

Lawyer Opens Office In Earth

The office of Richard A. Barras, lawyer, has been opened in the Citizens State Bank Building to aid area residents with any legal matters which they may confront.

Barras, a partner of the Lumpkin, Watson, Smith and Barras law firm of Amarillo, has stated that his office will be open each Tuesday from 9 a.m. until 5 p.m. Those having business to conduct with Barras are urged to make appointments by calling 257-3451. Barras has explained that persons without appointments will be seen if time permits. He added that special appointments can be arranged for Monday through Friday concerning urgent business.

The 38-year-old lawyer is a graduate of Thomas Jefferson High School in Port Arthur. He attended Texas A & M University and received his BA degree from that school in 1952. He was awarded his LL.B. (bachelor of laws) degree from the University of Texas in 1962. Barras has been a member of the State, Amarillo and American Bar Associations since March 15, 1962. At that time he joined the firm of Lumpkin, Watson and Smith. He became a partner in the firm in January of 1966.

During his studies at Texas A & M, Barras served as Group Commander Lieutenant Colonel in the Corps of Cadets. He was a distinguished military graduate and a distinguished student. While attending the University of Texas Law School, he was a member of Phi Alpha Delta Legal

Cotton Contest Open To County 4-H'ers

The Lamb County 4-H Cotton Quality and Yield Per Acre Program has been announced by Bobby Brunson, Assistant County Agricultural Agent. The contest is open to any regularly enrolled 4-H members between the ages of 9 and 19 years of age on July 1st of the contest year.

Cash awards will be given to the first four places, both dryland and irrigated. The cash awards will be furnished by cotton gins throughout Lamb County.

The Lamb County Crops Committee set up the following rules and regulations:

1. Any regularly enrolled 4-H member between the ages of 9 and 19 years of age on July 1st of the contest year. If a youth wishes to join 4-H and participate in the contest, they can do so by contacting the county agent's office on the second floor of the County Courthouse in Littlefield.

2. A crop record book and story must be kept complete and turned into the County Agricultural Agent's office by the first Monday in January.

3. Five acres of cotton are to be entered in the contest and are to be staked off plainly and designated to the 4-H adult leader of their local club, ginner or member of the Crops Committee not later than July 1 by the 4-H member entering the contest. The 4-H member must own at least half share of the crop.

4. The highest placing senior's record book must compete for the Texas Cotton Ginner Association Award. A ginner member must have passed his 14th birthday before January 1 of the current year.

5. Three unrelated and disinterested persons must certify as to the measurements of five acres entered by July 1.

6. Gint tickets will be attached to record books to verify the number of pounds of lint cotton produced on the five acres designated on July 1. Also a copy of official grade and staple card for each bale.

7. Only highest number of pounds of lint cotton per acre will be considered for awards in this contest and will be figured on loan value to figure value of cotton.

More than 1,500 pounds of flour, cereal products, sugar, potatoes, fats, oils and eggs are consumed annually by the average American family of four.

"The purpose of the contest is to promote greater yields and quality per acre lint cotton on farms in Lamb County by better cultural practices. This program hopes to promote cotton farming interest among Lamb County youths," said Brunson.

If interested youth and parents have any further questions they can contact their local ginner who will have a copy of rules and regulations or the county agent's office.

A World Of Opportunity Awaits

As the strands of "The Grand March" rang out, 43 proud young men and women made their exit from the Springlake Earth School auditorium as students. Tears were seen and joyous laughter heard as mixed emotions dominated the halls.

These proud students are now emerging into a world of opportunity, hopes, fears and disappointments. Some will further their educations and others will be settling down to married life while still others toss their hats into today's business world.

For a select few who plan to enter college scholarships were made available and awarded during commencement exercises Monday evening, May 31. The Springlake Lions Club awarded a \$75 scholarship to salutatorian Jan Cleavinger. Presentation of the award was made by Ed Jones, The Earth Lions Club, represented by Roger Haber, awarded a \$75 scholarship to valedictorian Johnny Kelley. Martha Kolte was selected to receive the \$100 National Honor Society scholarship presented by Ward Cooksey. The final scholarship presented to a member of the 1970-71 senior class was received by Kent Parish. The Town and Country Study Club sponsored the \$250 scholarship award. Each of these scholarships must be used within the next year by the honor students to attend the college or university of their choice. Johnny and Jan were also awarded scholarships for full tuition to any state supported college or partial tuition to any church school.

Following the invocation by Bro. Glen Smith, Jan Cleavinger presented the salutatory address. The valedictory ad-

dress was made by Johnny Kelley prior to the special music, "Everything is Beautiful," by the Senior Girl's Ensemble.

William L. Mann, superintendent of schools, then made the introduction of the distinguished speaker, Dr. James H. Granberry of Lubbock.

Granberry pointed out to the 43 graduating seniors that to attain one's goal in life that person must first determine a purpose and apply himself with full dedication. Serving oneself and others is also very important in achieving a goal as is having something to hang on to.

Granberry added a dramatic effect to his speech by speaking directly to members of the 1970-71 graduating senior class and by using various personal illustrations and recalling portions of the salutatory and valedictory addresses to enlighten the class on specific points.

He said that in his youth, as well as today, the thing he had to hang on to was Christ. To have Christ there when He is needed and at all times is one of the great factors in attaining one's goal. He referred to a statement made in the salutatory address concerning "getting involved." Granberry stated that to see results a person must get involved in life, in others and in today's world in general.

"Today," the class song, was presented by the class members prior to the presentation of the class by Ward Cooksey, principal.

President of the Board of Trustees, Norman Hinchliffe, presented diplomas to Elaine Hanson, Carlene Jones, Connie Kelley, Johnny Kelley, Martha Kolte, Samul Lewis, Johnny McNamara, Denise Morgan, Jennifer Myers, Danny O'Hair, Andrea Ollvas,

Kent Parish, Mylie Perkins, Ramiro Posadas, Brenda Robinson, Thomas Rudy, Donna Russell, Refugio Samarron, Daisy Washington, Mike West, Monte Winders, Susie Adrian, Karen Armstrong, Marla Arredondo, Jenna Banks, Jimma Banks, Jerry Barden, Tony Barton, Welda Barton, Kathy Bibby, Mary Bosquez, David Bradley, Janis Bridge, Ronda Clayton, Jan Cleavinger, Julie Cleavinger, Kent Coker, Lole DeLeon, Joan Dudley, Ricky Enloe, Donnie Galloway, Roberts Gaston and Camille Haber.

Following the benediction by Bro. David Hartman, the school song was presented by the senior class and their exit was marked by "The Grand March." Ushers were Phyllis Smith, Becky Littleton, Sherry Pittman, Hoyt Glasscock, Dale Wheatley and Carl Sulser. Sponsoring the senior class were Mrs. Marie Slover and Bill Anderson.

As the final diploma was presented to the eighth grade class of 1971, Springlake Earth High School proudly became the possessor of 55 new freshmen.

Pride and anticipation were evident as the exercises began with the invocation by Kevin Hinson. Greg Welch presented the salutary address followed by the reading of the class history by Dyke Gaston and Doug Jones.

Excitement grew with the presentation of trophies to the salutatorian and valedictorian by Cecil Slover, principal. Greg Welch and Junior Sauseda were the proud recipients of the trophies furnished by the Town and Country Study Club. Doug Jones, son of Mr. and Mrs. Keith Jones was named recipient of the trophy awarded for outstanding citizenship.

The valedictory address was presented by Junior Sauseda prior to the presentation of diplomas by Bill Mann to Junior Sauseda, Greg Welch, Joe Herrera, Doug Jones, Kathleen Anderson, Terry Lively, Kevin Hinson, Rosemary Acevedo, Melissa Been, Terry Blanton, Mike Bosquez, Dickie Bradley, David Carr, Esequiel Castillo, Blanca Cerda, Larry Clark, Lisa Clayton, John Compean, Donna Daniel, Quency Lewis, Sharla Lowery, Blanca Martinez, Cynthia McAlpine, Jacob Miller, Corinna Morales, Steve Morgan, Agnes Palacio, Bonnie Parker, Micky Price, Placido Rodriguez, Olga Ruiz, Jimmy Samarron, Terri Smith, Ruth Street, Jennifer Templeton, Del Davis, Pete DeLeon, Tom Findley, Lupe Flores, Eric Freeman, Edwin Fuller, Eladio Gallegos, Rosie Garcia, Delores Garza, Dyke Gaston, Judy Heritage, Don Holmans, Freddy James, Barbara Lanier, Shirley Lax, Ronnie Velasquez, Gilbert Vela, Vickie Watkins, Deb-

bie Wilson and Robert Garza. Special music was presented by the eighth grade choral group as they sang "The Sounds of Silver."

The benediction by Donna Daniel closed promotion exercises for the 1971-72 freshman class of Springlake Earth High School.

Ushers were seventh grade students Neshia Lewis, Camille Hinchliffe, Margaret Street, L'Anna Sulser, Bill O'Hair and Jerald Head.

Mrs. Duane Locke, Mrs. Lamar Taylor and Mrs. Norman Sulser served as sponsors of the class.

Summer Fun Awaits All

Tired of the everyday summer life? Well, grab a swim suit, take a break and join your friends at the City Swimming Pool for an afternoon or evening of fun.

The local pool opened for summer recreation at 1 p.m., Saturday. The pool will now open daily at 1 p.m. and young and old alike will be able to swim to their heart's content through the summer months.

Admission for swimming fun has been set at 35¢ for persons 12 years of age and under. Adults will be required to pay 50¢. If you plan on visiting the local pool frequently, a season ticket will help you retain a little cash. Season tickets may be purchased for persons up to 12 years of age for \$10. \$15 will secure a season ticket for adults.

If you have a party in mind, you can entertain your guests for hours by reserving the pool for a mere \$15. To make reservations, interested persons may contact pool manager, Mrs. Vivian Parish, at 257-9946.

To insure safety while swimming fun is being enjoyed, Wayne Stockhard will be serving as lifeguard. Health Certificates will be required before persons will be admitted to the pool to further insure health safety.

You're always welcome at the City Swimming Pool in Earth whether it's for an afternoon, evening or a party. So plan to get that tan and have swimming fun at the City Pool.

Mrs. Duane Locke, Mrs. Lamar Taylor and Mrs. Norman Sulser served as sponsors of the class.

Workshop Slated June 8

A summer workshop for the American Cancer Society has been slated for Tuesday, June 8, in the Red Raider Convention Center in Lubbock. The workshop will be conducted to train committee chairmen so they will be able to better serve the Society.

Registration for the workshop is scheduled to begin at 8:30 a.m. Meeting time has been set for 9:00 a.m. until 2:00 p.m.

Those planning to attend from Lamb County are Mrs. Thurman Lewis and Mrs. C. L. Houchin of Earth, Melvin Rape of Olton, and Hubert Henry and Gwen Nace of Littlefield.

Mrs. Callie McCool of Muleshoe spent from Saturday until Tuesday with Mrs. Almer Barton.

Two Papers Next Week!

Yes, the staff of the News-Sun is preparing for their annual vacation and a week of relaxation.

We will be publishing two issues next week to make our vacation possible and again we are asking for your cooperation.

We will be going to press at 6:30 p.m. Friday, June 11, with the paper for the week of June 17. We are asking that all persons with news items to have them into the office by 12 (noon) Friday. All advertising must be in the office by 9 a.m. Friday morning.

Although the June 17 paper will be published on Friday,

mailing of the issue will be done on Thursday, June 17, and you will receive your papers at the time you usually do.

So, help us by getting everything in EARLY!

VBS Slated

All children ages 3 through 12 will be able to enjoy fellowship, learning and sharing as the 1971 session of Vacation Bible School opens at the First Baptist Church of Springlake. Class will begin June 7 and continue through June 11 from 8:30 to 11:30 a.m. daily. Commencement exercises have been slated for Sunday, June 12, during the regular evening worship services.

Glen Smith, pastor, will be serving as principal for the Vacation Bible School. Mrs. Bonnie Green will supervise the pre-school class with Mrs. Ailsa D. Whitford in charge of children's I and Mrs. Billy Walden, children's II.

Cheerleading Clinic Attracts 25 Participants

To encourage sportsmanship, to build school spirit, to build player morale--These are only a few of the aims cheerleaders are seeking when they raise their voices and spur fans and players to an all-time high in spirit.

The lovely 1971-72 Springlake Earth High School cheerleaders are passing their knowledge concerning cheerleading on to the younger set.

Suzie Temple, Toni Sanders, Criss Dent, Melissa Been, Jo Ann Coker and Barbara Buckner, are instructing the 25 participants in cheers, pom pom routines, tumbling stunts and skits. Each day the instructors present a short lecture on something of interest, such as good grooming, personality and other aids to help the girls in representing the local school to the best of their abilities.

Friday morning, June 5, a competition program will be presented for the parents. First, second, third and fourth place ribbons will be awarded to those competitors demonstrating the finest performances. A spirit stick is to be presented to the young lady displaying the highest peak of school spirit.

On Saturday, the cheerleaders and girls attending the summer clinic will share festivities as they join together for a picnic at the school grounds.

Mrs. Nancy Howard is the adult sponsor present at the sessions. She is currently serving as Pep Club sponsor.

91 Receive Rabies Vaccine

A total of 91 pets were escorted to the Rabies Clinic held Thursday, May 27, at the Fire Hall in Earth for their rabies vaccine.

Dr. Jerry Gleason, DVM, of Muleshoe was present to inoculate the animals as a safeguard to their health and the health of persons who may be bitten by a rabid animal.

Those who were unable to have their animals inoculated at the clinic are urged to consult a veterinarian and have these pets vaccinated.

The rabies vaccine is a yearly inoculation required by city laws. All dogs not having this protection will now be picked-up by city employees. These animals are to be confined at the City Pound for three days. After this period, if the animals are unclaimed they will be humanely executed.

So, if you missed the opportunity to have your dog vaccinated, do it today!

Greens Downed By Blues 20-19

From the first crack of the bat Thursday, May 27, excitement filled the air as a battle raged between the Blues and Greens for the first place win in Pee Wee competition. The lead was captured by the Blues and the Greens made a come back to step ahead of their competitors. Rex Fennell and Kevin Riley held the mound for the Blues against Green pitchers Lonnie Neinst and Greg Geissler. Several hits and runs were recorded for both teams during the action but the Greens fell victim to the Blues by one run before the final out of the game. The bases were rounded by

Blue team members for 20 runs while the Greens were held to 19 with Leslie Rowe, Andy Flores and Greg Geissler sending the ball to the farthest corner of the ball park for home runs. In the scoring tally, home plate was crossed by Green team members Greg Geissler for 5; Lonnie Neinst, 3; Joe Rodriguez and Leslie Rowe, 2 each; and Jimmy Robbins, Mark Parish, Andy Flores, Byron Smith, Victor Houston, Glenn Hausmann and Greg Hulcy each scored 1 run. Due to a lack of information, we were unable to list individual scores for the Blues.

Olton Victory Claimed By One

The battle began with the first pitch and ended with a one run margin belonging to Parsons Funeral Home as they clashed with the Earth Babe Ruth team Tuesday evening, June 1. Workman and Hasha held the Earth team to 10 runs while pitchers Edwin Fulfer and Ran-

dy Latham gave up 11 runs to Parsons. Runs for Earth were scored by Randy Latham with 2 while Dyke-Gaston, Del Davis, Brian Britton, Hal Wood, Cliff Daniel, Brad Barden, Johnny Cleavinger and Joe Fulfer crossed home plate for one run each.

They Fought and Lost 4-3

The hard hitting members of the Pee Wee League Green team fought to the final out and discovered themselves losers by only one run. The Reds whammed the ball aimed over home plate by Greg Geissler and rounded the bases for 4 runs while Red's pitcher, Stan Runyon, held the Greens to 3 runs.

A breakdown of individual scoring shows Green team members Lonnie Neinst, Greg Geissler and Joe Rodriguez rounded the bases for one run each. The Red's scores were made when Sammy Ott crossed home plate for 2 and Michael Gover and Nathan Ingram for one run each.

A PROUD YOUNG LADY crossed the stage during commencement exercises Monday evening to receive the \$100 National Honor Society Scholarship. Martha Kotze is pictured as she was presented the scholarship by Ward Cooksey, high school principal.

Local Resident Attends PTA Convention

Mrs. Ray Joe Riley, PTA delegate of Springlake-Earth, last week attended the 75th annual convention of the multi-million-member National PTA in Oklahoma City, Oklahoma.

"It was a working convention," Mrs. Riley said, "and featured a series of stimulating workshops designed to motivate the delegates." She explained that the workshops focused on PTA power in legislation, PTA power in councils, and how to strengthen PTA program impact.

"Vitality interested in critical issues which directly affect the welfare of children, the convention program also included workshops on the escalating opportunities in vocational-technical education, religion in the public schools, and the future of the American family," Mrs. Riley explained.

Critics Praise Famed Circus

The major critics of America are in agreement; the 100th Edition of Ringling Bros. and Barnum & Bailey Circus is, without question, the most elaborate and exciting circus production of all time. The mighty Centennial Circus will be in Lubbock on June 15th for matinee and evening performances on June 15th and 16th. A sampling of critical acclaim for the 100th Birthday Circus: NEWSWEEK MAGAZINE: "A century old this year, Ringling Bros. and Barnum & Bailey Circus has prepared a centennial show that is the greatest indeed -- the biggest, most lavishly blended of circus talent and show-biz razzle-dazzle." THE NEW YORK TIMES: "... The Centennial Edition of Ringling Bros. and Barnum & Bailey

gathered by now that this is a show to see, you never will, if you can beg, borrow, buy or steal a ticket, do it!" W.M.C.A. RADIO (NEW YORK CITY): "on its 100th Anniversary, the Circus has pulled out all of the stops to give us an old-fashioned smell-of-the-greasepaint, roar-of-the-crowd spectacle. The best Ringling Bros. and Barnum & Bailey Circus in years!" W.C.B.S. RADIO NETWORK: "It has everything you expect, and since this is the 100th Anniversary Edition, something extra!"

FIGHT HIGH TAXES ON REAL ESTATE

—ESPECIALLY YOUR OWN!!!

To those whose taxes were RAISED in recent years by City, School or County TAX AGENCIES, an experienced organization offers advice and help.

ASK YOURSELF THESE QUESTIONS:

1. Is YOUR assessed value IN LINE with others?
2. Do you KNOW the simple steps needed to get FAIR VALUATIONS set?
3. Do you know HOW TO PRESENT the REAL facts about your property to the PROPER OFFICIALS?

If you answer YES to the above, we can only supply you with a list of items that affect value. But if your answer is NO our service may save you many times its cost each month or year. Your Board of Equalization WANTS to treat you fairly, but can't do so unless it has the FACTS. YOU know MORE about your own property than any ASSESSOR. NOW is the time to JOIN THE TAXPAYERS REVOLT!!!

Lois Rudd Wins TOPS Prize

Mrs. Lois Rudd was the lucky winner of the weekly \$1 prize at the regular meeting of the Happy Losers TOPS Club Thursday, May 26.

A weight loss of 3 1/2 pounds won the title of Queen of the Week for Mrs. Alma Ott. Runner-up for the honor with a 2 1/2 pound loss was Mrs. Phyllis Geisler. A club loss of 12 3/4 pounds was recorded for the sixteen members present along with a total gain of 8 3/4 pounds.

Mrs. Jo Houchin was presented a gift for her accomplishment of maintaining her weight goal for a period of six weeks.

No TOPS member qualified for the title of Queen of the Month and the lovely fruit basket presented to the title winner. To be eligible for the honor of Queen of the Month a TOPS member must lose and maintain a four pound loss for the month.

Attending the meeting were Mrs. Elaine Been, Mrs. Odeal Bills, Mrs. Emily Clayton, Mrs. Edith Crawford, Mrs. Mary Ann Goulden, Mrs. Phyllis Geisler, Mrs. Florence Gover, Mrs. Jo Houchin, Mrs. Pauline Hucks, Mrs. Inez Inglis, Mrs. Alma Ott, Mrs. Kate Patterson, Mrs. Lois Rudd, Mrs. Era Walker, Mrs. Dorothy Washington, and Miss Kathy Rambough.

Bridal Shower Honors Miss Joan Dudley

A Come-and-Go Bridal Shower honoring Miss Joan Dudley, bride-elect of Bryan DellVining, was held Saturday, May 29, in the home of Mr. and Phillip Haberer.

The lovely home was decorated throughout using the honoree's chosen colors of yellow and white. The mantle was draped with a full length of white net and illusion. Centering the display was a lovely arrangement of yellow flowers. Accenting the drapery were white wedding bells. A white candelabra holding white tapers and an arrangement of white spring flowers were used to enhance the beauty of the decoration. To add the final touch of loveliness, a beautiful tree of styrofoam balls draped in white illusion and net and featuring miniature wedding bell lights blinking on and off was set before the mantel. Adorning the top of the piano was a lovely miniature harp upon which two yellow love birds were placed. The entry hall was enhanced with the use of a miniature bride and groom featuring the names "Joan" and "Bryan" written in glitter on streamers flowing from the display. The living area was accented by a styrofoam heart adorned by white flowers with various touches of yellow. White satin wedding bells were suspended from the ceiling in the room where the lovely gifts were displayed.

Fifty guests were registered by the bride-elect's senior classmates from a registry table displaying under a glass sheet the couple's wedding announcement which was trimmed in lace. A lovely arrangement of white birds completed the registry decorations.

The serving table was draped with a beautiful floor length cloth of white double knit enhanced by layers of illusion and net. A bride doll standing beneath an archway of white net and illusion with a base of illusion and net dotted by tiny yellow flowers was reflected from a mirror base. On either side of the centerpiece were three yellow tapers. White napkins with the names of the bride and groom and their wedding date inscribed in silver complemented the serving table.

Individual white cake squares adorned with yellow and white designs, nuts, mints and yellow punch were served from crystal and silver appointments by classmates of the honoree. Members of Rainbow Chapter 156 provided background music during the event.

Miss Dudley, her mother, Mrs. Nolan Dudley, and Mrs. Glenn Vining, mother of the prospective bridegroom, were presented lovely corsages of yellow carnations.

Hosting the shower were Mrs. J. A. Littleton, Jr., Mrs. Johnny Murrell, Mrs. Donald Kelley, Mrs. Paul Wood, Mrs. M.H. Been, Mrs. Norman Sulser, Mrs. Norman Hinchliffe, Mrs. Jimmy Banks, Mrs. F.W. Bearden, Mrs. Robert Bridge, Mrs. Marvin Sanders, Mrs. Ross Brock, Mrs. Homer Sanders, Aurelia Sanders, Mrs. Marcus Messer, Mrs. Forrest Simmons, Mrs. Phillip Haberer, Mrs. Dub Martens, Mrs. E.C. Angeley - Bonick Nuptials Exchanged Friday

On the evening of Friday, May 28, at 7 o'clock, nuptial vows uniting Miss Jennifer Ruth Angeley and Bruce William Bonick were solemnized in the First United Methodist Church of Earth with Johnnie Williams, minister, reading the vows.

The bride is the daughter of Mr. and Mrs. Jack Angeley of Earth. Parents of the groom are Mr. and Mrs. Leonard Bonick of Comanche.

Musical selections were performed by Mrs. Marie Slover who presented "Whither Thou Goest" and Mrs. Yvonne Jones who sang "Thee I Love" and "The Lord's Prayer." "Lohengrin's Wedding March" was played by Mrs. Mary Kate Bell, organist, who also presented musical selections prior to the wedding. They each wore corsages of white feathered pom poms.

The lovely and impressive doubling ceremony was performed before an altar enhanced by a memory candle surrounded by greenery on a communion table. Flanking the table on either side were two lighted tapers set in gold stands tied with white bows and greenery. Also flanking the table were candelabras interspersed with greenery and lovely baskets of white gladiolas, pom poms and stephanotis tied with white bows. The windows of the church were adorned with white tapers tied with pastel ribbons and interspersed with greenery.

The beautiful bride, given in marriage by her father, wore a formal length gown of white chantilly lace fashioned with an empire bodice featuring a high neckline and long pearl point sleeves. Tiny pearls formed a continuous design from the neckline down the front of the A-line skirt to the hemline. Her headdress was a matching chapel length mantilla edged in a lovely band of chantilly lace with a full length train of silk illusion softly gathered to an open wedding ring. The bride carried a colonial style nosegay of pink, white and yellow sweetheart roses accented with buds of pink, yellow, blue and green combined with stephanotis and ivy. The beautiful bouquet was tied with white bows and streamers.

As she approached the altar, the bride paused and presented her mother with a rose taken from her bouquet. As her father escorted her to the church by her husband, she again paused and presented a lovely rose from her bouquet to her new mother-in-law.

A beautiful brooch belonging to the bride's maternal grandmother served her as Something Old and Something Borrowed. Combining two traditions, the bride wore a 1971 penny in her shoe for good luck and as Something New.

The traditional blue garter served as Something Blue.

Maid of honor, Susan Ruby of Earth, was attired in a formal length gown of pastel green dotted swiss accented by a continuous flower pattern running the entire length of the gown. The gown featured an empire waistline and sheer sleeves. A matching green velvet ribbon with long velvet streamers wastied to a bow attached to the front of the gown. Tiny buttons complemented the standup collar and cuffs. Her headpiece was a matching picture hat adorned by green velvet ribbon. Bridesmaids, Diane Kesey of Littlefield and Debbie Phillips of San Angelo, were attired in gowns of pastel yellow and blue, respectively. Identical to that of the maid of honor.

The attendants carried colonial style nosegays of white pom poms accented with pastel pink, yellow, green and blue buds adorned by bows and streamers.

The entry of the bride was marked by pastel petals being gently scattered along the aisle by Jennifer Wood of Earth who served as flower girl. She was attired in a formal length gown adorned with pink flowers. Her picture hat, identical to those of the bridesmaids, completed her attire. The rings were presented on a white satin pillow accented with a wedding bell formed of pearls and edged in lace byring bearer Douglas Klick of Fort Collins, Colorado.

Vicki Liston of Lorenzo served as candlelighter and Donna Bonick of Comanche was junior candlelighter. They wore pastel pink dresses of street length which were identical to the attendants' gowns. They wore wristlet corsages of white pom poms enhanced with greenery.

Best man was Walter McCullough of Comanche. Groomsmen were Jim Bonick of Chicago Heights, Illinois, and Leonard Bonick, Jr. of Comanche. Guests were ushered by Bobby Jack Angeley of Earth and Mike O'Brien of Morton.

The bride's mother was attired in an ensemble of pink linen accented with a pink lack bolero jacket. The dress featured a flared skirt with a hemline bordered in matching pink lace. To complete her attire, she chose matching accessories and wore a white glamelia corsage.

The mother of the groom wore a sienna double knit ensemble accented by a pleated skirt and sleeveless top. Completing her attire were matching accessories and a beautiful corsage of white glamelias.

The wedding was followed by a reception in Fellowship Hall. The lovely serving table was draped with a satin cloth overlaid with white lace.

MRS. BRUCE WILLIAM BONICK
(nee Jennifer Ruth Angeley)

A pink taper nestled in a ring of spring flowers centered the table. Decorations were completed by the bridal bouquet. The two tiers of the lovely wedding cake were separated by Roman columns, each column being centered with pastel flowers. The cake was enhanced by a draped effect on the sides and a scalloped effect around the base. The top of the cake was adorned by a bride and groom under an archway of spring flowers accented with pastels. Anitta and Donita Kelley served the guests who were reglittered by Donita Kelley from a satin covered table draped in the front and back. The corners of the registry table were accented with pastel flowers. The hostesses wore white feathered pom pom corsages.

A pleat falling from the waistline enhanced the front of the dress. Red patent accessories completed her traveling costume. The bride is a 1969 graduate of Springlake-Earth High School. She is attending Texas Tech University as a junior student majoring in secondary education. The groom, a 1967 graduate of Comanche High School, is a senior electrical engineering major at Texas Tech University. After June 9, the couple will reside at 2232 Auburn, Number 62, in Lubbock. Out of town guests attending the wedding were Mr. and Mrs. Dean Click and sons of Fort Collins, Colorado, house guests of Mrs. Bonnie Haberter; Mr. and Mrs. O. K. Angeley of Cross Plains, house guests of Mrs. Dora Bell Angeley; and Mrs. Stanley Sordland of Lawton, Oklahoma, house guest of Mr. and Mrs. Jack Angeley.

For her wedding trip to Galveston, the bride selected a white Chantung dress featuring short sleeves and white pearlized buttons down the bodice.

GA's Enjoy Sing-Along

Sing, sing, sing! The joyous voices of the Girls in Action 1, 2 and 3 of the First Baptist Church of Earth were raised in harmony when the group met for their weekly meeting Wednesday, May 26.

The lively group of girls harmonized as they sang "I Would Follow Jesus", "Jesus Loves Me" and many more beautiful selections. Following their sing-along, the Girls in Action drew love-

ly pictures of missionaries and the various jobs they perform while carrying on God's work. When the pictures were completed, they were colored to bring out their full beauty.

Elizabeth Kellar read the prayer calendar prior to the enjoyment of cupcakes by Jennifer Kellar, Jana Pittman, Elizabeth Kellar, Mrs. Dewitt Kelley and Mrs. Robert Geisler.

Mary Slacks End Study Unit HD Club Reviews Safety Laws

"I Would Follow Jesus" was sung by the Mary Slacks Girls in Action of the First Baptist Church of Earth to open their regular meeting on Wednesday, May 26.

As the girls presented the song they discussed the various ways in which emphasis can be placed on the words of the song to give them more meaning. They also reviewed their current work unit, "Who Should Be A Missionary," and the aim of the study unit. In reviewing the unit's aim of "How does God let people know what He wants them to do?", the group pointed out the various ways in which God spoke to Moses and Samuel. The girls also emphasized the fact that today God can speak with people through others.

Mrs. Earl Kellar read letters from missionaries named in the unit, William Byrd, a home missionary in Tampa, Florida, and Mrs. Ella Ruth Solesbee, a missionary serving in the Philippines.

The group selected a work project to be undertaken during their next unit of study. Salt maps of India and Australia will be constructed by the Girls in Action to aid in their study.

Toni Inglis read the prayer calendar and Donna Green led those present in prayer.

Lisa Pittman, Kareen Hulcy, Toni Inglis, Donna Green and Mrs. Earl Kellar enjoyed refreshments of cupcakes and Kool-Aid served by Mrs. L. H. Galloway.

"The New Safety Laws" was the program topic when members of the Springlake Home Demonstration Club gathered Thursday, May 26 in the home of Mrs. Bob Boone for their regular meeting.

Mrs. Keith Boone presented the program by outlining the new safety laws and the various ways in which these safety laws can be abided by motorists. A game of "Learn and Live" was conducted to better acquaint those attending with the new safety laws and to review all measures of general driving safety to help prevent accidents. Roll call was answered with "Safety Around the Home" prior to the meeting presided over by Mrs. A. Hollingsworth. Participating in the "Learn and Live" panel and discussion were Mrs. Keith Boone, Mrs. Orlan Bibby, Mrs. A. Hollingsworth and Mrs. Bob Boone. The next meeting of the Springlake Home Demonstration Club has been slated for

Thursday, June 10. Hostess for the occasion will be Mrs. T. V. Murrell.

I want to express my appreciation for the understanding, kindness, beautiful cards and most of all, the many prayers shown me during my stay in the hospital. May God bless each of you.

Mr. and Mrs. Ray Kelley and Mrs. Clarence Kelley spent the Memorial Week-end visiting old friends in the Buffalo community near Sayer, Oklahoma.

All Things Are Different

During their regular weekly session Wednesday evening, May 25, members of the Earth Mission Friends were entertained by a story entitled "A Cold Nose, A Warm Tongue."

The story pertained to a puppy and was used to emphasize the way God has made all things on earth in different ways.

To further illustrate the difference in God's creations, the group played "We See With Our Fingers". The children were blinded in groups of three and they felt of various objects. The shape, size and weight of

the objects were felt by the children who tried to guess what it was they were touching and holding.

"Did You Call?" was also played by the Mission Friends to point out the differences in everyone's voices. The children formed a ring with a guest in the center. A child would speak and if the guest could determine from the voice who had spoken that person became the guest.

Mrs. Clinton Green and Debbie provided cookies and Mrs. Dennis Criswell prepared Kool-Aid for Carmen Kelley, Kelley Criswell, Greg Hulcy,

Gary Davis, visitors Rod Davis, Andy Hartman and Randy Green, and leader Mrs. A. E. O'Hair.

Goodwill Centre Over Stocked

The Goodwill Centre of Earth is sporting quite a supply of clothing and linen items for sale to residents of the area.

Clothing items for all occasions in various sizes are available at the local Centre. Accessories such as purses, shoes, umbrellas, etc. may also be purchased from workers on any Saturday from 1:30 to 4:30 in the afternoon.

Sales Saturday, May 29, totaled \$1,000 with workers Aurelia Sanders and Mrs. Marie Ross, representing the Town and Country Study Club, assisting with sales.

Party Line

Mr. and Mrs. Virgil Gray of Olton attended graduation exercises Saturday evening for their grandson, Terry Lively, son of Mr. and Mrs. Tom Lively of Earth.

Clayton Commended By Water Quality Board

The Texas Water Quality Board passed on Friday, May 21, the following resolution, commending Representative Bill Clayton for his efforts in behalf of water legislation for the State.

WHEREAS, many of the streams and waterways of Texas have been receiving partially treated sewage from out towns and cities; and

WHEREAS, a substantial number of the municipalities of Texas have not been able to finance adequate sewage treatment plants; and

WHEREAS, the Federal Government has a grant program which will provide such financial assistance in amounts up to fifty-five percent of the cost, provided that the State of Texas participates to the extent of twenty-five percent; and

WHEREAS, Representative Bill Clayton of Springlake, recognizing the needs of Texas, did carry in the House of Representatives SJR-17 a proposed constitutional amendment authorizing state grants or loans for the construction of waste treatment plants; and

Clayton exercising superb leadership, did bring about the passage of SJR-17 in the House and further authored and secured passage of H.B. 1440 which provided enabling legislation for the constitutional amendment; and

WHEREAS, Representative Clayton did recommend and strongly urge the voters of Texas to approve this amendment in the election of May 18, 1971;

NOW THEREFORE BE IT RESOLVED THAT the Texas Water Quality Board recognize the outstanding leadership of Representative Clayton and commend him and express its appreciation for the part he played in the passage of this vital legislation that means so much to clean water for Texas.

Signed and approved this 21st day of May, 1971.

Caron Koeninger, daughter of Mr. and Mrs. D. H. Koeninger of 6610 Jamaica Court in Austin, graduated from A. N. McCallum High School Tuesday, June 1, 1971. Caron has participated in UIL Typing and in the Vocational Office Education Typing and Machine Transcription contests. She has been a member of the Royal Court Players, (drama club), Vocational Office Education in which she served as treasurer, and in this position she became an automatic member of Office Education Association, and a member

of the Newcomers Club. Caron has been selected for membership in the National Honor Society, and "K" Club and has been especially honored by selection for a Trustee Scholarship Award. These awards and honors are based on grades, participation, leadership, and service to the school and on teacher recommendation. Caron will attend Southwest Texas University at San Marcos, Texas, this summer where she will major in Business Education.

S & S Works For Taxpayers

S & S Property Tax Service, Inc. of Wichita Falls, with its Farm and Ranch Service, was organized specifically to aid the real property owner in obtaining reasonable Assessed Values on ranches and farms before Tax Boards of Equalization.

This service specializes in suggesting conditions that represent value. It points out how values decline under certain conditions which should be made known to the Equalization Board in order to correct values.

S & S outlines a way and sources of information to use which will insure a more complete and businesslike presentation before the Board. This factual presentation should also simplify the Board's work.

Their specialized publications are prepared in simple, uncomplicated terms. As a result of S & S Service's invaluable assistance, the farmer or rancher will, as an owner, be able to "make a more factual and forceful presentation".

S & S works for the taxpayer and not the tax collector.

Clovis To Host Outlaw Gang

CLOVIS, N. MEX.--The respected Curry County Mounted Patrol in open association with recognized outlaws? Impossible!

No, it isn't impossible, and a hard-core criminal element will soon invade Clovis at the request of the Mounted Patrol.

Residents of the city need not be on the lookout for steely-eyed types with sixguns slung low or shadowy, trench-coated figures carrying violin cases, however, for these "outlaws" are of the four-legged variety, and they will be real stars of the forthcoming Pioneer Days Rodeo celebration June 11, 12 and 13.

In charge of all livestock operations for the Beutler Bros., Linger and Cervi rodeo organization, of Sterling, Colo., is Howard "Sonny" Linger, a former rodeo contestant and veteran of U. S. Naval campaigns in the South Pacific.

In an odd twist of the much-

mentioned generation gap, Linger's father was for twelve years executive secretary of the American Quarter Horse Association and spent a good portion of his life seeking out fine horseflesh. Sonny, at the other end

of the spectrum, had dedicated his life to the procurement and preservation of the worst - or if you're a rodeo hand, the best - in horse and other rodeo livestock.

Linger does his job well. He is rodeo's most respected livestock man and has been the perennial "chute boss" at the National Finals Rodeo (NFR).

Last year fifteen of Beutler Bros., Linger and Cervi's animal outlaws were selected for the NFR, among them the famed saddle bronc, "Descent", 1970 marked the occasion of the big Palomino's seventh trip to the cowboy's season-ending contest, on four of which he was named by the top fifteen sad-

del bronc riders in the nation as "Bucking Horse of the Year".

A stablemate, Big Sandy, has to his credit five appearances at the NFR and was last year proclaimed outstanding saddle bronc at the gruelling event.

In 1970's NFR bull riding, seven attempts by the sport's best cowboys were made at the Company's awesome brutes. Only two were successful. One of Linger's wards, a bull known only as "R", has never been successfully ridden.

Pioneer Days Rodeo sessions are scheduled for Friday, June 11 at 7:30 pm; Saturday, June 12, also at 7:30 pm; and Sunday, June 13, 2:30 pm.

Tickets priced \$2.00 through \$3.50, with children 12 years and under admitted for \$1.00 in the general admission section - are on sale at Sanders' and Torrence's western wear stores in Clovis. Mail orders or inquiries should be directed

to: Rodeo Tickets, Box 580. Two rodeo dances and a downtown area parade are also on the week-end schedule.

Mr. and Mrs. Weldon Bradley flew to Hawaii Tuesday to meet their son, Lee, on leave from Vietnam for a few days visit and vacation with him there. Lee called Mr. and Mrs. Carl Bradley from Hawaii Friday night and reported they were having a wonderful time.

Thomas Parson was seriously injured Friday afternoon when changing a tire on a maintenance truck. They were using a hydraulic jack and a chain puller when the puller broke and hit him in the face. He received several deep gashes, a cut eye ball and a broken jaw bone and cheek bone. He was given emergency treatment at Plains Memorial Hospital in Dimmitt and transferred to High Plains Baptist Hospital in Amarillo by ambulance where he underwent surgery for the broken bones Friday night. A metal plate had to be used since the cheek bone under the eye was crushed and a metal pin was used in the upper jaw bone. His vision is not believed to be impaired. He is expected to be hospitalized at least a week.

Ray Joe Riley, chairman of the Research Committee of the Universal Cotton Standards Conference in Memphis, Tennessee, last week. Cindy Elkins attended a hamburger supper for the Olton seniors in Olton Monday night and a breakfast Thursday morning. She was one of the 46 seniors of Olton High School receiving diplomas in gradu-

ation exercises Friday night.

At the Springlake-Earth Awards Assembly last Thursday morning, David Bradley received a speech award and Marian Dawson the Homemaking III award, the advanced math award and the academic award. She was one of the top nine in the junior class. She was also installed as the new secretary of the student council for 1971-72, and presented a gift for serving as head twirler for this year. Mrs. Howard Cummings presented annual staff member awards to Denise Morgan, Darrell Carr and others. She also presented the typing, shorthand and book-keeping awards. Vickie Head received the biology award. Perfect attendance awards were presented to several including juniors, Darrell Carr and Michael Fuller; sophomores, Dianne Fuller and Danny Merlott, and Lonnie Wilson, a freshman.

In the Dimmitt High School Awards Assembly Wednesday, Bob Duke received the Boy's State Award, Debra Ball the shorthand award and Dolores Waggoner the typing II award. Summer Theatre Organizes

Three weeks ago, 40 students from the 1970-71 eighth grade through senior classes gathered at the Springlake-Earth Speech and Drama Club to plan festivities for the school's first Summer Theatre.

Dennis Criswell, who is sponsoring the group of students, stated the purpose of the Summer Theatre is to raise funds to defray the expenses of attending various contests.

The club has undertaken the presentation of nine one-act plays to be presented during the summer months to raise the needed funds. The plays are to be presented in groups of three with the first set slated for June 26.

The first of the three plays will be "Listen, Dad." This comedy concerns the mass confusion which arises when little sister overhears a portion of big sister's phone conversation. As if eavesdropping isn't bad enough, little sister is convinced an elopement has been planned. Naturally, little sister tells father and he sets to work to stop a non-existent elopement. Cast members are Karen Dear, Pat Cleavinger, Phyllis Smith, Jennifer Myers, Joe Rivas, Monte Winders and Kent Parish.

"The Orphans," a drama, will be presented as the second play. This pertains to a son and two daughters who try to shift the responsibility of caring for their invalid mother to the other two members of the family. Members of the cast are Ronda Clayton, David Hinchliffe, Criss Dent, Terrell Ott and Steve Hay.

A drama, "The Old Lady Shows Her Medals," will conclude the evening's productions. This play centers around an elderly lady who is so set on having a son she selects one from the newspaper during World War I. The chosen son suddenly appears and confronts the elderly lady with what she has done and the ways she adjusts to having a son fight in the war are revealed. Jan Cleavinger, Kim Welch, Jimma Banks, Jenna Banks, Jerry Barden and Carl Sulser will be performing as cast members.

Listed as members of the Speech and Drama Club are Leah Galloway, Janis Bridge, Brenda Roberson, Renee Jones, Suzie Temple, Norma Cantu, Karen Dear, Karen Hinchliffe, Criss Dent, Phyllis Smith, Ronda Clayton, Jennifer Myers, Kim Welch, Jan Cleavinger, Jenna Banks, Jimma Banks, Pat Cleavinger, Lesa Morgan, Karen Armstrong, Camille Haberet, Connie Kelley, Becky Littleton, Danny O'Hair, Terrell Ott.

Criswell To Receive Degree

Dennis Criswell will be among the 616 candidates to receive degrees at Eastern New Mexico University in Portales on Thursday, June 3.

The list has 24 more students receiving degrees than the record 593 who were graduated last year. The total this year includes 29 candidates for associate's degrees, 473 candidates for master's degrees and three candidates for education specialist's degrees.

Criswell will be receiving his master of education degree during the combined baccalaureate and commencement exercises to be held at 8 p. m. June 3 in the Physical Education Complex arena. Governor Bruce King will deliver the main commencement address.

Criswell, who has been associated with the Springlake-Earth School system as American history and American government instructor for the

DENNIS CRISWELL past year, is a graduate of LeMars High School in Iowa. He has attended Wayne State University in Nebraska. Criswell has also been awarded a bachelor of science degree from Eastern New Mexico University.

JAN CLEAVINGER, salutatorian of the 1970-71 graduating senior class, is shown as she received the \$75 scholarship presented by Ed Jones on behalf of the Springlake Lions Club.

County Farmers Eligible For Feed Program

Congressman Bob Price has received a clarification from Assistant Secretary of Agriculture, Clarence Palmbly, as to eligibility requirements for participation by farmers and ranchers in the Emergency Livestock Feed Program.

"The applicant for reduced price government-owned grain must certify that he is unable to obtain sufficient feed for livestock from normal suppliers without imperiling continuance of his farming operations, defaulting on existing financial obligations, unsound borrowing, or excessive disposal of livestock," Price said.

"Any farmer or rancher who would have his operations seriously damaged were he to purchase feed at the market price is eligible for assistance according to Mr. Palmbly," Price said.

The Congressman added that the Secretary of Agriculture will be sending clarifying instructions to the Texas ASCS State Office which will indicate that County ASCS committees should pay more attention to long range damage that may be done to a farmer or rancher's operation if he is forced to spend all current assets on feed for livestock.

"A county committee may be inclined to refuse a man's application if he has a substantial net worth on paper.

Dale Wheatley, Bobby Myers, David Hinchliffe, Hollis Daniel, Doug Freeman, Monte Winders, Joe Rivas, Jerry Barden, Steve Hay, Kent Parish, Kent Coker, Danny Bradley, Don Haberet, Mike Cleavinger, Johnny Kelley, Carl Sulser and sponsor, Dennis Criswell.

However, that net worth may be primarily in the form of property or other tangible goods which are not easy to convert into cash. In this case, the farmer or rancher would definitely be eligible for the reduced price grain," Price said.

Castro, Collingsworth, Donley, Gray, Hall, Hemphill, Lamb, Lipscomb, Ochiltree, Roberts, Swisher and Wheeler County farmers and ranchers are presently eligible for the reduced price grain and hay transportation assistance.

85 Attend Brotherhood Meeting

The Llanos Altos Baptist Association met with the First Baptist Church of Earth Tuesday evening, June 1. The local Brotherhood Organization served a meal of barbecued beef, potato salad, cole slaw, beans, onions, bread, iced tea, coffee and dessert.

Those in charge of the food operations were Paul Wood, J. B. Thomas, Clinton Green, Roger Haberet and Bill Scott.

The delicious meal was followed by a program in the auditorium. Albert Castro, Parkview Baptist Church, Littlefield, led the men in congregational singing. He also presented a special song entitled "He's Coming Back for Me."

Rev. Silvano Rangel, pastor of the Mexican Baptist Church, Littlefield, gave his testimony of faith.

This was followed by a slide presentation on Buckner Baptist Children's Home in Lubbock. Rev. A. L. Gatewood, administrator, gave the presentation.

There were approximately 85 men present.

For Troubled Waters

The Sea Serpent is a new absorbent boom to help control oil spills.

Fabricated of a fibrous material by Johns-Manville, it has a strong affinity for oil and is encased in a tubular open knit mesh bag. The Sea Serpent is capable of absorbing up to 35 gallons of almost any type of oil for each eight-foot unit.

The Convenient Fish

As a homemaker, do you ever get the idea you would like to go on strike or at least slow down, catch your breath and do your usual chores at a less hectic pace?

Food processors evidently believe this is today's way of thinking since convenience foods are beginning to be thought of as "essentials" in today's modern kitchens--despite their higher cost!

Although "heat and eat" certainly must sound attractive to the hurried housewife, she can save a good deal of money by doing a little of the preparation work herself. Items like pre-

sweetened drink concentrates increase the homemaker's cost of sugar to levels that a cane cutter would never imagine.

Of course, convenience foods do serve an important function, but it is also important to recognize that some basic foods can be prepared quickly, easily, and at low cost. Fish, for example, has always been a great "convenience food" since it is naturally tender and requires only minutes to broil, fry or bake. The addition of basic sauces, seasonings and mixes gives endless variety when you consider the many fish from which to choose.

The Texas Gulf yields redfish, black drum, red snapper and trout which are convenient and which, when filleted, are 100 percent edible.

LETTERS TO THE EDITOR

May 28, 1971

Dear Friend,

We, at Red Cross, are kept continually aware of the major contributions volunteers exert for community welfare. We wish to extend you a special invitation to attend our Annual meeting on June 4, 1971 -4 pm in the Commissioners' Courtroom.

At the above meeting it is our plan to have a speaker, recognition of volunteers, reports and election of officers. Thank you for your help.

Sincerely,
