. Further informa- tion as to qualifications and bids Springlake, Olton or Plainview Post Offices.

The carrier will leave Plainview at 5:45 a.m. arrive at Earth, 8:15 a.m., making stops at Olton and Springlake. The carrier will leave Earth at 5:00 p.m. and arrive at Plainview at 6:30 p.m. except on holidays. On holidays he will leave Earth at 10:00 a.m. and arrive at Plainview at 11:30 a.m. By speeding up the mail service to Plainview, it will enable mail going to several parts of the world to arrive earlier.

New Arrivals —

Mr. and Mrs. Andy Davis of Mel- rose, New Mexico, are the parents of an 8 pound, 6 ounce boy, born July 29, in the Clovis Hospital. He has been named Don Lee. They have two other children, Glenna, 8 years old and Jean, 4 years old. The maternal grandparents are, Mr. and Mrs. G. A. Wingfield of Buckeye, Arizona and the paternal grandparents are, Mr. and Mrs. G. A. Davis of Hale Center. The Davises are former resi- dents of Earth.

This industrious quartet is getting ready for the big free barbecue. The Earth Elevator Ware- house has been cleaned and made ready for the event, and this crew is making ready the food. From left to right, Mrs. Clyde Knight, Mrs. Barney Glasscock, Mrs. Bob Knight and Bob Knight secretary of the Riding Club. Mrs. Homer S. tarkey will be in charge of the cooking.

LITTLE LEAGUE NEARS CLOSE OF SEASON

Earth's first Little League sea- son is nearing its close with Fire Department Mighty Midgets still in first place by two games. Barton Bros. Batty Batters and Earth Sun Storms are tied for second. Earth Sun Storms won both their games last week and Fire Depart- ment defeated Barton Bros. last Saturday night. Games Thursday and Saturday of this week will be played at 5:00 p.m. in order not to interfere with the rodeo time.

Pair Suffers Slight Injuries as Truck Falls Off Jack

Mr. Bill Watson and Jack Sand- ers of Springlake, were rushed to the Littlefield Hospital Wed- nesday afternoon, after a truck in which both Watson and Sanders were working under, fell off a jack smashing them slightly. After X-rays were taken both men were released and returned home. Sanders head was thought to be pretty badly hurt at the scene of the accident, but after X-rays were taken doctors assured them that no serious damages resulted.

RECEIVES CHECK — UP AT TEMPLE CLINIC

Mr. J. B. Williams of Springlake spent Monday through Friday at Temple, Texas, where he received a check - up at Scott — White Clinic.

General Telephone and City Council Come To An Agreement On Increase

An agreement has been reached between Earth City officials and General Telephone Company, on amount of rate increase. The rate increase agreed on is as follows:

- 1 Party Business Phone — \$9.00
- 2 Party Business Phone — \$7.25
- 1 Party Residence — \$4.75
- 2 Party Residence — \$4.00

There is still one point they have not agreed on as yet. This point being the time the rate in- crease will become effective in Earth.

General Telephone Co. contends that the rate increase should be applied now, or as soon as the work begins on the Extended Service Exchange through Lubbock. Earth City officials are firm in their belief that it should not be until we are hooked on to the E. A. S.

At the meeting Monday night it was estimated that Earth now has 1,360 population. Another meeting is scheduled for next week in order to com- plete details on the time for he rate in crease to begin.

CORRECTION

In last week's issue in our ro- deo story we run the name of the City Jewelry and Floral as the firm who was giving a \$49.00 Wyler Wach to the best Bronc rider of the rodeo. The article should have read Ellis Jewelry and Floral as the donor of the watch, as Mr. Ellis changed the firm's name to Ellis Jewelry and Floral as soon as he became owner of the store.

Parade Today 3:30 Marks Kickoff For Annual Rodeo Affair

RIDING CLUB NEWS

By M. KNIGHT

Preparations for the Rodeo, pa- rade and barbecue to be held in Earth on Thursday of this week are being rapidly completed by the various officials of the Riding and Roping Clubs.

Bob Knight, secretary of the Riding Club, has been very busy this week getting ready for the barbecue. He has installed facili- ties to cook and serve the barbe- que in the Earth Elevator ware- house. The planning and ordering of the food has been completed and a large portion has been de- livered and prepared for cooking.

T. V. Murrell, president to the Riding Club, has been delegated to be host to the visiting posses and riding clubs attending the ro- deo. M. Murrell has made arrange- ments for the comfort and con- venience of these visitors and will welcome each of them on their ar- rival to Earth.

The Roping Club members with any free time have worked on the arena during this week. The grounds have been cleaned and graded, the arena ploughed, and the chutes and fences repaired and painted where necessary. The club has built a new concession stand which will be used for the first time during this rodeo. Mrs. Gee Kellar has been appointed to the club to take charge of the stand and she reports the plans of what shall be served and the purchasing of the same has been completed and that the stand will be in operation early Thursday evening. The wives of the Roping Club members will operate the stand by appointment from Mrs. Kellar.

This shall be my last article be- fore the rodeo, and I wish to take this opportunity on behalf of the members of the Roping and Riding Clubs to show our apprecia- tion to our officials. To Mr. Price Hamilton, president; Mr. Dewey Green, Vice-president and W. H. Jones, secretary of the Roping Club, we thank you and want you to know we sincerely appreciate your efforts and work to make it possible for Earth to have this ro- deo each year. Also to Mr. T. V. Murrell, president, and Mr. Bob Knight, secretary to the Riding Club, we most cordially give our thanks. Through your efforts, plans and preparations the citi- zens of Earth are enabled to meet together in neighborly reunion at this time of year. Last but not least, many thanks to the merchants and the citizens in our town, with- out whose cooperation and sup- port, none of this celebration could be possible.

Thanks to all and see you at the rodeo.

Attend Opening At Disneyland

Mr. and Mrs. R. L. Byers, Jr. and family of Springlake, have re- turned home after spending a two week vacation in Las Vegas, Nev- ada and Los Angeles, California. While at Los Angeles, they drove to Anaheim, which is 19 miles from Los Angeles and at- tended the opening of Disneyland. Mrs. Byers described it as being a wonderful thing to see. The scenery was beautiful, and all the different lands were childrens size. There were all kinds of rides, more or less like a fairyland car- nival, and something that every child in the world would enjoy seeing.

RETURN FROM TEMPLE FRI

Mr. and Mrs. W. C. Maxey left Monday for Temple, Texas where they received a medical check-up at Scott — White Clin- ic. They returned by way of San Saba and Abilene, Texas, where they visited relatives. They re- turned home Friday.

Today marks the beginning of the 11th Annual Amateurs Rodeo to be held here in Earth.

It will be sponsored by the Earth Roping Club, and will continue through July 30, beginning each night at 8:15 p.m. at the arena west of town.

The parade will begin at 3:30 p.m. today. Sheriff's Poses and Riding Clubs from Amarillo, Plain- view, Hereford, Littlefield and Lev- elling will participate in the pa- rade.

Immediately after the parade, the Earth Riding Club will sponsor a free barbecue in the ware- house of the Earth Elevator.

Lots of entertainment will be furnished at the rodeo, such as, calf roping, ribbon roping, bare- back riding, ladies barrel race, bull riding and brahma bull riding. Trophies will be given by the local merchants.

1. Saddle given by Earth Oil Co. for best average in calf roping
2. Saddle given by Layman Bro. and Charlie Waide for best average in Ribbon Roping.
3. Saddle given by Watson Bros. Butane for best all around rider.
4. First and second trophies, a cutting horse and bridle bits given by Broward — White for best cutting horse.
5. Wall lamp given by the Fur- niture Mart, for third place in cutting horse contest.
6. \$75.00 clothes container given by Paul's Super Market, first place in ladies barrel race.
7. Pen and Pencil set given by City Drug, for second place in ladies barrel race.
8. Table lamp given by the Fur- niture Mart for third place in ladies barrel race
9. Portable radio given by the Furniture Mart for champion bare- back rider.
10. Pair of spurs given by Broward — White for best bull riding.
11. \$50.00 watch given by Ellis Jewelry and Floral for best saddle bronc riding.

Rodeo secretary is Jarvis Angel- ey and the announcer will be Herb Williams of Hart. Riding judges will be Slim Bishop, Liney Thom- as and Blanket Sims all of Clovis.

Field judges for roping events will be Tom Bogard of Bula Barri- er. Judge will be Dewey Green of Earth. Judges for cutting horse contest will be Joe Smith of Dim- mit and Homer Bennett of Clovis.

Time keepers will be Gene Gray of Dimmitt and Leonard Stephens of Earth.

Stock contractors will be C. E. (Sonny) Woods.

Office for entries is at the Earth Motor Company. All entries will close at noon Thursday, July 28.

General admission will be \$1.00 for adults and fifty cents for chil- dren. All seats are free.

Yard Party For Mighty Midgets

Mrs. W. F. Williams and Mrs. Everett Patterson entertained the Mighty Midgets baseball team, of the Little League, with a party after the game Thursday night, July 21 in the back yard at the Will- amson home.

Mrs. Williamson and daughter, played musical numbers for enter- tainment during the evening.

Refreshments of hot dogs and soft drinks were served.

Those attending were the Mighty Midgets Little League team, their coach Rex Anzeley and Mrs. Anzeley, Mr. and Mrs. Jack Hada- way and family, Everett Patten- son, W. F. Williamson and the hostesses.

FROM THE AGRICULTURAL DEVELOPMENT DEPARTMENT
SOUTHWESTERN PUBLIC SERVICE COMPANY

Aeration and conditioning of small grain in flat storage on the farm is successful and profitable according to information compiled by the Agricultural Engineering Department at Texas Tech College in Lubbock, and other reliable sources. The work at the Lubbock College was in cooperation with the Texas Agricultural Experiment Station. Grain was placed in storage in October 1953, and complete records were kept on operating costs, temperatures, and moisture of the grain at all times for the past two seasons. Ira Williams, Head of the Agricultural Engineering Department, and Eldred Jordan, instructor, supervised these tests with the technical cooperation

of the Steel Bilt Products Company in Lubbock.

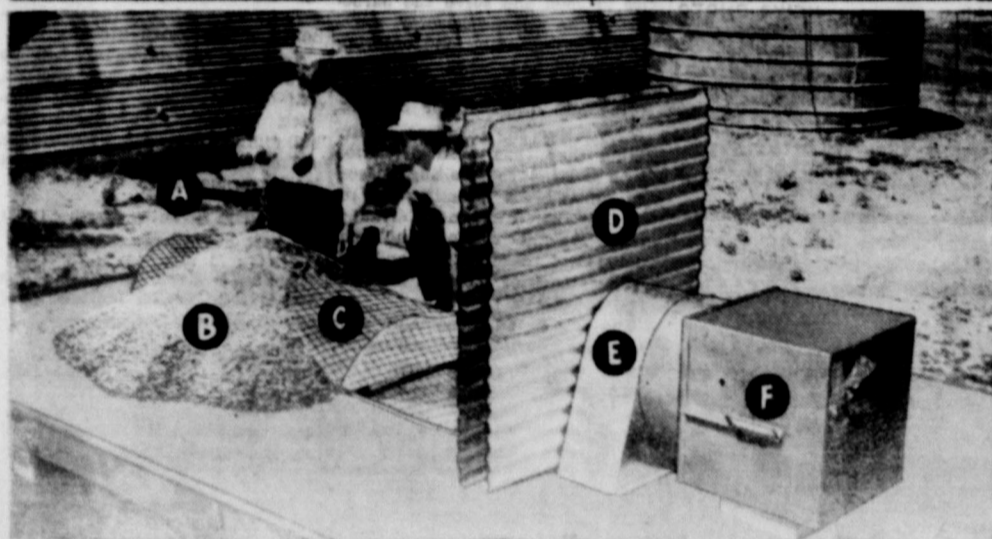

The equipment at the College includes a 16' x 32' quonset steel building with an expanded metal mesh air duct tunnel extending the entire length of the building. A high speed three horsepower electric motor drives the semi-pressure 18" fan that is attached to the outer end of the air duct tunnel. Outside air is pulled through the grain, carrying out moisture and heat; both enemies to grain in storage. Cost is small, particularly in view of the fact that moving and the turning of grain is eliminated. Also, any fumigation of grain that might be necessary is simplified. You

may get the details for this operation from Mr. Williams at the college, your nearest supplier of grain aeration equipment, and your county agricultural agent.

It is reported by Steel Bilt Products Company engineers that this three horsepower electric fan can safely aerate, fumigate, and keep about 72,000 bushels of grain in good condition in flat storage. If drying is desired, special attention should be given to the grain and not more than 3,000 bushels of grain should be dried with this unit in one operation. The job of keeping the grain cool, free of weevil and bug contamination is simple when this aeration process is used on the farm.

The cost of this equipment is fixed, the cost of electric power is insignificant; so barring poor weather or a poor market, your good management can increase your grain profits with aeration equipment.

Exposed model of aeration equipment clearly shows (A) conditioned grain as it flows from Ira Williams' hand; (B) simulated grain storage over aeration tunnel; (C) expanded wire mesh tunnel with screening pulled back; (D) bulkhead section as it would be in a flat grain storage building; (E) duct leading from fan to air tunnel and (F) highspeed three-horsepower electric semi-pressure fan. Fred McDonald, Steel Bilt Products Company consults with Williams.

Co-op Stockholders Attend Meeting In Lubbock

The 1954 annual stockholders meeting of the Lubbock Co-op Oil Mill and the 7th annual meeting of the Lubbock Co-op Compressor and Separator Co. were held at Lubbock, July 20.

There was an all day luncheon for the stockholders. There were seven speakers on the program. Fish, potato chips, pickles, coffee, milk and soft drinks were served at noon.

At 1:30 p.m. the National Cotton Council gave a style show.

Those attending from Earth were Mr. and Mrs. Bruce Higgins, Mr. and Mrs. Lynn Glascock and Teresa, Mr. and Mrs. W. G. Sanderson and son, Mr. and Mrs. Wayne Rutherford and Wayne Mae, Mr. and Mrs. H. F. Vandiver, Mr. and Mrs. E. F. Hodge, Mr. and Mrs. Carl Rogers and children and Mr. and Mrs. Jess O. Goode.

W. S. C. S. Met Monday at Church

The Women's Society of Christian Service of the First Methodist Church met Monday at 2:30 p.m. in the church.

The devotional was on "Love" and was given by Mrs. Ray Astell. Mrs. Norman Nelson was in charge of the program. The subject was "Dealing with the underprivileged in the larger cities". Mrs. Sulzer led the closing prayer.

Members present were Messdames C. P. Farish, L. Z. Anglin, Ray Astell, J. L. Henson, V. D. Colver, W. C. White and Mrs. Norman Sulzer.

Mr. and Mrs. Dan Miller and children of San Angelo and Mrs. Strickland of Matador, visited the Homer Starkers Tuesday and Wednesday. Homer is confined to his bed for a few days.

W. E. 'Bud' Irvine To Evangelistic Meets In California In Aug.

W. E. Irvine, minister of the church of Christ, will leave for the west Coast Monday, where he will be engaged in two gospel meetings in Hement and Lamont, California. Mr. Irvine will be gone a month from his work in Earth. In his absence Mr. Killey Newman of Plainview will preach the first two Sundays of August, and Foster Ramsey will be in an evangelistic meeting over the last two Sundays of August.

Mr. Irvine has done a great deal of evangelistic work in Oregon and California, having lived in California most of his life. The local church of Christ is very much interested in evangelistic work in other places, and thus willing for their preacher to be gone in order to do this work.

Mrs. Irvine and children will spend the month during Mr. Irvine's absence in San Antonio, Mrs. Irvine's home town, visiting her

people. She will return about the first of September.

Hement, California. Mr. Irvine's first stop, is a small cattle town about 100 miles southeast of Los Angeles. Lamont is in the southern part of the San Joaquin Valley about 150 miles north of Los Angeles. Lamont is in the center of California's cotton country.

Attend Youth Revival at Artesia

A group of young people of the First Baptist Church went to Artesia, Ney Mexico, Saturday to attend the Youth Revival, conducted by Larry Warkor, evangelist, who held the Youth Revival here July 3-10. They attended Saturday night and Sunday morning services and returned home Sunday afternoon.

Those in the group were Mrs. Iris Montgomery and Mickey, Doyle Wooley, Wayne Mae Rutherford, Linda Kelley and Yvonne O'Hair.

R. S. Cales spent Sunday p.m. in Friona visiting friends.

Return From Two Weeks in Arkansas

Mr. and Mrs. Bill Beasley, Linda and Pam returned home Sunday night from a two weeks vacation.

They visited Mrs. Beasley's par-

ents, Mr. and Mrs. Sullivan, Nashville, Arkansas. They spent some time in northern Arkansas fishing. They reported a nice but happy to be home again.

Mrs. Ray Glascock was in shoe and Plainview Saturday business.

Cotton Quality Can Be Predicted By Study Of Weather Condition

University of Texas researchers have developed tests for predicting average fiber properties of cotton a month to six weeks before harvest.

The tests, based on relationships between weather and fiber properties, should bring better prices to producers and help lower merchandising costs. Research

Scientist Joel Hembree of the University's Cotton Economic Division, said.

Use of the technique will give the cotton trade more time to plan and carry out marketing and manufacturing activities which depend on annual crop results. Merchants and manufacturers will know earlier whether cotton with certain properties will be available nearby or hundreds of miles away.

The tests can be used to predict fiber properties of cotton in a general community but not cotton in specific bales or on spe-

Farms Have Highest Number of Accidental Work Deaths

Between 14,000 and 15,000 farm residents will be killed in accidents this year if the 1955 death rate conforms with that of previous years. Another 1,200,000 or more may be injured.

According to the National Safety Council, which with the Department of Agriculture is co-sponsoring National Farm Safety Week (July 24-30), farming is the nation's third most hazardous industry. Mining and construction have a higher rate of work deaths per 100,000 workers, but agriculture has the highest NUMBER of accidental work deaths.

Because farm mishaps tend to occur most often during late morning or afternoon hours, when body reflexes are more sluggish, many safety men recommend that rural workers emulate office and factory employees and take brief

coffee breaks about 10:30 a.m. and 3:30 p.m.

In one nationwide industrial study 82 per cent of the personnel interviewed reported that coffee breaks helped to reduce fatigue; 32 per cent reported a lower accident rate.

QUACKS TREAT TREES
 FINDLEY, Ohio—The Chamber of Commerce warns homeowners to beware of quacks posing as tree surgeons. Be particularly wary of guarantees, said the chamber, since "A reputable tree surgeon can no more guarantee to cure a sick tree than a doctor can guarantee to cure a sick patient."

HOWDY FOLKS

WELCOME TO

THE RODEO

MARKET BASKET

EARTH, TEXAS

cific farms, Hembree emphasized.

Scientists long have known that larger amounts of moisture mean decreased fiber strength and coarser fibers, while smaller amounts mean stronger fibers with finer diameters. Research Scientist Bill Crumley of the Cotton Economic Research Division compiled data which reveal more precisely the nature of those and other environment-fiber property relationships. He based the data on comparisons between weather reports and fiber properties reports from all parts of Texas for six years.

The University project was supported with funds provided thru the Texas Cotton Research Committee, composed of the heads of Texas A & M College, Texas Technological College and the University.

Party Line...

Captain and Mrs. Gale Cummings of Tucson, Arizona, were guests in the home of his sister and family, Mr. and Mrs. Cullen Hay. They returned home Monday.

PL—Bobbie Boltor of Clovis is visiting Judy Templeton this week.

State Farm Bureau Favors Reduction In Cotton Reserve

WACO—The Board of Directors of the Texas Farm Bureau went on record here July 29 favoring a 50 percent reduction in the state's cotton acreage reserve.

Farm Bureau wants the controversial state reserve cut from 10 to 5 per cent and the county reserve from 15 to not less than 5 and not more than 10 per cent.

A bill introduced by Rep. W. R. Poage would reduce the state reserve to two and one-half per cent. The legislation was introduced as a result of demands of farmers in older producing areas in the state. They claimed that the state Agricultural Stabilization and Conservation committee was unfair in allocating most of the reserve a-

crease on a trend basis. Counties in West Texas and other areas where cotton production is showing an upward trend received most of the state's 10 per cent reserve this year.

The State Farm Bureau recommended earlier this year that the state reserve be cut to 2 per cent. The decision to recommend a higher figure resulted from a recent meeting of a Farm Bureau committee with Henry H. Marshall, state ASC cotton program administrator.

Marshall said that most of the 5 per cent reduction would be taken from the "trend adjustment." Reserve acreage is allocated on the basis of trends and abnormal weather conditions, small farms, new growers, and to correct inequities and prevent hardship.

He said the two and one-half per cent reserve in Poage's bill would not be enough to take care of those needs next year.

470 New Wells Irrigate 34,000 Additional Acres

Approximately 470 new irrigation wells were drilled in Lamb County during the first half of the year, bringing irrigation to an additional 34,000 acres.

Solve your Problems!

PERFORMANCE: Continuous and automatic forms-feeding. SPEED: Perfect method of writing multiple copies. SECURITY: Perfect copies assured. PROTECTION: Features locked filing compartment. A MOORE REGISTER IS THE FORM FOR EVERY MAN OF BUSINESS. The Earth News

Water District records show that 289 wells were drilled in the portion of Lamb County which is under the jurisdiction of the water control organization. According to County Agent Dave Eaton, approximately 90 additional wells were drilled in the southwest part of the county which is not now under the Water District's supervision.

This year's wells bring the total from 2,800 to 3,270. Lamb County is fourth in number of wells in the entire plains area, exceeded only by Lubbock, Hale and Rockley counties.

Total number of irrigated acres has been increased from 296,000 to 330,000 acres.

Water district records show the number of wells drilled by the month were January, 111; February, 80; March, 91; April, 53; May, 25; June, 10; July, 10.

V. M. Peterman, of Amherst is chairman of the Water District board. Other members are Elmer L. McGill, Oilton; Bill Nix, Sudan; Roy McQuatters, Sr., Spade; and L. Z. Anglin, Earth.

Mrs. Annie McCool had as her guests over the weekend, friends from Walters, Oklahoma, Mr. and Mrs. Bob Finley.

"Next time you can't get your father's car, let's walk."

Market Lingo Can Be Helpful

COLLEGE STATION — The complicated lingo used in daily livestock marketing reports can vastly increase the efficiency of a farmer's operation if it's interpreted correctly, says John G. McHaney, extension agricultural economist.

Farmers are faced with such problems as what to produce and how much. When this should be sold, and where? Market news can help them decide. The U. S. Department of Agriculture spends more than \$10,000,000 annually to obtain market news for general public use, McHaney adds.

Livestock producers who have been in the business long enough can remember when the only source or market information was the incomplete and conflicting reports of trade groups.

Today market news is accurate, timely and usable.

Here are the interpretations of market terms:

"Market stronger" means prices are advancing.

"Market firm" means prices are holding or are a shade higher.

"Market steady" means no immediate change.

"Market dull" means an inactive market.

"Market weaker" means price declines are general.

"Demand slow" means buyers are just looking.

"Supplies light" means the market could use more.

"Supplies heavy" means the market is over-supplied and prices are weakening.

Party Line ...

Mr. and Mrs. David Johnson had as their guests Friday, his parents and niece, Mr. and Mrs. C. L. Johnson of Littlefield and Mr. and Mrs. Raymond Purdy and Kim of Lubbock.

Mr. and Mrs. Mikey Dent and children are vacationing in Colorado.

ITS THE LAW in TEXAS ...

RIGHTS and LIABILITIES

Rights can be assigned but liabilities can't. Or, to state it another way, ordinarily you can sell or convey what you own, but you can't free yourself from your debts by getting somebody else to promise to pay them.

The usual application of this is obvious. If I borrow \$100 from you and promise to pay it back, I can't release myself from liability to you for the \$100 by getting my neighbor to promise to pay it for me. True, he may become bound to pay it also, but I am also liable, unless you, as creditor, agree to release me and substitute him as debtor.

This simple principle, when involved in a more complicated contract, is sometimes lost sight of. For instance, Adams sells his house to Brown under a contract which calls for monthly payments of \$100. After making payments

for three years, Brown decides he wants to sell to Carver who is willing to pay him the amount of his property interest (his equity) and to assume and pay the remaining \$100 monthly payments as they become due.

Now Brown ordinarily can assign his interests in the contract to Carver with or without the consent of Adams (unless the contract calls for the consent of the vendor). He can do this because it is a property right which he owns.

But because Carver has assumed and agreed to pay the remaining balance owed on the Adams contract, Brown isn't released from liability even though Carver has also become liable. The only one who can release him is Adams. Brown can't without Adams' permission, erase his name from the contract and make a stranger to the contract the only one liable under it. Adams has the right to hold Brown to his original promise.

Funeral Services Held July 22 For W. Jackson

Funeral services were conducted for H. W. Jackson, age 66 of Earth, Oklahoma, July 22 at 2:30 p. m. at the Martha Methodist church in Martha, Oklahoma.

Mr. Jackson passed away July 17 at 4:30 a. m. in his home, after a long illness. He had been a resident of Jackson County since 1935.

He is survived by three sons, Roy Jackson of Altus, Oklahoma; Roy Jackson of Pasadena, California; and three daughters, Mrs. Hobart Howard of Altus, Oklahoma; Mrs. Leon Foster of Earth, Texas; and Mrs. Leon Foster of Earth, Texas.

Mr. and Mrs. Leon Foster returned home Saturday night, from where Mrs. Foster had been the bedside of her father since July 2. They were accompanied by Mrs. Foster's sister and Mr. and Mrs. Hobart Howard, Patricia and Mike of Carlisle, New Mexico.

Party Line...

Guests Sunday and Sunday evening in the home of Mr. and Mrs. Fred Clayton, were Mr. and Mrs. Perry Martin, Mr. and Mrs. Enis and Mr. and Mrs. A. D. Tyler.

Mr. and Mrs. Freddie Clayton and their guests over the week-end, Mr. and Mrs. John Womack of Petersburg.

Miss June Clayton of Hart and Hollis Fox of Stockton, Oklahoma visited in the home of Mr. and Mrs. Elvis Clayton from Friday until Thursday.

Pepper Martin, former Cardinal is managing Macon, Ga., in Class A Sally League.

Around The County with FARM BUREAU

by MICKEY STEPHENS

A bill has been introduced in Congress to cut the trend cotton acreage to West Texas. Lamb County got 15,800 acres of cotton in 1955 under the present ruling. Under this new bill Lamb County will get only 3,700 acres.

It has been agreed in committee through the insistence of your Farm Bureau that the additional one cent Federal tax for road construction on gasoline be refunded for non-highway use. You should write your congressman immediately on both the cotton trend acres and the Federal gas tax bills. They are very important to Lamb County Farmers.

Jack Yarbrough, president attended the quarterly meeting of the Farm Bureau presidents in District II, in Lubbock last Thursday. H. L. King, from Brownfield the District II director gave a report on the State Board meeting in Waco.

Joe Prater, program chairman for the Spade Farm Bureau, announced today that the next meeting of their group, August 1st, will be an ice cream supper.

Prater also said that he hoped to see all of the members and friends present at this meeting.

August 19th, don't forget, that is the date set for the Lamb County Farm Bureau Queen contest to be held in Olton.

Two sisters from Sudan were the first entries in the contest. Mary Lee and Marthena Masten, daughters of Mr. and Mrs. R. L. Masten. All entries should contact the Farm Bureau office in Littlefield.

Golfers Billy Joe Patton and Marjorie Burns were selected as outstanding amateur athletes of the year by the Carolinas Assn.

Farmers Can Now Obtain Drouth Relief

The outcome of the meeting of the Farm Bureau in Lamesa, July 2, to discuss an emergency cover crop program for the drouth area of West Texas, the State A. S. C. Committee on this recommendation has approved payments of sorghum in 40 inch rows, \$1.20 an

broadcast \$1.90, millet, \$1.75 and broadcast \$1.90, billett, \$1.75 and rye, oats and barley \$2.00 per acre

Farmers must make application to their County A. S. C. office, and the program is effective immediately. They now have \$492,000, on hand for payments and have assured your Farm Bureau more will be made available if necessary, according to Jack Yarbrough, president of the Lamb County Farm Bureau.

Seven of the eight Class A Sally League managers played in the major leagues. The only non-major leaguer is manager Ed Popowski of Montgomery, Alabama.

Party Line...

Mr. and Mrs. R. A. Flowers of Canadian, Texas and Mr. and Mrs. Bill Flowers of Muleshoe visited in the home of Mr. and Mrs. Guy Kelley Sunday.

Mr. and Mrs. David Johnson were dinner guests, Sunday in the home of Mr. and Mrs. R. C. Hooten.

Mr. and Mrs. Tommy Gattis had as their guest this weekend her aunt, Mrs. W. A. Kercherville of Portales.

Bill Consolo, former Boston Red Sox bonus infielder, is playing second base and leading off for Oakland. He's there on option, having served his two-year bonus apprenticeship in the majors.

W. M. S. Has Business Meeting Tuesday

The Women's Missionary Society of the First Baptist Church met Tuesday at 9:30 a.m. in the church. There was a short business

meeting. Those present were Mesdames: E. O. Cundiff, G. L. Haley, B. Campbell, Travis Scott, Raemon Cole, T. S. Alair, Roy Taylor, Cecil Meadows and Delma McCarty.

Mr. and Mrs. Lige Griffin, Irene and Eugene of Rocky Ford, visited her parents, Mr. and Mrs. H. B. Weaver, Sunday.

Treasure Hunt And Weiner Roast Monday Evening

The Junior Department of the First Baptist Church enjoyed a treasure hunt beginning at 6:30 p.m.

After the long hunt all over this area all met at the Springlake roadside park for a weiner roast.

Those attending were: Glenda Williams, Marylou Miller, Judy Wood, Margaret Meadows, Evelyn Meadows, Ilene Angeley, Loy Jean Hamilton, Norma Hamilton, Linda Watkins, Sherry Scott, Tre-a Ann Weems, Neola Cundiff, Medela Cundiff, Wanda Parker, Carl Sanderson, Carol Cole, Wayne Cole, Wylie Kimbell, Jody Angeley, Mr. and Mrs. Alton Taylor, Mrs. Jarvis Angeley, Mrs. E. O. Cundiff, Mrs. Price Hamilton and Mrs. Earnest Watkins.

ATTENDS GOLDEN WEDDING ANNIVERSARY

Mr. and Mrs. D. E. McCarty, Mrs. Nora McCarty and Mr. and Mrs. Bud Brashier of Littlefield spent the weekend in Oton, Texas.

They attended Mr. McCarty's uncle and aunt, Mr. and Mrs. John Young's, Golden Wedding Anniversary.

They also visited Mr. and Mrs. Parris McCarty and family.

Party Line...

Mrs. C. B. Blair and David visited in the home of her parents, Mr. and Mrs. H. B. Weaver. She was accompanied home by Mike and Judith Ann who had been visiting their grandparents.

Mrs. W. B. Reynolds of Mt. Home, Idaho, returned home after a seven week visit with her parents and grandparents, Mr. and Mrs. Lige Griffin and Mr. and Mrs. H. B. Weaver.

Mr. and Mrs. Doc Tenserson of Bland, Arizona, moved to Earth, Sunday, July 24.

The Hendersons are living at the Cecil Williams house. Mr. Henderson is a painter and a brother to L. G. Henderson of Earth.

"No, thanks, I'm just looking."

Ann Starwalt, daughter of Mr. and Mrs. Major Starwalt received medical treatment in Medical Arts Center in Littlefield from Sunday until Wednesday.

Although Notre Dame University is in Indiana, it has only students from that state with from Illinois and 61 from New York.

Let Us Reason Together

By W. E. IRVINE

I WOULD NOT BE A MEMBER

I would not be a member of any church for which I could not cite Bible authority for its origin. Jesus said: "Every plant which my heavenly Father hath not planted shall be rooted up." Matt. 15:13, in such a church all my labor would be lost, and would be in opposition to that purpose for which Christ came into the world, to save the lost.

I would not be a member of a church whose designation is not according to the scriptures. If it the church of Christ wearing some other name, it is guilty of hypocrisy and unfaithfulness to Christ. If it is honestly wearing a name not found in the Bible then it is not the church for which Jesus died. So, if it be the right church with the wrong name, it is hypocritical and misleading. If it is honest in wearing the wrong name, it is the wrong church. I would not be a member of such a church.

I would not be a member of a church whose plan of salvation I cannot quote in Bible terms. For that reason I would not belong to any church that teaches salvation by faith only. I could cite scripture for salvation by faith, but never for it by "faith only." "He that believeth and is baptized shall be saved." Mark 16:16. The Bible says definitely salvation is not by faith alone. James 2:24. I am sure I could not be a member of a church that said it is.

I would not be a member of any church that admitted that it is a denomination. A denomination is a part, a division. The Bible church is all. Paul asked: "Is Christ divided?" 1 cor. 1:13. I will not be a part to divisions. I would not be a member of a church that is a division or a denomination.

So that is why I am a Christian, and only a Christian, a member of the church of Christ. That is why I am asking you to learn more about the church of Christ, its worth to you and its complete authorization in the word of God. You can read all about in the very pages of your own Bible. Investigate.

Lemmons Purchase New Fall Furniture At Dallas Show

Mr. and Mrs. C. H. Lemmons and daughters are expected to return today from Dallas where they have been attending a furniture show, held there Tuesday and Wednesday.

While in Dallas the Lemmons planned to do their fall purchasing to restock their Furniture Mart with new fall merchandise.

Mr. Lemmons expressed his regrets at having to close the store in their absence, but stated they would have the store opened for business Friday.

Woodmen Circle Enjoys Watermelon

Mrs. Gladys McCaskill was hostess to the Woodmen's Circle in her home, Friday evening July 22.

Following a business meeting all enjoyed a watermelon feast on the lawn.

Those present were, Mesdames: Doris Commons, Mary Parish, White Griffiths, V. D. Coker, Inez Barton, Minnie Parish, Adria Welch, Minnie Brock, Ruth McCord, Batesville, Arkansas and Mrs. Underwood Jr. of Dimmitt.

The next meeting will be in the home of Mrs. Underwood August 16.

Joyce Gooch Honored With Bridal Shower

A bridal shower complimenting Joyce Gooch, bride-elect of Jack Seay of Lubbock, was given in the home of Mrs. Guy Kelley, Saturday, July 23, at 8:00 p.m.

The dining table was complimented with a centerpiece of white driftwood with miniature orchid umbrellas hanging from the limbs, with a miniature bride underneath. Mrs. Leonard Stephens sang, "Unchained Melody" accompanied by Miss Sue Neal. Janabeth Laing gave a reading, written by Mrs. Beedie Welch and entitled "Jack and Joyce".

Guests were registered by Miss Jolene Kickpatrick and at the serving table were Mrs. Bennie Sue Free and Mrs. Lucille Wheat, assisted by Joan Kelley, Laqueta Hill, Zuanice Glascock and Janabeth Laing.

Background music was furnished by Billie Lois Kirby. Refreshments of sandwiches shaped in the form of hearts and bells were served with punch.

Hostesses for the evening were Mesdames: Gladys Laing, Laura Pinnell, Ida Kellar, Emma Miller, Zella Mae Rutherford, Guy Kelley, Ann Kimbell, Kate Patterson, Gladys McCord, Oletha Sanders, Billie Lois Kirby, Beedie Welch, Cilia Roberts, Jean Haberer, Orville Cleavenger, Odell Green, J. D. Phipps and E. C. Hudson. Forty guests registered during the evening.

Mr. and Mrs. Ed O'Hair visited Mr. and Mrs. Albert Campbell and Mr. and Mrs. Roy O'Hair, Sunday in Lubbock.

PL—
Mr. Paul Williams, new owner of the Texaco Station here, has been in California on business, for the past few days.

Kitchen Shower Fetes Joyce Gooch

Glenna Rutherford and Mrs. Susie Free were hostesses to a kitchen gadget shower honoring Miss Joyce Gooch, bride-elect of Jack Seay of Lubbock, Thursday 9:00 a.m. in the Rutherford home.

Each guest present made a cup towel for the bride - - -

Refreshments of brownies, coffee and iced punch was served by Janabeth Laing, Roxie Rutherford, Mrs. Joe Walker, Mrs. Lucille Wheat and the hostesses, Glenna Rutherford and Mrs. Susie Free.

Mrs. C. L. Qualls of Ropesville, visited her sister and family, Mr. and Mrs. Pat Montgomery, Tuesday.

Rosely Appleby Circle Study Missions

Rosely Appleby circle of the First Baptist Church met Wednesday at 9:00 a.m. at the church for a mission study. The subject was a Guide to Community Missions. Mrs. W. T. Clayton was in charge of the study.

The calendar of prayer was read by Mrs. John T. Williams. Mrs. R. W. Hucklebee was in charge of the business meeting. Dismissal prayer was given by Mrs. Earnest Baker.

Those present were Mesdames: W. T. Clayton, John T. Williams, R. W. Hucklebee, Earnest Baker, Less Watson and G. H. Miller.

Frank G. Mitzel of Detroit, 42nd president of the American Bowling Congress, is the third Detroit-er to head the organization.

News Briefs -

ATTEND SALES MEETING IN WICHITA, KANSAS

Mr. and Mrs. L. H. Dent left Tuesday for Oklahoma City and Tulsa, where they will visit relatives. They plan to go on to Wichita, Kansas, where Mr. Dent will attend a John Deere Sales meeting. They will return home Tuesday. The Dents purchased a new Ford Monday afternoon to take their trip in.

YOUTH MEETING JULY 28

The regular monthly meeting of the Baptist Associational Youths will meet Thursday, July 28 at 8:00 p.m. in the Rocky Ford Baptist Church.

Mrs. R. E. Barton was guest of Mrs. Roy O'Hair, Tuesday.

NOW TOURING IN SWEDEN

Mr. and Mrs. Jess Watson and Mr. and Mrs. J. L. Hinson have received a number of cards and letters from their children, Pvt. and Mrs. Kenneth Hinson, while they are on a tour of foreign countries. They have already toured Copenhagen, Denmark, Norway and are now in Sweden.

They are making the tour by car and went from Denmark to Norway by ferry. Mrs. Hinson wrote, that she was surprised to see so many American tourists in Norway.

Mr. Ray Stansell and Houston Stephens have returned from a weeks stay at Truth or Consequences, New Mexico.

Highlights and Sidelights From Your State Capitol

Texas Press Association
By VERN SANFORD

AUSTIN, Tex. — Second round polo shots for Texas first and second graders were to begin this week.

Enough Salk vaccine for 299,700 inoculations arrived in Austin last Wednesday and was put in the State Health Department's refrigerated vaults. Local officials began arriving at once to pick up their portions.

Only those who stated they were prepared to use the vaccine were given allotments, said Dr. Henry Holle, head of the Department.

Eli Lilly Company of Indianapolis, the same company which supplied the shots given Texas children in April, sent the shipment. Preparation was reportedly under the rigid new safety standards which went into effect May 26.

Half a million Texas school children received first shots last spring. Summer vacation absences are expected to cut the figure on the second round.

Polio cases over the state had risen to 618, the Health Department reported last Thursday.

BANK DEPOSITS HELD TAXABLE

Taxation of bank deposits and cash has apparently been forced on state and local taxing agencies by a Texas Supreme Court decision.

In a Harrison county case, the high court ruled that money in bank accounts, cash registers, personal safes or safe-deposit boxes must be assessed right along with other property to avoid discriminatory taxation.

Two lower courts were overruled by the decision. New trial was ordered for the defendants to grant them the lower taxes they sought on their property because taxing agencies had failed to assess the \$10,000,000 on deposit in Harrison County banks.

Presumably the same complaint would be good elsewhere in the state where bank deposits are not being assessed for property taxes.

GILES TRIAL DRAGS ON

Testimony in the Bascom Giles theft trial dragged on monotonously at one point last week it became necessary for the judge to caution jurors against dozing.

In its third week, the trial ap-

peared headed for a fourth unless the defense should cut short presentation of its side of the case.

Only one indictment is involved. It charges Giles with theft and abetting theft of \$6,800 in a Kinney county land deal under the veterans land program. Testimony has nevertheless touched on many other aspects of the program and its transactions.

One witness testified he heard Giles was to get \$75,000 cut in the \$358,000 Kinney county deal.

Another testified he heard Giles say in a telephone conversation he would take \$15,000 as his share in a transaction in Dimmitt county.

Giles originated the \$100,000,000 program and until Jan. 1 administered it as chairman of a three-member board that included also the governor and attorney general.

Names of the other two officials have come in for frequent mention in examination of witnesses, particularly in cross-examination by the defense.

At one point, defense counsel charged a witness had made a deal with the Attorney General to smear Giles. The witness denied it.

SHIVERS SHUNS CONSERVATIVES

Governor Allan Shivers declined to participate in a meeting of conservative Democrats last week in Dallas.

Vacationing in Woodville, Shivers released through his Austin office the text of a telegram to Port Worth attorney Hamilton Rogers, chairman of the gathering.

Declaring himself opposed to "splinter political parties," Shivers asked the group to work with him to strengthen the Democratic party.

Rogers denied any splinter party plans. He also denied the meeting had anything to do with recent criticism of the governor for his moves toward replacing Wright Morrow of Houston, Democratic National Committeeman, with someone acceptable to National party leaders.

Purpose of the Dallas meeting, said its leaders, was to "solidify conservative thinking." One result was a sweeping denunciation of desegregation plans for the U-

"Eat your salad!"

iversity of Texas and El Paso public schools.

PARR TAX TRIAL POSTPONED

Date of the Austin trial of George Parr on income tax evasion charge was changed last week from July 16 to Sept. 6.

Postponement was because one of Parr's attorneys was busy with another case.

Parr had petitioned the Fifth Circuit Court of Appeals at New Orleans for a dismissal, postponing the trial should be held in Laredo instead of Austin. The appeal was denied.

JOHNSON HEARING DELAYED

Hearing on an application to take additional water from the Pecos River to irrigate the 12,000-acre Lyndon B. Johnson farm has been postponed. August 3 is the new date set by the State Board of Water Engineers.

Twenty-four downstream ranchers protested the application when it came up last week. They said water already being diverted to the Johnson land deprives them of stock water and leaves so little natural flow that fish are dying and polluting the stream.

Martin Harris, attorney, asked for the later hearing. He said Johnson's wife desired to be heard personally if there were objections. She is now in Washington where the senator is recuperating from a heart attack.

Party Line...

Mrs. Sarah Clark has as her guests, her daughter and husband, Mr. and Mrs. Lewis Rogers of Arriño, and her brother Marvin Weatherly of Estalene, Texas. They accompanied Mrs. Eva Rogers of Amarillo to Portales, Sunday, where she will visit with relatives and friends.

Mr. and Mrs. Denson Dudley of Olton, visited her mother, Mrs. Sarah Clark, Sunday.

Betty Roseann Laing of Ceres, California is guest in the home of Mr. and Mrs. John Laing. She will be here indefinitely.

Mr. and Mrs. L. Z. Anglin had as their guests last Thursday, Mrs. Anglin's brother and family, Mr. and Mrs. M. A. Davidson of Ballinger, Texas.

Mr. and Mrs. Clarence Lightfoot went to Denver City, Saturday to get their children, Dick and Linda who had been visiting their grandparents.

Mr. and Mrs. Pat Montgomery, Dale and Dwayne spent Thursday in Clovis visiting her sister, Mrs. Andy Davis, who is in the hospital there.

Mr. and Mrs. Luther Gabehart and son James of Binger, Oklahoma, were guests Saturday night and Sunday in the home of Mr. and Mrs. Hershell Patterson.

Oxygen, mostly in combination with other elements constitutes about half the earth's crust and another quarter of the total is silicon.

There Is Hope For KPs Yet Says Recruiter

"There is hope for the KPs yet," said T-Sgt. Otto Havins, local Air Force recruiter this week.

"The United States Air Force is going to continue experiment with a civilian contractor feeding service through fiscal year 1956."

The current project is being conducted at Vance Air Force Base, Enid, Oklahoma, to determine the cost and desirability of civilian operated Air Force dining halls.

"Preliminary studies show the projects during the past several months' trial at Vance has satisfactorily maintained schedules, and sanitation."

"If the studies of the extended experiment result in Air Force acceptance," he continued, "airmen would not be required to perform kitchen police, the oldest and most dreaded of the service duty details. However, there will be a continuing need in the Air Force for skilled military food service personnel. There are many units

which must be self contained for combat tactical or security reasons."

Officials at Air Force headquarters believe that if the change to civilian employees is made on a wide basis, an improved food service personnel program could be effected. Training could be concentrated on a nucleus of volunteer personnel to meet the Air Force requirements.

Baylor and Colorado Universities have signed for two football games in Boulder, Colorado, on September 26, 1959 and in Waco, Texas, September 24, 1960.

SOLID APPETITE

ABERDEEN, Idaho — Jake Schritter took his cow to the veterinarian because it had lost its appetite. The vet opened the cow's stomach and found nine pieces

of wire, seven stones, four nails, two bits of glass, a steel washer and a button.

Every member of the West Virginia University golf team is a resident of the state.

Extension Service Reports On Cotton Pests In Area

Light to heavy rains fell over the area during the week. Besides greatly improving conditions for growth and fruiting of cotton, the heavier rains materially reduced infestations of thrips, aphids and fleahoppers.

Thrips damage decreased in most fields. Although the insects were found in considerable numbers on some untreated fields, there was little loss of small squares from the rapidly fruiting plants. The rather general use of insecticides for fleahoppers control of thrips.

Aphids occurred in rather heavy infestations in some fields in Hale county. Only light or spotted infestations were reported from other counties.

While fleahopper infestations decreased on some early planted cotton, the insects increased in numbers in many later planted cotton fields. Heaviest infestations were reported from Crosby, Garza, Hale and Lubbock counties. In a few localities, where cotton was closely checked for fleahoppers infestations, 50 to 80 per cent of the later planted fields were treated for control of the insects.

Bollworms activity increased somewhat over that of the previous week. While most fields showed low counts of eggs and worms, some cotton had sufficient infestations to warrant control. Heaviest egg and worm counts were reported from Bailey, Cochran, Dawson, Garza, Hale, Parmer, Scurry and Terry counties. A number of fields have had insecticides applied for control of the worms in a number of fields in the counties. Since present weather conditions are favorable for activity of the bollworms, all fields should be checked every four or five days for eggs and small worms. As counts reach the point at which the "GUIDE" recommends control, insecticides should be applied. Kill worms while they are small and prevent excessive form damage.

Cabbage loopers were present in small numbers in most fields. Lygus bugs occurred in low infestations in some fields in Crosby, Floyd, Hale and Lubbock counties. Garden webworms (cane less weed worms) were reported in spotted heavy infestations in a few fields in Deaf Smith and Floyd counties. Grasshoppers continued to move to cotton in some fields in Swisher and Floyd counties.

Information contained in the cotton insect situation release has been compiled from reports received from county agents, vocational agriculture teachers, personnel of the Texas A&M College system, various branches of the U. S. Department of Agriculture Commercial Cotton Inspectors, chemical companies and others.

Whenever Brooklyn Dodger first baseman Gil Hodges hits a home run in Ebbets field he "throws a kiss to his wife as he crosses home plate.

"I'm waiting for the scrubwoman."

Farm Income Is Up Two Percent

AUSTIN — Texas farmers income has increased, despite a general

decline in prices received for farm commodities, the University of Texas Bureau of Business Research reports.

Farm income was up 2 per cent during the first five months of 1955, compared with the same pe-

riod of 1954, although prices paid to the farmers for all products averaged 4 percent lower this May than in May 1954. The greatest increase over last year has been in income from cattle, up 4 percent. At the same time, there was a 15 percent decline from last year in prices paid for all meat animals.

During May, Texas farmers' income passed the half million mark and by the end of the month, the year-to-date total was \$55,710,000.

X-RAY FOR PLANES

MIAMI, Fla.—They are X-raying airplanes to see if they are developing hidden defects. National Airline's maintenance base uses an X-ray machine, similar to but bigger than those used by doctors.

Television can't harm the eyes, says the National Society for the Prevention of Blindness.

Since the railroad's substitution of diesel for steam locomotives, some passenger cinders building blocks had trouble getting started.

Western Cotton Announces Personnel Change

O. L. Peterman, present Plains District Manager, with headquarters in Lubbock, will become the company's Senior Adviser and Counsellor for the Plains Area. This change will relieve Mr. Peterman of many details of operations and give him time to complete projects of particular interest to him prior to his retirement sometime next year.

Peterman has been with the company seventeen years. He came to Lubbock in April, 1949 from Brownfield where he was manager of the Brownfield Mill.

Roy S. Mack, Manager of the Lubbock Mill, replaces Peterman as Plains District Manager. He formerly served as Southern District Manager, with headquarters in Abilene, before being transferred to the new Lubbock Mill in 1951. Prior to that time he managed the company oil mill at Slaton, Texas and has completed a total of twenty-eight years with the company.

George W. Brassell, Jr., Assistant Manager of the Lubbock Mill, is being promoted to Manager, replacing Mack. Before coming to Lubbock in 1951, Brassell was manager of the Slaton Mill. During his nineteen years of service, he has worked with the parent company, Anderson, Clayton and Co. in South America.

The new Assistant Manager to Brassell will be Rufus W. Grisham, who has managed the Memphis, Texas Oil Mill for the last five years. During his fifteen years of service with Western Cotton Oil Co., he has also worked in Abilene, Houston and Elk City, Oklahoma. Grisham is being replaced in Memphis by Maurice Nixon, Manager of the San Angelo Mill since 1950.

Mark Wadzeck, Assistant Manager of the Seed Breeding Farm at

"I feel repressed, insecure, frustrated, incapable of facing reality — I need a raise."

Aiken, has been named Manager of the Plainview Mill, replacing the late G. T. Meriwether, who served as District Gin Manager at Big Spring and Lamesa and has managed the Munday, Texas Mill for four years. He has completed sixteen years of service with Western Cotton Oil.

News from— Big Square Community

DELAYED

Mrs. Pruitt, sister of Mrs. Rufus Carter and her daughter of Wichita Falls, Texas, visited her last week.

Guests in the home of Mr. and Mrs. Alford Dutton were Mr. and Mrs. Seth Lawrence, Sr. of Wichita Falls, Mr. and Mrs. Woodrow Bagley and children of Anson, Texas.

Dora Kay Cartwright of Dimmitt, Mr. and Mrs. Theron Bingham of Anson, Texas, visited Mr. and Mrs. J. O. Carpenter this week.

Quinn's visit to the family of 1955.

Anna and Sue McDonald and the Irene Otis had supper with Mr. and Mrs. Rufus Carter Wednesday evening.

Lovita Davis of Midland spent the weekend with her parents, Mr. and Mrs. J. D. Davis.

Mrs. Andy Behrens and Mrs. Irvy Ott attended the stork show honoring Mrs. Andy Behrens, Jr. in Mason, Thursday afternoon.

Mr. and Mrs. Glen A. Ott and baby girl returned home Sunday night from Newport, R. I. after receiving his discharge, July 11 from the Navy. He is the son of Mr. and Mrs. J. D. Davis.

Mr. and Mrs. Irvy Ott left Amarillo, Texas Sunday night to go on a Colorado Farm Tour.

The Baltimore Orioles used 19 different starting lineups in their first 19 games this spring.

Rites Held For Wreck Victim

Funeral services were conducted Tuesday, July 26 in the First Methodist Church in Portales, for Kenneth Cooper 23, nephew of Golden Green of Earth.

Mr. Cooper was fatally injured Friday, July 22 in Lansing, Michigan, where he was assistant instructor in the Agriculture Department and was doing graduate work at Michigan State University. He was a graduate of Eastern New Mexico University at Portales.

tales.

He is the son of the late Lex Cooper and Mrs. Cooper.

He is survived by his mother, two brothers, J. D. of Windrock, Arizona and Delbert of Roswell, New Mexico and one sister, Mrs. C. B. Strebeck of Causey, New Mexico.

Burial was in the Portales cemetery under the direction of Wheeler Mortuary.

Mr. and Mrs. Golden Green and Mrs. C. W. Terry attended the funeral services.

Pro golfer Ted Kroll, a former infantry sergeant, was wounded five times in Italy and France. He also took part in the Anzio beach landing.

Justice, Cinderella, Mud, Petroleum, Auto, Bim, Bud, Looneyville and Guzzie are places in West Virginia' says the National Geographic Society.

Springlake School Board Approves More Teachers

At a regular session of the Springlake School Board, according to E. O. Lumsden, J. I. Davis was approved by the board and will teach math in Junior High. Mr. Davis has had 24 years teaching experience, 9 years of which was in the Springlake school. Mr. and Mrs. Davis have been residents of Earth for 15 years. They have two children, Grady of Amarillo who attends West

J. J. DAVIS

Texas State College and Mrs. Russell Haberer of Earth.

Alfred M. Ferril was approved by the board to teach the 7th grade and assist 6th grade home room.

Mr. Ferril taught at Bioga Junior High in Bioga, Texas last year.

Mr. and Mrs. Ferril are former residents of Fort Worth and are now living in Earth.

They have three children, Beverly Ruth, 1 1/2 years old, Marsha, 2 1/4 years old and Anthony 19 months.

ALFRED M. FERRIL

Also approved by the board was Ralph Ussery who has taught 2 years in Missouri and will teach Special Studies.

Miss Margarette Satterwhite of Mayre, Texas has been approved to teach 3rd grade in elementary school.

In a called meeting, the local school board approved Hugh Curritt of Hugo, Oklahoma as a teacher for high school math. Mr. Curritt taught math in Sweetwater, Oklahoma for a period of 17 years.

Miss Rita Joy Lee was approved as a third grade teacher. Miss Lee is from Gatesville, Texas.

Mrs. Elmer Prather and Mrs. R. J. Sanderson were elected as cooks in the lunch room and the resignation of Mrs. Province was accepted.

School will begin on September 5 and will have two holidays for Teacher's convention and two days for grading papers. Christmas holidays will be on December 21, 1955 and will re-open January 2, 1956.

Mr. and Mrs. Bill Burrows and family and Mr. and Mrs. Sandy Sanderson and family returned to their homes in Springlake this weekend.

Burrows and Sanderson spent two weeks on maneuvers at Ft. Hood, while their families spent the two weeks visiting relatives.

Party Line...

Mrs. Sarah Clark had as her guests from Thursday until Saturday, her sister-in-law, Mrs. H. G. Weatherly and grandson, Wayne Scott of Oklahoma City and Mrs. Weatherly's two sisters, Mrs. Russ Barker of Wink, Texas and Mrs. Joe Collins and son of Big Square.

Mr. and Mrs. Marvin Ellis and children and Jean LaRue attended the Crabtree family reunion held Sunday at the McKenzie park in Lubbock. The Crabtrees are Mrs. Ellis's relatives. They reported approximately 100 persons attended.

Mrs. David Johnson and sons Ronnie and Don, Mr. and Mrs. Raymond Purdy and Kim of Lubbock will leave Thursday for Alamosa, Colorado, where Mrs. Johnson will undergo a medical check up. They will attend the Ski-Hi Stampede in Monte Vista, Colorado, Friday. The group plan to return home Sunday.

Mr. and Mrs. Frank Grubbs and son Rod of McAlester, Oklahoma visited her niece, Mrs. Edward Jones and family.

Mr. and Mrs. S. O. Ellis of Mounette, Missouri, are visiting his brother and sister, Harold Ellis and Mrs. Harry Maze, and Mrs. Ellis's mother, Mrs. W. O. Jones and other relatives.

Mr. and Mrs. Ernest Baker spent the weekend in Amarillo, visiting his sister.

Mr. and Mrs. Donald Spent the weekend with his parents in O'Donnell.
