"A CONSOLIDATION OF THE EARTH NEWS & THE EARTH SUN, OCTOBER 12, 1966"

VOLUME 18 10 CENTS EARTH, LAMB COUNTY, TEXAS, THURSDAY, NOVEMBER 18, 1971 8 PAGES NUMBER 15

It's been one of those weeks. One of our staff has had to resign, but has written stories at home to help out, even though she had a sick boy. For this we say thanks a million and God bless you for being a helping hand.

If there were stories, ads or pictures left out, we are sorry but we get in a bind having a deadline to meet.

Now to count my many blessings; dear friends who were praying this week that things would come out okay and that we would not become tired and discouraged - I want to thank each one of you for your help and concern. Then Wednesday, two dear people took time to write a note including just the right Bible verse within. I can only say, your faith must surely lend strength to all who know you.

Another member of our staff left Monday and is moving to C ovis. So this left additional chores for the one other staff member and Ros and me to do. Anne Kelley came in Wednesday to help out. We are so thankful for all the efforts of those who helped out this week.

## S-E Band Receives Superior Rating

Once again the S-E High School band has done a splendid job of representing our community as they received a number 1 rating which is considered superior at the Inter-scholastic League Marching Contest held in Lubbock all day Tuesday.

er, LaDonna Sigman, and Shelly Gaston received a superior rating on the twirling ensemble they performed.

Band director Tom Sorelle said that the contest was a rough contest and that out of the 35 bands that were entered only six received superior ratings. Other bands in the same class as the S-E band who received number one rating were Seagraves, Petersburg, and Hale Center. Sorelle stated that all of the band members have worked very hard to receive the rating and that they hope to receive superior ratings at concert and sight reading contests in March which would enable the band to receive a sweepstakes award.

All three contest judges who were Clyde Wilson of Midland High School, Don Iring of Snyder High School, and Don Craig of Dumas High School voted to give the local band the superior rating. The three judges were each very complimentary on the sound of our band and on their slow marching techniques.

The band director says the band is now working on music for the Christmas concert they will present in December and that band members are also preparing for All-Region Band tryouts that will be held in January.

## Addresses of Area Servicemen Sought

As Christmas time nears, it takes such a little time to let our service boys know that we care and to assure them that they mean much to us. In a small way we can make Christmas a little happier for those who are away from home if to send cards, letters and gifts to show them they are remembered.

States, Vietnam or in other parts of the world to please mail, phone or bring the information to the News-Sun office.

In order to make this possible the Earth News-Sun will print the name and addresses of all the men in service from this area.

Please get the addresses of our service men in early so Christmas cards and gifts can arrive during the Holiday season.

The News-Sun requests all those knowing the names and addresses of men in service from this area, whether stationed in

"She's a favorite with the kids."

## S-E Students Named To All-Region Choir

Three members of the Springlake-Earth school choirs were chosen to be members of the All-Region Choir when they and several other S-E students participated in try outs for the All-Region Choir which were held in Lubbock Saturday.

Selected because of their knowledge of music and voice quality were Kim Welch, Karen Hinchliffe and Steve Hay.

THREE STUDENTS from S-E school were named to the All-Region Choir. They are, pictured above, Miss Karen Hinchliffe and Miss Kim Welch. Stephen Hay was also named, but was unavailable for photograph.

The three talented singers were named along with students from other 4 A schools in the area to comprise the all regional choir which will present a concert, Saturday, December 11, in Lubbock.

Choir director Wayne Anderson accompanied the choir members to Lubbock Saturday.

## Schools To Dismiss

The Thanksgiving holidays are fast approaching and in order to give students and school employees the chance to enjoy themselves, Springlake-Earth Schools will dismiss Wednesday, November 24, at 3 p.m. and will not resume until the regular time Monday morning on November 29.

Mr. and Mrs. Bobby Gray of Plainview visited in the Dean Gray home this week-end.

# Earth Manufacturing Co., Inc. Expands Production

One local manufacturing company in Earth was recently sold to 19 local stockholders, farmers and local businessmen in the area, and has been moved into a more spacious building.

Three additional men have been hired to step-up production. George Washington, who has been the only employee will remain with the firm.

The company formerly known as the L and G Trailer Sales and Service, moved from the former Earth Oil and Gas Company location to the E. C. Hudson building just across the street east of the Bank last week. The manufacturing company will now be known as Earth Manufacturing Company, Inc., and is currently manufacturing steel trailers and other related products.

Tunnell said they presently had orders for seven trailers. Some of the orders come from as far away as the state of Montana. He explained that a man from Montana has seen one of the 16 foot, two compartment steel trailers and sent in an order.

The company turns out what they believe to be the best all-steel, 16-foot, heavy-duty, stock trailers as well as a fine Gooseneck trailer.

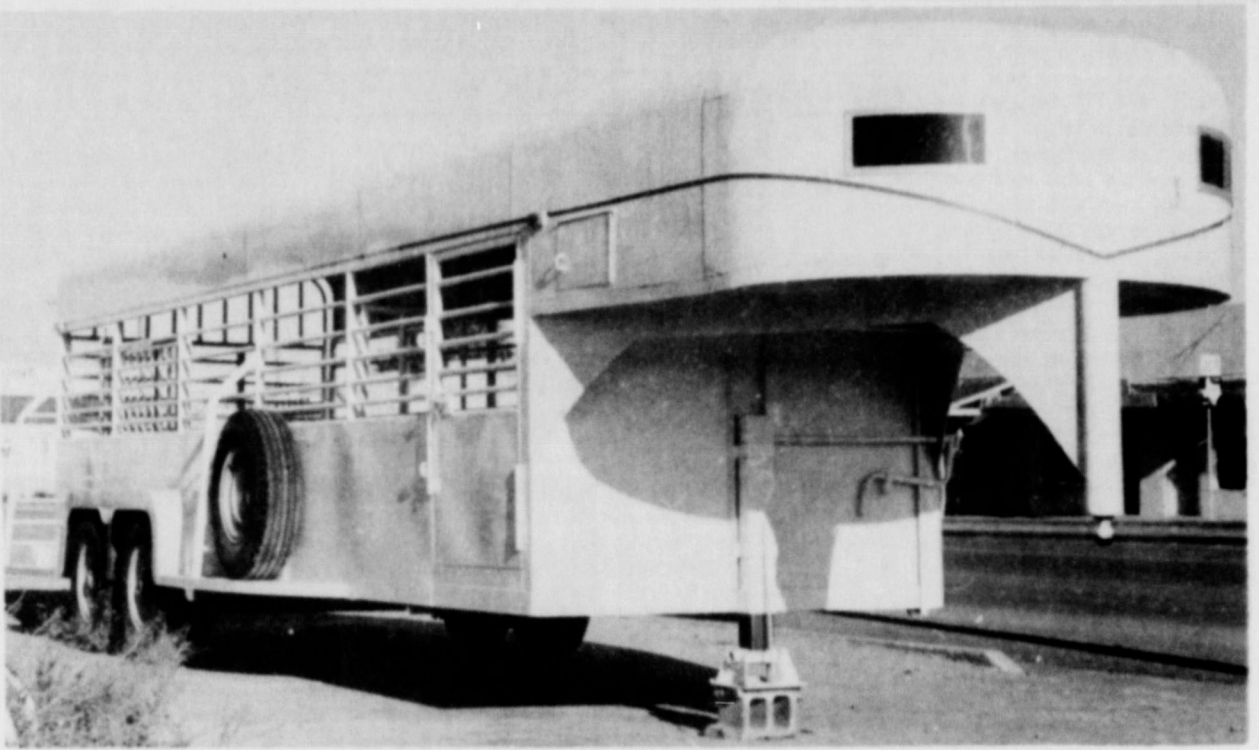

The gooseneck trailers can be built in any size specified. Both trailers are built with four brakes to meet the new law requirements for safety purposes.

Larry Tunnell, president of the Earth Manufacturing Company, Inc., said that when the trailer manufacturing company began about a year ago with George Washington as the only employee, at that time, the company could only turn out

about one trailer a month. With the three additional men, they expect to turn out seven trailers monthly. The company will not limit themselves to building only trailers, but hope to eventually, begin manufacturing other steel products.

A spokesman for the company said the trailers would be a little higher priced than many other stock trailers, but because of its sturdiness and longevity, it would be more economical in the long run.

Tunnell, a civic minded farmer of Earth says, "We hope that this new industry will be as asset to the area and we will endeavour to support our merchants and our farm area in every way possible."

## Davis-Price Tie In Football Contest

In the final week of the local football guessing contest, a tallying up of the points led to a tie for first place in the Season Contest.

The two men tying for the seasons number one place are Guy Lynn Davis and Larry Price, both with a total of 765 points for the 10 games played during the season.

## Stockholders Meeting Scheduled

The Annual Stockholders meeting of the Dimmitt Agri Industries, Inc., has been set for 7 p.m. on Saturday, November 20 in the Dimmitt High School Auditorium.

All stockholders in the area are invited to attend to help conduct business that will be discussed at the meeting.

Reports will be given; included in these will be a management and financial reports.

Also during the meeting, two senior board members will be elected along with two junior board members.

Free door prizes will be given during the meeting.

This is an important meeting and everyone connected with the Dimmitt Agri Industries Inc. is cordially invited to attend.

Dinner will be served at 7 p.m.

## Quail Hunting Dates Set

There were three "official" quail hunting dates for Lamb County at this time Thursday, according to Pat Donnelly, game warden.

The Texas Parks and Wildlife Department in Austin declared their supplement to the 1971-72 Hunting Digest showing the 76-day quail season in Lamb Co. invalid, and the 46-day season set by the Lamb County Commissioners' Court binding, thus resolving the issue.

This situation arose after the quail season for Lamb County was set after the State put out its supplement on quail saying that season in Lamb County would be from Dec. 1 - Feb. 15.

The court acted on the setting of the quail season Monday, though the supplement was mailed the week before.

Following an act of the Texas Legislature, the quail season in Lamb County has been under the jurisdiction of the commissioners' court for the past several years.

The vote was tied two for and two against on the question of whether the season should be set by the Texas Parks and Wildlife Commission and also whether Lamb County should have a 76-day season as proclaimed by the Commission, in the regular session Monday.

The dispute was settled by County Judge, G. T. Sides, who voted against turning the setting of the season back to the Texas Parks and Wildlife Commission and also voting to disapprove the 76-day proclamation. Thus, Lamb Counties quail season reverted to the old law of 46-days, or Dec. 1 - Jan. 15.

The county decision was questioned by hunters because the supplement arrived in the mail two or three days earlier than the commissioners' court met and because it did not show that Lamb County was under any other regulation.

Donnelly said, after spending three hours on microwave and telephone, the quail hunting supplement was to be disregarded and the commissioners' court decision was binding, making the quail season in Lamb County 46 days or Dec. 1 - Jan. 15.

## Thanksgiving Service Scheduled

There will be a community-wide Thanksgiving service in the auditorium of First Baptist Church in Earth, Wednesday, November 24.

This special service is jointly sponsored by First Baptist Church and Earth United Methodist Church.

The service will begin at 7:30 p.m.

Rev. Charles Dunning, Pastor of Earth United Methodist Church, will be the featured speaker.

All who can are urged to be present for this occasion.

## County Has 12 Accidents Emergency

The Texas Highway Patrol investigated 12 accidents on rural highways in Lamb County during the month of October, according to Sergeant Thurman Keffler, Highway Patrol Supervisor of this area.

These crashes resulted in no persons killed and eight persons injured.

The rural traffic accident summary for this county during the first ten months of 1971 shows a total of 78 accidents resulting in five persons killed and 42 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for October, 1971, shows a total of 595 accidents resulting in 19 persons killed and 294 persons injured. This was 96 more accidents, 14 less fatalities, and 26 more injured than during September.

The 19 traffic deaths for the month of October, 1971, occurred in the following counties: Carson, four; Kent, Lubbock, Wise, Roberts, and Wheeler, two each; Crosby, Hale, Parker, Stonewall, and Hemphill, one each.

## NEWS-SUN BEING PUBLISHED DAY EARLY NEXT WEEK

The News-Sun will be published a day earlier this next week in order that news personnel may have Thanksgiving Day with their families.

In order to accomplish this, we ask each of you who have news to report and advertising copy to turn in, to please do so early.

News and advertising deadlines will be moved up a day earlier to make it possible to have the paper in the mail to each of you Wednesday morning instead of Thursday.

## Farm Bureau District II Meets

On Thursday night, November 9, the County Farm Bureau presidents and policy development chairman of District Two met in the Lamb County Farm Bureau office, to discuss policy with District Director H. L. "Hub" King.

A copy of the resolutions was presented to the State Resolution Committee, by each county represented. A discussion was then held so that committee members would have a better understanding of the resolutions on state and national issues.

Eight counties were represented at the meeting. They were as follows: Lamb, Hockley, Terry, Lynn, Lubbock, Hale, Swisher and Yoakum.

Representing Lamb County at the Farm Bureau State Convention to be held in Amarillo, November 14-17 are: Dean

Elms, Jerry Ray, Melvin Means, Hollis Cain, Arthur Natzger, Larry Tunnell, Donnie Clayton, and Bob Boone.

## Junior FFA Team Places Third In District

The Springlake-Earth junior parliamentary procedure team placed third in the FFA District Leadership Contest, held at Friona, Wednesday, November 10.

The team competed with ten other teams in giving parliamentary procedure demonstrations.

Those who composed the junior team were: Dyke Gaston, Steve Morgan, Terry Lively, Scott Scheller, Freddie James, and Kevin Henson.

## Red Cross Discusses Station

On Nov. 5, the Lamb County Chapter of the American Red Cross met in the Red Cross office with Judge G. T. Sides presiding. The meeting was opened with a prayer led by Mrs. Bonnie Haberer.

The first topic for discussion was concerning a possible location for a Red Cross first aid highway emergency station.

This station will be located in a business or establishment that is open 24 hours a day and in an area where ambulance service is not readily available.

A new board member, Harold Miller, postmaster of Earth, was elected.

Attending the meeting were: Judge G. T. Sides, Mrs. H. A. Miller, Eldon Franks, J.P. Arnold, Mrs. Blanche Dodgen, Wayne Cole and family, Mrs. Bonnie Haberer, Lavern Smith, Lottie Orteg, Lester LaGrange and Jean Streets.

Mrs. Larry Hausmann and Mrs. Jo Eddy Riley are attending the state PTA convention in Dallas.

## Booster Club Changes Meeting Date

The Wolverine Booster Club changed their meeting date for the club's next meeting which will be Monday, November 22, at 7:30 p.m. at the school when they met Tuesday evening.

Lynn Glasscock expressed the desire to see a good attendance at the meeting as he said there are several business matters to be acted upon at that time.

A film of the S-E Happy game was shown at the meeting and reports were heard from some of the coaches.

# Lamb County Farm Incomes Rise Prepare Now For Christmas

Ily Clayton, Florence Gover, Jo Houchin, Lois Radd, Oma Pearl Murrell, Alma Ott, Paul-ine Hucks, Betty Houseman, Elaine Been, Inez Inglis, Edith Crawford, Odeal Bills, Pearl Cooper, Paulette Garner, Vesta Perkins, Jean and Kathy Rumbaugh.

In the last three years farms in Lamb County have been producing more for their operators from the standpoint of gross income than farms in many parts of the country.

Yield from the sale of livestock, crops, dairy products and poultry has improved on the farms by a better-than-average margin during the three year period.

Credit for it is attributed to increased output rather than to better prices. Farmers and ranchers have found it easier to produce more than to get more in the market place.

This they were able to do in the past year, aided by generally favorable weather conditions, by more intensive use of fertilizers and insecticides and by more effective use of mechanized equipment.

As a result, gross farm income in the past year was some \$14,226,000 greater than it was in 1967.

The facts and figures, showing how the local area fared in comparison with others, are contained in a survey of farm incomes, released by the Standard Rate and Date Service.

It lists total receipts in Lamb County from farm operations in the past year as \$74,634,000, as against the earlier gross of \$60,408,000.

That was the gross return, before any allowances for taxes, labor costs, equipment and supplies.

It represents the overall receipts from the sale of farm products, together with government payments and the value of home-grown foods consumed on the farm.

The increase in the three years, amounting to 23.5 per cent, was more than was achieved in many farm areas. The average rise, in the United States, was 13.9 per cent. In the West South Central States it was 21.6 per cent.

Of the total received locally from the sale of farm products, approximately 75 percent of it came from the marketing crops and 25 percent from livestock, poultry and dairy goods, according to the latest figures from the Department of Agriculture.

Farmers in general are being hurt in the pocketbook, it is shown, by the pressure of high and rising operating expenses that are not fully compensated by better prices for commodities.

Although gross farm receipts reached \$56 billion last year, a record, operating costs went up faster, hitting \$40 billion.

Britta Kay O'Ray of Malleshoe was a week-end guest in the home of Mr. and Mrs. Dick Pierce, James and Larry.

## Den 3 Has Wise Old Owl

Jimmy Robbins acted as the wise old owl when Cub Scout Den 3 met Wednesday, November 10. Selected for the duty by the den mother, Jimmy's job was to watch all the boys during the meeting and chose the one who was the quietest and so forth. The boy who was chosen by the owl, who was anonymous until the end of the meeting, was Kyle Kelley. Mrs. Phil Neinast presented Kyle with a sling shot for the winning prize.

When Britt Pounds called the roll at the beginning of the meeting each Cub Scout answered by telling something about an early colonist.

After repeating the Pledge of Allegiance and the Cub Scout

Promise, the boys discussed the meaning of Veteran's Day and what they would make their parents for Christmas gifts.

The young gentlemen sang the Cub Scout song before going outside to play blind partner tag under the supervision of den chief Bryan Taylor.

To close the meeting, the boys cleaned up the scout hut and formed the Living Circle. Jimmy Robbins served refreshments of cookies and Kool Aid to Lounie Neinast, Greg Geissler, Britt Pounds, Mike Wimberly, Kyle Kelley, Keith Locke, Glenn Hausmann, Nathan Ingram, Kenneth James, Byron Smith, Bryan Taylor, Mrs. Phil Neinast, and Mrs. Robert Geissler, both den mothers.

## Troop 101 To Present Play

Members of Brownie Troop 101 that met Tuesday evening made invitations for their mothers inviting them to attend their next meeting when the girls will present a play entitled "The Secret of the Brownie Name."

At the beginning of the meeting the group formed a Brownie ring where they had a flag ceremony and paid their dues.

Lisa Taylor was the caller who led the Brownie Promise and Pledge of Allegiance. Most of the meeting time was used to practice the play the Brownies will present next week. The five cast members and the parts they will portray are Jeanne Haydon as the grandmother, Carla Taylor as Mary, Stephanie Parish as Betty, and Rhonda Weaver as the wise old owl.

Carla Taylor provided refreshments of homemade candy and

COLLEGE STATION--Fall is the ideal time for home gardeners and housewives to begin preparing Christmas cactus and poinsettia plants for holiday blooming, says Everett Janne, landscape horticulturist with the Texas Agricultural Extension Service.

Extra care is required each day or the poinsettia and Christmas cactus may fail to bloom for the holiday season.

Both plants should get as much sunlight as possible during the day, but they also need long, cool nights. At night, the plants should not be exposed to any artificial lighting; this will upset their delicate flowering-control mechanisms. At least 12 hours of continuous darkness are required to start the flowering process, Janne points out.

Night temperatures of at least 60 degrees F., are ideal for both plants, but the Christmas cactus can grow at temperatures as low as 55 degrees. During the day, ordinary household temperatures are satisfactory.

Avoid placing the poinsettia in a draft, cautions Janne. Sudden excessive changes in temperature can cause the leaves to drop. Supply sufficient water so that the soil is

always moist. During active growth, feed poinsettias regularly, preferably with diluted solutions of soluble fertilizers.

Newer types of poinsettias are commercially available in varying shades of pink as well as white and the traditional red. This makes a whole family of colorful poinsettias that can be brought into bloom for Christmas and that will frequently hold their attractive appearance well past Memorial Day, adds Janne.

## JEAN RUMBAUGH RECEIVES 4th TOP

TOPS Happy Losers met Thursday, November 11, at the Richardson office with Leader, Emily Clayton, calling the meeting in order with Losers and Gainers Pledge. Seventeen members answered roll call.

Jean Rumbaugh was presented her 4th Top with a 40 1/2 lb. loss in 5 months since she joined the club.

Vesta Perkins was Queen of the Week with a 3 1/2 lb. loss. Jean Rumbaugh and Edith Crawford shared the honor of runnerup with 1 1/2 lbs. loss each.

**THE GOOD OLD DAYS ARE BACK WITH A LOW-PRICED, FUN-TO-FLY AIRPLANE:**

**NOW RENTING \$7.00 PER HOUR SOLO**

Out of production since '48, it's back now with a new engine (a 40 HP engine that is being certified by Franklin) and a good deal of reworking (the classic Franklin engine needed a new cooling). We tried to keep the performance about the same but a couple of improvements still managed to slip in. And now the new Champ includes a radio, the old one.

The 1971 Champ cruises at 86 mph (top 1 mph), climbs at 40 ft/min (top from 200 ft/min) and burns 7.6 gallons per hour (sure, that's the same as the old one but, of today's gas prices, even that is a big, welcome improvement).

And, with a back approach of 40 mph and a stall speed of 28 mph, you should be able to fit neatly into any traffic pattern composed mainly of lazy sporters.

### Father O'Leary Addresses Administrators

Father Robert O'Leary of Muleshoe named ways to help particular groups in our schools when he addressed a meeting of the Lamb County School Administrators Monday evening in the home making cottage on the S-E school campus. O'Leary said the three main points required to help were motivation, understanding, and justice. A junior high chorus, under

the direction of Wayne Anderson provided marvelous entertainment for the thirty-one persons who were present when the talented group sang a nice selection of various types of songs. A Mexican supper was served buffet style from tables covered with white linen tablecloths and featuring floral arrangements made with fall flowers.

Plans were made for attending the state FTA convention in Dallas in February when the local Future Teachers of America Club met Monday evening. The club members viewed a film concerning the differences in people at the meeting. It was announced that Saturday will be the final day of the

candy sale the club is conducting to raise funds to help finance their trip to the state convention. Attending the meeting were: Suzy Temple, Gay Ellis, Melissa Been, and David Goldston, adult sponsor.

### Party Line

Mr. and Mrs. Jack Petty and son Johnny of Odessa, and Mr. Joe Davis of Boswell were guests Sunday in the home of Mr. and Mrs. Earl Walker.

## All-Texas Feast for Thanksgiving

An all-Texas Thanksgiving feast is being suggested this year by Texas Agriculture Commissioner John C. White. "For your Thanksgiving meal this year, you can be assured of quality and quantity of Texas-produced commodities. No other state offers the consumer the opportunity to purchase so much variety of food to put in to your Thanksgiving dinner," White said.

A typical Texas Thanksgiving menu would be this: Baked Texas turkey with corn-

bread dressing and gravy, Fresh Texas green beans, Texas candied sweet potatoes, Texas fruit salad and Texas pecan pie. "Texans can purchase fruit which is produced in the South Texas and Lower Rio Grande Valley areas; vegetables from west, east, and north Texas and pecans and turkeys from central Texas," White said. "Thanksgiving time is a time when we all give thanks for everything we have. Often, we overlook our bountiful ag-

ricultural production. This year as you enjoy your Texas Thanksgiving meal, give the producer a pat on the back, not a kick in the pants. He is providing for the consumer quality food at bargain prices," White said. The Texas Department of Agriculture is cooperating with agricultural producers in the state through the Texas Agricultural Products (TAP) program to acquaint Texans with the quality and quantity of Texas-produced foods.

### Gil Lamb Speaks To 4-H Club

Gil Lamb of Muleshoe spoke on the dangers of alcoholism and drug addiction when the Earth 4-H Club met Monday evening for a regular meeting. Karen Hulley and Troy Fields were signed up as new members of the local chapter of 4-H.

It was announced that the local stock show would be February 17, 18, and 19. The twenty-three members and seven adults present at Monday night's meeting voted to make a donation to Boys Ranch as a Christmas project.

Allen Been was in charge of recreation following the program. Refreshments of muffins and punch were served by Mrs. Dewitt Kelley and Mrs. Thurman Lewis.

### TWO FROM EARTH ATTEND G C BANQUET IN PLAINVIEW

Karen Hinchliffe, Past Worthy Advisor and Mrs. Donald Kelley Grand Visitor, attended the Grand Cross of Color Banquet on November 11, at 7 p.m., in the Congress Inn at Plainview.

A delicious meal was served to those present. The master of ceremonies, Joe Foster from Lockney, had charge of the business meeting. Officers were elected for the coming year.

A lovely program in music was presented with each song representing one of the color stations. The meeting closed in ritual form.

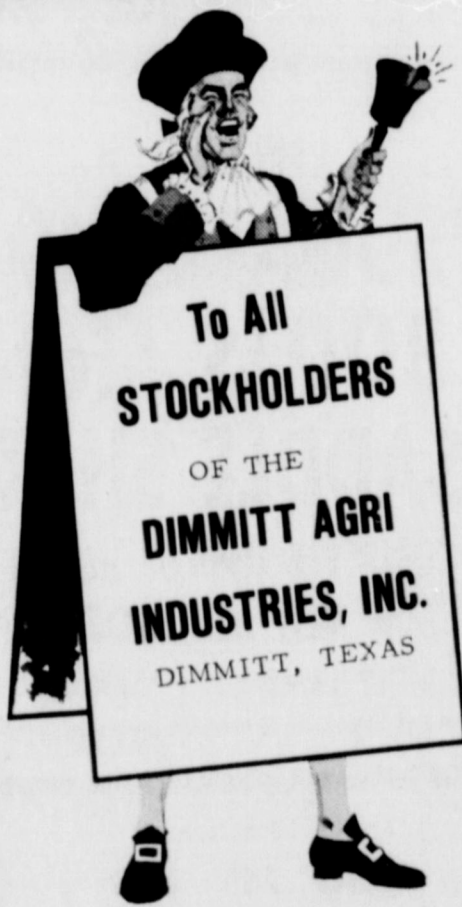

Cities represented at the meeting were Lockney, Petersburg, Canyon, Amarilla, Plainview, and Earth.

## Rebekahs Plan Turkey Dinner

When Earth's Rebekah Lodge met November 11, the lodge members made plans for holding the Rebekah and Oddfellow sponsored turkey dinner on Sunday, November 21. The dinner will be held in Earth's Community Building immediately following church services at 12 noon. The menu will consist of turkey and dressing, creamed potatoes, green beans, various salads, cranberry sauce candied sweet potatoes, hot rolls, butter, tea or coffee, and assorted pies and cakes.

The ladies are inviting everyone to attend the dinner. Tickets are very reasonably priced at \$1.50 for adults and 75¢ for children under 12. All proceeds will be used to help support

worthy charities.

The lodge members present at Thursday's meeting agreed that Rebekah lodge members and the wives of members of the Oddfellow lodge would meet at 1:30 p.m., Saturday, November 20, at the community hall to make preparations for the dinner Sunday.

Mrs. Lucille Henderson presided over a short business meeting where Mrs. Forrest Simmons and Mrs. Eula Danforth of California, a former member of the local lodge, were reported to be ill.

Attending the meeting were: Mrs. Era Walker, Mrs. Kathy Robbins, Mrs. Mary Parish, Mrs. Louise Galloway, and Mrs. Lucille Henderson.

LOVELY LADIES... These lovely ladies, members of the Town and Country Study Club, enjoyed a lovely Thanksgiving program and delicious dinner Thursday night in the home of Mrs. Lottie Ortega.

## Study Club Has Thanksgiving Dinner

The Town and Country Study Club met Thursday, Nov. 11, in the home of Mrs. Lottie Ortega. A delicious turkey dinner with all the trimmings was served at 6:30 after which a short business session was held and followed by a Thanksgiving program.

A Prayer of Thanksgiving was led by Mrs. Carra Morgan.

The meaning of "Gratitude" was discussed by Mrs. M. E. Kelly.

The president, Mrs. Ray Kelley, led in a skit "Count Your Blessings".

For the benediction, the members sang "Bless Be The Tie That Binds".

The next meeting will be December 1, meeting with the

Senior Citizens organization. Members present for the meeting were: Mrs. Clay Beavers, Mrs. B. Campbell, Mrs. Sam Gearley, Mrs. Lena Hite, Mrs. M. E. Kelley, Mrs. Ray Kelley, Mrs. John Laing, Mrs. Carra Morgan, Mrs. C. P. Parish, Mrs. Marie Ross, Mrs. John Welch and the hostess, Mrs. B. F. Ortega.

## Church Workers Honored

Reverend Floyd Haddock, pastor of the Baptist church in Ralls, was the guest speaker at the Annual Church Workers Banquet which was held Wednesday, November 10, in the Fellowship Hall of the First Baptist Church in Earth. Rev. Haddock entitled his speaking topic as "In the Fullness of the Holy Spirit."

A trio consisting of Mrs. Howard Cummings, Mrs. Bobby

Green, and Ms. Kenny Hamilton sang "Surrender" as they were accompanied on the piano by Mrs. Larry Tunnell.

The luncheon staff from the S-E schools prepared and served a tantalizing meal of ham, cheese potatoes, salad, green beans, hot rolls, and cherry cobbler to the sixty-eight persons who attended the banquet.

Following the meal the group sang "Sweet, Sweet, Spirit."

## Starkeys To Be Honor On Anniversary

There will be a reception honoring Mr. and Mrs. Homer Starkey on their 25th wedding anniversary, Sunday, November 21. Calling hours are from 2-5 p.m. in the couple's home.

Hosting the reception are their daughters Linds and Joyce Starkey from Amarillo.

Mr. and Mrs. Starkey have lived in Earth for the past eighteen years.

The public is invited to attend.

The couple have requested that no gifts be presented.

## Hobo Party Held at Church

Twenty-four members of the third, fourth, fifth, and sixth grade Training Union classes at the First Baptist Church attended a Hobo Party given in their honor Saturday night at 6 p.m. in the fellowship hall of the Baptist Church.

## Lady Claire Phillips Speaks To HD Club

Lady Claire Phillips, home demonstration agent from Littlefield, presented a program entitled "Toys for Children" when the Springlake Home Demonstration Club met in the home of Mr. and Mrs. Keith Boone Thursday, November 11. She spoke about safe and unsafe toys and demonstrated ways to make inexpensive toys at home that children enjoy receiving as gifts.

## Sunday School Class Has Get Together

The home of Rev. and Mrs. David Hartman was the scene of a get together Saturday night for members of the Young Adult Sunday School class at the First Baptist Church in Earth. The twenty-three persons who attended the gala affair enjoyed chatting and playing various games before being served refreshments of donuts and coffee by Mrs. Hartman.

## Five GC Members Attends Banquet

Five members of Earth assembly attended the Grand Cross of Color Banquet held in Furs Cafeteria, November 15, at 7 p.m., at Lubbock.

The tables were arranged to form a large cross. The head table was decorated with a beautiful lighted cross. Down the middle of the long tables were placed candles in the seven colors of the rainbow.

Forty-five people attended the annual mystic banquet. Mrs. N. E. Goodpasture of Lubbock was in charge of the banquet.

Attending from Earth were: Mrs. Myrtle Clayton, Annita Donita, and Connie, and Mrs. Donald Kelley.

**FHA Saluting Servicemen**

The Future Homemakers of America Club has chosen the month of November to salute our local servicemen who are stationed overseas.

The fifty club members are showing their appreciation to the servicemen for the job they are doing by sending gift packages to them for Christmas.

The packages contain chewing gum, homemade cookies, candy, soap, razor blades, toothpaste, toothbrushes, cards, books, shaving cream, checkers, Kool-Aid, and so forth.

The girls purchased and packaged the articles themselves and will mail them this week.

Larry Price and two friends from Maleshoe returned this past week-end from a pheasant hunt in Liberal, Kansas.

**Party Line**

Mr. and Mrs. Frank Jackson have returned from a trip from Kansas. Mr. Jackson will be home and will not have to go back to the doctor until after Thanksgiving.

## XIT Study Club Has Racism Program

Mrs. Doyle Tapley of Amherst, presented a program on racism when the XIT Study Club met November 9, in the home of Mr. and Mrs. Jim Winder. The guest speaker has recently been on a trip through the eastern states and met with a group concerned with racism at the United Nations building.

Members of the club brought homemade cookies and candy to the meeting which they packaged and sent to Jerry Fields who is stationed in Germany with the armed services.

The next meeting was set for December 7 in the home of Mr. and Mrs. Ernest Baker. It will be the club's annual Christmas program.

## Troop 614 Has Soup Arama

Nineteen members of Boy Scout Troop 614 had lots of fun at a soup-arama their troop had when they met Tuesday evening at the scout hut. Each scout brought a can of soup to the meeting and all the cans were emptied into one large pot to be heated before the boys ate the pot of soup. They reported that it tasted very good.

Following the soup-arama, the boys played games while scoutmaster Travis Jaques looked on.

## Annual Grand Cross Meeting Held

Mrs. O. B. Whitford and Mr. Leonard Green.

Members of Earth Assembly number 156 met for their annual Grand Cross of Color meeting November 13, at 10 a.m. in the Earth Masonic Lodge.

Grand Cross of Color is an honorary degree given to Rainbow girls, Eastern Stars and Missions who have distinguished themselves in service to the Order of Rainbow for Girls.

Mrs. Elsie Hawkins, chairman, gave the Invocation. Following the Invocation, members were seated at the tables, which had been arranged in the shape of a cross.

Acting as Mistress of Ceremonies for the Bread Service was Mrs. Donald Kelley. The attendants for the bread service who were dressed in white, were Mrs. Jerry Kelley and Miss Becky Littleton.

Following the service, Mrs. B. Campbell gave an inspiring message on the cross. The meaning of the seven colors of the Rainbow was given by seven Grand Cross members.

The Rainbow Report was given by Mrs. Forrest Simmons.

A short business meeting followed and a report was given by Mrs. Elsie Hawkins. Mrs. Forrest Simmons was elected chairman for next year.

The dining hall was decorated with the seven colors of the centering the table in the north. The tables were covered in white and arranged to form a cross. Down the center of the table running lengthwise were small crosses with the colors of the rainbow by each cross.

Sixteen members attended. They were: Mrs. Donald Kelley, Mrs. Beth Kelley, Miss Becky Littleton, Mrs. Elsie Hawkins, Mrs. Gene Brown, Mrs. John Laing, Mrs. B. Campbell, Mrs. Charles Sanders, Mrs. Marvin Sanders, Mrs. Forrest Simmons, Mrs. Pete O'Hair, Mrs. J. A. Littleton, Mrs. Johnny Murrell, Mr. and

## Den 4 Making Shrunken Heads

Six members of Cub Scout Den 4 began making shrunken heads from coconuts when the den met Tuesday afternoon.

The den meeting opened with the scouts repeating the Pledge of Allegiance, Cub Scout Promise, their den yell and singing the den song.

Early Colonist Days is the den theme for the month of November so the boys had a whistling contest and a rope walking contest.

Den chief, Clint Dawson, was in charge of the football game played by the boys.

Donald Gilmore served refreshments of cookies and soft drinks to Ricky Dutton, Shannon Pellham, Arlie Ellis, Danny Garze, Billy Pyle, Clint Dawson, and den mothers, Mrs. Bryan Dutton and Mrs. Norman Ellis.

## Den 5 Makes Tom Toms

When Cub Scouts in Den 5 met Friday evening they began constructing tom toms to be used when they present an Indian skit at some date in the future.

The meeting opened as the boys sang "We're All Together Again" and "Comin' Round the Mountain."

Dave Ingram, denner, called the roll and Rodney Lowater, assistant denner, collected the weekly dues.

Mrs. Allen Smith read a story entitled "Following the Wolf Trail" to the group.

After playing several games, Greg Hulcy served refreshments of candy bars to all who were present.

The scouts formed the living circle and repeated the Cub Scout Promise to dismiss the meeting.

CUTEST COUPLE... It is easy to see why students at S. E. H. S. have awarded the title of Cutest Couple to Raiford Daniel and Karen Dear.

## Three Rainbow Girls Receive Service Bars

The Earth Rainbow Girls met Monday, November 20, at the Lodge Hall, following school hours.

The meeting was presided

over by Miss Vicki Wislan, Worthy Advisor and Mrs. Jimmy Shirey, Mother Advisor. Receiving two color bars each at the meeting were: Kenney Wheatley and Jason Scheller. Donna Green received one color bar.

Den mothers at the meeting were Mrs. Nathaniel Ingram, Mrs. Ralph Cook, Mrs. Allen Smith and one guest Mrs. Roosevelt Houston.

over by Miss Vicki Wislan, Worthy Advisor and Mrs. Jimmy Shirey, Mother Advisor. Receiving two color bars each at the meeting were: Kenney Wheatley and Jason Scheller. Donna Green received one color bar.

Vicki Wislan, Worthy Advisor, received a wreath. This award was presented to her for

two years of attendance after having received all color bars.

The Mother Advisor reported that the candy sales had been good and that more candy has been ordered to sell at a later date.

Jeanie Massy chose Earlene

Walker as her big sister.

Special guest of Carem Wimberly was Mrs. Melvin Bock.

The program for the meeting was entitled "The Art of Thanksgiving". The Hall was beautifully decorated throughout using the Thanksgiving theme. A horn of plenty was placed in front of the East pedestal against a background of yellow.

Refreshments of sandwiches,

punch and cookies were served.

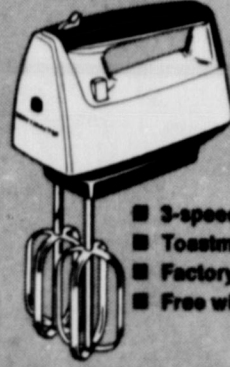

MANUFACTURERS routinely perform more than 40 separate tests and measurements on tires before they are submitted for Federal safety inspection.

WHEN A TIRE HAS only 1/16 inch of tread depth left, it is worn out and should be replaced, for safety's sake, says the Tire Industry Safety Council.

SURVEYS SHOW that tires are involved in less than one percent of all highway accidents. More than half the tires involved are bald.

A LIGHT RAIN or drizzle, especially after a dry spell, will produce a thin, greasy film which makes a road a prime skidding surface.

## Junior Hi Choir Entertains PTA

A choral group comprised of the seventh grade choir and the mixed seventh and eighth grade choir at S-E Junior High School presented a very outstanding performance at the S-E Parent Teachers Association meeting Monday night.

The chorus, under the direction of Wayne Anderson, held the attention of the audience as they sang "This Land," "Ban-uwa," "I Like It Here," "God Bless America," "I've Got To Travel On," and "A-Hu-Yah." Preceding the performance presented by the gifted young singers, Mrs. Betty Sulser and Mrs. Sandra Garlington, both special reading teachers in the S-E schools, presented a very informative program concerning the remedial reading classes in our schools.

Mrs. Sulser presented each person present with a copy of a proclamation made by James E. Allen Jr., U.S. Commissioner of Education. The proclamation entitled "The Right To Read" held the following words:

"Any child who fails to acquire the ability to read has been denied a right - a right as fundamental as the right to life, liberty, and the pursuit of happiness - the right to it is inexcusable that in this day when man has achieved such giant steps in the development of his potential, when many of his accomplishments approach the miraculous, there still should be those who do not learn to read."

Therefore, as U.S. Commissioner of Education, I am here with proclaiming my belief that we should immediately set for ourselves the goal of assuring that by the end of the 1970's the right to read shall be a reality for all - that no one shall be leaving our schools without the skill and the desire necessary to read to the full limits of his capability."

The two teachers stated that in their classes they are endeavoring to individualize and that federal funding for the Title I program our schools use enables them to purchase top quality materials and machines

for the reading classes. Slow reading students in grades 2 through 8 are involved in the program which was put in to use in 1961. The main goal of the program is to pull slow children up to the achievement levels of other children their own age as most of the students in the program are one to two years behind their classmates in reading skills.

Mrs. Garlington demonstrated two machines that are used by her students. The Flash X is used to teach students to read a word in a glance and the controlled reader is used to increase the rate of speed a child reads at and can be used for 20 - 120 words a minute. Both machines can be used by individuals and by groups in the classes which usually are made up of 1 - 12 students each period.

Mrs. Sulser believes this is a very good program and will be a big success.

Mrs. Larry Hausmann then presided over a short business meeting. In the absence of PTA secretary, Mrs. David Hartman, the minutes of the previous meeting were read by Mrs. Lexie Branscum.

Mrs. Norman Ellis gave a report on the Bi-County PTA meeting she and Mrs. Hausmann along with Mrs. Jo Eddy Riley attended last week. Bill Clayton, state representative from Springlake, discussed legislation pertaining to school at the meeting. He explained that by 1978 all five year olds would be required to attend public kindergarten. The 12 month school year which is really a quarterly based program was discussed. Actually students will still attend school nine months out of the year and have a three month vacation. The school determines which months a child will attend school. It was pointed out that this will mainly affect large city schools and that Earth probably will not be affected by it.

Following the adjournment of the meeting, refreshments of cookies and coffee were served.

GROTON, CONN., -- Navy Fireman Roy L. Robertson, son of Mr. and Mrs. Roy S. Robertson of Route 1, Littlefield has graduated from the Naval Submarine School at the Submarine Base in Groton, Conn.

He received two months of intensive instruction in the fundamentals of submarine operation and procedures.

FT. GEORGES, MEADE, MD. Recently promoted Lieutenant Colonel Jesse E. Stanford, son of the Rev. and Mrs. E. Lee Stanford of Dimmitt, has been

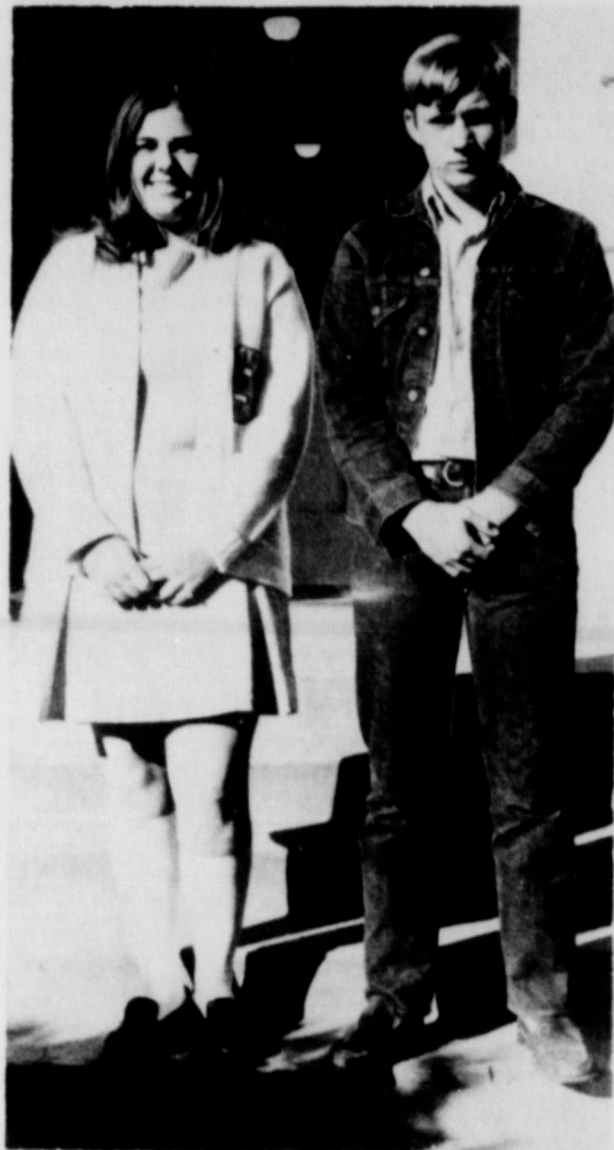

decorated with the Meritorious Service Medal at Ft. George G. Meade, Md.

Colonel Stanford distinguished himself as chief of the airman assignments division at Headquarters, USAF Security Service, Kelly AFB, Texas.

He is now at Ft. George G. Meade with the 697th Support Group, a unit of the USAF Security Service.

The colonel, a 1950 graduate of Amarillo (Tex.) High School, received his bachelor of business administration degree from Southern Methodist University, Dallas in 1954, and was commissioned there through the Reserve Officers Training Corps program.

His wife, Brooks, is the daughter of Mr. and Mrs. Spencer W. Robinson of Houston.

THE WITTIEST COUPLE... To be witty is always an asset when used in an intelligent way. During high school elections last week, Marilyn Eagle and Kevin Anderson were voted Wittiest Girl and Wittiest Boy.

## Nov. 15-21 Is Food, Fiber Week

To recognize the contribution made by the agricultural industry in Texas, the period of November 15-21 has been designated as Food and Fiber Abundance Week. This celebration was the idea of many people involved in the agricultural industry including farmers, ranchers and agribusiness people, according to Charles G. Scruggs, editor of the Progressive Farmer, and chairman of the state organization sponsoring the celebration. Scruggs said, "Never in the history of the world have so few fed so many so well with such a selection of foods. The average farmer in the U.S. today raises enough food to feed himself and forty-five other people."

G. T. Sides, County Judge, has been appointed chairman of a committee to organize a celebration in Lamb County, Judge Sides said. "While telling the story of agriculture it must also be mentioned that no nation provides the consumers with food as cheaply as we do in the United States for the average family spends only sixteen and one-half percent of its income on food."

H. Leon Slaughter, projects director of the West Texas

Chamber of Commerce and State Coordinator for the celebration, commented, "Perhaps the most significant fact is that we need only five percent of our entire population to provide this food and fiber. The other ninety-five percent are free to pursue other vocations that in turn help to make our standard of living something that every other nation can very well envy."

### A RESOLUTION

WHEREAS we as citizens of a great Nation, State and Lamb County are blessed with an abundance and a quality source of food and fiber,

WHEREAS we need only 5% of our nation's population to provide this resource, and

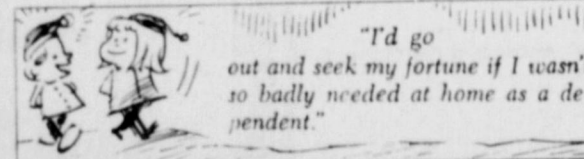

WHEREAS no nation on the earth provides its people with so much for so little with an average family in the United States spending only 16% of its income on food, and

WHEREAS much of this abundance and quality source is produced by the agriculture industry of Texas,

NOW THEREFORE BE IT RESOLVED that the County of Lamb proclaim November 15-21 to be Food and Fiber Abundance week, and urges all of its citizens to observe this important occasion.

G. T. Sides, Judge  
County of Lamb

## Funeral Services For Tom Jones Held Sunday

Services for Hugh Thomas Jones, 72, of Route 2, Springlake, retired farmer, were conducted at 3:00 p. m., Sunday, November 14 at the United Methodist Church in Earth. Officiating were the Rev. Charles Dunnam, pastor, and the Rev. David Hartman, pastor of the First Baptist Church of Earth.

Mr. Jones died about 10:15 a. m., Friday, November 12, at his home two miles north and 1/4 mile west of Springlake of an apparent heart attack.

Mr. Jones was born at Vinson, Oklahoma on August 20, 1899 and married Velma Brown on January 3, 1925, at Altus, Oklahoma.

Mr. and Mrs. Jones came to this community in 1925 and settled 5 miles north of Earth - what is now the Naomi Burgess place. They they moved to the present home place in 1930, where they resided until 1959. They moved to Lubbock and lived there until 1970, when they returned to Springlake.

He was active in community affairs. He served on the Springlake School Board for several years, was a member of the Board of the Methodist Church in Earth. He was also on the board of directors at Kimbell Gin and Springlake Co-op Gin.

He is survived by his wife, Velma; two sons, Carroll Jones of Pea Ridge, Ark., and Dwane of Springlake; two daughters,

TOM JONES

Mrs. Joyce Lowery of Earth and Mrs. Lynda Hall of Lubbock; seven sisters, Mrs. Ida Allen, Mrs. Ruby Jones, Mrs. Minnie Bulls and Mrs. Naomi Burgess, all of Earth, Mrs. Leslie Messamore and Mrs. Alma Moore, both of Amherst, and Mrs. Elva Ellis of Monett, Mo., three brothers, Joel, Bud and Buzzy Jones, all of Earth; and seven grandchildren.

Palbearers were his nephews: Ken Burgess, Alvin Messamore, Ed Jones, Jerry Jones, Dean Jones and Glenn Bulls.

Other nephews of Mr. Jones served as honorary palbearers. Services were conducted by Parson, Ellis, Singleton Funeral Home of Earth and burial was in Earth Cemetery.

## Den 1 Making Turkeys

Cub Scouts in Den 1 began making Thanksgiving turkeys for decorations from Readers Digest magazines when they met last week.

Rex Fennell led the pledge of Allegiance and the singing of "America" when the meeting began.

A new dinner and assistant dinner for the month of Nov-

ember were elected and they were Rex Fennell and Andy Hartman, respectively.

Den Chief, Greg Welch, led the scouts in several outdoor games.

The Cub Scout Promise led by Allen Clayton was repeated at the end of the meeting.

Rex Fennell served refreshments of soft drinks and chips to Allen Clayton, Mike McCarty, Biff Belew, Andy Hartman, Tommy Hamilton, Melvin James, Greg Welch, Mrs. Bob Belew, Mrs. Doland Fennell, and Mrs. Larry Hausmann, den mothers.

Mrs. Ted Borum is still receiving treatments in Houston. Cards and letters can be sent to her at this address: 6419 Skyline, Apt. 1083, Houston, Texas 77027.

## HOPE

By DAVID HARTMAN

What keeps you going? Mr. Farmer, why do you continue to farm? What keeps you in that profession?

Mr. Businessman, why do you remain in the type of business you have?

Mr. or Mrs. School Teacher, why do you keep on teaching school?

Mr. and Mrs. Religious Person, why do you persist in the practice of your particular brand of religious expression?

Mr. and Mrs. Student, why do you stay in school?

Could it be we see hope in that which we are doing? Hope means "to desire with expectation of fulfillment, or

"to long for with expectation of attainment." Perhaps the two key words in the definition are fulfillment and attainment.

Surly each person that falls in one or more of the categories named above finds some kind of fulfillment or they would not keep on doing what they are doing.

There is nothing more frustrating than to feel there is no hope. This does something to us. For example, it can take away initiative. This is expressed by many people when they say, "Oh, what's the use in even trying. It won't do any good anyway."

A feeling of hopelessness holds the possibility of embittering us. It is sad to see a person being literally "eaten alive" with bitterness. However, this can happen when a person feels that all possibility for obtaining fulfillment in life has been thwarted.

On the other hand, hope can spur us on to try harder. We may try and fail. However, I believe it is better to try and fail than to never try at all. After all you don't know that you will fail and there is a certain fulfillment in at least trying.

Goethe said, "In all things it is better to hope than to despair."

## Texas Draft Call Set At 588 Men for Remainder of '71

The Texas draft call for the rest of 1971 is 588 men, State Selective Service Director, Col. Melvin N. Glantz announced.

None will be ordered for induction in October, 363 in November and 195 in December. All are from extended first priority groups. Glantz said the RSN cut-off for

1971 would be 125 for men in the first priority group.

Orders for induction for the call were mailed by local boards throughout Texas, with 30 days notice required in all cases. About 6,400 men will be ordered for pre-induction physical examinations in October and November.

BEANS -- Know the difference between green beans and wax beans? Wax beans are so called because of their waxy yellow color. Green beans are more common. The two types of beans have little difference in nutritional value.

## SUNNYSIDE NEWS

By TEENY BOWDEN

**CORRECTIONS:** In the book "This Land We Hold," I find a few things that need to be corrected. The worst mistake I find is that Jean Lilley married Truman Swopes not Owen Hankins. Jo Armstrong married Owen, and the wrong name came to my mind as I wrote and it is hard to catch mistakes like this.

This is on page 268. On page 167 and 168 under the pictures should be C. L. Brannon instead of John B. Pope. Most of the mistakes are obvious to anyone like misspelled names and words, poor phraseology or grammar. If you find mistakes that need to be corrected in this manner please let me know. On page 89, it should be 40 sections instead of 42. On page 186 it should read the Popes had two sons both in school that year.

Mr. and Mrs. Weldon Bradley became grandparents of another grandson last Saturday when a 6 lb. 13 oz. boy was born to Mr. and Mrs. David Blair in Dallas. Lee and Mrs. Bradley drove to Dallas last Saturday, then he reported to his base at Fort Hood, Monday. Mr. Bradley flew down Saturday morning for them. Weldon, Carl, Kent, and Kelly flew Lee to Dallas Sunday afternoon to pick up his car so he could report back to his base and they also visited the Blairs and new baby, Jeff Allen.

### Friends of Earth Protest 'Luscious Blonde' Statement

(Editor's Note: The following article was sent to the News-Sun Wednesday by Ed. M. Geffith Sr. of Dallas. The article was taken from the Dallas Morning News, Tuesday's Edition.)

AUSTIN—A spokesman for the Friends of the Earth office blasted Texas Water Development Board Chairman W. E. (Buck) Tinsley of Austin Monday for remarking that propaganda showing a "luscious blonde" on water skis is needed to sell water bonds.

"Having been unable to sell the voters of Texas on the merits of the Texas Water Plan, the Water Development Board now appears bent on a new approach to public education," declared P. Burgess Griesenbeck in a statement released here.

He noted that Tinsley made the "luscious blonde" remark at a recent meeting of the board, where the minutes show he said the man on the street is only interested in the image of himself out in a powerboat "with that luscious blonde on water skis behind him."

Tinsley was explaining that this approach worked on the passage of a California water bond program after the bonds failed the first time on the ballot. The \$3.5 billion financing for the Texas Water Plan also failed on its first time before the voters in 1969.

"If, indeed, the Texas Water Plan is necessary and can be justified with the data organized by the board, why must the average citizen be insulted by agency officials who assume that blondes sell bonds?" Griesenbeck asked.

"Our understanding of the Texas citizens runs contrary to that of Chairamn Tinsley, we feel that Texans will want to know the facts and not just see the image," he added.

### SMALLPOX VACCINATION NO LONGER REQUIRED FOR ENTERING SCHOOL

Compulsory vaccination for smallpox has been lifted by the State Board of Health as a requirement for entering school.

Required immunizations effective next January 1 include for grade school pupils diphtheria, tetanus, poliomyelitis, rubella and measles (if the

child hasn't had measles). The U. S. Public Health Service recently held compulsory smallpox immunization is no longer necessary in the U. S. since risk of the disease is so small here. Last known cases were in 1949 in the Rio Grande Valley.

### S.S. Must Be Paid On Household Help

Many homemakers may not consider themselves employers, but if they hire someone to help them around the house, even on a part time basis they may be considered employers under social security.

According to social security officials here, a homemaker is an employer if she pays a household worker \$50 or more in cash wages in any 3-month quarter, January-March, April-June, July-September, or October-December.

A homemaker must send quarterly reports of such wages, along with the social security contribution, to the Internal Revenue Service, a social security spokesman said.

By sending in the social security contributions each quarter, the homemaker employer is insuring the household worker and her family that they have

the protection provided by the social security program. "Social Security today means more than monthly checks and Medicare benefits after the household worker retires. Social security also provides monthly cash benefits for the family in case the worker becomes disabled or dies."

Nine out of every 10 household workers are women, the social security official said. "If a household worker suffers a long disabling illness, social security benefits might be her family's only income until she is able to return to work," he said. Any employer who wants more information about making social security contributions for a household worker can ask for a copy of the leaflet, "Social Security and Your Household Employee" at any social security office, the spokesman said.

### Earthquakes Perform At Amherst

The Earthquakes, a talented singing group made up of Christian youths from the local churches, presented a performance at the Methodist church in Amherst Sunday evening.

The Earthquakes are directed by Wayne Anderson, choir director at the S-E schools.

### Party Line

Mrs. Bonnie Haberer and Mrs. Dora Belle Angely returned Tuesday night from a trip down state. They visited old friends and relatives at Cross Plains, Godley, Lipan, Waxahatchie, Oleny, and Crowell. At Lipan they attended the funeral of a 90 year old cousin Miss Hattie Ator. Miss Ator was known to many local residents.

CHANCES OF SKIDDING in an auto are five to ten times greater when driving on wet roads.
