

NOSIN... With Polly

We left Oklahoma about 5 a.m. Monday morning to drive home and put together another paper. We could not stay for the funeral service of a nephew that had died from burns he received in an explosion almost a week before, when he and his wife went down to inspect the cellar before awaking the children to go down in the cellar as a storm was brewing outside.

We brought with us a most haunting picture of a pitiful little 29 year old widow whose face was one mask of severe burns, her neck, arms and hands were also badly burned, she could not pick up her children, neither could she feed herself, put on her clothing or do anything for herself as her bandaged hands did not permit their use.

Her heart was heavy as she reached up her bandaged little arms to hug their family, friends and neighbors, as they filed in with tear stained faces and filled the home that once sounded of laughter and gaiety now it was quiet, but there was a humble awareness that God was there to comfort and heal the wounds of this lonely little mother and her two adopted children.

Not once did Sandra, our little niece, complain for she knew that God was with them that night when they went down to inspect the cellar, and that he alone understood and knew all the answers as to why Larry was taken home to heaven--she knew too, that she was to walk with God through tears and through blind faith and that he would be with her always. She knew that as friends and family came in to show

their love and sympathy, that even then Larry's burned body was resting in the casket but his soul was singing in that home beyond the sky.

Sandra's brother was asked to preach Sunday and without hesitation he grasped the opportunity to tell others of the Christ he knew. He gave praise to Christ for dying on the cross that we through him could have eternal life in that Heavenly Home.

Down the road a quarter of a mile were Larry's parents, two brothers and a sister at their home as there was not enough room for all the friends and family to gather at one place. Their hearts were heavy for one of their twin sons had gone to heaven and left a void in their lives, although they knew not why they knew Larry was a child of God and that he was right at home in that Pearly White City.

NOSIN

Everyone in the area knew E. K. Angeley who departed last week. E. K. was truly a friend to many. He was always willing to lend a helping hand to those in need. His enjoyment was giving aid to others.

E. K. never lacked in courage to defend a friend if he thought the person deserved to be defended, even if everyone else was against him. E. K. stood alone but spoke up and was heard. He will be missed by many who loved him dearly and there are many who knew his kindness, realizing his bark was much harder than his bite.

There was but one E. K. Angeley to me he was a treasured friend.

SPRINGLAKE-EARTH'S OUTSTANDING WOLVERINE BAND Got a 1 rating and was selected Outstanding Band at the Corpus Christi band festival last weekend.

S-E Band Takes Top Honors At Corpus Christi

The Springlake-Earth band, under the direction of Tom So Relle, took top honors at the "Bucaneer's Music Festival" held in Corpus Christi Saturday, April 28.

The local band received a 1 rating and also won outstanding band in their class.

The rating was determined by three judges: George C. Wilson National Music Camp, Interlocken, Michigan; William P. Foster, Florida A&M University and Karl M. Holak, University of Northern Iowa. Each judge rated the band in several different areas. The combined score of all three judges in all areas made the final rating. A 1 rating is a highly superior rating; a II rating is considered excellent. "The band did an excellent job. It was the best total performance I have ever seen, in looks and playing they put out 100 percent. They were as near perfect as possible," commented director, Tom SoRelle.

Just getting to go to Corpus is a great honor, especially for a small school. To qualify for this contest, a band must receive a I rating in UIL competition. Therefore, all schools represented at Corpus Christi are I rated. "The competition is tremendous, much, much greater than in UIL contest," stated Mr. SoRelle. He added, "Only about 20-30 percent of the bands who participate in the festival receive a I division rating, so we fell extremely fortunate and proud of our band."

The band left S-E school at 4 a.m. Friday, April 27, and drove to Lubbock on two school buses, and there boarded two T.N.M.&O. buses for their trip. They got on their way at 6 a.m. and drove to Menard, Texas, where they had lunch. "The scenery was just beautiful, with its green trees and foliage, and the shoreline drive as we reached our destination was gorgeous," reported Mr. SoRelle.

At approximately 5 p.m. the band checked into the "Downtown" Motel in Corpus. Across the street from the motel was the beach. That afternoon they went to Ray High School to practice for one and one half hours. The students were allowed to go to various

places to eat and all were in bed by 10:30 p.m. They got up the next morning, Saturday at 5:45 a.m. and drove to Tuloso Midway High School where the band played their concert at 8:30. After receiving their honors and a large beautiful trophy, the band posed for pictures.

They enjoyed a wienie roast walking in the sand, and just a good time at Milaquite Beach on Padre Island, Saturday night, the group went downtown to enjoy some of the activities of the city. Sunday morning, at 10:00, they drove to San Antonio and there they did some sightseeing. One of the great attractions and thrills was seeing the Alamo. They left there at 9 a.m. Monday and arrived in Earth at 8 p.m.

"We want to express our sincere appreciation to the many, many people who raised money and donated money to make this trip and this honor possible. A special thanks goes also to the welcoming group who met us and escorted us home. The

band is only as strong as the community will help it be; it takes community support to have a good band, so this award also honors you, our community," added Mr. SoRelle. Sponsors for the trip were Mr. and Mrs. Hershel Wilson, Mr. and Mrs. Eddie Haydon, Mr. and Mrs. Dutch Been, Mr. and Mrs. Tom SoRelle, and Ward Cooksey. "A finer group of sponsors could not have been found anywhere," exclaimed SoRelle. "They communicated well with the students and the behavior of all was exceptional."

Benefit For Recreational Area Slated

The Life of Christ in scripture and song will be presented at 7:00 p.m. May 6, in the First Baptist Church of Springlake by Wayne Anderson and Harold Carson.

Mr. Anderson is director of choral activities at Springlake Earth schools and First Baptist Church of Springlake.

Mr. Carson teaches piano privately and is organist at the First Baptist Church of Olton. The sacred music concert will be presented as a benefit for the Springlake recreation facility which will be located behind the Springlake Baptist Church.

Included in the program will be O Holy Night and a medley of Christmas Carols and several familiar gospel hymns depicting the birth, life, death and resurrection and return of Jesus such as "Then Jesus Came," "He Could Have Called Ten Thousand Angels," "I Walked Today Where Jesus Walked," and "The King is Coming." "I know that My Redeemer Liveth" from the "Messiah" and "The Holy City" are also included on the program.

There will be no admission and everyone is invited to attend this special concert.

Mrs. Bill Perkins of Grover and Mrs. Johnny Dale McNamara were weekend guests of Mr. and Mrs. Dolan Fennell, Mr. and Mrs. Orlan Bibby, Mr. and Mrs. James Rackard and Mr. and Mrs. Larry Reese of Littlefield.

312 Attend Stockholders Meeting Of Farmers Co-op Association

Approximately 312 members and visitors met in the Springlake-Earth school cafeteria for the 37th annual Stockholders Meeting of the Farmers Cooperative Association of Springlake, Saturday, April 28. A delicious meal of bar-b-que beef and chicken, potato salad, cole slaw, beans, and fried pies was enjoyed prior to the business meeting.

Following the meal, a drawing was held in which several all cotton gifts and a number of 25 pound boxes of Co-op laundry detergent were given away. The business meeting was called to order at 1 p.m. by V. O. Busby, president, and Glen Smith, pastor of the Springlake Baptist Church led the invocation.

Eudell Baucum, gin manager, introduced the guests and gave a report on the plans for the coming year. Baucum stated, "a complete over-all change will be made in the operation, in order to be in compliance with the Federal Government's regulations on air pollution."

A report in slide-form was given by Jim Martin who is regional representative for Plains Co-op Oil Mill in Lubbock.

Alex Williams of the accounting firm of Williams and

Merriman of Muleshoe, gave the audit report.

New officers for the coming year were elected. V. O. Busby was re-elected president, James E. Jones was named vice-president, and W. E. Miller was elected secretary.

Two new directors were named to the board. They are Dolan Fennell and Ous Ray King. Other board members are Bill Watson and Dosmie Clayton. Eudell Baucum was named assistant secretary and regional representative alternate.

Funeral Services For Claude J. Blackburn Held

A 68-year-old Shallowater man became the 45th South Plains traffic accident victim of 1973 Wednesday morning, April 27.

Claude J. Blackburn, 68, of Shallowater, formerly of Lazbuddie, died at 5:45 a.m. Wednesday in Highland Hospital in Lubbock as the result of injuries he sustained in a two-car accident 12 miles east of Muleshoe on U.S. 70 at 5 p.m. Friday.

Blackburn had lived in Shallowater about one and one-half years after moving there from Lazbuddie.

Funeral services were at 2 p.m. Friday in the Lazbuddie Methodist Church with the Rev. Roy Patterson, pastor of the First United Methodist Church of Turkey, and the Rev. Max Browning, pastor of the First United Methodist Church of Shallowater, officiating.

Burial was in the Lazbuddie Cemetery under the direction of the Singleton-Ellis Funeral Home of Muleshoe.

Born in Collin County, he was a retired maintenance operator for Farmer County. He retired three years ago. He was a member of the Lazbuddie Methodist Church.

Survivors include his wife, Lorine of the home; a son, Bob Blackburn of Shallowater; two daughters, Mrs. Raymond Lester of Shallowater and Mrs. Don Richards of Lazbuddie; five sisters, Mrs. Ethel Warren of Dallas, Mrs. Opal Bowen of Madill, Okla., Mrs. Edna Loy Lavey of Henrietta, and Mrs. Minnie Christian and Mrs. Thelma Lee Speck, both of Sherman; two brothers Arthur Blackburn of Hereford and Floyd Blackburn of Denison; and 12 grandchildren.

Rep. Clayton Co-Sponsors Resolution

Texas is exporting seven of the eight billion gallons of fuel oils she produces, while home owners, industrial and agricultural consumers in Texas are facing immediate and severe shortages, sponsors of a resolution told members of the Natural Resources Committee this week.

Rep. Bill Clayton of Springlake co-sponsored the resolution, which would ask the Texas Railroad Commission to protect the rights of Texas citizens over the exporters of Texas-produced products.

The committee acted immediately by pushing for emergency consideration of the resolution on the House of Representatives.

Forty percent of jobbers who supply gas in Texas are facing severe cutbacks on May 1, while five percent are going

out of business for lack of gas and fuel oils to sell, according to Lowry M. Carpenter, vice president of Texas LP-Gas Association. Rationing began last December to keep heat in homes, schools, cotton gins, tractors, oil rigs and other users of gas, he said.

Roger Brown of Big Spring, representing the jobbers of that area, stated that the crisis is immediate, adding that clients have been notified they will be cut off on May 1 from gas. He estimated a million people in rural homes would be affected by that cut. Rep. Clayton's resolution recognizes the critical situation and asks the Railroad Commission to give a high priority to the solution of the

problems, using laws already on the books which cover the situation.

Clayton Says Appropriations Bill Can Be Reduced

TAKES STAND AGAINST ANY NEW TAXES, State Rep. Bill Clayton tells members of the House he believes \$100 million dollars can be trimmed from the appropriations bill now being considered in Austin. Clayton attempted to amend the bill to reduce spending, and said he would vote against any bill that would call for new taxes this year.

mittee would come up with substantial savings and reduce considerably the House version. Clayton restated his stand to vote against any bill that would call for new taxes to be raised this year.

The House appropriations bill

can be reduced by \$100 million dollars without materially impairing services to the State, Rep. Bill Clayton stated today. After two full weeks of debate and the consideration of over 200 amendments, the bill is barely under the limit which would call for new taxes, Clayton said.

"We need to come up with a bill that leaves a cushion for emergency needs for the next two years," Clayton stated. He added that he hoped the Senate-House conference com-

strokes and kidney failure. As recognition of the importance of early detection and treatment of even the mildest cases of hypertension spreads, we may begin to make inroads against these modern scourges. Hypertension is no respecter of age, sex or race. Whether you are man or woman, young or old, black or white, whether

or not you have any of the symptoms often associated with high blood pressure, there is only one way to find out if you are one of the 11,000,000 Americans who are unaware they have hypertension.

In many communities blood pressure screening programs are underway. There is one way, but there is no need to

wait for a screening program to reach you. Your own doctor can take your blood pressure, or you can have it done at your health center or clinic.

It's A Silent Killer But Can Be Treated

If you knew of a simple medical procedure that could add years to your life and health, would you be interested? And what if it was also quick? And inexpensive? And painless? Such a method is readily available, and it's as easy as this: having your blood pressure measured.

High blood pressure is a health problem whose time has come, and it is a simple blood pressure test that will reveal the presence of the condition. Of the 22,000,000 Americans who have high blood pressure only about half know it, according to Dr. Theodore Cooper, director of the National Heart and Lung Institute which is spearheading the Department of Health, Education and Welfare's national attack on the disease.

Because hypertension (the medical word for high blood pressure) often has no symptoms, it is one of the most neglected of all major health problems in the United States. And a major health problem it is. Hypertensives are three to five times more likely than others to have heart attacks, four times more likely to suffer crippling or fatal strokes. Hypertension is of major significance contributing to kidney failure.

Yet at the same time nearly every case of high blood pressure can be now treated effectively and kept under control with drugs.

Even mild elevation of blood pressure warrants treatment. Often by the time a patient reaches help the effects of high blood pressure have been underway for 10 years or more, destructively attacking heart and blood vessels and paving the way for heart attacks,

Skating Party Set May 12 For Brownie Troop 101

Permission slips were passed out for a skating party on May 12, at Clovis, at the Brownie Troop 101 regular meeting, Tuesday, May 1.

After roll call, Joy and Elma presented the color to the Brownie Ring. Tracy lead the pledge, Vonda lead the promise, and Kelly lead the Brownie Smile Song.

Then they had a discussion about last week's meeting, what they learned, how they cooked and what they liked best.

The troop has 17 more boxes of cookies to sell, which were

passed out to the girls. The girls worked on Mother's Day Gifts, then went outside to play games.

Angela Layman lead the Singing Grace. Ice cream and Pom Poms were served by Kelly Criswell. After clean-up, the girls played a balloon game.

Those who were present at the meeting were: Kelly Criswell, Vonda Stephens, Tracy Lackey, Amy Gonzales, Angela Layman, Dorcey Randolph, Joy Parish, Elma Gauna, Tammy Landis, leaders: Mrs. Don Randolph, Mrs. Dennis Criswell, and Mrs. Gayland Stephens.

Plan A Practical, Beautiful Landscape

With good planning, a landscape can be both practical and beautiful, suggests Dr. William Welch, landscape horticulturist for the Texas Agricultural Extension Service.

"Two important points to consider whether redesigning an existing landscape or planning a new one are to list family needs and study the site," he says.

Each family member should be taken into consideration. green or deep yellow in color."

The remaining two servings from the fruit and vegetable group are the individual's choice.

From the bread and cereal group, an adult needs four servings of breads and cereals daily, Miss Kreipke noted.

"These can come from enriched white bread, variety breads, rice, macaroni and other pasta, or tortillas."

From the milk group each day an adult needs only two servings, but children, teens and pregnant woman need more servings, the specialist explained.

"Milk is one of the foods in this group along with cheeses and ice creams. Many people enjoy eating their milk in puddings, custards or sauces," she suggested.

Asked if following the basic four requirements would necessitate banning cakes, candies or soft drinks from the diet, Miss Kreipke replied with a flat "no."

She explained the "foods which don't fit into one of the basic four food groups still may be necessary to make meals more appealing and provide enough energy for normally active people."

Their needs may include driveway and turnaround space, off-street parking, play space for children, an outdoor living area, a vegetable garden, privacy from certain areas and windbreaks.

"Ideally, selection of the site, placement and design of the house and landscape development should be all done at the same time. It's difficult to select the best site without having some idea of the type of house and landscape design," contends Welch.

He suggests some ways to develop a relationship between house and site:

1. Use landscape plants growing naturally on or near the site.

2. Repeat architectural lines of the house in the landscape -- either with plants or construction such as walls and fences.

3. Use building materials that blend well in the natural environment or may be found there. A wood shingle roof for a home on a wooded site or stone exterior walls in an area where the stone occurs naturally are good examples.

Guides for home landscaping are available at the local county Extension office, adds Welch.

Springlake HD Club Meets

The Springlake Home Demonstration Club met in the home of Mrs. A. Hollingsworth April 26, for their regular meeting.

A devotional entitled "Family Respect," was given by the hostess.

During the business meeting, plans were made to go on a picnic and to the museum in Lubbock on May 5.

Mrs. James Smith presented the program entitled, "Wills and Retirement."

The hostess gift was won by Mrs. W. R. Boone. Present for the meeting were Mrs. Oran Bibby, Mrs. Ed Biles, Mrs. W. R. Boone, Mrs. Keith Boone, Mrs. A. Hollingsworth, Mrs. James Smith and Mrs. James Packard. The next meeting will be

May 8th in the home of Mrs. Bruce Higgins.

GA's Discuss Story

The Springlake GA's read and discussed a story, "An Easter Surprise," when they met for their regular meeting Thursday.

After a circle prayer, plans were made to have a home mission study Saturday, May 5, taught by Mrs. Glen Smith. A salad luncheon was planned for their "Secret Grandmothers" to be held May 12, at noon in the fellowship hall of the Baptist Church.

Refreshments of cookies and Cokes were served by Mrs. Billy Wayne Clayton to Michael Fields, Dyan Jones, Kelley Walden, Kelley and Kathy Head, and leader, Mrs. Delvin Walden.

PARTY LINE

Guests in the home of Mr. and Mrs. Jack Hinson Saturday were her sisters, Mrs. Myrtle Bentley and Mrs. Mable Von and friends, Mrs. Irma Rhodes, Mrs. Winnie Grogan and, Mrs. Iris Graham, all of Amarillo.

Sunday guests in addition to Mrs. Hinson's sisters and Mrs. Rhodes were Mr. and Mrs. Earl Parish and Robin, Dummatt, Mrs. Randy Washington, Lubbock and Mr. and Mrs. Kenneth Hinson, Kevin and Kent.

Cats are more popular than dogs. There are 28,000,000 pet cats in the U.S. and only 23,000,000 dogs.

Many Families Eat Inadequate Diets Today

Fewer families eat adequate diets today than in the past, recent U.S. Department of Agriculture surveys indicate.

Even in the upper and middle income levels, the number of families eating adequate diets is decreasing, according to Karen Kreipke, Texas Agricultural Extension Service foods and nutrition specialist, in discussing steps to reverse the trend.

She denied that high food prices always prohibit people from buying foods necessary for good health and maintained that the opposite is true.

"Even people on very limited incomes can select low-cost foods that will provide an adequate amount of nutrients."

MRS. JAMES RAY HARTLINE

Lowery-Hartline Exchange Vows

At 2 p. m. Saturday, April 28, the Littlefield Kingdom Hall of Jehovah's Witnesses provided the setting for the impressive double ring ceremony uniting in marriage Miss Donna Gay Lowery and James Ray Hartline. Sam Stanton, a minister of the local Littlefield Congregation of Jehovah's Witnesses, performed the ceremony.

Parents of the couple are Mr. and Mrs. Loyd Lowery of Earth and Mr. and Mrs. Jim Hartline of Muleshoe.

Decorations in the hall consisted of two standing arrangements of white gladiolas and starburst mums nestled in a bed

of baby breath and greenery. A coordinating arrangement was centered atop the piano. Large white bows designated family seating.

Musical selections, chosen by the bride, were played while the guests arrived by Regina Meeks, pianist, for the occasion.

The bride, presented in marriage by her father, was adorned in a white formal length gown of peau satin. The gown featured an empire bodice of reembrodered lace with a miramist yoke. The high collar featured matching lace edged with dainty tatting. The

full-blown pouffed sleeves of miramist were gathered softly to a cap of the reembrodered lace and atting and ended in a deep matching cuff. Her miramist veil was edged in the reembrodered lace and fell to her waist from a crescent head piece of seed pearls and miniature flowers. The bride carried a nosegay of white carnations and mint green starburst mums featuring a cascade of delicate greenery.

Maid of honor was Sharla Lowery, Earth, sister of the bride. She wore a formal length dress of mint green

dacron crepe, reembrodered lace and miramist styled identical to the brides gown. Her miramist head piece was attached to a Dior bow and circled with lace. She carried a bouquet of carnations, mums, baby breath and white ribbons.

Glen Lowery, Canyon, uncle of the bride, served the groom as best man.

Ushers were Mark and Bruce Hartline, Muleshoe, brothers of the groom and Jack Tiffin of Earth.

For her daughter's wedding Mrs. Lowery wore a two piece dress of brown and white with a brown sleeveless coat. Brown accessories completed her attire.

Mrs. Hartline chose a polyester dress of cream featuring a slightly flared skirt in tones of cream and soft beige accented with beige buttons. She wore chocolate brown accessories. Their corsages were of white carnations and baby breath accented with green ribbons. Immediately following the ceremony a reception was held in the banquet room of the Lamb County Electric Cooperative.

Guests were registered from a circular table covered with a gold floor length cloth by Lori Hartline, sister of the groom and Sherry Lowery, cousin of the bride.

The brides table was covered in white with a tiered overlay of white dotted swiss. The table was centered with the tiered wedding cake iced in pale mint green featuring cascades of mint roses. An ornament of a miniature bride and groom in a garden gazebo surrounded by white roses topped the cake. On each side were mint green tapers in gold candelsticks. Other focal points on the table were the bride and maid of honors bouquets. Green punch, nuts and rose mints were served from crystal and gold appointments.

Members of the house party were Kim and Sue Jones and Mrs. Jack Tiffin, cousins of the bride. Regina Meeks, Stacy Stanton, Tina Martinez, Sherry Tyler and Brenda Tandy.

For traveling the bride chose a three piece ensemble of pastel pink dacron knit with a blouse of white with pink embroidery. She wore a white carnation and baby breath corsage and white accessories.

The bride is a graduate of Springlake-Earth High School. The groom is a graduate of Muleshoe High School. He is presently employed by Plains Pay and Save in Plains, Texas.

After a short wedding trip, the couple will make their home in Plains.

Senior Citizens Monthly Meeting

Mr. Rual Fanning was in charge of the Senior Citizens Monthly Meeting.

Mrs. Jack Hinson, program chairman, presented Rev. David Hartman, who presented a very interesting program which was entitled "Cicero's Philosophy."

Luncheon plates were sent to several shut-in people.

Mr. Rual Fanning closed the meeting with a word of prayer. Those who were present at the meeting were: Mrs. Bonnie Haberer, Ola Fanning, Rual Fanning, Mr. and Mrs. Jack Hinson, Judith Jones, Marie Ross, Mrs. Alma Barton, Mrs. J. R. Hyde, Edith Brackett, Mrs. H. H. Hamilton, Frank and Mary Butler, Zou Wilson, Alice Martin, Jolee Trulock, Annie Runyon, Carra Morgan, Bigan and Marie McCool, Mrs. Eula Kelley, Beula Coker, Ida M. HELLO WORLD

CARDS OF THANKS

My recent stay in the hospital was made pleasant by such wonderful friends as you who sent flowers, lovely cards, gifts and phone calls. A special "thanks" goes out to each one of you, I love and appreciate each of you so much.

Sometimes I view the pattern of my life and say a prayer, a prayer of thanks for many things, I see so lovely there. Woven in the pattern is a shiny golden thread, reflecting something kind you have done or something nice you have said and so I want to tell you of the peace and joy you lend, can make one's life so rich and sweet. I'm glad that you are my friends.

Busby Chosen Outstanding Junior At Tech

Steve Busby, Springlake, was one of seven students majoring in agricultural economics at Texas Tech University, who were honored for scholarship and leadership at the annual Department of Agricultural Economics Steak Fry Friday, April 27, night in Mackenzie Park.

Busby, who was chosen as outstanding junior in this department, is the son of Mr. and Mrs. James Busby of Springlake. He is a member of Phi Kappa Phi and Phi Eta Sigma honor societies at Tech. He is a 1970 graduate of Springlake-Earth High School.

The steak fry is an annual event sponsored by the Department of Agricultural Economics and the Ag Econ Club of Texas Tech to honor departmental majors and provide an evening of fellowship for students and faculty.

E. T. Borum Attends Training Program

Judge E. T. Borum, Earth, has successfully completed a forty hour course in the performance of his duties as required by Article 5972 of the Revised Civil Statutes of Texas and as amended by House Bill 168 of the sixty second legislature. This training course was held in Lubbock, Texas from April 15-20, 1973. Mr. Borum has been Justice of the Peace in Earth for over a year. He formerly owned and operated the Earth Theatre and the Sunset Drive-In. He currently owns and operates the El Rey Theatre in Amherst, Texas. Lamar University, College of Technical Arts has been contracted by the Texas Justice of the Peace and Constables Association to execute the Justice of the Peace In-Service Training Program.

Funds have been made available for this program through a grant from the Texas Criminal Justice Council and under the authorization of the Federal Omnibus Crime Control Bill and Safe Streets Act.

Lamar University conducts basic and advanced training programs throughout the state. Completion of the basic training course will certify a judge as required under Article 5972, Revised Civil Statutes of Texas as amended by the sixty second legislature. The advanced training course is designed to improve the skills of those judges who have held the office of Justice of the Peace for more

than one year.

Like any group of elected officials, Justices of the Peace represent a reasonable cross section of our society. They range from experienced attorneys holding the position in metropolitan areas to rural magistrates handling their duties on a part-time basis while holding another job. This program recognizes the need for the transmission and updating of basic skills and methods needed to function effectively in the office, regardless of the workload of other training of a given individual.

This program of basic and advanced in-service training workshops will provide information as to the proper conduct of the office, involve participants in hypothetical situations, role playing, group discussions, problem solving and examination settings. In addition to the formal presentation, the workshops will provide an opportunity for informal visitation and exchange of ideas that will be vital to improvement in the caliber and quality of service offered by magistrates across the state.
