Who Will Be Miss Flame?

Do you want to know who will be Miss Flame?

If so, attend the Bonfire, Thursday night at 8 p. m. on the old ball park in the rear of Barton Brothers Gin.

Miss Flame will be announced and crowned during the ceremonies. She will be honored by being asked to ignite the fire of wood, burning in effigy the Vega Longhorns.

The four beautiful nominees, each a representative of one of the high school classes, will be named according to the class gathering the largest amount of wood per class enrollment. The four lovely candidates are Susie Adrian, Senior; Marian Dawson, Junior; Leah Galloway, Sophomore; and Brenda Cavitt, Freshman.

Booster Club Sees Film, Hears Scout Report On Vega

The Springlake-Earth Booster Club met Tuesday at 8:30 p. m. in the school cafeteria with president Ardis Barton presiding.

A scouting report was given on the Vega Longhorns and a film of the S-E Bovina games was shown.

It was reported that the bumper sticker sales are real slow. These are being sold to help with the athletic program.

Mrs. Juanice Glascock reported that the WAC's are selling degreaser to lend their aid in support of the athletic program.

Approximately 25 attended the meeting.

BEAT VEGA FRIDAY NIGHT

SPRINGLAKE'S FIRST BALE OF COTTON owned by V. G. Wood was ginned Saturday at the Farmers Co-op Gin in Springlake. Pictured with the first bale is Gin manager Endell Baucum and Ginners Junior Salinas and Fernando Ramos.

V.G. Wood Brings In First Cotton For Springlake

The first bale of 1970 cotton for the Springlake area was brought in Saturday morning and ginned at the Farmers Co-operative Association in Springlake. V. G. Wood is owner of the first bale of cotton.

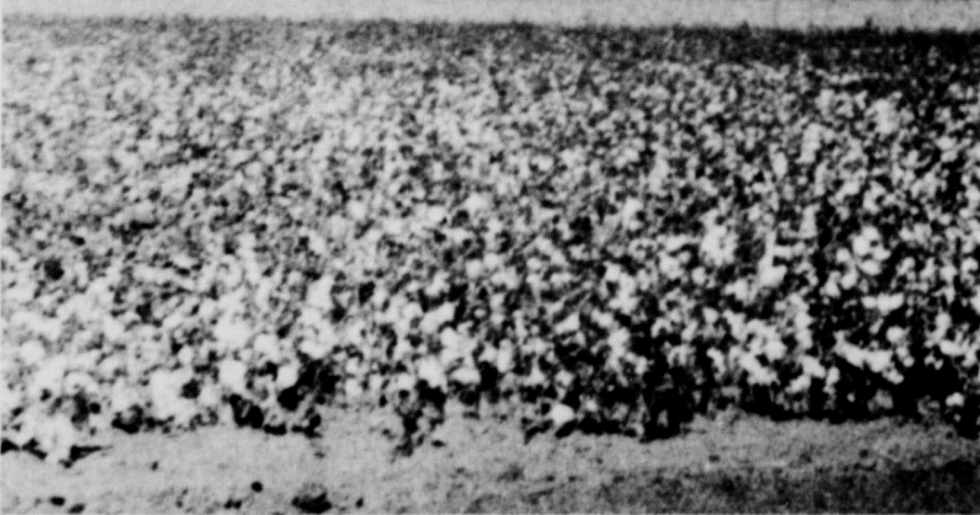

The 2200 pound load of seed cotton ginned out a 575 pound bale of cotton with 820 pounds of cotton seed.

The cotton was grown south-east of Springlake and was hand-picked from a 2.7 acre plot.

The Paymaster 101A Certified Seed was planted on May 20.

Endell Baucum, manager of the Gin said his Gin is in readiness for the harvest season which he expected to begin shortly, providing warm dry weather found its way back to the area.

This year cotton crops in Springlake and Earth look good if we can have favorable weather for a couple of weeks.

WHITE GOLD... small stalks loaded with cotton can be seen in the area. Cotton harvest is expected to get into full swing within the next two weeks if we can have favorable weather.

Bumper Stickers Or Degreasers Anyone?

The Booster Club and the local WAC's are presently selling bumper stickers and degreaser in their effort to help with the S-E athletic program.

All the money derived from the sales is placed in the athletic fund to be used for a sports.

Ardis Barton, president of the Booster Club said the sales was real slow. He said these could be obtained from any member of the Booster Club or the WAC's.

Former students of Springlake Earth High School are expected to return to the old Alma-Mater Friday, October 16 for the 1970 Homecoming Festivities. Highlight of the event will be the Wolverine vs Vega clash at 8:30 p. m.

A dinner sponsored by the Ex-Students Association will precede the game. Serving will begin at 5:30 and continue until 7:30 p. m. The menu has been announced as barbecue with all the trimmings.

Tickets for the dinner are priced at 75¢ for children under twelve years of age and \$1.50 for adults. It is not necessary to be an Ex-grad to attend the dinner. All interested in seeing and visiting with the Exes are invited to attend and enjoy the Fellowship with Ex-Students and Teachers.

Ex's will enjoy seeing the beautiful new Football Queen who will be active during the Homecoming Event. They will also enjoy seeing the great Wolverine Marching Band and the Wolverine-Vega clash on the gridiron.

Immediately following the game the ex-students and other interested parties will meet in the Springlake - Earth School Cafeteria for a program and refreshments of coffee, hot chocolate and doughnuts.

Jerie Taylor will serve as master of ceremonies at the program which will be centered around honor classes from the years 1930, 1940, 1950, 1960 and 1970. Highlights of the program will include representatives from

each of the forementioned Honor Classes who will recall memories of events, happenings and personalities of the past school days.

A trio composed of Mrs. Bobby Green, Mrs. Kenny Hamilton, and Mrs. Howard Cummings will provide musical entertainment.

Officers will be elected for the forthcoming two year period. Ex-students will be given a ballot at the supper so they can make their selection of officers. They may also register for the free door prize, which is an instamatic camera. This will be given away during the program following the game. Also the newly elected officers will be announced. The vice president will automatically move up to president.

The following will be voted on during the event, Vice president: Jerry Jones, Shelby Bozeman; Secretary: Jean (Sawyer) Meador and Kathie (Brown) Shirey; Finance: Doug Parish and Betty (Wages) McAlpine; Program Chairman: Norma (Cleavinger) Dawson, Ann (Clayton) Kelley and Publicity: Don Curtis and Davey Haberer.

The following is a list of officers now serving: president - Jerie Taylor, vice president - Glen Bullis, Treasurer - Alan Gover, Honor Class - Barbara Lewis, Membership Chairman - Louise Bridge, Secretary - Linda Lowe, Program Chairman - Gayle Littleton, Finance Chairman - Larry Tunnell, and Hospitality Chairman - Virginia Barden. Invitations to 400 students have been mailed out.

Want To See Royalty Crowned?

Then Attend The Pep Rally Friday ...

If you want to see beautiful girls and handsome young men, dressed in their Sunday Best and beaming with school pride, then you'll be sure to attend the Pep Rally Friday at 3:25 p. m. in the Springlake-Earth Gymnasium.

One of five beautiful lasses will be crowned Football Queen, along with her handsome escort who will be crowned King. While the coronation is taking place, the superior Wolverine Band will be playing Laura's Theme from Dr. Zhivago, "Somewhere My Love".

Five lovely lasses and five handsome young men have been elected as nominees for the coveted titles of Football Queen and King.

Selected for the Queen contest at a meeting for the high school football squad last week were Julie Cleavinger, Senior; Jenna Banks, Senior; Karen Armstrong, Senior; Criss Dent, Junior; and Susie Temple, Junior.

In a like meeting Monday the Pep Squad chose their King candidates. They are Kent Parish, Senior; Tony Barton, Senior; Jerry Barden, Senior; Ricky Enloe, Senior; and George Nance, Junior.

The cheerleaders, band students and student body are planning the best Pep Rally ever. Principal Ward Cooke says, "They are doing everything possible to build up enough spirit to beat the Vega out of Vega."

The public is urged to attend this best of all Pep Rallies.

The Queen and her court will be recognized at the highlight of the Homecoming activities, the Springlake-Earth vs Vega game. The Queen and her court will be seated near the pep squad, and the King and four candidates will take their positions on the field for the gridiron clash beginning at 7:30 p. m.

SPRINGLAKE-EARTH SCHOOL TAXES TOTAL \$258,000

A total of 1200 to 1300 tax notices to patrons of Springlake-Earth Independent School District were sent out last week, according to Mrs. Louise Bridge, school district tax assessor-collector.

The total tax due by January 31, 1971, without penalty is \$258,000. Some \$25,000 of this total has already been collected.

Approximately 97 per cent of last year's taxes have been collected.

Buy Subscriptions - Help The Band, Get A Free Photo

Jerry Starikes, local Band director announced this week that the Fall Newspaper-Magazine Subscription Campaign conducted annually as a money making project by members of the Springlake-Earth Band would begin on Monday October 19. The subscription sales will continue in motion for two weeks.

This year the News-Sun has worked out a plan to aid band students in their sales. Now for the next two weeks each one subscribing to the News-Sun will receive absolutely free an 8x10 color photograph with each subscription. This can be had at no extra cost to the subscriber while at the same time the subscriber will be aiding the Band in this money making project. Proceeds to be used to defray expenses to (1) Marching and concert contests for Jr. High and High

School Bands, (2) Entry fees to Stage Band and Concert Band festivals, (3) New band instruments, (4) Social activities, (5) Workshop fees for clinics etc.

Student participation in such a program affords families of this school area the opportunity to purchase subscriptions through a known local source. This is appreciated as, most probably, these families will be purchasing the subscriptions anyway, and doing so through the Band helps this group finance the year's activities. And as Starikes, director, pointed out "Students sell at regular subscription rates and may also accept a good number of special offers. There is absolutely no additional cost, purchasing through the school. Students will not only be selling subscriptions to the News-

Sun but will also have available for your selection over 160 magazines. So for your reading material for the next year-- Buy from the Band.

The staff at the Earth News Sun are pleased to help the Band in anyway possible. We sincerely hope you will buy one, two or five year subscriptions to your local paper through members of the Band. This encourages the Band when they realize that area people are behind them all the way.

The free 8x10 color photograph can be family groups or individuals and will be made in November in order to have them to you by the Christmas holiday season.

If your subscription has not expired, you may renew, and this will be added to your present subscription.

Anderson Services Set For Today Girl Scout 309 Patrols Give Program

Funeral services for Oscar Irvin Anderson, 76, of Earth, are set for 10:30 a. m. Thursday (today) October 15 in the First Baptist Church. David Hartman, pastor, will officiate.

Mr. Anderson who has been in ill health for several years was pronounced dead on arrival at the Littlefield Hospital at 7 o'clock Tuesday morning, October 13.

An early day resident of Earth, he came here 41 years ago when Earth was nothing more than prairie land. He continued to make this his home and rear his family here.

He was born September 3, 1894 and married Grace Gilmore on September 30, 1916 in Grow, Texas.

He was a member of the First Baptist Church and the Earth Masonic Lodge.

Survivors include his wife, Grace; one daughter, Mrs. Zeph Robnett, Earth; one son, Ervin Anderson, Baytown; five sisters, Mrs. C. M. Hurst, Mrs. Myron Pool, both of Muleshoe; Mrs.

Roy Gibson, Graham; Mrs. John House, California; Mrs. Harve Smith, Vince, Oklahoma; one brother; Olen Anderson, Sterling City, Texas; six grandchildren, and five great grandchildren.

Funeral services will be in the Earth Cemetery under the direction of Parson-Ellis-Singleton Funeral Home in Earth.

Nine members of the Springlake Girl Scout troop 309 gathered at the Community Building in Springlake for a weekly meeting.

Susan Clayton and Carri Barden lead the opening ceremonies, Pledge of Allegiance, Singing of America and gave the Girl Scout Promise.

Leader, Mrs. Wayne Davis, asked the patrol leaders to take care of the meeting.

Susan Clayton, leader of the Roadrunners with her patrol presented a program entitled "Active Citizen".

Jill Barden, leader of the Green Sleeves Patrol with members of her patrol presented a program entitled "My Troop

Badge". Icecream bars and cookies were served by Sue Bradley to Belinda Hampton, Kathy King, Diana Jo Hampton, Susan Clayton, Jill Barden, Tammy Davis, Connie Dear, and Carrie Barden. Also served were Mrs. Wayne Davis, Leader, Mrs. Sam Barden, Assistant, and Mrs. Donnie Clayton, Unit Chairman.

A self-contained, fully equipped air shower unit has been developed for the removal of surface deposited particles from the clothing of personnel prior to their entry into an ultra-clean laboratory.

Jaquess Benefit Dinner Serves 450 People

An approximate 450 people had dinner Sunday in the S-E School Cafeteria, where a Benefit Dinner for Travis Jaquess was held.

The dinner was jointly sponsored by the Springlake and Earth Lions Clubs.

Dale Riggs, treasurer for the event said Wednesday that \$667.00 had been turned over to him. He indicated that there would be a little more turned in yet, as some of the Scouts who had sold tickets to the dinner had not turned in their money.

Riggs said he had paid \$105 for expenses, leaving a present total of \$562 profit from the dinner.

This sum will be presented to Mrs. Jaquess to help defray the hospital expenses. Jaquess was severely injured when he fell from a ladder recently while installing a light in the ceiling of the old gym.

Several ladies, including the luncheon personal, assisted with the dinner. This was done in appreciation of the Jaquess family.

School Board Approves Audit Report

The S-E School Board met Monday night and studied the enrollment figures, delinquent taxes, Driver's Education program and approved the school audit report.

The enrollment was up with a gain of 17 students. This is

expected to be the peak enrollment for the year, according to Supt. Bill Mann. However, this enrollment is less than that of a year ago.

Present enrollment stands at 792. A breakdown of this figure shows 417 in elementary, 126 in Junior High, 220 in High-school and 29 enrolled in Special Education.

The group briefly reviewed the delinquent tax list and discussed the Driver's Education program.

Insurance contracts for the school buildings were awarded for a three year period. These were shared by three local firms, H. C. Martin Agency, The Dudley Agency, and A. F. Shelby Insurance.

Minutes were approved, bills reviewed and paid. The final item of business was the studying and approval of the school audit report.

Those present were Norman Henchcliffe, Jerry Kelley, Ardis Barton, Jimmy Craft, Gene Templeton, and Supt. Bill Mann.

Early Freeze Hits Area Thursday

The earliest freeze ever recorded by the United States Weather Bureau hit Lamb County Wednesday, October 7 leaving the ground covered with a thin layer of snow and sleet.

In 1952 records showed a light freeze hit Lamb County on that same date (October 7). This is the only one recorded since the origin of record keeping begun in 1894.

The cold wave hit this area Wednesday night drawing the mercury from an 85 degree high for the day to a chilling 31 degrees.

Temperatures failed to get above the mid-30's through the day Thursday, then plunged to 27 degrees just before sunrise Friday morning, where temperatures stayed below the 30 mark for two hours.

Although this freeze came earlier than the freeze that set a 17 year record last October 13, the 1970 area crops are much more mature, and the damage less severe.

While a good percentage of cotton over the area would have benefited from several weeks of warm weather, many farmers were getting ready to apply defoliants in order to start mechanical harvesters soon.

De Selms - Elledge Vows Exchanged In California

The marriage of Miss Cynthia Gay DeSelms and Ernest Thomas Elledge, both of Modesto, California, was solemnized in the First Christian Church in Modesto, California at 3:00 p. m. September 20.

Claud McQuiddy, pastor of the Church of Christ, officiated for the double ring wedding ceremony.

The bride is the daughter of Mr. and Mrs. Wayne DeSelms, of Modesto, California and the groom is the son of Mr. and Mrs. Robert Elledge of Modesto.

An archway covered with green fern framed the wedding couple. Large basket bouquets of white gladiolus and mums flanked the archway. On each side of the bouquets were large candelabra, decorated with green springereas fern, each holding seven candles. A candelabra holding three candles was placed beneath the arch. Two of the candles were lit, the center was lighted by the bride and groom, signifying the unity of two families.

Musical selections were played by organist, Dr. Larsen, and included Voluntary Trumpet in D and Leningrad Wedding March. Peter Paroli, vocalist, sang "Somewhere My Love" from Dr. Zhivago, "True Love", "Love Theme From Romeo And Juliet". The candlelighters lit the candles during this song. "One Hand, One Heart" was sung during the ceremony as the bride and groom lit one candle signifying unity of two families.

Miss Janice Spreiman, Modesto, California, was maid of honor. Other attendants were Miss Renee' Ellis, Modesto, cousin of the bride, Mrs. Brian McQuiddy, Los Angeles, California, Miss Janet Loer, Modesto, and Miss Judy Garrison, San Jose, California.

William LaValley served the groom as Best Man. Groomsmen were Greg Sawyer, San Lorenzo, California, Kelley Jan, of San Francisco, Timothy Newlove, San Clemente, and Robert Elledge, brother of the groom of Okdale, California.

Ushers were Bruce Hinkley of Modesto and Brian McQuiddy of Los Angeles.

Given in marriage by her father, the bride was lovely in a floor length modified A gown of organza over taffeta fashioned with a detachable train. The front of the gown was styled in the redingote effect with the Watteau effect in back. The crystal and beaded pseudo-angle all lace bodice had a high sculptured neckline and full bishop sleeves finished with lace cuffs. A large border of matching lace edged the train. The wreath head piece of point Venice lace accented with seed pearls secured on elbow length veil of silk illusion. She carried a white bible topped with a cascade bouquet of white roses, stephanotes, and babies breath surrounding a white orchid. She wore cultured pearl earrings, a wedding gift from the groom.

The maid of honor and all attendants wore floor length gowns designed in aqua organza over taffeta, fashioned with a wedding ringneck, long

double puff sleeves, empire bodice and long flared skirt. The neck, bodice, and sleeves were accented with matching hand embroidered trim. Attendants carried colonial bouquets of mums and miniature carnations in various shades of blue intermingled with baby's breath and star flowers. The maid of honor carried a bouquet of white roses.

Candlelighters were Miss Janna DeSelms, sister of the bride and Miss Maggie Elledge,

MR. AND MRS. ERNEST THOMAS ELLEDGE

sister of the groom. They were dressed identical to the attendants, with the exception of puffed sleeves instead of long sleeves.

The ringbearer was Arlie Ellis, cousin of the bride, son of Mr. and Mrs. Norman Ellis of Earth.

The flower girl was Miss Juliette Thompson, daughter of Mr. and Mrs. Warren Thompson of Modesto. She wore a dress identical to that of the candlelighters and carried a white basket of matching flowers as that of the attendants.

Following the wedding ceremony a garden reception was held in the home of Mr. and Mrs. Lance Ellis, aunt and uncle of the bride. Canopies were served until the arrival of the

bride and groom at which time the receiving line was held under an archway covered with greenery. Guests were registered by Miss Sheri Stalker.

For traveling the bride wore a brown and beige corduroy dress with embroidery around the waist and neckline. She wore an orchid corsage which was taken from her wedding bouquet and carried beige gloves.

The wedding trip included a trip to San Francisco, Seattle, Washington, and Victoria British Columbia, Canada where they spent three days before returning to their home in Davis, California.

Mrs. Elledge attended George Pepperdine College in Los Angeles where she was president

of Sigma Pi Gamma Sorority, Secretary of the AWS Board, and a candidate for Homecoming princess. She also attended Abilene Christian College for a semester. She is a Home Economics major at the University of California, at Davis and plans to obtain her degree in 1972.

Elledge attended the University of California at Berkeley for 2 1/2 years. He was a member of Delta Upsilon Fraternity. He also attended Abilene Christian College for one semester and is now a History major at the University of California at Davis.

Attending the wedding from Earth were Mr. and Mrs. Norman Ellis and children and Mrs. Claud Ellis.

Scout Drive Set Oct. 19-23

The 1970 Girl Scout Fund Drive has been scheduled for the week of October 19-23. During this period, Girl Scout Mothers will be participating in a door-to-door campaign to secure funds to aid the local scouting program. Workers will call at area households for contributions whenever they can, according to Mrs. Larry Price, chairman of the fund drive.

Persons who are interested in making contributions before October 19 are asked to contact Mrs. Price. Anyone wishing to donate to the Girl Scout Fund prior to, during, or after the initial drive and has not been contacted may leave their donation with Mrs. Wilson Lewis at the Pioneer Natural Gas office in Earth.

Why do the Girl Scouts need money from area residents? Although parents pay all their Scout daughter's expenses, the troop leader is a volunteer and the troop meets in a rent-free space. Additional funds are required to further the scouting program. Money is needed to form new troops, recruit and train new leaders and to provide the best program for girls. The Girl Scout Camp is a vital part of scouting and it costs money, over and above the fee charged each Girl Scout, to maintain and operate camps.

Funds are required to secure the various council services, both direct and indirect, available to local scout troops. Among the direct services available are regular mailings; regular visits of the Field Directors; Training by both professional and other qualified volunteers; Camp supervision; Organizational materials and help; Special visits or speaking engagements; Sharing of all information from National Girl Scout Office; Process registrations-issue membership cards; Maintains resale for insignias, pins, etc.; Program resource materials; and Publicity materials. Indirect services include All planning and work with all committees, senior planning boards and all council events; Directing fund presentations and budgeting; Supervision of staff; Board and Council meetings; Keeping up to date on all national mailings and information; Promoting International exchanges, under our Juliette Low World Friendship Fund; Maintaining permanent records on all troops; Long term plans for program, camps, and organization; and All general office procedures.

Local scout troop members and leaders urge everyone to help in making the drive a success. Remember, by giving to the Girl Scouts in your town, you benefit, your girls benefit, and the entire community benefits.

KATHY KING

Kathy King Scout Of The Week

Kathy King, daughter of Mr. and Mrs. Otis King, has been selected as Scout of the Week. Kathy, a member of the Cardinal Girl Scout Troop 319 at Springlake has participated in scouting 3 years. She was in Brownie Troop 308 for 2 years and has been in Girl Scouts for one year.

HD Club Make Future Program Plans

The Springlake Home Demonstration Club met Thursday, October 8 in the home of Mrs. Hilbert Wislan. Mrs. Orlan Bibby served as president and called the meeting to order.

Members sang the Home Demonstration Prayer and roll call was answered by giving various things noticed about ones personality.

Mrs. Bibby presided over a short business meeting during which time plans were made for future programs, business matters discussed, and plans made for the annual Christmas Party.

The hostess gift was presented to Mrs. Orlan Bibby. Mrs. Wislan served tuna salad, chips, dips, dill pickles, Mississippi Fudge Cake and coffee to those attending. Members present were Mrs. T. V. Murrell, Mrs. A. Hollingsworth, Mrs. Bob Boone, Mrs. Marvel Caruthers, Mrs. Orlan Bibby, and Mrs. Herman Cooper.

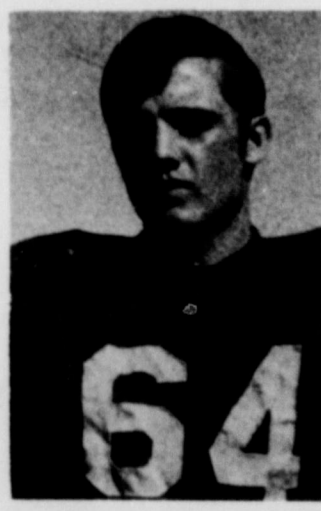

The next meeting is set for October 22 in the home of Mrs. Orlan Bibby.

Homemakers Host Style Show

The Springlake-Earth Chapter of the Young Homemakers of Texas met Tuesday, October 13, 1970, at 4:00 p. m. in the Springlake-Earth School Cafeteria with a total of 47 women and Cadettes present.

The program was a Fall Showing from Newton's in Littlefield. The clothes were modeled by 8 models, 6 of whom were Young Homemakers. The 8 models were Mrs. Dean Jones, Mrs. Johnny Collins, Mrs. Jerry Jones, Mrs. Lynn Glasscock, Mrs. Davey Haberer, Mrs. Jimmie Shirey, Mrs. Don Curtis, and Mrs. Norlan Dudley. Mrs. Doug Parish narrated the fall showing.

The models walked onto a field of artificial grass decorated with several artificial plants and flower arrangements and a big yellow poster bearing the title "Newton Presents the Fall Fashions".

The models showed a total of 31 outfits, including nighttime wear, pants suits, jump suits, dresses, and hostess wear, with the skirt lengths showed going from mini to maxi length. Following the Fall Showing, questions were answered by Mrs. Mary Newton, Mrs. Iris Smith,

and Mrs. Marie Lewis from Newton's in Littlefield.

Following these questions, refreshments were served from a table decorated with a white tablecloth with yellow streamers stretching across the table bearing the letters in silver glitter "Springlake-Earth Young Homemakers" centered with an arrangement of artificial yellow flowers in a white vase. Yellow and white napkins carried out the yellow and white theme. Mrs. Doug Parish and Mrs. Larry Hausmann served the spiced tea and homemade tea cookies to the guests.

After the refreshments were enjoyed by all, the members of the Young Homemakers met for a brief business meeting. Mrs. Earl James presided at the meeting where the members discussed the rifle raffle to be held at the Halloween Carnival. The chances are \$1 and may be bought by anyone over 15 years of age. Anyone wishing to buy a chance on the rifle may buy one from any of the Young Homemakers. The rifle is a deer rifle, model 700 Remington, 306 Bolt action rifle to be given away Saturday October 31.

Springlake Mission Friends Study Harvest Time

The beginner class of Mission Friends walked into the church for their regular meeting Wednesday afternoon and were greeted with signs of "Harvest Time".

Centered on the worktable was a large pumpkin, surrounded by grains, corn, feed and peanuts.

After each Mission Friend had a chance to examine the display and learn how God brings us the harvest season, they took the grain and patted it on paper plates to be taken home.

The group also made a poster on "Missions Around the World."

Following their handwork period, they had group time which included songs, prayer and discussion on "What Are Missions?"

The W. M. U. ladies served refreshments of cookies and Kool-Aid to those present: Michael Fields, De Ann Jones, Kelley Walden, Kelly and Kathy Head, Jerry Fields and Leader Mrs. Bill Lunsford.

FINANCIAL FACTS

By: Norlan Dudley

THE LIFE SPAN OF A DOLLAR Do you know the life span of a dollar bill?

Paper money passes constantly from bank to bank, store to store and hand to hand. Dollar bills, in particular, are in perpetual use.

The average working "life" of a dollar bill is nine months. After that time it usually becomes too worn for more use.

Banks will take in, worn or mutilated money and return it to the U. S. Treasury for new bills. At the treasury the old bills are inspected, recorded and then destroyed by burning or pulping.

A British 10s note, in comparison, has about the same life span as the American dol-

lar bill. However, because the British use more coins than we do, their one pound note lasts more than twice as long as our dollar.

Shortage In Gin Employees

A shortage of experienced cotton ginners in the area was reported by Roy Wilson, manager of the Texas Employment Commission Farm Labor office in Littlefield. However, Wilson expects that sufficient labor will be available to fill requests from local gin managers when the cotton harvest begins.

This new labor estimate is based upon the recent destruction of crops in the South Texas area by hurricane Celia which will cause more cotton harvest labor to come in to western Texas for the cotton harvest here.

Wilson states that in the event labor cannot be obtained in sufficient numbers additional labor can be obtained from other areas by his office.

Gin managers who will need gin labor and farmers who will need trailer hands are encouraged to visit or call Wilson, 385-5107, at the TEC office at 425 XIT Drive, as few days before actual need to insure that the labor will be available when needed.

The Texas Employment Commission assists employers and workers alike, without charge. The TEC refers workers to job openings without regard to religion, race, color, or national origin.

Party Line

Visitors in the Wayne Rutherford home over the weekend were their daughter's families, Mr. and Mrs. Joe Fuller, Thad and Brent from Albuquerque, New Mexico, Mr. and Mrs. Dwayne Louder, Lance and Lane, Dimmitt, and Mrs. Wayne Mae Cooper, Kerry, Kyle and Kim from Clovis, New Mexico.

Mrs. Harvey Hickman has been transferred from Methodist Hospital in Lubbock to the Amherst Hospital.

Farm Labor Survey To Start Soon

Lamb County has been selected to participate in a statewide survey which will begin in early October to collect data on the effect of extending federal unemployment insurance coverage to farm workers.

According to County Agriculture Agent Buddy C. Logsdon, Texas A&M University's Department of Agricultural Economics and Rural Sociology will direct the survey through the Agricultural Experiment Station and the Agricultural Extension Service.

He points out that Texas A&M is neutral on the program and is cooperating with the study at the request of the U. S. Department of Labor. The information must be collected and submitted to the Department of Labor so that any proposed changes in federal law will come only after all the consequences for both agricultural employers and workers are understood.

According to the agent, key agricultural leaders throughout the state were contacted prior to the initiation of the survey. These leaders concluded that if such a survey was to be conducted, they desired that the land-grant university undertake the study.

Logsdon explains that Texas is one of 18 states participating in the national survey. These states have about half of all hired farm workers in the United States.

The upcoming survey stems from Unemployment Insurance legislation that was passed by Congress in August, says Logsdon. In this legislation a research program was established to study the impact of extending coverage to excluded groups, farm labor in particular.

The legislation passed in August extended coverage to nearly 5 million workers, bringing the total number of jobs covered by federal and state unemployment insurance laws to more than 65 million. There are now more than a million farm workers in the U. S. who are not protected by unemployment insurance.

Logsdon points out that the survey will gather information on farm labor use and the farm work force that is needed. Additional Extension educational and research programs will be established as a result of what is learned. The impact of current and proposed labor legislation affecting agricultural workers and employers will also be studied.

Some 3,000 agricultural employers and about the same number of agricultural workers will be surveyed throughout the state, adds Logsdon. The employers, selected at random, will receive a questionnaire through the mail while the farm workers will be interviewed individually. The County Agent anticipates that some 101 farm workers in Lamb County will be interviewed after approval from the employer.

The agent emphasizes that all information collected in the survey will be held in strict confidence. Data collected will be computer-processed and will become available to farm organization leaders and other interested groups as they develop programs which involve farm workers.

Logsdon urges everyone in the county who is contacted concerning the survey to give his fullest cooperation. He says that the information is needed to help keep Texas' agricultural economy strong and competitive.

LETTERS TO THE EDITOR

Dear Mrs. Middleton:
Do you know that there are over eleven hundred informational media in Texas? That is why the mimeography (may God forgive us).

May I tell you of a program we are starting in Texas? By the way, it is entirely financed by foundations and some individuals.

About two months ago we started an anti-heroin campaign in the State of Louisiana. We did this on a statewide basis for a very definite reason. A clinic in a big town and no knowledge in the smaller towns, simply pushes the peddler of dope out of business in the big town. So he goes to the smaller towns. My feeling is that everybody must know what can and is being done.

This is in no sense designed to compete with any heroin facility in Texas. We will cooperate with any one as long as he tries with some success to get rid of heroin addiction.

Doctor James T. Nix of New Orleans probably knows more about anti-heroin campaigns than any man in the world. Doctor Pete Carter of Fort Worth, Texas, certainly runs him a close second. These two men along with my information, will head the campaign. We will just try our best to get everybody knowing what can be done and everybody working independently. We envision no organization except very loose exchange of thoughts.

During the next months I will be sending you a great many releases. You can simply check the three men who are going to do the actual work. Again, they are Doctor James T. Nix of New Orleans, Doctor Pete Carter of Fort Worth and Doctor Paul Williamson of McComb, Mississippi. By the way, my business address is Box 700, Bellaire, Texas 77401. Will you help us and see that everybody gets this information?

Sincerely,
Paul Williamson, M. D.

Dear Polly,
What do you mean letting our subscription expire? Our weekend was missing something last week, so be sure and send us a paper for last week and this week too.
Here's my blank check for a 2 year subscription as I don't remember the price.
Hope you and yours are fine. Can't believe Phil is getting married-he's still a little boy to me. You wouldn't know Rocky,

he's almost 5'9 and weighs 150 pounds. He made the A team in Jr. High football and loves it. We went to Paducah and saw Crowell win 8-0, Monday night.

Best wishes to all.

Bill Clayton Named Bank Director

State Representative Bill Clayton of Springlake was named new director of the Olton State Bank in a action taken by the board of directors on September 17. Announcement of the appointment was made by Earl Spruiell, president of the Olton Institution.

To complete the governing board, Clayton joins directors R. D. Brown, Ken Burgess, Joe Garrison, Laula Hari, Trullit Sides, Robert Shaw and Spruiell. Clayton, who maintains farming and ranching operations in Lamb County, is well known throughout the area. He is currently serving in the capacity of Executive Director of Springlake, Inc. and is President of Springlake Enterprises. A member of the West Texas Advisory Committee to the Water Development Board, Clayton is also chairman of the 160-acre Limitation Committee of the Texas Water Conservation Association. He serves as Secretary-Treasurer of the Interstate Conference on Water Problems and holds membership in the West Texas Chamber of Commerce Water Resources Committee and various other water-oriented associations and institutions. Due to his knowledge in these subjects, Clayton has been the recipient of many awards and citations including the Fort Worth Press "Outstanding Service Award in Water Conservation." His published papers include "Laws Affecting Water Development in Texas," "Pollution-Feedlot Waste Management," "Conservation - We Pass This Way But Once" and "Water of Desert."

UNBEATEN JUNIOR WOLVERINES - The Springlake-Earth eight graders have gone unbeaten this season. Kneeling are Greg Welch, and Dyke Gaston. Front row: David Carr, Eric Freeman, Freddy James, Edwin Fulfer, Mick Price, Terry Lively, Palacio Rodriguez, Del Davis, Cris Espinoza, and Terry Blanton. Back row: Lupe Farris, Mike Bosquez, Joe Herrera, Doug Jones, Junior Sauseda, Larry Clark, Dicky Bradley, Robert Garza, and Jacob Miller.

8th Grade Wins Over Bovina 8-6

The 8th grade squad of Springlake-Earth edged by Bovina squad to win a tight one, with a score 8-6. The first half of the game was scoreless with both teams making every effort to reach pay dirt, but wrong breaks seemed to prevent their doing so. In the third quarter Bovina scored but failed to make the extra point. The score was 6-0. In the fourth quarter, Doug Jones scored a 35 yard run and Dicky Bradley run the extra point. This put S-E in the winning spot. The game ended 8-0.

A Mother's Prayer

by The Farmer's Mate
Dear God, please help me to be a good mother
And love my children so they'll love one another.

Put away all the unkind words and deeds
And let me think only of their deepest needs.

They are so small and don't understand
The punishment I give them,
Please lend me Your hand.

Help them to know how very much I care
And want to be part of their lives and share

My faith, love and knowledge of You
So they can mature and know Your great love, too.

This I offer as my prayer on Your day,
Bless my children and help them, through me, follow Your way.

7th Grade Squad Take Bovina 16-0

The local seventh grade squad went out on the field with a determined look that doubtless told their opponent they meant to win, and win they did, with a score of 16-0.

The first quarter was scoreless with both teams getting warmed up for bigger and better things to come. In the second quarter, Ronnie Russell scored on an eight yard run for 6 points. He also run the extra points. The half ended at 6-0.

In the third quarter, Brad Barden scored on a 12 yard run bringing the score to 14-0. John Cleavinger ran the extra point to end the scoring for the game. The final score was 16-0 in favor of the local hard playing squad.

CONTEST RULES

The teams that are playing in this week's contest games are listed side by side in the official entry blank on this page.

Use the handy entry and mark out the teams you predict to lose. Print the scores you predict in the tie-breaker game in the spaces provided.

Each week's entry must be turned in or mailed to the Earth News-Sun office. Contestants are given a week to prepare and turn in their entries.

Entries must be in by 4:00 p. m. Friday or postmarked on that date. All late entries will be discarded.

In case of ties, a coin will be flipped to determine the winners.

Each week the number of games correctly predicted will count toward each contestant's season total. The person picking the most games correctly for the entire season will receive the grand prize. In the event of a tie on the season total, a coin will be flipped to determine the winner.

The weekly prizes will be given to the persons picking the most number of games for that week. The tie-breaker will count as one of the games picked, and the predicted score will be used to determine the top three places in that week's contest, if necessary.

Only one entry per person is allowed.

ENTRIES MUST BE TURNED IN BEFORE 4PM

Brownie Troop Make Bud 308 Vases

Members of the Springlake Brownie Troop 308 met Monday afternoon in the Community Building in Springlake. Kim Haydon opened the meeting with the Flag Ceremony, consisting of the pledge, singing of America and the Brownie Promise.

Monday was handcraft day for the Brownies and they spent the session working on bud vases using pop bottles and covering them with paper mache.

Teresa Lunsford served refreshments to Kim Haydon, Jeanne Haydon, Lyn Howell, Nellie Palacio, Loretta James, Lesia Templeton and Junior Leaders Kathy Bibby, Carlene Jones and Dawn Barden.

Our hearts were made lighter by the many kindnesses shown every member of our family during the dark hours of grief and sadness over the loss of our beloved husband and father, Jimmy Ivy.

For prayers, cards, flowers, and every act of kindness, we send our sincerest thanks. May God richly bless each of you in his own special way.

Annual School Enrollment Survey To Be Conducted Here

A survey of school enrollment at all levels from nursery school through college will be conducted in this area by interviewers of the Bureau of the Census during the week of October 19, according to Walter A. Freeman, Jr., Director of the Bureau's regional office in Denver.

Local interviewing will be part of a nationwide effort made annually to measure the Nation's school and college population. A similar survey in October 1969 showed total enrollment to be 59.9 million persons—33.8 million in elementary school, 14.6 million in secondary school, 3.3 million in kindergarten, 860,000 in nursery school, and 7.4 million in college.

The survey will be made along with the monthly national survey of employment and unemployment for the Bureau of Labor Statistics of the U. S. Department of Labor which furnishes a basic measure of national economic health.

Information collected in Census Bureau surveys can be used only to determine statistical totals, and facts about each person and family are kept confidential by law.

The interviewer who will visit households in this area is Mrs. Rosemary McNeese of Amherst.

Party Line

Mr. and Mrs. Marvin Sanders flew to Giddings, Texas Friday to attend the Giddings-Smithville football game and visited over the weekend with their son and family. Mr. and Mrs. Sandy Sanders, Sandy is assistant football coach and math teacher at Giddings High School for the past 3 years. His team has a 4-0 record this season. Sandy and his wife, Vicki, and children are former residents of Earth.

DIGNIFIED SENIORS??? Who said so? They had lots of fun Saturday going over the area gathering trees and scrap lumber for their Miss Flame candidate, Susie Adrian.

Definition Of A Square ...

"Square", another of the good old words, has gone the way of "Love" and "Modesty" and "Patriotism"... something to be snickered over or outright laughed at.

Today, a "square" is a guy who VOLUNTEERS when he doesn't have to... who gets his kicks from trying to do a BETTER JOB than anyone else.

The "square" is a fellow who doesn't want to stop at the BAR and get all juiced up, because he prefers to go to his own home, his own DINNER TABLE, his own BED.

He gets all CHOKED UP when he hears children singing, "My Country, 'tis of thee..." He even believes in God and says so in public!

A "square" is likely to save some of HIS own money for a rainy day, rather than count on using YOURS.

He tells his son it's more im-

pugnant to play FAIR than to win. Imagine!

Will all GOONEY BIRDS answering this description please stand up.

You MISFITS in this brave, new age, you dimly organized, improperly apologetic ghosts of the past, stand up and be counted.

You SQUARES who turn the WHEELS and dig the FIELD and move MOUNTAINS and put rivets in our DREAMS.

You SQUARES... who dignify the HUMAN RACE.

You SQUARES... WHO HOLD

THE THANKLESS WORLD IN PLACE.

--Editorial, Radio Station (WMAL) Washington

Red Cross Board Meets

During a regular meeting Friday of the Lamb County Chapter of the American Red Cross Board, Chapter activities were reported. Mrs. Joyce Oliver, Mrs. Lyle Brandon and Jimmy Crosby were appointed to the Disaster Action Team.

The executive secretary gave final report on the "ditty bag" project. The bags were shipped September 30. They are filled with comfort items for servicemen at Christmas who are overseas. Due to volunteer contributions and services, this project was made possible.

She also reported the following case contacts in September: 70 service-to-military, 7 veterans, 24 civilians.

Those in attendance were Mrs. Ruth Leonard, Mrs. Lottie Orteg, Mrs. Bonnie Haberer, Mrs. Doris Frey, Mrs. Anna Mae Miller, Mrs. Ruth Wade, Judge G. T. Sides and Rev. C. P. McMaster.

USMC Guarantees Specialized Training

The United States Marine Corps has announced a new guaranteed enlistment program open to young men and women who desire

training in and assignment to one of four highly specialized or technical fields.

Initiated to satisfy the growing demand for qualified personnel in the fields of Combat, Administration, Electronics and Communications and Technical Specialties, the Corps will now guarantee in writing, before enlistment, assignment and training in one of the above fields.

In addition to being guaranteed training and assignment in the area of one's choice, the Marine can leave for basic training anytime he chooses within six months of the time he enlists. Although the areas available are specialized, the Marine Corps is not necessarily seeking persons already trained or familiar with a particular specialty.

Under the new program, the Marine Corps will train anyone interested in a certain field, provided the applicant can pass the screening test. SEE YOUR MARINE RECRUITER AT: 1009 19th STREET, LUBBOCK, TEXAS OR PHONE 765 8541 330.

Hal Hudson Promoted To Captain

Hal H. Hudson, son of Mr. and Mrs. E. C. Hudson of Earth, was promoted from 1st Lieutenant to Captain on May 16 of this year. He received his promotion upon returning from Viet Nam where he had served from May 13, 1969 to May of 1970.

In connection with his duty in Vietnam, Captain Hudson received the following awards: The Bronze Star for Meritorious Service; the Republic of Vietnam, the Vietnamese Cross of Gallantry and for his actions on November 17, 1969, and upon direction of the President of the United States under the provisions of executive order 11046 for heroism in connection with military operations against a hostile force, he received the Bronze Star (First Oak Leaf Cluster) with "V" device for valor.

On the above mentioned date, Captain Hudson (then still 1st Lt.) accompanied a Vietnamese regional forces control group on a combat operation based on intelligence from a Hal Chanh,

He was at that time serving as Senior Advisor to Mobile Advisory Team III-3, Ben Cat District, Bing Duong Province. His citation reads as follows: "At approximately 1300 hours the unit came under intensive small arms and grenade launcher fire as they approached their objective. During the initial contact, Lt. Hudson urged a squad of regional forces soldiers to a bunker from which the unit was receiving considerable small arms fire. Exposed to the withering enemy fire and with complete disregard for his own personal safety, the regional forces squad advised by Lt. Hudson engaged the enemy bunker, killing the three enemy within it. After the regional forces unit surrounded the enemy position, Lt. Hudson directed a platoon of armored cavalry operating with the regional forces control group to the enemy's location. Again exposing himself to intensive enemy fire, he guided the armor unit to a second enemy fortifi-

cation which was engaged and destroyed. Lt. Hudson's valor, devotion to duty and professionalism resulted in the neutralization of a Viet Cong guerrilla unit. His actions were in keeping with the highest traditions of the United States Army and reflect great credit upon himself and the military service."

Captain Hudson is now stationed at Fort Hood, Texas where he is Company Commander for B Company, 7th Battalion, 6th Inf. (Mech.), 2nd Armored Division. Before taking over his company on September 23, he served as Battalion S-3.

Captain Hudson is a 1962 graduate of Springlake High School and in January 1968, he received his degree from Texas Tech University. He was commissioned into active duty on January 20, 1968, and prior to his tour in Viet Nam, he had served at duty stations at Fort Benning, Georgia, Fort Carson, Colorado, and Fort Bragg, N. C.

The Pilgrims landed at Plymouth Rock December 21, 1620.

Mustangs Down The Wolverines

Friday night wasn't the Wolverines' night with the Bovina Mustangs throwing them for a loss of 21-7.

The Mustangs scored in the first quarter with Roy Ramirez going in from two yards out and Jim Harris kicking the extra point.

The Wolverines got on the scoreboard in the second quarter when Eddie Alair scored from three yards out and Hoyt

Glasscock kicking the extra point.

The Mustangs came back in the third quarter to score two other touchdowns. Mike Beauchamp took the opening kickoff and ran 92 yards for the touchdown and Harris again kicked the extra point.

The final touchdown was scored by Beauchamp from one yard out and Harris kicked the extra point.

In the first half S-E had 41

yards rushing, nine yards passing, five first downs rushing, and two first downs by fumble recoveries.

In the second half the Wolverines rushed for 101 yards for a total of 142 yards. Bovina had a total of 225 yards and 17 first downs.

The Wolverines are hosts to the Vega Longhorn for homecoming Friday night. Be sure to attend and show your support. Game time is 8 p. m. in the Wolverine Stadium.

UMY Has Program On Racism

"Racism, Crime and War" was the subject studied by the Junior High UMY members as they met Sunday in the United Methodist Church for a regular meeting.

Dyke Gaston presented the program.

Four members and one guest, Kathy Winters, were present.

Mrs. E. G. Gaston served as leader for the group in the absence of Mrs. Bud Matlock.

"Mission Adventure" Discussed By Girls In Action

Springlake Girls In Action met Wednesday afternoon at the First Baptist Church.

Due to the failure of the arrival of new literature, the group had a discussion on "Mission Adventure" instead of the regular stated meeting.

Following group discussion, the girls visited the church library and checked out books on missions for further study on

mission adventures.

Plans were completed for their Mission Action program set for October 28.

Ranae Winder lead the closing prayer.

Mrs. Billie Walden, Leader, served homemade cookies and punch to Bobbie and Robbie Moseley, Gale Miller, Donna Smith, Jaton Schellar, Ranae Winder, and Tammy Davis.

S. S. Class Has Luncheon Tuesday In Sanders Home

The Friendship Sunday School class of the Methodist Church had their monthly 1 p. m. meeting with a covered dish luncheon in the home of Mrs. H. S. Sanders.

Following the luncheon, Mrs. J. L. Hinson gave the devotional.

During a short business meeting, officers for the next year were elected. They are as follows: President, Mrs. Crill Bulls; Vice President, Mrs. L. Z. Anglin and Secretary, Mrs. R. H. Belew.

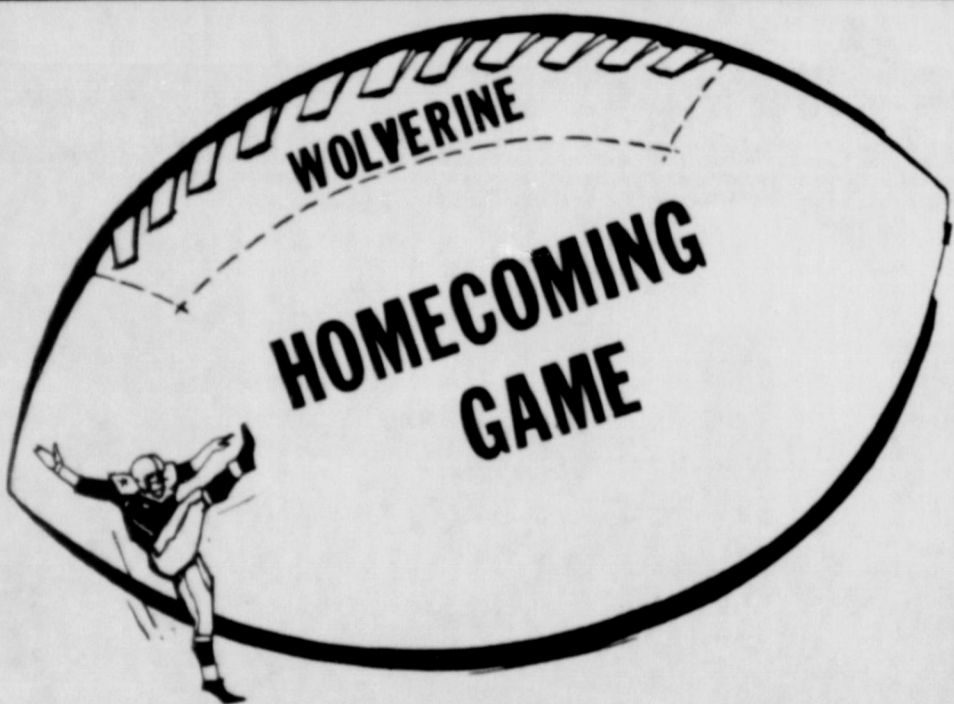

Those present for the meeting were Mrs. L. Z. Anglin, Mrs. John Welch, Mrs. Gladys Goodwin, Mrs. Bessie Cearley, Mrs. Lottie Orteg, Mrs. Nannie Ginn, Mrs. R. H. Belew, Mrs.

Jack Hinson, Mrs. Marie Ross, and Mrs. Johnnie Williams.

The next meeting is scheduled in the home of Mrs. Johnnie Williams.

BEADS HEX POLLUTION

Tiny glass beads to facilitate burning of oil pollution on beaches and water surfaces have been developed by Pittsburgh Corning Corp. When spread on oil spills, the beads act as candle wicks absorbing oil. The beads continuously feed flames of ignited oil by capillary action. The firm claims successful use of the beads in burning totally crude oil spills up to 20 inches deep.

Mr. Gene Hanlin of Littlefield, chairman of the Association, will preside. Girl Scout adults will attend from Olton, Earth, Springlake, Littlefield, Anton, Sudan, and Levelland.

Members of the faculty at South Plains College, Mrs. James Lattimore, Mrs. Vic Shea and Mrs. David Vigness, will serve on a panel and discuss "Girls Today and the Girl Scout Program".

A leader recognition service will be conducted in honor of women who have worked with Girl Scouting five or more years.

Mrs. Ray Helton, Levelland, will report on a trip to Our Cabana, International Girl Scout

Center in Mexico, which her troop took this summer. Mrs. Buster Owens, Littlefield, will discuss the place of camping in the Girl Scout program. Day Camp reports will be given by Mrs. James Grimes, Littlefield; Mrs. Dale Riggs, Earth; and Mrs. W. H. Mobley, Levelland.

Leaders will share program ideas during a roundtable for each of the age levels in Scouting. Mrs. David Vigness will work with Cadette leaders. Mrs. L. L. Beck, Executive Director of the Caprock Council will meet with Service Team Chairmen.

Luncheon will be served in the Cafeteria of the College. A tour of some of the facilities of the college will conclude the meeting.

Those planning to attend from Springlake-Earth are Mrs. Donnie Clayton, Mrs. Wayne Davis, Mrs. Earl Jordan, Mrs. Don Taylor, Mrs. Doug Parish, Mrs. Dale Riggs, and Mrs. Raiford Daniels.

SPAG Adds New Staff Members

The South Plains Association of Governments has just recently added two new members to its staff. They are George Johnson and Dale Schenck.

George Johnson is filling the newly authorized position of criminal justice coordinator for SPAG. His primary responsibilities will be to (1) Establish SPAG's regional law enforcement training program (2) Act as a consultant to local agencies desiring to upgrade their system by use of action grants from the Texas criminal justice council and (3) Develop plans of improvement for the criminal justice system on the South Plains.

Prior to assuming the duties of Criminal Justice Coordinator, Mr. Johnson was involved in conducting several pilot programs for several agencies in the central Texas planning region. The programs included a regional juvenile delinquency study funded by HEW and a regional crime information center funded by the Texas Criminal Justice Council.

Dale Schenck comes to SPAG as Regional Planner from Austin after completing graduate school at the University of Te-

xas. His duties as Regional Planner will be to provide planning and technical assistance to governments within the region and advisory assistance in securing funds for the projects developed.

Dale's experience brings him back to this area after having previously been associated with the Lubbock City Planning Department, as Assistant Planner during 1967-1968. He is a 1966 graduate of Texas Tech University, obtaining his degree in architecture.

Rural Electric Takes Part In Co-op Month Observance

Bailey County Electric Cooperative Association is joining in a nationwide observance of Co-op Commitment Month during October, J. W. Coppedge, Manager said today.

Co-ops taking part in the observance commit themselves to work toward the general goal of a better life for all citizens in the 1970's and to set specific objectives to help achieve that goal.

"Immediate objectives of the

Bailey County Electric Cooperative include helping people in this area get new homes or improve present houses by using the new housing legislation administered by the Farmers Home Administration; helping get waters and sewer systems in rural communities or small towns where they are needed and seeking to attract new business and industry.

"We are committed to the goal of providing reliable electric

service," Mr. Coppedge said, "and beyond that we are devoted to the development of rural America so that more of those who grow up in our service territory can find economic opportunity and the kind of life they want right here. This will be good for the people of rural America, but it will also be good for the people of the nation's crowded, problem-ridden cities," stated Coppedge.

"Our co-op is a natural leader in this effort," Mr. Coppedge continued, "because the people who receive service from this co-op are the co-op. The work 'cooperative' is made up of 'co' (together) and 'operative' (doing work), and working together we can make life better for each other and all Americans."

Texas Ranks 5th In Number Of Veterans

Texas ranks fifth in the number of veterans according to Jack Coker, Director of the Veterans Administration Regional Office in Waco. With 1,370,000 veterans, Texas is behind number one California which has 2,992,000.

The figures are compiled annually, as of June 30, based on census figures and VA data, as a basis for planning services to veterans.

New York was second to California with 2,553,000 veterans, followed by Pennsylvania, with 1,785,000; Illinois, with 1,576,000, and then Texas. The next five runner-ups were Michigan, New Jersey, Florida, Massachu-

sets and Wisconsin. Coker said Alaska has the smallest number of veterans—30,000. Wyoming with 53,000 has the least among the contiguous states.

Total U. S. veteran population reached 27,647,000 as of the end of last fiscal year. It was swelled by 4,173,000 veterans of the Vietnam Era. Vietnam veterans are still heavily outnumbered by the 14,458,000 World War II veterans, but their numbers are closing the gap on the total for those who had military service during the Korean Conflict—5,867,000. About 1,536,000 World War I

veterans are living today. With an average of 75.7 years, they are still "youngsters" compared to the 5,000 Spanish-American War veterans whose average age is 91.2 years.

The largest block of veterans, those who served in World War II, average 50.7 in age, Vietnam veterans are 26.7 years old, on the average. Some 24,000 are under 20 and 1,674,000 are under 26.

By Tenny Bowder.

Rev. and Mrs. Mack Turner attended the banquet in Dimmitt Monday night honoring the faculty of the Dimmitt High School.

Ray Joe Riley was re-elected vice-president of Plains Cotton Growers Inc. in the 14th annual meeting in Lubbock last week. More than 400 attended.

Kevin Riley took the second place trophy in the 8 year group in the Kick, Pass, and Punt contest Sunday the 27th.

Mrs. Larry Odom and Lisa of Hereford visited Monday evening with Leslie Louder and Mrs. Ezell Sadler at the W. E. Loudders.

Mr. and Mrs. John Arledge and Mr. and Mrs. Ernie Waggoner of Kerrville visited this week with Mr. and Mrs. J. Paul Waggoner and other relatives and friends. Mr. and Mrs. Arledge visited with Mrs. Ezell Sadler and the W. E. Loudders Tuesday afternoon.

Mission Friends, Girls in Action, Crusaders, and Baptist Young Women met at the church Tuesday afternoon for their first meeting for the beginning of the new church year. Mrs. Thomas Parson is the director and leader of the Mission Friends. Mrs. Gale Sadler is the director of Girls in Action. Leaders are Mrs. Bill Morgan and Mrs. Johnny Epperson.

Mrs. Phillip Jones and Mrs. Doug Louder will work with Crusaders for the time being at least. Mrs. Larry Sadler is the President of the Baptist Young Women. There was a good attendance in all groups. The children were served refreshments after they got off the school bus, before their meetings.

Wednesday night the Acteens and Baptist Women had their first meetings. The Acteen director and leader is Mrs. Hershel Wilson, the other leader is Mrs. Garner Ball. Mrs. Mack Turner is President of the Baptist Women.

Mrs. Roy Phelan had charge of the program which was the General meeting. Mrs. E. R. Sadler is the W. M. U. Director.

Ken Dawson and Ray Joe Riley were active pallbearers for the funeral of Norman Cleavinger of Dimmitt in Dimmitt Tuesday afternoon. Mr. Cleavinger helped me with the history of the Sunnyside community. He taught school at Sunnyside one year, his second year out of college.

Pfc. Mike Hutton, grandson of Mr. and Mrs. W. T. Autry, is now serving with the 101st Airborne Division in South Vietnam.

The W. T. Autrys have a new great granddaughter, Edith Camille. She is the daughter of Mr. and Mrs. Steve Hutton of Galveston. She was born the 19th and weighed 5 lbs. 7 1/2 oz.

Mr. and Mrs. R. V. Bills are grandparents again. A 7lb. 14oz. boy was born to Mr. and Mrs. Larry Don Bills in Dallas the 26. They named him David Paul. Mrs. Bills left on the bus to see them the 27th. R. V. went down October 1st and they came home last Sunday the 4th. Mrs. Vaughn came home with them. She had been with them 8 weeks.

Bill Morgan and the boy scouts of Troop 614 met Tuesday evening and discussed firearms. The

meeting was held at the Earth Community Building.

Kim Haydon was named Scout of the week this week. She is a member of Troop 308 and is in her second year with the Brownies. The Troop met at Springlake Monday afternoon. Kim and Jeanie served sandwiches and ice cream to nine.

Mrs. Ray Joe Riley, president of the Springlake-Earth P. T. A., gave the welcome address and reported that the theme of the decorations was of a fair, as they were host to the 14th District's Fall Workshop, Tuesday.

Mrs. J. D. Sams from Plainview, district president, presided over the meeting. The films "Narcotics", "Why Not", "Drug Abuse", "The Chemical Tomb", "Just One More", and "Bright Boy-Bad Scholar" were shown. One hundred seventy five attended from Lubbock, Olton, Pep, Plainview, Ralls, Muleshoe, Amherst, Levelland, Amarillo, Littlefield, Brownfield, Anton, Spade, Petersburg, Crosbyton, Fieldton, and the local school.

Mrs. Hershel Wilson was among the group of helpers who put up the decorations and otherwise made it a big success. The theme of the program and the year was "Humanizing Education".

Mrs. Robert Bridge was one of the hostesses for the bridal shower honoring Mrs. Kenneth Tyler, formerly Debbie Matlock, of Hale Center last Thursday night in Springlake in the home of Mrs. Ernest Baker.

A new Sunday School class was organized in the home of Mr. and Mrs. Howard Cummings Tuesday night for the First Baptist Church of Earth. Eight attended.

Cub Scout Leaders Attend Roundtable In Littlefield

A Cub Scout Roundtable for leaders was held in the First Methodist Church at Littlefield on Monday night October 12.

Mr. and Mrs. Jones of Anton Cub Scout Leaders, were in charge of the Roundtable. The Roundtables are scheduled monthly to assist Cub Scout Leaders plan programs for the full month.

The October Roundtable was centered around the November theme which is "Pioneer Days". Sandy Bradley, of Littlefield, introduced two songs to be used in connection with the Pioneer Days theme. They are "Skip To My Lou" and "Yankee Doodle".

Representatives from Springlake-Earth were in charge of the games session. They demonstrated a scrambled word game and showed two magic tricks. For the final game, they placed various objects into a paper sack. To master the game is to identify the object by touch only. The player identifying the greatest number received the big prize which was a bag of wind.

A short skit depicting Pioneers and Indians gave leaders additional ideas to carry out the November theme.

A group discussion and a question and answer period was held to aid leaders with any problems they may have.

To conclude the evening, all those attending went in the kitchen and made Johnny Cakes, the basic meal of the early pioneers. This served as their refreshments along with snacks of cheese, crackers and coffee.

Representatives from Levelland, Littlefield, Earth, Springlake and Anton attended the Roundtable.

Those attending from S-E were Mrs. Phil Neinaast, Den mother, Mrs. Don Taylor, Den mother, and Don Taylor, Cub Master.

18 Year Olds Can Apply For Voter Registration

Voter registration applications from 18, 19, and 20 year olds are currently being taken by Herbert Dunn, Lamb County Tax Assessor-Collector. No receipts are being issued however, pending action by the

Supreme Court ruling whether or not Congress can grant the vote or whether the age limit must be changed by a constitutional amendment. Dunn said, to date, very few had applied to vote.

Quail Season In Lamb Is 46 Days

The Lamb County commissioner's court has rejected the long quail hunting season set by the Texas Parks and Wildlife Commission and set the season at 46 days, with the season opening Dec. 1 and closing Jan. 15.

Lamb County went under the jurisdiction of the commissioner's court here, each year the commissioners must either approve or disapprove the recommendations of the length of season set by the Parks and Wildlife.

Commissioners Jack Peel and Hubert Dykes both favored putting the quail regulations back into the hands of the TP&WL, and voted for the long season from Nov. 15 through Jan. 31.

Commissioners A. J. Spain and Thurman Lewis voted to reject the longer season and set the season for the same number of days as last year. Judge Sides broke the tie in both motions by voting to reject the long season and set the 46-day open date.

Absentee Voting In General Election, Oct. 14-30

Wednesday, October 14, to Friday, October 30, inclusive, is the period for absentee voting by personal appearance in the November 3 general election. Any qualified voter in Texas who expects to be absent from the county of his residence on November 3 may cast an absentee ballot. To do so, he should take his voter's registration certificate to the county clerk's office during its hours of operation in the October 14-October 30 period.

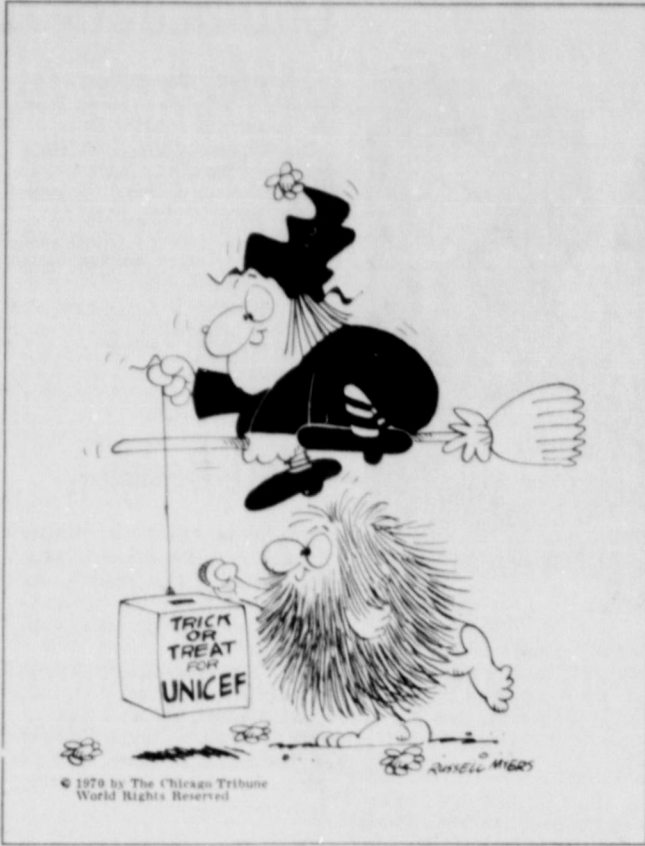

In addition to state, district and local races, the November 3 ballot will include seven proposed amendments to the Texas Constitution. By subject, the proposed amendments relate to: (1) censure and removal of judges; (2) authority for mixed beverage law; (3) assessment of farm, ranch and

forest lands; (4) reconstitute State Building Commission; (5) county road bonds and assessed valuation; (6) increase value of homestead exemption from forced sale; and (7) authority to consolidate functions of government. Texas has a record 4,150,645 registered voters this year. Normally, absentee voting accounts for approximately five per cent of the total vote turnout.

Anti-Pollution Award Made

Environment Monthly's First Annual Environment Honor Award has been presented to the Bethlehem Steel Corp. for "above and beyond performances" in its long and continuing efforts to control air and water pollution. William Houseman, editor of the publication, announced.

BROOM-HILDA

The Nation's Symbol May Become Extinct

Since the snowy pate of the bald eagle is easily identifiable with the symbolism of nobility, courage and eternal vigilance, the United States would be hard put to find a better national emblem. Nevertheless, the U. S. might be wise to start seeking another emblem. The eagle, symbol of our nation, could be on the brink of extinction.

Where once there were thousands along the Texas coast, only five or six pairs remain, according to the National Audubon Society. In the U. S. only 12,000 to 15,000 eagles remain, with 10,000 of them occurring in Alaska.

Though guns and bulldozers have certainly taken their toll of both the eagle and its habitat, other more insidious creations of man are threatening to make the eagle less durable than the nation it represents.

Chlorinated hydrocarbon pesticides such as DDT, dieldrin and endrin are reported to seriously threaten the future of the bald eagle.

This is because bald eagles, as with most birds of prey, are positioned at the end of a food chain which guarantees a dosage of poison with practically every meal.

For some birds of prey, such as the golden eagle which feeds mostly on mammals, the end should not come as quickly as it may for others which feed mostly on birds and fish as does the bald eagle. Pesticides apparently are magnified more in birds and fish than in mammals.

In some cases bald eagles have been killed outright when DDT and dieldrin accumulated in their brains. But the bald eagle could find his way to oblivion in a much less dramatic way than the quivering death of direct pesticide poisoning. He just won't reproduce.

DDT and dieldrin affect calcium metabolism, which in turn affects eggshell thickness. The shells are so thin that parent birds frequently break them while nesting and then eat them.

Since biologists say chances for saving the bald eagle may already be beyond our powers, a study of its natural history may be a moot point very shortly.

But while he is still around, we can appreciate the eagle as one of our most interesting wildlife species.

The eagle takes much of his food on the wing. In normal flight he labors like a winged

elephant, but when the need arises the big bird becomes surprisingly agile. He is able to pursue an osprey, turn over on his back and pluck a fish from the osprey's talons.

The bald eagle can also pick fish from the surface of water or snatch a hunter's freshly shot bird from the air before it hits the ground.

But these natural acts of eating, while giving sustenance, are insuring oblivion for the bald eagle. With practically every bite he eats, the eagle gets a minute dose of pesticides. And soon we may only have the bald eagle's image--on tops of flagpoles and on dollar bills--as a reminder that it was once America's great bird.

Local Residents Granddaughter Wins At Fair

Donita Lee, 9 year old daughter of Mr. and Mrs. Bud Lee of Midland won third in the Basic Strutting Contest held at the South Plains Fair in Lubbock.

The Midland Mini-Etts, which is a dance twirling team of which Donita is a member, placed first, winning the high point trophy in the twirling event.

She is a student of Sharon Higgins of Midland.

Donita is the granddaughter of Mr. and Mrs. Marcus Messer of Earth.
