

Grand Champion Sells for \$2300

Springlake FFA Judging Team Places Second In Contest

Ronnie Johnson Named Sixth Place Winner In Top Ten Individuals

In the Livestock Judging Contest at the Houston Fat Stock Show last week, the Springlake FFA team, composed of Ronnie Johnson, Carl Sanderson, and Shelby Bozeman were named second place winners out of 174 Texas teams. A plaque was presented to the Springlake judging team.

Ronnie Johnson, a sophomore student, was chosen in the "Top Ten" out of 521 boys in the livestock judging contest as 6th place winner.

Angus Calf Wins First In Lamb County Stock Show

Coaly an Angus calf owned by Jerrell Hadaway won first place at the Lamb County Junior Livestock Show in Littlefield Saturday.

Jerrell received a \$40 premium and ribbon. The Angus calf was named Grand Champion at the Springlake FFA Show held February 27.

Jerrell is the son of Mr. and Mrs. Jack Hadaway. He is a sophomore student and a member of the Springlake FFA Chapter.

TURNER TWINS SHOW GRAND AND RESERVE CHAMPION HEREFORDS

The Turner twins, Doyce and Royce, sons of Mr. and Mrs. Doyle Turner showed a pair of Herefords. Both boys looked alike as well as both calves, presenting quite a problem for judge L. M. Hargrove of Texas Tech.

Doyce collected the grand champion banner, a \$100 cash award and a trophy from Paul Nafzger of Oton's Farmers Union.

Royce received a \$50 award and a trophy from Ted Hutchins of Oton.

The Turner daughters, Nita and Sheri won a 2nd and 3rd with their calves.

Uncle of Local Resident Dies

Funeral services for A. G. Spencer, 69 of Lubbock, uncle of Mrs. E. C. Hudson was held at 2 p.m. Saturday in the Asbury Methodist Church.

Spencer died at 8:30 a.m. Thursday in St. Mary's Hospital following a long illness and recent surgery.

Spencer had been a resident of Lubbock the past 33 years and was a retired employee of the Lubbock Cotton Oil Co.

Burial was in the Lubbock Cemetery.

Masonic graveside services were conducted.

JIMMY HERRING RECEIVES DISCHARGE FROM U. S. ARMY

Jimmy Herring arrived home Friday from overseas duty with the U. S. Army in Germany.

Herring has been in Germany the past 14 months and arrived in New York City, February 15. He received his discharge at Fort Chaffee, Ark. He will be engaged in farming.

Lions Pancake Supper Starts 6 P. M. Saturday

A Pancake Supper, sponsored by the Earth Lions Club will be held at 6 p.m. Saturday, March 14 at the community building.

Tickets can be purchased now, from Lion Club members for 75 cents and 25 cents. All the family is invited to attend and eat all they want.

Following the pancake supper, 42 dominoes and other games will be played during the evening.

Enjoy an evening of fun with the Earth Lions Club members.

+ News Briefs

BLINDNESS PRONOUNCED FOR FOUR YEAR OLD BOY

Mr. and Mrs. W. B. Hucks and son, Lonnie returned Sunday night from Dallas and Temple.

A specialist at Scott - White Clinic pronounced Lonnie's blindness since birth to be permanent and no further treatment was advised. Lonnie has a four year old twin brother, Ronnie.

WALTER BERRY EMPLOYED AT B. and C. PUMP CO.

Walter Berry of Earth has been employed at B. and C. Pump Co. Berry is being trained in machine work.

CHANGE OF ADDRESS

Mr. and Mrs. Bobby Angeley and little son, J. J. of Fairbanks, Alaska arrived in Amarillo by plane Tuesday night.

The couple are former residents of Earth and have returned to make their home.

The "Top Ten", on a telecast over Channel 13 TV show at Houston Saturday night.

Ronnie is the son of Mr. and Mrs. David Johnson and had previously won a 4th place ribbon in individual judging at the Amarillo Fat Stock Show.

Carl is a sophomore and is the son of Mrs. and Mrs. Gardner Sanderson and this was his first time to enter a Livestock Judging Contest.

Shelby is the son of Mr. and Mrs. Frank Bozeman at Springlake and it was also his first time to judge livestock. Shelby is a freshman student.

JUDGING TEAM SECOND PLACE WINNER — Competing with 174 FFA Judging Teams at the Houston Fat Stock Show, these three proudly display their plaque award. Pictured left to right Shelby Bozeman, freshman; Ronnie Johnson, sophomore; and Carl Sanderson, sophomore. Ronnie was sixth place winner of the "Top Ten" in individual judging, winning a \$125 certificate toward the purchase of a registered Angus heifer and a gold tie clasp.

Justice of Peace Bill Corzine Dies

Funeral services for Earth's Justice of Peace, William Anderson "Bill" Corzine, 64, will be held today at Bradley Funeral Chapel at Muskogee, Okla.

Corzine died Thursday in the Veterans Hospital at Amarillo following an illness of several months. Corzine was furloughed from the hospital for five days. His condition became critical and died immediately after re-entering the hospital.

Corzine served in the U. S. Navy in both World War I and II as Chief Petty Officer.

Corzine was engaged in farming prior to being elected Justice of Peace of Muskogee County by a large majority of votes in the Democratic Primary Election in July 1958. Due to ill health, he had never served at his post.

Survivors include one brother, Lawrence Corzine of Mt. View, Calif.; seven sisters, Mrs. W. A. Lambrecht, Chickasha, Okla.; Mrs. Edna Mahon, Washington, D. C.; Mrs. J. G. Baker, San Francisco, Calif.; Mrs. L. Fritz, Worland, Wyo.; Mrs. Waite Terrell, Mrs. Pauline Luter, and Mrs. V. Ibanez, all of Laredo, Texas; four cousins Clarence, Shorty, Chester, and Francis, all of Earth.

Burial was in the Fort Gibson National Cemetery at Muskogee, with a full military service. Corzine was a Protestant.

L. A. Glasscock Appointed Precinct Two Justice of Peace

L. A. Glasscock was appointed Justice of the Peace of Precinct 2, Monday at a regular meeting of the County Commissioners Court in Littlefield.

Glasscock took the oath of office Monday to fill the post left vacant after the death of Bill Corzine, Thursday night.

Glasscock and his family have lived in this area for 20 years. The Glasscocks have nine married children.

Glasscock is a retired farmer.

NOTICE

FFA PARENTS — An FFA Family Supper will be held Friday night in the Springlake School Cafeteria. Parents are asked to bring enough food for their family. The food will be served buffet style.

All parents of FFA members are urged to be present.

OUR SLIP SHOWED

In last week's issue of the Earth NewsSun, Mrs. Truman Lowe assisted in sponsoring the Intermediate II Class Party in the Cole home and not Mrs. Truman Stine.

A RESERVE CHAMPION BANNER — Charles Axtell's Berkshire barrow was the Reserve Champion winner at the Houston Fat Stock Show. Charles is a freshman and the son of Mr. and Mrs. Ray Axtell.

Tracy Angeley's Poland China Barrow Sets New Sale Record

Tracy Angeley, Springlake High School Senior, exhibited the Grand Champion Barrow at the Houston Fat Stock Show in Houston last Wednesday, March 4.

William Mitchell, Houston Oilman set a new record sale price when he paid \$2300 for the grand champion barrow.

By 10:30 a.m. Friday, the sale day, wildly bidding Texans had

spent \$22,462.50.

The shiny black hog came into the ring wearing a Hawaiian lei of white orchids, presented to Mitchell as a bonus after he paid the record price. Mitchell said, "can't use the pork, but my wife can use the flowers."

Tracy, the son of Mr. and Mrs. Jarvis Angeley is a senior student and has been active in FFA for

four years. He plans to use the money to finance his college education.

Charles Axtell Exhibits Reserve Champion Berkshire

A freshman student, Charles Axtell showed the Reserve Champion Berkshire at the Houston Fat Stock Show, winning another honor for the Springlake FFA Chapter. Seven hundred and forty six hogs were exhibited at the show.

Charles is the son of Mr. and Mrs. Ray Axtell.

CARL SANDERSON SHOWS 1958 SCRAMBLE CALF

Carl Sanderson, completed a year-long participation in the calf scramble program, when he exhibited his Angus steer he had won in the 1958 Calf Scramble contest at the Houston Fat Stock Show, known as "the World's Largest Calf Scramble."

Carl represented the Springlake FFA Chapter in the junior calf scramble show.

Carl kept an accurate record on the ration fed, the cost of feed, monthly weights and exercise and grooming techniques. Carl's calf placed 36th and sold for \$370.

Carl, along with other calf scramble winners attended the Sears and Roebuck and Co. annual banquet at the Rice Hotel for FFA and 4-H Club members while in Houston.

Seventeen FFA Members Enjoy Tour of Galveston

The seventeen FFA members included Tracy Angeley, Burl Branscum, Jearl James, Robert Taylor, Ronnie Johnson, Robert Cortez, Hal Hudson, Shelby Bozeman, Jackie Schellar, Carl Sanderson, Jerry Taylor, Darwin McLeod, Charles Axtell, A. M. McGowan, Stanley Irvine, DeWitt Kelley, Ross Morris, E. G. Gaston, vocational agriculture instructor, Mr. and Mrs. Ray Axtell, Mr. and Mrs. Chester Kelley toured Galveston while attending the Houston Fat Stock Show.

The group took a ten mile ferry ride, and went through a cargo ship from Liverpool, England which was loading 200,000 bales of cotton and grain. The tour included the Houston Police Station and other points of interest.

A RECORD BREAKER — Tracy Angeley's Poland China barrow was named Grand Champion over all breeds at the Houston Fat Stock Show. The \$2300 price paid for the champion barrow broke all records at the Houston Fat Stock Show, and also for the Springlake FFA Chapter. E. G. Gaston is Vocational Agriculture Instructor.

Wolverine Band To Compete In Plains Festival

The Springlake Wolverine Band will compete in the Plains Band Festival in Plains, beginning at 9 m. Saturday, March 14.

The Wolverine Band will compete for concert and sight reading. This festival will help to further prepare the High School Band for the concert and sight reading contest in Plainview, May 1-2.

The Wolverine Band will play "Our Glorious Flag," "Air For Band" and "Argonaut."

High School Bands from Sudan, Seagraves, Ropesville and Junior High Bands from Muleshoe, Seagraves and Sundown have entered the competition.

All High School Band students are to be at the Band Hall at 6 a.m. Saturday for inspection. All are to wear white blouses and shirts, dark skirts and trousers. The band will leave at 7 a.m.

Two Latin - Americans Fined, One Jailed

Two Latin - Americans were arrested Monday night by Deputy V. L. Smith, Jr. for being involved in a fight Sunday night.

According to Deputy Smith, the brawl included three Latin - Americans, with only two arrested for overpowering the third one.

Both were tried before a J. P. Court and fined \$35.50 each. One was jailed in the Lamb County jail at Littlefield.

Rev. C. Meadows Will Conduct Revival In California City

Rev. Cecil Meadows, pastor of the Earth First Baptist Church left today to conduct a two week's revival at the First Baptist Church in Arvin, Calif.

In the absence of the pastor, the pulpit supplies will include a representative of the Gideons, Mr. Olive King, Sunday morning, March 15; and Rev. Harris Ray at the evening service. The supply on Sunday, March 22 will be Rev. Wayne Bristow of Plainview. Eldon Davis will be in charge of the prayer meeting service Wednesday March 18 and Jim Bortorff on Wednesday, March 25.

Rev. Meadows will return home and fill the pulpit for the Easter Services, Sunday, March 29.

Chamber of Commerce Notes —

Three Directors Elected by C. of C.

Three new Chamber of Commerce directors were elected at the regular meeting of the Earth C. of C. Wednesday.

Those elected to serve three year terms were Paul Wood Bill Reasley, and Bill Bryant.

The annual Chamber of Commerce banquet will be held at 8 p. m. April 17 in the Springlake School cafeteria.

Marshall Formby of Plainview, Texas Highway Department Commissioner will be the principal speaker.

Advance tickets will be on sale next week for \$1.50 per person.

FHA Members Meet In Amarillo

Area I Future Homemakers of America met at 9 a.m. Saturday in Amarillo Municipal Auditorium.

The purpose of the meeting was to elect new officers and evaluate the year's work.

The program included a panel discussion on "FHA Equals A Better Citizen." Verdena Curtis of the Spring-

lake FHA Chapter gave the response.

The Lubbock County FHA Chapters presented a style show. The show's theme was "Cottons Around The Clock" supervised by Mrs. Myra Timmons, Lubbock Monterrey High School Homemaking teacher. Springlake FHA members attending were Verdena Curtis, Sharon Hay, Faye Spies, Joann Oden, Linda Murrell, Joyce Gray, Helen Gover, Alice Bales, Patsy Chance, Sharon Wheatley, Sandra Hennesson, Linda Beasley, and Elisa Acavado.

Mrs. Laverne Sarradet homemaking supervisor, chapter mothers, Mrs. Cullen Hay and Mrs. Jean Beasley and Mrs. Phelps Murrell.

Town and Country Study Club to Sponsor Teen Essay Contest

An Essay Contest, sponsored by the Town and Country Study Club has been announced.

The topic chosen is, "A Teen-Agers View On What Would Make My Community A Better Place in Which To Live."

A \$5.00 prize will be judged by a committee of three members of the club.

Only High School students are eligible to enter the contest. Any student wishing to enter the contest are asked to contact Mrs. C. W. Terry before April 1. All Essays should be in by May 1.

O.E.S. Worthy Matron Honored With Party

The home of Mr. and Mrs. James A. Littleton, Jr. was the scene of a party honoring Mrs. Gene Brown, Worthy Matron of the Earth Order of the Eastern Star, at 7 p.m. Friday, March 6.

Mrs. Brown was presented a lovely Queen Elizabeth bedspread from the Chapter by Mrs. Littleton.

The group enjoyed baked ham, salad, hot rolls, pie and coffee. Games of 42 were played during the evening.

Those present included Mr. and Mrs. Hershale Belew, Mr. and Mrs. J. A. Littleton, Sr., Mr. and Mrs. O. B. Whitford, Mr. and Mrs. Bob Armstrong, Mr. and Mrs. Homer Hodge, Mr. and Mrs. Bill Stockard, Mr. and Mrs. Donald Kelley, Mr. and Mrs. Pete O'Hair, Mr. and Mrs. M. E. Kelley, Mrs. Roy Neal, Mrs. Lena Hite, Gene Brown, the host and hostess.

MRS. CLARA LAWRENCE

Mrs. Lawrence Named Teacher Of The Year

Climaxing Public Schools Week, Mrs. Clara Lawrence, Springlake High School English teacher, was named Teacher of the Year at a special PTA meeting held Thursday night in the High School Auditorium.

Mrs. Lawrence is a former resident of Konawa, Okla. and previously taught in the Ardmore and Okemah, Oklahoma schools. She has taught in the Springlake High School for the past two years.

Mrs. Lawrence was selected for her outstanding ability and characteristics. This selection was sponsored by the General Federation of Women's Clubs and sponsored locally by the XIT Study Club of Springlake.

There will be two categories of awards, one teacher selected from those submitted by States and District of Columbia and one International.

Mrs. Lawrence will represent the Springlake Schools in the State and

National contests.

Mrs. Lawrence holds a masters degree from Oklahoma University. She is the mother of three children, Linda Kay, a junior; John, a sophomore and Franklin, a third grade student.

He husband, John H. Lawrence is principal of the Springlake High School and also holds a masters degree from Oklahoma University.

Other nominees were Cecil Slover, junior High School English teacher, second; and Mrs. Edith Fox, first grade teacher third.

Brownies Postpone Cook - Out Tuesday

The cook - out scheduled by the Brownie Scouts, Troop 334 was postponed due to high winds, Tuesday.

Brownies who attended the regular weekly meeting, Tuesday, March 10 were Vicki Waide, Susan Britton, Beverly Miller, Patricia Bryant, Linda Banien, Terry Meeks, Gale Cannon, Debra Parish, Joyce Starkey, Glenda Condren, one visitor, Irene Hanson and leaders, Mrs. Sam Meeks and Mrs. Frank Condren.

Mrs. Bonnie Haberer and Mrs. Zou Wilson were Sunday dinner guests of Mrs. Bonnie Green and Mrs. W. C. Terry.

Sisters Presented In Music Recital

Jan and Jill McCord were presented in a Student Affiliant Recital, featuring Texas Composers, Tuesday, March 10.

The recital was a combination of Student's Associations of South Plains Music Teacher's Association.

The recital was held in the Texas Tech Music Building auditorium.

Jane and Jill are students of Mrs. Norma McCarty of Lubbock. They are the daughters of Mr. and Mrs. Pat McCord.

Springlake HD Club Meets In Cook Home

The Springlake Home Demonstration Club meeting was held in the home of Mrs. Foy Cook at 2 p.m. Friday, March 16.

Mrs. Dee Lott presided over the business meeting.

A program on, "Enriched Cornmeal and Grits" was presented by Mrs. Floyd Bills and Mrs. Hilbert Wisian. A hominy grits and meat casserole, cornmeal waffles and pancakes were cooked for demonstration. Another point was stressed in the program, for each homemaker to plan wholesome meals with necessary vitamins to help their families keep healthy.

Mrs. Albert Gabehart was presented the hostess gift, which was homemade candy.

Refreshments of Jello salad, punch and coffee was served.

Those present were Mesdames Floyd Bills, Bruce Higgins, Albert Gabehart, James Packard, Dee Lott, Hilbert Wisian, James Cooper, one guest, Mrs. Bill Stanford and the hostess.

Mr. and Mrs. Kenneth Hicks of Muleshoe spent Sunday with her parents, Mr. and Mrs. Ashley Da- vis.

Mr. and Mrs. Jimmy Winders en- tertained with a 42 party in their home Friday night. Three other couples were present.

Mr. and Mrs. Roy Byers, Ricky, and Danny spent the weekend in Amarillo with her brother and fam- ily, the Billy Perkins'.

Mr. and Mrs. B. L. Skinner and Mr. and Mrs. B. V. Padon visited with F. V. Dodson Sunday after- noon at the Methodist Hospital.

Mr. and Mrs. Wayne Davis, and Del spent the weekend with Mr. and Mrs. Tut Davis of Baileyboro. Mr. and Mrs. Troy Blackburn and girls left Thursday afternoon to visit with relatives in Lindsey, Okla.

Earl Watson had the misfortune of being involved in a wreck near Hereford last week. Neither of the drivers were injured.

Mrs. Thelma McClanahan has been staying with her brother, F. V. Dodson, who is a patient at the Methodist Hospital in Lubbock. Frances Ann Dodson spent Mon-

Texas Farmers Union Plans To Erect A Safflower Oil Mill

DENTON — Texas Farmers Un- ion announced plans to build a safflower oil mill in 1960 to be located in West Texas or the Pan- handle. The mill will be jointly owned by Texas Farmers Union and Safflower Oil Corp., headquar- tered near Boulder, Colo. Fifty one percent of the stock will be owned by Texas Farmers Union and forty nine percent will be owned by the Safflower Oil Corp.

The announcement was made af- ter an Executive Board meeting of Texas Farmers Union and Ted Lord, president of Safflower Oil Corp. The oil mill would operate 24 hours per day the year round and would employ 50 or more per- sons.

Board members and the Safflow- er Oil Corp. agree to solicit plants of a minimum of 20,000 acres this year. They agreed upon a guaran- teed contract price of \$62 per ton to the grower this year. Safflower requires the same cultural prac- tices as does grain sorghum and can be expected to yield approxi- mately three fourths what your milo averages. In dollar terms this would be about twice as much money per acre next year.

Due to the fact that Dwyte Wil- son and Ted Lord, president of the Safflower Oil Corp., who were to be at the scheduled meetings the week of March 9th, will be unable to attend these meetings, therefore, the meetings scheduled for March 9th through March 14 have been cancelled but will be scheduled at a later date.

Contracts for the growers will be available at these meetings and the seed should reach the area within two weeks. The jointly owned Safflower mill will be nam- ed Farmers Oil Seed Mill Inc. will employ beginning March 9th, Dr. Wade Parkey, the agronomist who has conducted the research for the Department of Agriculture. Dr. Parkey will make each of these Farmers Union meetings and ex- plain the Safflower Program and

day night with her aunt, Thelma McClanahan.

Mr. and Mrs. Ralph Rudd spent the weekend fishing.

answer any questions you may have.

Dwyte Wilson, head of the new project development, National Farmers Union, Denver, Colorado, and Ted Lord, president of the Safflower Oil Corp., explained that safflower is a relatively new cash oil - seed crop that "is becoming increasingly important."

They said it would be well adapt- ed to High Plains farming oper- ations. While a small acreage is reported to have been grown in the Panhandle, the crop has never been produced commercially in this immediate area.

Safflower oil is used primarily as a raw material in the paint and varnish industry where it com- peters mainly with linseed oil and processed soybean oil, Lord ex- plained. Recently, it also has been used as an edible vegetable oil.

Prices were reported to have av- eraged about \$76 per ton in Cal- ifornia, where most of the present crop is grown, in 1957. The crop

Party Line...

Mr. and Mrs. Cullen Hay, Jan and Stevie, Mr. and Mrs. Perry Martin, Mr. and Mrs. Pat Mont- gomery, Dale and Dewayne, Mr. and Mrs. Johnny K. Martin, and Debbie, Mr. and Mrs. Hershah Pat- erson, and Mrs. Bud Irvine, Jerry, and Nancy bowled in Plainview, Thursday night.

commanded slightly higher prices last season, it was reported.

The average yield in California in 1957 was 1550 pounds per acre, compared with 1700 pounds in 1956. The 1957 growing season was in general, poor because of lack of moisture, Lord said.

From a national crop of only 40,000 acres in 1940, the crop ex- panded to a record 168,000 acres in 1958. About 100,000 acres of safflower were planted in 1957.

Mr. and Mrs. Pat Montgomery and boys visited her sister, Mr. and Mrs. Anly Davis in Melrose, N. M. Sunday.

Mr. and Mrs. Tom Myers return- ed home Saturday after a two weeks stay in Truth or Consequen- ces, N. M.

Muleshoe — Phone 7070

He's "in" when he's out
thanks to the Electronic Secretary Automatic
Telephone Answering Unit

This television repairman has solved the problem of being in two places at once.

Now he can make his service calls and still answer the phone!

With the help of an Electronic Secretary* Automatic Telephone Answering Unit, all incoming calls are recorded while he's out. By playing back the recordings upon his return, he knows immediately where he's needed next.

The Electronic Secretary Answering Unit automatically answers the phone and takes messages 24 hours a day. It permits proprietors of one-man businesses to leave their offices and shops, yet "stay in touch." It keeps their establishments "open" when they're away.

The Electronic Secretary Answering Unit makes any phone do more. Call your local telephone business office to find out what it can do for you.

Superintendent Bill Mann Receives Life Membership Award at PTA Meet

Supt. Bill Mann was presented a life membership in the PTA at a meeting Thursday night. Service awards were presented and officers were elected at the annual Parent-Teacher's Association special recognition program.

A ten year service award was presented to Mrs. Gladys McCord, Mrs. Laverne Sarradet, Mrs. Lovelle Morris and Clarence Hamilton were given five year service awards.

Members of the board of Trustees, Guy F. Kelley, Bob Armstrong, Mrs. Beedie Welch, A. E. Wheatley, Price Hamilton, Roger Haber, and Leon Dent were awarded service pins on behalf of the PTA.

A surprise feature highlighting the program was, "This Is Your Life" honoring Supt. Bill Mann. Relatives and friends from various towns helped complete the life story. Supt. Mann received a life membership in the PTA by Mrs. J. M. Harper of Lubbock, District PTA President.

All present PTA officers were reelected for 1959-60, which include J. H. Angeley, president; Mrs. Marvin Sanders, vice-president; Mrs. James Sanderson, secretary; Mrs. Bud Jones, treasurer; Mrs. James Packard, parliamentarian; and Mrs. Billy H. Hodge, historian.

Entertainment included the Trail Blazers, composed of Kenneth Boone, Tuffy Dent, Freddie Maxey, Norman Hemphill, and Carlis Bills, a trampoline act by the physical education department, directed by Don Townsend, and a "Former School Days" re-enacted by former Springlake students.

The meeting was well attended by both teachers and parents.

Mr. and Mrs. Lester Kelley and girls of Springlake and Mr. and Mrs. Clarence Kelley and boys were Sunday dinner guests of Mr. and Mrs. A. M. Sanders. The Marvin Sanders visited with them in the afternoon.

A LIFE MEMBERSHIP AWARD IN PTA — Mrs. J. M. Harper of Lubbock, District president of PTA pins a life membership pin on Supt. Bill Mann. Supt. Mann was awarded a new three year contract with the Springlake Schools in January.

Golden Ferguson Elected President Of Earth Jaycees

New officers were elected at the regular meeting of the Earth Jaycees at noon, Monday.

Golden Ferguson was elected president for the coming year. Others elected were Glenn Vining, first vice-president; Dwain Wheat, second vice-president;

Eugene (Perk) Lee, treasurer; Ardis Barton, secretary; Carroll McDonald, State Director; Sam Meeks, reporter; and directors Fluff Myers, Ted Haberer and E. C. Kelley.

Joint installation services and banquet will be held with the Littlefield Jaycee Club, Saturday, April 4.

Plans were made for members to attend the State Convention, April 30, May 1, 2 and 3 in Fort Worth.

Formal Opening Of Stockstill's Corner Cafe A Success

The formal opening of Stockstill's Corner Cafe was a huge success with over 200 attending, all day Saturday.

Mrs. C. R. Stockstill, wishes to thank all those who come in and enjoyed free coffee and doughnuts, also for the flowers and commendations.

Stockstill's Corner Cafe will be open daily from 6 a.m. to 10 p.m. serving homelike cooked foods and homemade pies and cakes.

Mr. and Mrs. Billy H. Hodge visited Mr. and Mrs. Quinton Bellamy in Littlefield, Friday. They were also Lubbock visitors Friday.

Mrs. Artie Cone of Dimmitt is spending several days with her mother, Mrs. Gertie Patterson.

Plans for chartering a bus to the convention was also discussed. Nineteen members attended the meeting.

Springlake School Will Be Represented At District P - TA

A member of the Springlake School Board of Trustees will represent the Springlake School at the District PTA Spring Conference to be held in Plainview, April 14.

Springlake board members appointed Bob Armstrong as a representative of the school on the program. Other board members will also attend the meeting.

Other schools of this area to have representatives are, Lubbock, Brownfield, Levelland, Littlefield, and Plainview. The Springlake School was chosen for the outstanding record of the school and school board of directors.

Mr. and Mrs. Donald Sandel and little son of Amarillo visited her parents, Mr. and Mrs. Henry Lewis over the weekend.

HELLO WORLD!

IT'S A BOY!

Mr. and Mrs. Bobby D. Green announce the birth of a son, their first child at 11:50 a.m., Tuesday, March 10 at the Littlefield Hospital and Clinic.

He weighed 8 lbs. and 8 1/2 ozs. and has been named Steven Dan.

Grandparents are Mr. and Mrs. Clarence Kelley and Mrs. Odell Green.

Child Admitted To Dallas Hospital

Mary Katherine Posey, 5 year old daughter of Mr. and Mrs. Kenneth Posey of Earth, was admitted on Wednesday, February 25 to the Scottish Rite Hospital for Crippled Children in Dallas.

Thirty-five years ago, Texas Scottish Rite Masons founded the hospital, dedicated to the effort to provide a chance at a normal life

for the handicapped child. Since 1925, more than 100,000 children have been admitted for treatment to the hospital which is supported by public contributions and bequests.

An expert staff, unusual physical facilities and devoted interest in the individual, make the Scottish Rite Hospital an outstanding treatment center which serves the entire state.

NEW EMPLOYEE AT CITIZENS STATE BANK

Mrs. E. E. Watkins assumed new duties in bookkeeping department of the Citizens State Bank, Monday.

Mrs. Watkins filled the vacancy created by Mrs. R. S. Cole, who resigned to make her home in Hereford.

Five File For City Alderman

Three businessmen, Paul Wood, Bernie Sarradet and James Gray have filed for candidates as City Aldermen in the City Election to be held April 7.

Two vacancies have been created by the expired terms of John Welch and R. H. Belew. Two other candidates, Abe Griffin and Wellon Barton previously filed.

Wood is owner of Paul's Super Market. Sarradet is manager of Thompson Chevrolet Co. and Gray is manager of the Gulf Service Station.

Springlake Faculty Awarded Contracts

The Springlake board of trustees offered all members of the school faculty contracts for 1959-60 at a meeting held Monday night.

Supt. Bill Mann was awarded a three year contract in January. John H. Lawrence and J. J. Davis were awarded principals contracts in February.

Supt. Mann said, "All teachers have not been handed their contract, but all have been re-hired for another school term."

Other businesses discussed and approved at the meeting were, the board approved the faculty's recommendation of the adoption of the textbook for 1959-60 and participating in a National Defense Program.

"THIS IS YOUR LIFE." Supt. Bill Mann — Highlighting the Special Recognition Program at the PTA meeting climaxed Public Schools Week. Supt. Mann is pictured with friends and relatives, as his life is revealed before a large audience of parents and teachers.

High - Hatters Will Leave Saturday For FU Convention

A well known local band, the High Hatters will represent the Earth Farmers Union and State organization at the National Farmers Union Convention in Springfield, Ill. next week.

The band composed of Jerry Hatter, Glenn Bills, Alvin Upehurch and Don Sanderson will be accompanied to Springfield by R. J. Sanderson. The group will leave

Plainview by chartered bus Saturday.

This announcement was made at the showing of the film, "A Tenderfoot In Europe" by Cotton John of KGNC, Amarillo, sponsored by the Farmers Union.

Among the honored guests was, Mrs. Bonnie Haberer who made the European tour last summer.

Mrs. Doug Shelby was appointed temporary secretary and treasurer of the local Farmers Union.

Members accepted dealership of certified sorghum, corn and cottonseed, to be distributed by Ray Joe Riley of Dimmitt. Approximately 150 attended the meeting.

Two Injured In Springlake Wreck

A two car smashup between a 1957 Ford sedan and a 1955 Dodge pickup, injured two persons at 4:50 p.m. Monday in Springlake.

The car driven by Mrs. Henry Conner of Springlake was traveling east on Highway 70, when the pickup driven by A. F. Bule of Llano, Texas crossed the street going north on Highway 51. The pickup struck the car and stop light pole, throwing Alvin Lefstie, another passenger of the pickup out onto the street. Lefstie was rushed to the Olton Hospital. The extent of his injuries are not known.

Treva Jo Conner 14, received bruises and was also admitted to the Olton Hospital for treatment.

Damages to the car was estimated at approximately \$800 and about \$150 worth of damage to the pickup.

NEW BOOKKEEPER AT B. and C. PUMP Company

Mrs. Frances McCarty assumed her duties as bookkeeper at B. and C. Pump Co., Friday.

Mrs. McCarty attended the Springlake Schools. Her husband is employed at Pioneer Natural Gas Co.

Mrs. Gardner Sanderson visited in Canyon Thursday with their daughter, Carolyn who is a student at West Texas State College.

DATE LINE . . .

by Sharon Hay

Hello everyone! This has been a very busy week. All the boys are home from Houston. A lot more went than we knew about. Mr. Gaston and W. G. Sanderson left Saturday, February 18, and took Tracy Angeley, Burl Branscum, Jearl James, Robert Taylor, Ronny Johnson, Robert Cortez, Hal Hudson, Shelby Bozeman, Jacky Schellar, Carl Sanderson, Jerry Taylor, Darwin McLeod, Charles Axtell, A. M. McGowan, Stanley Irvine, Dewitt Kelley, and Ross Morris. Our school sure seemed kinda dead without these boys and we're sure glad to have them back. They really brought back some pretty trophies and banners. They came home with three trophies and two banners or his grand champion, Charles Axtell had a banner for his reserve champion. The judging team (which was second in livestock judging) has a beautiful plaque, by the way these boys, Ronny Johnson, Carl Sanderson, and Shelby Bozeman placed second out of 174 other teams, and Ronny Johnson, who placed sixth in individual judging out of 521 boy, brought back a tie clasp and

a \$125 certificate toward the purchase of a registered Angus heifer. Tracy Angeley, grand champion, champion of breed, and fifth; Charles Axtell, reserve champion and 21st place; Dewitt Kelley, 1st; Darwin McLeod 2nd and 20th; Ronny Johnson, 2nd place judging team, 6th place individual judging, 2nd and 6th place; Shelby Bozeman, 2nd place; Jearl James, 3rd place and 4th place; A. M. McGowan, 4th place and 12th place; Johnny Collins 6th and 7th place; Jerry Taylor, 9th place; Hal Hudson, 10th and 22nd place; Robert Taylor, 11th place; Burl Branscum, 11th place; Larry Tunnell, 16th; Jacky Schellar, 22nd place; Robert Cortez, 29th place; Ross Morris, 8th place.

We think our school was represented very well, and we are very proud of all our boys.

ASSEMBLY:

Monday, March 9, 1959 we had a very fine assembly. This was a magic act, the first one at Springlake this year, and it was enjoyed by all. Ralph Wisian found that you can't trust anyone, when he found not only his watch, but also his billfold gone! Darwin McLeod and J. B. Griffis also found themselves in much trouble and difficulty!

FHA NEWS:

Some of the Future Homemakers of America went to the annual area meeting in Amarillo Saturday.

Organization parents mothers. Mrs. Bill Beasley and Mrs. Cullen Hay, sponsor. Mrs. Bernie Sarradet and Mrs. Phelps Murrell took several girls including Elisa Acevalo, Linda Wade, Faye Spies, Jo Ann Oden, Sandra Henexson, Joyce Gray, Alice Bales, Helen Gover, Sharon Wheatley, Patsy Chance, Verdona Curtis, Lin Beasley and Sharon Hay.

We all really enjoyed the meeting and found it to be both entertaining and educational.

To start off this date news, Linda Sanderson has really been on the go this week. Last Monday night she was with Doug Loddler. We hear that these two really had a good time. Wednesday Linda and Glenn Bulls were together. These two double dated with Joe Ellis and Adria Henexon. Thursday Linda and Joe Ellis went to Lubbock to the big show with Bobby Sanderson and Janice Prather. Loyd Jaquess was the lucky boy Friday night. Linda ended the weekend Sunday night with Kenny Hamilton. Linda, Slow Down !!!

Peggy Stansell also had a full weekend. She and Kenny Stephens of Muleshoe were also at the show in Lubbock Thursday night. Saturday night they were in Littlefield and Sunday night in Earth at the show.

Doug Jones and Linda Murrell really were busy this week. They were together Wednesday, Thursday, Friday, Saturday, and Sunday nights.

Lin Beasley is another one that just never seems to slow down. She was with Don Sanderson Wednesday night. I understand they found out quite a bit about the Outja Board !!! Saturday night, after a day at the FHA meeting, Lin and Mike Stockard double dated with Sharon Hay and Dean Jones. Mike didn't know that Lin could play a guitar, did you Mike ??? Sunday night Lin and Dick Evans were together. Did you people have some trouble hearing the show besides all the Dixie Dog Pecan Sundae trouble ???

Hal Nickleson and Kay Wheat were together several times this week. Sometimes we feel that nothing can keep these two apart they were together Thursday, Friday, Saturday, Sunday, Monday, and

Tuesday, and Thursday nights. Sunday they went to Buffalo Lake again and went boat riding, Minnie and Rayburn were with them Thursday they were in Plainview. Say, what's this we hear about you two going steady ???

Darlynna Morris and Buddy Nickleson were together Sunday and Monday nights. Did Lin and Sharon "stare" you two Sunday? Now this is new. Polly Middleton and Keith Boone from Olton were together Saturday night. When we saw them they seemed to be having a real nice time. We want more of this !!!

Glenn Bulls was with Norma Hamilton Sunday night, Linda Sanderson Wednesday night, Kay Packard of Hereford Saturday Saturday night and Sunday, Sharon

Wheatley Friday night. Glenn, you certainly were a busy little fellow this week.

Tom Messer and Yvonne Ludder were together Wednesday, Thursday, Friday, and Saturday nights. Wednesday was Tom's birthday. They celebrated by going to the show with Bobby Sanderson and Janice Prather. We understand they really had a good time. Yvonne gave Tom a shirt for the occasion. Thursday night they went to the show in Lubbock with Gene Stephens and Sandra Henexson. Friday and Saturday nights they were in Earth at the show.

Earl Kellar and Faye Spies were together in Earth Sunday night. They were double dating with Alvin Upchurch and Twila Whitford. Did this happy little foursome have a happy time ???

Faye was also with J. W. Britner of Littlefield Friday night. They certainly seemed to be having a nice time.

Bobby Sanderson is another boy that just never slows down. Not only was he with Janice Prather Wednesday and Thursday nights, Friday night they double dated with Alvin Upchurch and Kay McCord.

Lynette Dutton and Melvin were seen together Wednesday Thursday, Friday and Sunday nights. Friday and Sunday nights they were in Littlefield, Tuesday night they were in Earth riding around and Friday they went to Anton to Church. This seems as if you had a very busy week.

Linda Rose and Bud H. were together Sunday night and were in Lubbock Friday night. Linda what's Bud's last name and where's he from ???

Before we close we want to say "Welcome Back" to Bud Cooper. We're sure glad to have him back in school !!!

Also, congratulations to Mrs. Lawrence, our "Teacher of the Year" — We think the XIT Study Club members made a wonderful choice.

We hope Donald Gover gets well soon, and until next week — Bye Nowe !!!

Pleasant Valley News

By MRS. JOHN WEST

Mr. and Mrs. Willis Stoskopf of Holsington, Kan. were weekend visitors in the home of Mr. and Mrs. Oscar Allison.

Mr. and Mrs. John West returned from a trip by plane to points in Georgia and So. Carolina. They were grounded by snow and high winds on their return trip.

Mr. and Mrs. J. H. Lackey and Stacy were Sunday guests of the Durwood Luckeys.

F. A. Andres of Fort Sumner N. M. was an overnight guest of the Harold Allison's.

John W. West took a group of boys to Clovis for a Mexican dinner and skating. Those attending were James and Johnny West, Maurice Jones, Dale Montgomery, and Walter Lackey. Mr. West suffered from bruises and abrasions.

E. K. Angeley, Ken, Tubby, and Patsy went boating on Almagordo Lake Sunday.

Mrs. E. K. Angeley and Patsy were in Plainview to shop and visit with Mrs. Angeley's aunt on Friday.

ELECT NEW HD PRESIDENT

The Home Demonstration Club met March 5 in the community center with Jo Meeks and Loretta Gregory as hostess. The Club regrettably accepted the resignation of their president Mildred Kendrick. Glenda Haley was elected president to serve the remainder of the year. Mildred Stewart was appointed reporter. The County Dress Revue will be at Littlefield on April 8. Yearbooks were filled in for the remainder of the year. Gladys Moore gave a short talk on the Enrichment of Cornmeal and Grits.

Refreshments was served to five new members, Mrs. Hazel Short, Betty Wisian, Shirley Shur, Elsie Detwiler, Diane Stewart and the regular members present were Dolores Duncan, Glenda Haley, Gladys Moore, Mildred Stewart, Lena Taylor, Lillie Wuerlein, Doris Jones, Glenna Bohman. Mrs. E. K. Angeley was in Lub-

bock on business Monday. Jack Calhoun is a patient in the West Plains Hospital, his condition is serious.

TURNER FAMILY TAKES LAMB COUNTY FAT STOCK SHOW

The Turner family was well represented at the Lamb County Fat Stock Show. Doyce showed the Grand Champion and Royce the Reserve Champion in the heavy weight division. Rita and Sherry placed two and three in the dry lot division.

Party Line...

Mr. and Mrs. Roy Neal spent the weekend in Lubbock with their son, Mr. and Mrs. Max Neal. The Max Neals' have purchased a new home in the McKenzie Terrace Addition. They are former residents of Earth.

Mr. and Mrs. Ronda Kellogg, Wanda, and Rhonda attended the Boy Scout Circus at the Lubbock Municipal Auditorium, Saturday night.

Mr. and Mrs. Marshall Kelley are vacationing in Mineral Wells.

School Menu

MONDAY — Hot tamales, buttered green beans, buttered carrots, lettuce salad, corn bread, and banana pudding;
TUESDAY — Chicken pot pie, buttered English peas, buttered corn, apple - cabbage salad, and coconut pudding;
WEDNESDAY — Barbecue beef pinto beans, buttered potatoes, Jello salad, hot biscuits, and apricots;
THURSDAY — Pork loaf and brown gravy, creamed potatoes, stewed tomatoes, kraut, hot biscuits, and apple sauce;
FRIDAY — Hot dogs and chili sauce, macaroni salad, onions and pickles, and chiffon pie.

The Man who Appreciates the Finest

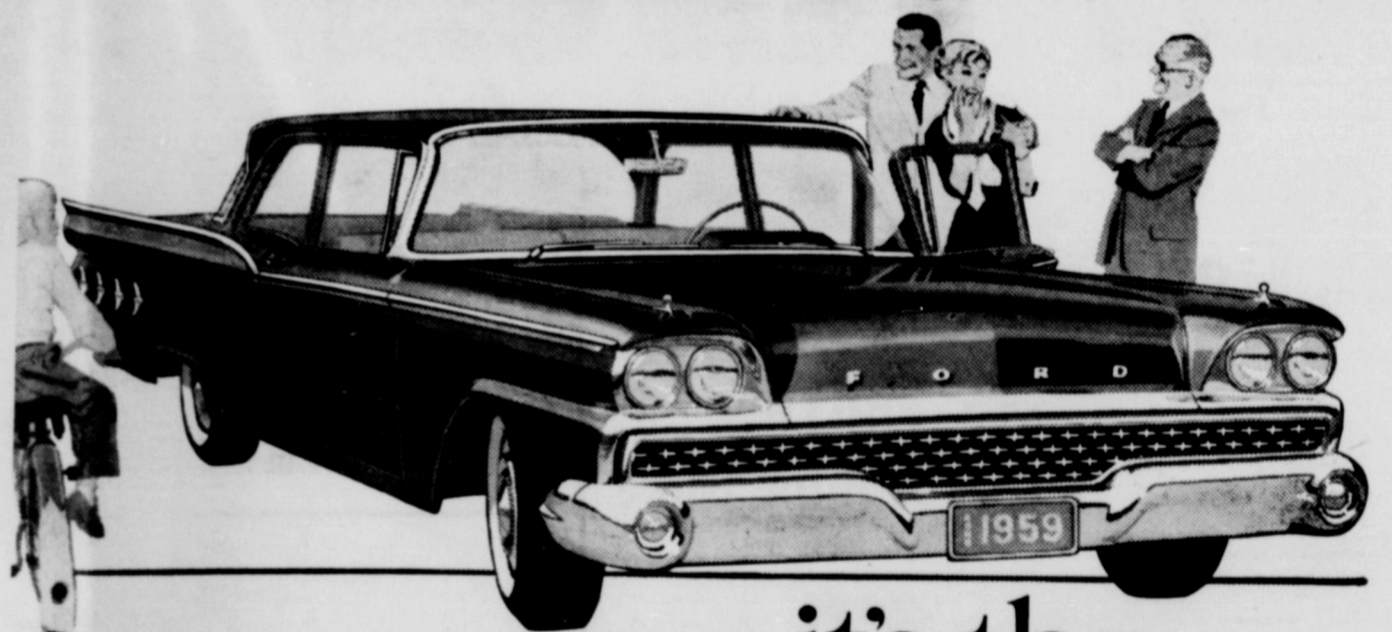

BUYS HIS WIFE GAS APPLIANCES!

There is often more to an object of art than the mere surface discloses. A man of discriminating tastes has an instinct for evaluating real craftsmanship. This is the kind of man who buys a GAS Range for his wife's kitchen. In appearance, anyone can see its cleanliness of line . . . glamour of design. Most ranges can claim this. But it's in Performance that a Gas Range achieves superiority! For here is a precision-engineered, automatically-controlled instrument that removes guesswork from cooking. Closed-door, smokeless broiling, instant ignition, and shut-off with no heat hang-over . . . here is Performance that assures success in the fine art of cooking. Yes, in every way (economy included) Gas gives you more. And where the finest is truly appreciated . . . Gas belongs!

fuel for a growing empire Pioneer Natural Gas Company

In Texas... Ford is the best buy...

...and it's the "best-looker" too

Trust Texans to choose the one new car that's beautifully sensible

This year, with a wide choice of designs, Texans have made their minds up overwhelmingly for the spectacular '59 Ford.

Ford has the classic simplicity that people of good taste prefer . . . wonderfully crisp and clean lines without brassy ostentation.

And just see how sensible this beauty really is. Discover how Ford is built for people. Notice how the extra-wide doors open all the way out . . . make it easier to enter. See how all six passengers—even the man in the middle—have the comfort of

full-depth cushions. There's plenty of leg, hip and head room, too.

Of course, every inch of every Ford is built for savings. Ford's standard engines, Six or Thunderbird V-8, thrive on regular gas, saving you up to \$1.00 per tankful. Ford's new aluminized muffler is built for double life. You can save on oil, too . . . for Ford needs a change only each 4000 miles. And Ford's Diamond Lustre Finish never needs waxing.

With all this new beauty and economy, is it any wonder Ford's

out front for '59? Come see the car acclaimed by Texans . . . now on display at your Ford Dealer's.

For the most beautiful name of all, come in and check Ford's amazingly low price . . . the lowest price of the top-selling three. And check the cost of accessories, too. You'll find the savings are even bigger!

59 FORD

Come people-test it . . . come savings-test it!

Stock Market Round-Up

Prepared by The Investment Research Department of Hemphill, Noyes & Co.

Members of the New York Stock Exchange

March 11, 1939

INDUSTRY SELECTION

It is our custom periodically to review different industries and to report on the general outlook for the stocks of companies in each industry. In doing this we evaluate them, first, by Buy, Hold or Sell based on whether we feel the various groups of stocks are likely to go up, to hold their own or to sell off. We then sub-categorize them into Least Risk, Greater Risk and Speculative. Least Risk include stocks which we feel are sufficiently good values so that they will resist any general downward trend in stock prices. Greater Risk are stocks that are either rather volatile or appear to be somewhat overpriced statistically, although not necessarily relative to the market as a whole and would be more vulnerable to any general decline in stock prices. The Speculative category is reserved for groups which either appear statistically over-priced, are very cyclical or not suitable for purchase for certain investment portfolios.

As we feel that the stock market is relatively high here statistically it is suggested that recommendations under the "Least Risk" category are probably most desirable. More venturesome investors, however, may seek stocks under the "Buy - Greater Risk" or "Buy - Speculative" categories. It may be of interest to note that the bulk of our recommendations by industry are under the Hold category at the present time. This is because we feel that the stocks in many of these industry groups could be vulnerable in the event of a general stock market decline, but on a long term basis they are desirable holdings.

Current Recommendations

Now Stop Power Loss and Gas Waste In Your Tractor
 Revolutionary new HYDRA-GAUGE DYNAMOMETER spots the cause right before your eyes!
 Too rich a mixture of fuel makes a sluggish engine, carbonizes the combustion chamber and wastes as much as 3 quarts of fuel per hour.
 Too lean a mixture starves an engine, robs power and burns valves.
 Don't let either happen to your tractor. Our HYDRA-GAUGE DYNAMOMETER spots both carburetor and ignition faults in a jiffy. Adjustments are made under actual field loads by instrument — not by ear. You get full horsepower, top economy and efficiency.
 Save money, time and chance of field breakdowns by a HYDRA-GAUGE DYNAMOMETER test today!

REPORT FROM WASHINGTON

by GEORGE MAHON

AGRICULTURE: On March 6, I joined a number of other Members of Congress in urging the Secretary of Agriculture to reconsider his action in slashing milo supports. We pointed out that the 32 cent cut per 100 pounds cut in milo for 1959 was all out of proportion to the support price for corn and that the heavy reduction would be disastrous to many grain sorghum growers.

We called Mr. Benson's attention to the fact that milo was of about the same feed value as corn and that the law requires that relative feed values should be considered in fixing feed grain supports. Mr. Benson pointed out that under the law he has the authority to consider other factors. He gave the group no encouragement. The next move will be a hearing on the problem by the House Agriculture Committee on March 13th.

NATIONAL DEFENSE: We are in the seventh week of hearings on the President's defense budget. Scores of witnesses have testified.

From the facts presented, it is clear that the U. S. in the over-all, is militarily stronger than Russia. It is also clear that we are behind in the vital field of long-range ballistic missiles. In the inter-continental ballistic missile race it is estimated that we will lag behind Russia through 1963. When we consider that the ISBM is, no doubt, to become the major weapon of the future, we cannot regard this second place role without concern. We are now giving much consideration to the problem of how to close the missile gap. The situation is disturbing, but we must bear in mind that our bomber striking power is still quite capable of destroying Russia. In fact, each side is becoming increasingly more capable of destroying the other. This points up the urgent necessity for a genuine settlement of major international problems.

FOREIGN AFFAIRS: Most Democrats and Republicans alike view the illness of Secretary Dulles as a serious blow to the country at this critical point in our foreign relations. No one is equipped to step immediately into Mr. Dulles' shoes.

T. Branscum Delegate To Lamb County SCD State Area Meeting

Lamb County Soil Conservation District Board of Supervisors met Monday night, March 2 for their regular monthly meeting.

Those present were Wiley Mudgett, Sudan area, chairman of the board; L. R. Goynes, Olton, vice-chairman; W. E. Mitchell, Spade,

There is full agreement that we must stand firm in the presence of danger in the Berlin crisis. But more is required than determination. There must be day-to-day planning and decisions. The President is doing the best he can to meet a difficult situation. It is certain that he will be fully supported by Congress.

The Berlin controversy has become increasingly more serious in recent weeks as a result of Khrushchev's further demands and maneuvers. He appears determined to try to kick the Western powers out of Berlin. It is thought that he will stop short of war, but miscalculations in an atmosphere of threat and bluster constitute a real danger of a shooting war.

SPENDING: The President recently submitted a balanced budget for the coming fiscal year, but the balance hinges on some "ifs." For example, the budget as presented would be thrown off balance if Congress, as now appears likely, refuses to raise the gasoline tax by one and one-half cents per gallon or rejects the increase in the first-class postage rate from 4 cents to 5 cents. Also, there are indications that the President's revenue estimates are unduly optimistic.

The controversy between the President and Congress over who is the chief culprit in big spending focuses public attention on a very vital issue. The unassailable truth, based on official Executive figures, is that the President has requested considerably more spending authority since he has been in office than Congress has provided. Had Congress followed the recommendations of the President, the Executive branch would have spent, or had on hand to spend, large additional sums.

I believe that Congress will moderately increase the President's defense budget, but I hope the overall budget can be kept in balance. The government departments may spend money as a result of direct appropriations by Congress, or as a result of authority granted by Congress to withdraw funds from the Treasury without consideration by the Appropriations Committees, a system known as the "back-door" method. I am supporting legislation to block the back-door method. During the last two years, Congress cut the President's requested spending authority in appropriation bills by about \$5 billion, but increased sums requested through the so-called back-door method by about \$2 billion. If all spending authority were channeled through the Appropriation Committees of Congress, the Congress and the country could more easily keep tab on government spending and the pressures for economy would be greater.

secretary; and C. E. Jones, Littlefield. Others present were Roland Willis, work unit; conservationist for the Soil Conservation Service; David Barton, vocational agriculture teacher from Spade; and Jack Gray and B. T. Kistner, SCS, Littlefield.

Business discussed was to repair district equipment that is assigned to the vocational agriculture teacher at Spade, selection of the outstanding conservation farmer of the County was discussed and a farmer of the Olton community was selected. A future breakfast and a field tour was planned for all the ministers of Lamb County in conjunction with Soil Stewardship Sunday, Thuris Branscum from Pleasant Valley and an alternate from Amherst was selected as delegate to represent the Lamb County SCD at the State Area One meeting in Plainview May 5, 1959.

The quarterly SCD Newsletter and material was brought before the board and they decided to have it on Irrigation and Irrigation Water management.

The meeting was adjourned with the showing of two twelve minutes film on Crop Residue Management and Grass Planting.

Revival Study Course Ends Tonight (Thurs)

A Revival Preparation Course being held prior to the Earth First Baptist Church Revival to be held April 19-26, will close tonight (Thursday).

Rev. Cecil Meadows is teaching the adult class, Mrs. Marvin Sanders, the Young People and Intermediate Class; Mrs. Lillie Wuerlein the Junior Class and Mrs. W. G. Sanderson the Primary and Beginners. Pat McCord is Training Union director.

Mr. and Mrs. Wix Price and Bob of Berger visited his mother, Mrs. Wix Price and other relatives.

AMONG THOSE WHO ARE ILL!

Attendants report Mrs. R. C. Hooten to be improving at her home after a lengthy illness.

Mrs. W. F. Williamson received treatment at the Medical Arts Hospital and Clinic in Littlefield, Saturday.

Mrs. Marvin Ellis has been dismissed from the South Plains Hospital in Amherst where she had undergone major surgery. She is reported to be getting along nicely.

Mrs. Gertie Patterson is receiving treatment at her home for a throat infection.

Little Brent Been was dismissed from the Littlefield Hospital and Clinic, Sunday and is reported to be steadily improving.

Lamb Outstanding Conservation Farmer Named For 1958

Euel C. Jones, who lives on his 400 acre farm one mile East of Olton, has been selected as the outstanding Conservation Farmer in the Lamb County Soil Conservation District for 1958. The selection was made at the regular meeting of the Board of Supervisors on March 2, 1959.

Jones is a native of Lamb County, attending Olton High School and later graduating from Texas A. and M. College with a degree in Agriculture. Jones has been doing a good job of conservation farming for several years. He has been a cooperator with the

Lamb County SCD for six years and served as a supervisor for zone one until 1957.

Jones conservation program includes many varied conservation measures all designed to conserve soil and water, increase the efficiency of his operation and in turn increase production. Jones has installed about 10,800 feet of underground concrete pipeline for increased efficiency in watering operations and for the conservation of valuable irrigation water. He has also bench levelled several acres around a large Playa lake in order to get maximum benefits from rainfall and irrigation water and to prevent soil washing. Jones has installed a pump and sump on one side of the lake for irrigation and recharging of well. Jones uses a diversified type of farming which includes row cropping and stock farming; He uses grasses and alfalfa for grazing and soil improvement. Jones has developed a sound

Party Line.....

Mr. and Mrs. Donald Stansell and Debbie of Tipton, Okla. spent last week in the home of Mr. and Mrs. Ray Stancell.

Conservation Cropping System which includes legumes, grasses, cover crops and narrow spaced grain sorghums in rotation with cotton. Jones manages crop residues in such a manner as to leave adequate cover on the soil surface during the critical spring blowing period. He has also planted a windbreak for protection of his farmstead from wind damage. The supervisors of the Lamb County SCD extend their congratulations to for the fine job of conservation he has and is doing.

Announcing the NEW **Eversman Hydraulic Control SCRAPER**

Low Initial Cost:
Economical Operation
Precision Performance

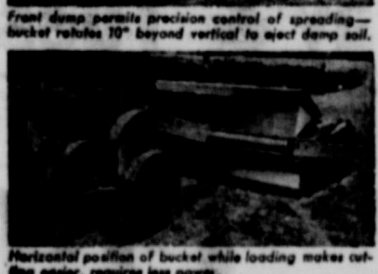

It is now possible to do most dirt moving jobs by yourself—using your own tractor—at a low "cost-per-yard" expense.

- level land for efficient irrigation
- relevel areas that have settled
- grade fields for improved drainage
- fill gullies and low spots
- build or maintain farm roads
- construct terraces & reservoirs
- ponds • dams • pit silos

The Eversman Scraper is easy to operate, loads with low power requirements but with large scraper stability. It hauls at high tractor speed and the front dump feature permits accurate control of fill.

See Your Dealer TODAY... or write for FREE BOOKLET giving complete information.

Horizontal position of bucket while loading makes unloading easier, requires less power.

2 1/4 Bales Per Acre Proves AMMO-PHOS For GROW-POWER

In 1958 I had 76 acres of cotton. Thirty-five acres of this land was not fertilized and made a good bale to the acre. Forty-one acres fertilized with 200 lbs. of Mathieson's AMMO-PHOS water soluble 13-39-0 and produced two and fourth bales per acre.

I chiseled my land 7" deep, drilled 200 lbs. of 13-39-0 and planted April 22nd. I irrigated three times — the first time when the crop started fruiting and the last time on August 18th. I saved my bottom crop with an early insecticide program.

This year I will use 200 lbs. of Mathieson's 13-39-0 on all of my cotton. I only wish that I had used it on all of my cotton in 1958.

The Great Plains Conservation Program

What is the Great Plains Conservation Program? The Great Plains Conservation Program, public law 1021, is intended to help speed up the objectives of the total Great Plains Program developed by the United States Department of Agriculture in cooperation with the Great Plains Agricultural Council. The total program includes cost sharing, credit, and technical assistance in soil and water conservation. The Great Plains Program supplements existing activities and does not replace any of them. How does the Great Plains Conservation Program differ from other programs? The program guarantees Federal cost sharing for applying needed soil and water conservation practices for a long period. The program applies only to designated counties in the ten Great Plains States of which Lamb County is one. The program emphasizes land use changes and wind-erosion control and moisture conservation and management practices. What is the purpose of the program? The purpose of the program is to help farmers and ranchers carry out a plan of operations that will help to minimize climatic hazards and protect land from erosion.

Am I eligible? To be eligible a participant must own, or otherwise control for the period needed to carry out a plan of operations on a farm or ranch in designated county.

Where do I apply? Participants may apply at the local Soil Conservation Service Office located in the basement of the Courthouse, Littlefield.

What are the requirements?

WANTED
EXPERIENCED
WELDER

Apply At
B. and C. Pump Co.
Earth — Phone 4991

To participate in the program a workable plan of operations that incorporates (1) needed land use changes (2) needed cropping and grazing system, and (3) needed soil and water conservation practices in proper combinations, must be developed.

This plan of operations includes a schedule that calls for carrying out all conservation measures in a period not to exceed ten years with a minimum of three years. You then enter into a contract with the Secretary of Agriculture to carry out your plan of operations to be paid by the Federal Government.

Who will help me make my plan?

You are responsible for making jobs, and the amount of cost shares schedule for doing the planned your own plan of operations. It must be technically sound and acceptable to the Secretary of Agriculture. You can get help from your local Soil Conservation Service technicians. Soil and range site maps and other information will be provided.

The Contract — Who signs it?

You and a contracting officer of the Soil Conservation Service acting for the Secretary of Agriculture, sign the contract.

What measures are included?

Practices eligible for cost sharing include: Establishment of a permanent vegetative cover as needed for land use adjustments, field strip cropping, range seeding, windbreaks, waterway establishment, terrace construction, diversion terrace construction, chiseling or pitting rangeland, erosion control dam construction, channel lining, chute, drop spillways, pipe drops, drop inlet construction, spreader ditches or dikes, underground steel or concrete pipe for reorganizing irrigation systems to conserve water and prevent erosion, land leveling for more efficient use of irrigation water and to prevent erosion, construction, enlarging, deepening or lining dams, pits or ponds for irrigation water, constructing wells for livestock water, constructing, enlarging, deepening or sealing dams, pits or ponds as a means of protecting vegetative cover, installing pipelines for livestock water as a means of protecting vegetative cover, brush control, and constructing

of permanent fences as a means of protecting vegetative cover.

How much cost share will I get?

Cost sharing will depend on cost of doing the needed work and the rate established by the State and County Program Committees. The maximum cost share rate will not exceed 80 per cent of the average

estimated cost of installing each eligible practice. Payment will be received when the practice or an identifiable part of the plan has been accomplished. The Contracting Officer of the Soil Conservation Service must verify performance and compliance with the program before you receive payment.

May I change my plan?

When the participant and the contracting officer agree there is a need for changing the schedule or plan; Rescheduling a practice or modifying the plan can be done.

What happens to my acreage allotment?

Cropland acreage allotment will not be decreased by any actions taken in carrying out your plan under the Great Plains Conservation Program during the period of contract.

What if I sell my place?

If you sell your place during the contract period, your contract is terminated. You will forfeit rights

to any further cost share payments. And you must refund all payments unless the new owner agrees to become a party to the contract and assumes the obligations.

Is there a limitation of the amount of cost share I can earn?

There is no limitation on the amount of cost shares you may earn per year under this program except a limitation of \$2500 for irrigation practices for any one contract.

May I use other programs in carrying out my plan?

You may use all existing programs and sources of assistance in developing and carrying out your plan, such as the Agricultural Conservation Program and Soil Bank.

My I graze land under this contract?

Yes, you may use for grazing, or for other purposes consistent with good management, the land established by vegetative cover un-

der the Great Plains Conservation Program contract. This contract, however supplements and does not cancel other contracts or agreements you have, such as Soil Bank.

ing this program, you are urged to contact your local soil conservation service, assisting the Lamb County Soil Conservation District, offices in the County Courthouse in Littlefield.
